Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Police Code is hereby amended by adding Section 617,
to read as follows:

SEC. 617. Prohibition Against Possession or Sale of Firearms or Ammunition on Property
Controlled by the City and County of San Francisco.

A. Legislative Findings.

(1) The national and statewide statistical information available from numerous sources
overwhelmingly demonstrates that the incidence of gunshot fatalities and injuries has reached alarming
and thus, unacceptable proportions; and

(2) Government at all levels has a substantial interest in protecting the people from those who
acquire guns illegally and use them to commit crimes resulting in injury or death of their victims; and

(3) Recent events throughout the City and County have generated additional fears of random
usage of guns to commit violence on unsuspecting residents, children and adults alike; and

(4) The Board of Supervisors finds that crimes and injuries committed with the use of a firearm
are prevalent in San Francisco, with local statistics showing an increase in homicides by use of a gun
increasing from 39 gun homicides out of 63 total homicides in 2001, which is a 63% increase, to 68
gun homicides out of 85 total homicides in 2006, which is an 80% increase. Local statistics also show
that San Francisco Police Department has seized 1,158 guns in 2005, and 1,104 guns in 2006. In
2007, there have already been 25 gun homicides.

(5) In the City and County of San Francisco, the number of nonfatal injuries from guns has
steadily increased. While, in 2001, 81 patients were admitted to SF General Trauma Center for serious
injuries resulting from gun shots, the number of patients admitted for serious injuries rose to 228 by
2006. Similarly, the total number of shootings that resulted in nonfatal injuries documented by SFPD
was 269 in 2005, 303 in 2006, and in 2007 this number has already reached 105 by May 10; and

(6) Gun crimes in and around schools and on buses carrying students to and from school have
become increasingly common; and

(7) In 2003 and 2004, 52% of the City’s gun violence victims were under the age of 25.

(8) Homicides committed with handguns are the leading cause of firearms related injuries and
death in California; and

(9) The widespread availability of illegally obtained firearms has resulted in a significant rise
in the number of shooting incidents across the country; and

(10) The Board of Supervisors has authority over the management and control of City and
County property, and it may regulate, by ordinance, the manner in which the property of the City and
County is accessed and used by members of the public; and

(11) Prohibiting the possession or sale of firearms and/or ammunition on City and County
property will promote the public health and safety by contributing to the reduction in the presence of
firearms and the potential for gunshot fatalities and injuries in the county. It will increase the
confidence of members of the public that they are not at risk of injury from firearms when they seek to
use the property and facilities of the City and County. In particular, this Board of Supervisors finds
that an enormous number of the general public utilizes the parks, playgrounds and squares of San
Francisco. This Board finds that prohibiting the possession or sale of firearms and ammunition on City
and County property will help to ensure the safety of the general public and specifically children who are among the most vulnerable in our society; and

(12) The California Supreme Court has ruled that state law does not preempt local laws banning the possession and sale of firearms and ammunition on their property. In Nordyke v. King (2002) 27 Cal.4th 875, the Supreme Court upheld an Alameda County ordinance banning the possession of firearms and ammunition on county owned property and in Great Western v. County of Los Angeles (2002) 27 Cal.4th 853, the Supreme Court upheld a Los Angeles county ordinance prohibiting all sales of firearms and ammunition on county property. These rulings uphold the legal ability of the Board of Supervisors to ban the possession and sale of firearms and ammunition on City and County property.

B. Legislative Intent.

With passage of this ordinance, the City and County seeks to ensure that its property and facilities are used in a manner consistent with promoting the health, safety and welfare of all of its residents.
