10 Section 1. The San Francisco Administrative Code is hereby amended by adding  
11 Section 16.7, to read as follows:

12 **SEC. 16.7. REIMBURSEMENT FOR FUNERAL COSTS.**

13 (a) The Board of Supervisors finds that funerals for active duty City employees who have died  
14 in the line of duty often become civic events and by their size and public nature can impose  
15 extraordinary costs and hardships upon the families of the deceased, making it appropriate for the City  
16 to contribute to the costs of these events.

17 (b) The Director of Human Resources may authorize payment of some or all of the funeral  
18 expenses of active duty City employees whose death is caused by an injury sustained by the  
19 employee arising out of and in the course of his or her employment. The Controller may transfer funds  
20 to the Director of Human Resources for such purposes from any legally available source.
