deletions are *strikethrough italics Times New Roman*.  
Board amendment additions are double underlined.  
Board amendment deletions are ~~strikethrough normal~~.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Section 10-100.12, to read as follows:

**SEC. 10-100.12. AGING AND ADULT SERVICES COMMUNITY LIVING FUND.**

(a) Establishment of Fund. The Aging and Adult Services Community Living Special Fund is established as a Category 4 special fund, meaning that funds may be appropriated, interest shall be accumulated and that any fund balance shall carry forward year to year. The fund may be referred to as the "Community Living Fund for Aging and Adult Services". The Community Living Fund for Aging and Adult Services shall contain all monies appropriated from any lawful source for this purpose pursuant to Article IX of the City Charter. Unless expressly indicated in the Annual Appropriation Ordinance, the funds appropriated to the Community Living Fund for Aging and Adult Services, regardless of the source, are not intended to supplant any existing funding for community-based long term care and supportive services.

1           **(b) Use of Fund.** Monies deposited in the fund shall be expended for the purposes designated  
2 by the Director of the Department of Aging and Adult Services (DAAS), as approved by the Aging and  
3 Adult Services Commission, and after consideration of input provided by the Health Department and  
4 the Long Term Care Coordinating Council. The fund shall be used primarily for programs and  
5 services, including assistance for individuals to age in place in their own homes or in assisted living  
6 facilities and supportive housing. Such programs and services shall include those offered or funded by  
7 City agencies other than DAAS. The fund shall target those individuals currently placed in institutional  
8 care who are willing and able to be discharged to community living as well as those individuals at  
9 imminent risk of placement in institutional care. Funding shall be used for services and programs that  
10 enable an individual to live independently in the community. The fund would prioritize services where  
11 funding is not available through alternative sources or programs, or those services that may be needed  
12 as a bridge while alternative funding is secured. Services may include, but are not limited to the  
13 following: case management, personal assistance services and homecare, adult day health and social  
14 day programs, money management, mental health and substance abuse services including residential  
15 programs, 24-hour mental health services, home health care, and subsidies for housing and residential  
16 care. Eligibility for assistance from this fund shall be based on independent needs assessments  
17 performed by qualified public and private providers and subject to the priorities set by DAAS through  
18 the planning and budgeting process. Funds shall target low-income individuals with incomes of up to  
19 300 percent of the federal poverty level. Funding is intended to increase and enhance services and  
20 support for individuals in a way that is consumer-centered and flexible. In no event shall the cost of  
21 department staffing associated with the duties and services associated with this fund exceed  
22 15% (fifteen percent) of the total amount of the fund.

23           **(c) Administration of the Fund.** The Director of Aging and Adult Services, or their designee,  
24 shall administer the fund. An annual plan shall be prepared by DAAS and submitted to the Aging and  
25

1 Adult Services Commission for approval after a public hearing process that includes input from the  
2 Health Department and the Long Term Care Coordinating Council. Wherever possible, the annual  
3 plan will prioritize projects where providing funding is likely to result in additional state, federal or  
4 charitable dollars.

5 (d) Reporting Requirement. Six months from the adoption of this ordinance, and  
6 every six months thereafter, DASS shall report to the Board of Supervisors the level of service  
7 provided and costs incurred in connection with the duties and services associated with this  
8 fund.
