BOARD OF SUPERVISORS
Section 2. In 2006, Mayor Newsom and Supervisor McGoldrick jointly commissioned a study of the weekend access conditions to and around Golden Gate Park in light of the long-standing Sunday road closure of John F. Kennedy Drive and the vehicular access to this area that is allowed on Saturdays. In response to this request, the San Francisco County Transportation Authority, in consultation with the San Francisco Municipal Transportation Agency, prepared and published the Golden Gate Park Transportation Access Study, Report on Weekend Access Conditions Summer 2006 (February 2007). This report is on file with the Clerk of the Board of Supervisors in File No. 070269 and is incorporated herein by reference. Based on the findings of this report and discussions among affected stakeholders, elected officials, and City departments, the Board has determined that a six-month trial temporary closure of a portion of John F.
