Ordinance amending Public Works Code Sections 802 and 806 to establish a minimum in-lieu fee when tree planting requirements are waived or for the removal or destruction trees subject to Article 16 (the Urban Forestry Ordinance); to establish fees for removal of such trees based on the number of trees proposed for removal; and to provide for an annual adjustment of said fees; and making environmental findings.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 060778 and is incorporated herein by reference.

Section 2. The San Francisco Public Works Code is hereby amended by amending Sections 802 and 806, to read as follows:

SEC. 802. DEFINITIONS.

Unless the context specifically indicates otherwise,

(a) "Administrative cost" shall mean 20 percent of the Department's actual replacement cost, or a minimum of $100, whichever is greater.

(b) "City" shall mean the City and County of San Francisco.

(c) "Community Boards" of San Francisco shall mean the neighborhood mediation/dispute settlement service established under the auspices of The Community Board Program, Inc.
(d) "Department" shall mean the Department of Public Works of the City and County of San Francisco.

(e) "Director" shall mean the Director of the Department of Public Works or the Director's designee.

(f) "Ex officio" shall mean a current employee of any City department, or California or federal agency whose appointment to the Urban Forestry Council has been approved by the Director of the Department of the Environment.

(g) "Injure" or "injury" shall mean any act which harms or damages a tree, including but not limited to impact, cutting, carving, painting, transplanting, or knocking over, and includes but is not limited to the following: injurious attachment of any rope, wire, nail, advertising poster, or other contrivance to any subject to the provisions of this Article; intentionally or negligently allowing any gaseous, liquid, or solid substance that is harmful to a tree to come into contact with a tree; setting fire or intentionally or negligently permitting any fire to burn when such fire or the heat therefrom will injure any part of any tree; pruning which in and of itself will kill or cause a tree to decline; or severing of all or part of a tree.

(h) "In-lieu fee" shall mean a fee deposited into the Adopt-A-Tree Fund and imposed by the Director. The in-lieu fee shall be equal to the replacement value of a tree(s) to be removed or trees that have been destroyed or as otherwise specified in Section 811. In the case of trees required to be planted by Section 143 of the City Planning Code, yet excused under Section 143(d) of the Planning Code, the in-lieu fee shall be equal to the City's cost to plant and water a tree for three years. The minimum in lieu fee shall be $1,489.00. Beginning with fiscal year 2007-2008, this fee shall be reviewed and adjusted each year in accordance with the procedures set forth in Public Works Code Section 2.1.2.

"Major maintenance" shall include structural pruning as necessary to maintain public safety and to sustain the health, safety, and natural growth habit of the tree; pest and disease-management procedures as needed and in a manner consistent with public health and ecological diversity; replacement of dead or damaged trees. Pruning practices shall be in compliance with International Society of Arboriculture Best Management Practices and ANSI Pruning Standards, whichever is more protective of tree preservation.

(m) "Median strip" shall mean the dividing area in the public way between opposing lanes of vehicular traffic.

(n) "Notice" shall mean written notice by personal delivery or by mailing, either by letter or postal card, postage prepaid to the last known address as the same appears on the City's most recent assessment rolls.
(o) "Hazard tree" shall mean any tree that poses an imminent hazard to person or property. The Director may determine that a tree is a hazard if it or any part of it: (1) appears dead, dangerous, or likely to fall, even after proper maintenance activities are performed to eliminate dead or dangerous parts; (2) obstructs or damages a street, sidewalk, or other existing structure; (3) harbors a serious disease or infestation threatening the health of other trees; (4) interferes with vehicular or pedestrian traffic; or (5) poses any other significant hazard or potential hazard, as determined by the Director; provided, however, that feasible measures have been applied to abate any such hazard, such as applicable maintenance activities listed in Section 802(l) of this Article. (s) "Replacement value" shall mean the actual cost to the Department of replacing a tree or landscape material removed or destroyed with a comparable size and species of tree or with comparable landscape material. Certain trees or landscape material, because of their size, species or historical significance, cannot be replaced from available nursery stock. In such case, "replacement value" shall be determined pursuant to the valuation formula adopted by the International Society of Arboriculture, as amended from time to time, plus the Department’s actual costs to replace the tree. "Replacement value" shall include the Department’s administrative costs.
"Sidewalk" shall mean the area between the curbing and the abutting private property lot line, whether paved or unpaved, as legislated by the Board of Supervisors and as reflected in the Department's official maps.

"Significant Tree" shall mean a tree so defined in Section 810A of this Article.

SEC. 806. PLANTING AND REMOVAL OF STREET TREES.

(a) Planting and Removal by the Department.

(1) Planting. The Department may determine to plant a new tree(s) in a sidewalk or public right-of-way. When the Department determines to plant a new street tree(s), the Department will undertake maintenance responsibility for such new street tree and shall send a courtesy notice to the abutting property owner prior to planting such new tree.

Any objections to the proposed work must be submitted to the Director in writing and postmarked within 30 days after notice by the Director. The Director shall consider such
objections and may hold a hearing, in the Director's discretion. The Director's decision on the
matter shall be final and nonappealable.

(2) Removal of Street Trees. No street tree shall be cut down or removed by
the Department unless:

(A) The Department gives 30 days' prior written notice to the owner of the
property abutting the affected tree; and

(B) Thirty days prior to the removal date, the Department notifies all
interested San Francisco organizations and, to the extent practical, all owners and occupants
of properties that are on or across from the block face where the affected tree is located. In
addition, 30 days prior to the removal date, the Department shall post a notice on the affected
tree.

(3) Appeal of Tree Removal.

(A) If within 30 days after the giving of notice for street tree removal, as
specified in Subsection (a)(2), or if within 15 days after the giving of notice for removal of a
hazard street tree, as specified in Subsection (a)(4), any person files with the Department
written objections to the removal, the Director shall hold a hearing to consider public testimony
concerning the proposed tree removal. Written notice of the date, time and place of the
hearing shall be posted on the affected tree, provided in a newspaper of general circulation,
and sent to the objecting party, the owner of the property abutting the affected tree, and all
interested San Francisco organizations, not less than seven days prior thereto.

(B) The Director shall issue his or her written decision and order on the
objections after the public hearing specified above.

(C) The Director's decision shall be final and appealable to the Board of
Appeals.
(4) Removal of Hazard Street Trees.

(A) No hazard street tree shall be cut down or removed by the Department unless:

(i) The Department gives 15 days' prior written notice to the owner of the property abutting the affected tree; and

(ii) Fifteen days prior to the removal date, the Department notifies all interested San Francisco organizations and, to the extent practical, owners and occupants of properties that are on or across the block face where the affected tree is located. In addition, 15 days prior to the removal date, the Department shall post a notice on the affected tree.

(B) Hazard street tree shall have the same meaning as "hazard tree" in Section 802(o) except that a hazard street tree is located within the public right-of-way and is the maintenance responsibility of the Department.

(5) Emergency Removal. In the case of manifest danger and immediate necessity, as determined by the Director, the Department may remove any street tree immediately. After such emergency removal, the Department shall provide notice of the necessity for such action to the owner of the property abutting the affected tree, all interested San Francisco organizations and, to the extent practical, all owners and occupants of properties that are on or across from the block face where the affected tree was removed.

(b) Planting and Removal by Persons Other Than the Department.

(1) Planting and Removal Permits. It shall be unlawful for any person to plant or to remove any street tree without a valid permit for such work issued by the Department. All permits for the planting or removal of street trees issued by the Director for residential properties shall be recorded on the Report of Residential Building Records in accordance with Section 351 of the Housing Code. All work associated with a street tree permit must be
completed within six months of issuance, unless an extension has been granted by the Department.

(2) Planting. An abutting property owner who desires a permit to plant a street tree shall apply to the Department on the designated form. If approved by the Director, a permit to plant the specified species of tree(s) shall be issued to the applicant. There shall be no administrative fee imposed for a permit to plant a street tree unrelated to property development. The Director's decision on a street tree planting permit shall be final and appealable to the Board of Appeals.

(3) Removal.

(A) An abutting property owner who desires a permit to remove a street tree shall apply to the Department on the designated form. Such application must be accompanied by an administrative fee in accordance with a fee schedule adopted by the Director. The Department may grant or deny the permit in accordance with the following procedures and requirements. If the Department grants a tree removal permit, it shall require that another street tree be planted in the place of the removed tree or impose an in-lieu fee unless it makes written findings detailing the basis for waiving this requirement.

   (i) The fee for a permit to remove 1-3 street trees shall be $499.00; the fee for a permit to remove 4-9 street trees shall be $692.00; and the fee to remove 10 or more street trees shall be $824.00.

   (ii) Additional Fees. In instances where administration or processing of any application is or will exceed the fee amount established pursuant to subsection (i), the Director, in his or her discretion, may require an applicant or permittee to pay a sum in excess of the subject fee amounts. This additional sum shall be sufficient to recover actual costs that the Department incurs and shall be charged on a time and materials basis. The Director also may charge for any time and
materials costs that other agencies, boards, commissions, or departments of the City, including the City Attorney's Office, incur in connection with the processing or administration of a particular application. Whenever additional fees are or will be charged, the Director, upon request of the applicant or permittee, shall provide in writing the basis for the additional fees or an estimate of the additional fees to be charged.

(iii) Fee Review and Adjustment. Beginning with fiscal year 2007-2008, the fees that are established herein shall be reviewed and adjusted each year in accordance with the procedures set forth in Public Works Code Section 2.1.2.

(B) Thirty days prior to the removal date, the Department shall give notice to all interested San Francisco organizations and, to the extent practicable, the owners and occupants of properties that are on or across from the block face or adjacent to where the affected tree is located. In addition, 30 days prior to the removal date, the Department shall post a notice on the affected tree. If within 30 days after the giving of such notice any person files with the Department written objections to the removal, the Director shall hold a hearing prior to removing the tree. Written notice of the date, time and place of the hearing shall be posted on the affected tree and sent to the objecting party and all interested San Francisco organizations not less than seven days prior thereto.

(C) The Director shall issue his or her written decision and order on the objections after the public hearing specified above.

(D) The Director's decision shall be final and appealable to the Board of Appeals.

(c) Planting and Removal by City Agencies, Commissions, or Other Departments. If a City agency, commission, or department other than the Department of Public Works desires to plant or remove a street tree, such agency, commission, or department shall be subject to
the provisions of Subsection (b); provided, however, that for purposes of street tree removal, the notice and procedures for Director's hearings set forth in Subsections (a)(2) and (a)(3) shall apply.
