Unless otherwise defined in this Guaranty, all initially capitalized terms used in this Guaranty shall have the meanings given them in the Franchise (as defined in Recital Paragraph A below).

THIS GUARANTY is made with reference to the following facts and circumstances:

A. The City has granted to Astound Broadband, LLC., a Washington limited liability corporation ("Grantee"), a franchise (the "Franchise") as set forth in Ordinance No. 201-04, approved by the City’s Board of Supervisors on August 25, 2005, and amended by Ordinance No. ___-07, approved by the Board of Supervisors on __________, 2007.

B. Guarantor will derive material financial benefit from the Franchise. As an essential inducement for the City to enter into the Franchise, the Guarantor is entering into this Guaranty, whereby Guarantor agrees to guaranty payment and performance of the obligations of the Grantee under the Franchise.

In addition, Guarantor shall pay, and upon request of City shall promptly reimburse City for, all costs and expenses (including, without limitation, collection charges and Attorneys’ Fees and Costs, as defined in Section 8.8 below) incurred by the City (collectively, the "Reimbursement Amount") in connection with the enforcement of the City’s rights, powers, or remedies under this Guaranty, whether or not suit is brought. Any delinquent payment for the Guaranteed Obligations and the Reimbursement Amount shall be accompanied by interest on such amounts at the lesser of ten percent (10%) per annum or the maximum amount permitted by law, from the date due through and including the date of payment of such amounts (calculated on the basis of a 365-day year for the actual number of days elapsed). Guarantor’s guaranty of payment of the Guaranteed Obligations shall be discharged and satisfied only as provided in Section 6 below relating to termination of this Guaranty.

1.2 Definition of Guaranteed Obligations. For purposes of this Guaranty, "Guaranteed Obligations" shall mean the obligation of the Grantee (the "Obligor") to make any
payments and timely perform any obligations set forth in the Franchise, including, without limitation, the payment of franchise fees and the completion of the System as set forth in the Franchise.

1.3 Acknowledgments by Guarantor. Guarantor acknowledges, confirms, and agrees that: (a) it has received fair and adequate consideration for its execution of this Guaranty; (b) it will derive material financial benefit from the City's execution of the Franchise; (c) the City's agreement to enter into the Franchise and take the actions required in connection therewith is in consideration of, and in reliance upon, the Guarantor's execution and delivery of this Guaranty; and (d) there are no conditions to the full effectiveness of this Guaranty other than those expressly set forth in this Guaranty.

1.4 Independent Obligations; Continuing Guaranty. Subject to the provisions of this Guaranty, this Guaranty is a primary and original obligation of Guarantor and is an absolute, unconditional, continuing and irrevocable guaranty of payment and performance.

2. Indemnity

2.1 Indemnity. Guarantor agrees to indemnify, defend and hold harmless the Indemnified Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, Attorneys' Fees and Costs as hereinafter defined) arising in connection with any investigative, administrative or judicial proceeding, that may be imposed on, incurred by or asserted against such Indemnified Party, in any manner relating to or arising out of or in connection with the payment or enforcement of this Guaranty (collectively, the "Indemnified Liabilities"). Notwithstanding the foregoing, Indemnified Liabilities shall not include liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements to the extent caused by or resulting from the willful misconduct or negligence of such Indemnified Party. Guarantor agrees to defend the Indemnified Parties against any claims that are actually or potentially within the scope of the indemnity provisions of this instrument, even if such claims may be groundless, fraudulent or false.

2.2 Notice. The Indemnified Parties agree to give prompt notice to Guarantor with respect to any suit or claim initiated or threatened against the Indemnified Parties, at the address for notices of Guarantor set forth in this Guaranty, which the Indemnified Party has reason to believe is likely to give rise to a claim for indemnity hereunder. If prompt notice is not given to Guarantor, then Guarantor's liability hereunder shall terminate as to the matter for which such notice is not given, provided that failure to notify the Guarantor shall not prejudice the rights of the Indemnified Party hereunder unless the Guarantor is prejudiced by such failure, and then only to the extent of such prejudice. The Guarantor shall, at its option but subject to the reasonable consent and approval of the Indemnified Party, be entitled to control the defense, compromise or settlement of any such matter through counsel of the Guarantor's own choice; provided, however, that in all cases the Indemnified Party shall be entitled to participate in such defense, compromise, or settlement at its own expense. If the Guarantor shall fail, however, in the Indemnified Party's reasonable judgment, within a reasonable time...
following notice from the Indemnified Party alleging such failure, to take reasonable and appropriate action to defend, compromise or settle such suit or claim, the Indemnified Party shall have the right promptly to hire counsel at the Guarantor’s sole expense to carry out such defense, compromise or settlement, which expense shall be immediately due and payable to the Indemnified Party upon receipt by the Guarantor of a reasonably detailed invoice therefor.

3. Waivers by Guarantor

3.1 Waivers. Guarantor waives: notice of acceptance of this Guaranty; notice of the amount of the Guaranteed Obligations; notice of any other fact that might increase the Guarantor’s risk; and notice of presentment for payment, demand, protest and notice of protest, notice of dishonor, diligence in collection and notice of nonpayment as to any instrument. Guarantor also waives any and all rights, by statute or otherwise, to require the City to institute suit against the Obligor or to exhaust any of the City’s rights, powers or remedies against such Obligor.

3.2 Waiver of Subrogation. Upon satisfaction in full of all of the Guaranteed Obligations, Guarantor shall be subrogated to the rights of the City against the Obligor with respect to the Guaranteed Obligations, and the City agrees to take such steps as Guarantor may reasonably request to implement such subrogation (provided that Guarantor shall pay any and all of City’s costs and expenses in connection therewith, including, without limitation City’s Attorneys’ Fees and Costs and provided further that the City shall not incur any liabilities in taking any such steps).

4. Consents by Guarantor

4.1 Consents; No Discharge of Obligations. Without releasing, discharging, impairing, or otherwise affecting any obligations of Guarantor under this Guaranty or the validity or enforceability of this Guaranty, the City may, by action or inaction, in its sole, absolute and unlimited discretion and without notice to Guarantor: compromise, settle, extend the time for payment or performance of all or any part of the Guaranteed Obligations; refuse or fail to enforce all or any portion of the City’s rights, powers or remedies under the Franchise; and deal in all respects with Grantee as if this Guaranty were not in effect; provided, however, the City shall not have the right by agreement with Grantee otherwise to increase the Guaranteed Obligations without the Guarantor’s prior written consent. It is the intent of the parties that Guarantor shall remain liable for the payment and performance of the Guaranteed Obligations and all other obligations guarantied hereby, notwithstanding any act or thing that might otherwise operate as a legal or equitable discharge of a surety, except as specified in the proviso at the end of the preceding sentence.

4.2 Payments to Other Persons. The City shall be under no obligation to marshal any assets in favor of Guarantor or against, or in payment or performance of, any or all of the Guaranteed Obligations. If all or any part of any payment to or for the benefit of the City in respect of the Guaranteed Obligations shall be invalidated, declared to be fraudulent or preferential, set aside, or required for any reason to be repaid or paid over to a trustee, receiver or other person (a “trustee”) under any insolvency law or any other law or rule of equity (collectively, “set aside”), to the extent of that payment or repayment, the Guaranteed
Obligations (or the part thereof) intended to have been satisfied shall be revived and continued in full force and effect as if that payment had not been made, and Guarantor shall be primarily and jointly and severally liable for that obligation, provided that nothing hereunder shall preclude the Guarantor from obtaining a refund from a trustee.

4.3 Additional Rights. This Guaranty is in addition to, and not in substitution for or in reduction of, any other guaranty by Guarantor or any obligation of Guarantor under any other agreement or applicable Law that may now or hereafter exist in favor of the City. The liability of Guarantor under this Guaranty shall not be contingent upon the enforcement of any lien or realization upon the security, if any, the City may at any time possess with respect to the Guaranteed Obligations.

4.4 Recourse. The City shall have the right to seek recourse against Guarantor to the full extent provided for in this Guaranty, which right shall be absolute and shall not in any way be impaired, deferred, or otherwise diminished by reason of any inability of the City to claim any amount of such Guaranteed Obligation from Guarantor as a result of bankruptcy or otherwise, including, but not limited to, any limitation on the City’s claim from Guarantor under section 502(b)(6) of the United States Bankruptcy Code, as amended (11 U.S.C. §502(b)(6)). No election to proceed in one form of action or proceeding, or against any person, or on any obligation, shall constitute a waiver of the City’s right to proceed in any form of action or proceeding or against other persons unless City has expressly waived that right in writing.

5. Representations and Warranties of Guarantor

5.1 Representations and Warranties. Guarantor represents, warrants and covenants as follows:

(a) Valid Existence; Good Standing. Guarantor is a limited liability corporation duly organized and validly existing under the laws of the State of Delaware. Guarantor has all requisite power and authority to own its property and conduct its business as presently conducted. Guarantor has made all filings and is in good standing in the State of California.

(b) Authority. Guarantor has all requisite power and authority to execute and deliver this Guaranty and the agreements contemplated by this Guaranty and to carry out and perform all of the terms and covenants of this Guaranty and the agreements contemplated by this Guaranty.

(c) No Limitation on Ability to Perform. Neither the Guarantor’s articles of organization or operating agreement, nor the organization documents of any of the Guarantor’s members, nor any other agreement or Law in any way prohibits, limits or otherwise affects the right or power of the Guarantor to enter into and perform all of the terms and covenants of this Guaranty. Neither the Guarantor nor any of its members are party to or bound by any contract, agreement, indenture, trust agreement, note, obligation or other instrument which could prohibit, limit or otherwise affect the same. No consent, authorization or approval of, or other action by, and no notice to or filing with, any governmental authority, regulatory body or any other Person is required for the due execution, delivery and
performance by the Guarantor of this Guaranty or any of the terms and covenants contained in this Guaranty. There are no pending or threatened suits or proceedings or undischarged judgments affecting the Guarantor or any of its members before any court, governmental agency, or arbitrator which might materially adversely affect the enforceability of this Guaranty or the business, operations, assets or condition of the Guarantor or any of its members.

(d) Valid Execution. The execution and delivery of this Guaranty and the agreements contemplated hereby by the Guarantor has been duly and validly authorized by all necessary action. This Guaranty will be a legal, valid and binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms. The Guarantor has provided to the City a written resolution of the Guarantor authorizing the execution of this Guaranty and the agreements contemplated by this Guaranty.

(e) Defaults. The execution, delivery and performance of this Guaranty (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default under (A) any agreement, document or instrument to which the Guarantor or any member is a party or by which the Guarantor's or any member's assets may be bound or affected, (B) any law, statute, ordinance, regulation, or (C) the articles of organization or the operating agreement of the Guarantor, and (ii) do not and will not result in the creation or imposition of any lien or other encumbrance upon the assets of the Guarantor or its members.

(f) Meeting Financial Obligations. The Guarantor is meeting its current liabilities as they mature; no federal or state tax liens have been filed against it; and the Guarantor is not in default or claimed default under any agreement for borrowed money.

5.2 Independent Investigation. Guarantor has performed its own independent investigation as to the matters covered by this Guaranty.

The representations and warranties in this Section shall survive any termination of this Guaranty.

6. Termination of Guaranty

Guarantor's liability under this Guaranty shall be discharged and satisfied, and Guarantor shall be relieved of any and all further obligations under this Guaranty, upon the later of (a) Termination of the Franchise and (b) payment and performance in full of the Guaranteed Obligations together with any and all other amounts payable by Guarantor under this Guaranty (including any Reimbursement Amounts); provided, however, no such event shall result in termination of this Guaranty unless and until the expiration of any further period within which a trustee or other similar official in an action under any insolvency law may avoid, rescind, or set aside any payment of any of the Guaranteed Obligations. Upon Guarantor's request the City will confirm in writing the fact of termination of this Guaranty if this Guaranty has terminated.

the delivery date or attempted delivery date shown on the return receipt. A party may not give official or binding notice by telefacsimile. The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a telefacsimile copy of the notice.

8.1 Successors and Assigns. This Guaranty is binding upon and will inure to the benefit of the successors and assigns of the City and the Guarantor, subject to the limitations set forth in Section 8.11 below. Where the term “Guarantor,” or “City” is used in this Agreement, it means and includes their respective successors and assigns.

8.2 Amendments. Except as otherwise provided herein, this Guaranty may be amended or modified only by a written instrument executed by the City and Guarantor.

8.3 Waivers. No action taken pursuant to this Guaranty by the City shall be deemed to be a waiver by that party of the Guarantor’s compliance with any of the provisions hereof. No waiver by the City of any breach of any provision of this Guaranty shall be construed as a waiver of any subsequent or different breach. No forbearance by the City to seek a remedy for noncompliance hereunder or breach by the Guarantor shall be construed as a waiver of any right or remedy with respect to such noncompliance or breach.

8.4 Continuation and Survival of Covenants. Subject to Section 6 above, all covenants by Guarantor contained herein shall be deemed to be material and shall survive any Termination of the Franchise or portion thereof if the obligations thereunder have arisen and are not satisfied before such date.

8.5 Governing Law; Selection of Forum. This Guaranty shall be governed by and construed in accordance with the laws of the State of California. As part of the consideration for the Franchise, the Guarantor agrees that all actions or proceedings arising directly or indirectly under this Guaranty may, at the sole option of City, be litigated in courts located within the State of California, and the Guarantor expressly consents to the jurisdiction of any such local, state or federal court, and consents that any service of process in such action or proceeding may be made by personal service upon the Guarantor wherever the Guarantor may then be located, or by certified or registered mail directed to the Guarantor at the address set forth in this Guaranty for the delivery of notices.

8.6 Merger of Prior Agreements. The parties intend that this Guaranty (including all of the attached exhibits and schedules, which are incorporated into this Guaranty by reference) and the Franchise shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings. The parties further intend that this Guaranty shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including, without limitation, prior drafts or changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Guaranty.

8.7 Interpretation of Guaranty. The section and other headings of this Guaranty and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained herein. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference
shall be deemed to include the other and the neuter. To the extent the recitals contained herein are inconsistent with the operative provisions of this Guaranty, the operative provisions shall control. This Guaranty has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Guaranty against the party that has drafted it is not applicable and is waived. The provisions of this Guaranty shall be interpreted in a reasonable manner to effect the purposes of the parties and this Guaranty.

8.8 Attorneys' Fees and Costs. Should any party institute any action or proceeding in court to enforce any provision hereof or for damages by reason of an alleged breach of any provision of this Guaranty, the prevailing party shall be entitled to receive from the losing party court costs or expenses incurred by the prevailing party including, without limitation, expert witness fees and costs, travel time and associated costs; transcript preparation fees and costs; document copying expenses; exhibit preparation costs; carrier expenses and postage and communications expenses; such amount as a court or other decision maker may adjudge to be reasonable attorneys' fees for the services rendered to the prevailing party in such action or proceeding; fees and costs associated with execution upon any judgment or order; and costs on appeal and any collection efforts (collectively, "Attorneys Fees and Costs"). For purposes of this Guaranty, the reasonable fees of attorneys of the City's office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of professional experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office.

8.9 Severability. Invalidation of any provision of this Guaranty, or of its application to any Person, by judgment or court order, shall not affect any other provision of this Guaranty or its application to any other Person or circumstance, and the remaining portions of this Guaranty shall continue in full force and effect, unless enforcement of this Guaranty as invalidated would be unreasonable or grossly inequitable under all the circumstances or would frustrate the purposes of this Guaranty.

8.10 Joint and Several Liability. In the event that Guarantor is comprised of more than one Person, the obligations of Guarantor hereunder are joint and several.

8.11 Assignment. Guarantor may not assign its rights or obligations under this Guaranty.

8.12 Counterparts. This Guaranty may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
IN WITNESS WHEREOF, Guarantor, being duly authorized, has executed and delivered this Guaranty as of the date first written above.
