22 Section 1. Findings. The Board of Supervisors makes the following findings:

23 (a) California Government Code Section 65864 et seq. authorizes any city, county,  
24 or city and county to enter into an agreement for the development of real property within the  
25 jurisdiction of the city, county, or city and county.

///

1 (b) Chapter 56 of the San Francisco Administrative Code sets forth the procedure  
2 by which any request for a development agreement will be processed and approved in the  
3 City and County of San Francisco.

4 (c) 1169 Market Street, LP Trinity Properties, Inc. ("Developer") owns the real  
5 property located in the City and County of San Francisco, California located at 1167 Market  
6 Street (Assessor's Block 3702/Lot 053), 670 Stevenson Street (Assessor's Block 3702/Lot  
7 051), 693 Stevenson Street (Assessor's Block 3702/Lot 052), 1164 Mission Street (Assessor's  
8 Block 3702/Lot 039), and a portion of former Jessie Street between 7<sup>th</sup> and 8<sup>th</sup> Streets,  
9 altogether consisting of approximately 177,295 square feet (4.07 acres) and commonly known  
10 as Trinity Plaza (the "Project Site").

11 (d) On June 28, 2005, the Board of Supervisors adopted Resolution No. 507-05 (the  
12 "Trinity Plaza Resolution"), which created policy of the Board of Supervisors that any  
13 development agreement presented to the Board for approval concerning the Project Site  
14 should contain specified unit affordability, tenant protection provisions, and required project  
15 amenities.

16 (e) Developer filed an application with the City's Department of Planning for  
17 approval of a development agreement under Administrative Code Chapter 56. Developer also  
18 filed applications with the Department of Planning for (1) a Planning Code amendment to  
19 create the Trinity Plaza Special Use District; (2) a General Plan Amendment under Planning  
20 Code Section 340; (3) a Zoning Map amendment under Planning Code Section 302;  
21 (4) Conditional Use Authorization under Planning Code Section 303; (5) C-3 District Review,  
22 including exceptions, under Planning Code Section 309; and (6) a determination of  
23 insignificant shadow impact under Planning Code Section 29.

24 (f) The Developer proposes to demolish all existing improvements on the Project  
25 Site and to develop on the Project Site a mixed-use residential and commercial development

1 with accessory parking, loading and open space. The City wishes to ensure appropriate  
2 development of the Project Site as an important part of the City's ongoing effort to revitalize  
3 the Mid-Market area, to provide for the replacement of the 360 rent-controlled units in the  
4 residential structure currently existing on the Project Site, to provide certain amenities for the  
5 benefit of these existing tenants, and to protect these existing tenants from displacement due  
6 to the proposed future development of the Project Site.

7 (g) The City's Department of Planning has negotiated a development agreement for  
8 the Project Site, a copy of which is on file with the Clerk of the Board under File No. 061217  
9 \_\_\_\_\_(the "Development Agreement"). The proposed mixed-use project, as more  
10 particularly described in the Development Agreement (the "Project"), generally conforms to,  
11 and includes the amenities set forth in, the Trinity Plaza Resolution.

12 Section 2. CEQA Findings. The Board makes the following findings:

13 (a) On August 3, 2006, at a duly noticed public hearing, the Planning Commission  
14 certified the Final Environmental Impact Report ("Final EIR") for the proposed Project, by  
15 Motion No. 17291 finding that the Final EIR reflects the independent judgment and analysis of  
16 the City and County of San Francisco, is adequate, accurate and objective, contains no  
17 significant revisions to the Draft EIR, and the content of the report and the procedures through  
18 which the Final EIR was prepared, publicized and reviewed comply with the provisions of the  
19 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
20 seq., "CEQA"), the State CEQA Guidelines (California Code of Regulations Title 14 Sections

22 copy of the Final EIR is on file with the Clerk of the Board in File No. 061217.

23 (b) At the same hearing during which the Planning Commission certified the Final  
24 EIR, the Planning Commission adopted CEQA Findings with respect to the approval of the  
25 ///

1 proposed Project in Motion 17292, and adopted the proposed Planning Code amendment  
2 creating the Trinity Plaza Special Use District in Resolution No. 17295.

3 (c) The letter from the Department of Planning transmitting the Development  
4 Agreement to the Board of Supervisors, the Final EIR and supplemental material described  
5 above, the CEQA Findings adopted by the Planning Commission with respect to the approval  
6 of the Project, including a mitigation monitoring and reporting program and a statement of  
7 overriding considerations, are on file with the Clerk of the Board in File No. 061217.

8 These and any and all other documents referenced in this Ordinance have been made  
9 available to, and have been reviewed by, the Board of Supervisors, and may be found in  
10 either the files of the City Department of Planning, as the custodian of records, at  
11 1660 Mission Street in San Francisco; or in File No. 061217 with the Clerk of the  
12 Board of Supervisors at 1 Dr. Carlton B. Goodlett Place, San Francisco and are incorporated  
13 herein by reference.

14 (d) The Board of Supervisors has reviewed and considered the Final EIR and the  
15 environmental documents on file referred to herein, and the CEQA Findings adopted by the  
16 Planning Commission in support of the approval of the proposed Project, including the  
17 mitigation monitoring and reporting program and the statement of overriding considerations.  
18 As set forth in the related Ordinance Approving a General Plan Amendment Related to the  
19 Trinity Plaza Project at Market and 8<sup>th</sup> Street, Ordinance No. None, the Board of  
20 Supervisors has adopted the Planning Commission's CEQA findings as its own and  
21 incorporated them by reference. The Board of Supervisors hereby incorporates all of the  
22 findings related to CEQA contained in the Ordinance Approving a General Plan Amendment  
23 Related to the Trinity Plaza Project at Market and 8<sup>th</sup> Street, Ordinance No. None,  
24 located in Board File No. 061213, by reference as though such findings were fully set  
25 forth in this Ordinance.

1 Section 3. Adoption of General Plan and Planning Code Section 101.1(b) Findings.

2 (a) The Board of Supervisors finds, pursuant to Planning Code Section 302, that the  
3 proposed Development Agreement will serve the public necessity, convenience and general  
4 welfare for the reasons set forth in Planning Commission Resolution No. 17298 and  
5 incorporates those reasons herein by reference.

6 (b) The Board of Supervisors finds that the proposed Development Agreement is in  
7 conformity with the General Plan, as amended, and the eight priority policies of Planning  
8 Code Section 101.1 for the reasons set forth in Planning Commission Resolution No. 17298.  
9 The Board hereby adopts the findings set forth in Planning Commission Resolution No. 17298  
10 and incorporates those findings herein by reference.

11 Section 4. Approval of the Development Agreement.

12 (a) The Board of Supervisors approves all of the terms and conditions of the  
13 Development Agreement, including but not limited to the following: (i) one-for-one  
14 replacement of the 360 rent-controlled dwelling units currently existing on the Project Site  
15 with new units that are comparable in amenities, style, function and design ("Replacement  
16 Units"); (ii) the waiver of rights under the Costa-Hawkins Rental Housing Act; (iii) the rental-

1 (b) The Board of Supervisors approves the subdivision and condominium map

4 and agrees that the units in Building A shall be rental units for the life of the building, and  
5 the Replacement Units shall be rent controlled for so long as the Rent Ordinance, as  
6 amended, supplanted or replaced, remains in effect, notwithstanding any subdivision or  
7 condominium map placed on Building A in the future. The foregoing agreement and  
8 restrictions are a material part of the Development Agreement, and the Board would not be  
9 willing to approve the Development Agreement without these restrictions and without the  
10 right to enforce these restrictions by all available legal and equitable means including but  
11 not limited to specific performance.

12 (c) The minimum number of BMR Units in the Project shall be the number  
13 required by the San Francisco Planning Code on the date this Ordinance becomes  
14 effective, based on the number of units in the Project remaining after subtracting the

23 necessary or prudent to perform the City's obligations under the Development Agreement,  
24 subject to the terms of the Development Agreement and San Francisco Administrative  
25 Code Chapter 56. The Director of Planning, at his or her discretion and in consultation with

1 the City Attorney, is authorized to enter into any additions, amendments or other  
2 modifications to the Development Agreement that the Director of Planning determines are  
3 in the best interests of the City and that do not materially increase the obligations or  
4 liabilities of the City.
