Section 1. Findings

A. Consent calendar procedures were originally established in the South of Market Area (SOMA) and Neighborhood Commercial (NC) Districts in the 1990s to expedite non-controversial cases, however these procedures have not been effective since only specific members of the public (ten or more property owners or tenants of the residential or commercial property within 300 feet of the exterior boundaries of the subject property) can remove a case from the consent calendar. Once a case is removed from the consent calendar, the case must be re-noticed and rescheduled for a later hearing.

Recently, the Planning Commission has as part of their adopted rules and procedures, allowed any single member of the public to remove a case from the consent calendar to be heard at the same hearing. This distinction between the rules and the Planning Code, which applies only to the SOMA and NC Districts, fosters a level of inconsistency between the various districts and in fact discourages consent calendar items in the SOMA and NC Districts. By removing the Consent Calendar language pertaining to cases in the SOMA and
