[Sweatfree Contracting Ordinance Amendments.]

Ordinance amending Sections 12U.2, 12U.3, and 12U.9 of the Administrative Code, and adding Section 12U.9.5, to (1) provide a system for awarding contracts to a bidder or proposer most substantially in compliance, but not in full compliance, with the Sweatfree Contracting Ordinance, when no bids or proposals are in full compliance, but only where such awards would not increase the cost of the contract by more than fifteen percent; and (2) make other changes in the Sweatfree Contracting Ordinance, including revising and simplifying the monetary threshold triggering coverage of certain subcontracts; relaxing the ban on mandatory overtime; referencing retirement benefits in calculation of wages; and relaxing the requirement for contractors providing information as to amounts to be paid to subcontractors by providing that amounts be reported within a monetary range rather than as an exact dollar figure.

Section 2. The San Francisco Administrative Code is hereby amended by amending Section 12U.9 to read as follows:

SEC. 12U.9. EXCEPTIONS.

This Chapter shall not apply in the following circumstances:

(a) When a Contract involves the expenditure of funds received by the City and County and the application of this Chapter would violate or be inconsistent with the terms or conditions of the applicable grant agreement, subvention or agreement or the instructions of an authorized representative of any such agency with respect to any such grant agreement, subvention or agreement.

(b) When the Director or the Director's designee determines that there is only one responsible contractor available to provide the Goods and that contractor is unable to comply with this Chapter, or the City and County department, commission, office or other City and County entity seeking to enter into the contract certifies in writing to the Director, and the Director finds that there are no qualified responsive bidders or proposers or prospective contractors that would comply with the requirements of this Chapter and the Contract is for Goods that are essential to the City or the public. *This subsection (b) is subject to the provisions of Section 12U.9.5. If a waiver is granted pursuant to this subsection (b), the Contract entered into as a result of the waiver may be for a term of no greater than two years.*

(c) When the Contract is with a public entity.
(d) When the acquisition of Goods is only incidental to the other purchases under the Contract. The acquisition of Goods shall be incidental if the amount paid by the City for the Goods is 10 percent or less than the total amount of the Contract.

(e) If the department recommending the Contract certifies in writing to the Director that pursuant to Administrative Code Section 6.60 or 21.15 that the Contract is necessary to respond to an emergency which endangers the public health or safety and no entity which complies with the requirements of this Chapter capable of responding to the emergency is immediately available.

Section 3. The San Francisco Administrative Code is hereby amended by adding Section 12U.9.5 to read as follows:

SEC. 12U.9.5. AWARD OF CONTRACT ABSENT A SWEATFREE-COMPLIANT BID OR PROPOSAL.

(a) It is the City's goal to achieve full compliance with this Chapter. But, in the absence of bids or proposals that are fully compliant with the provisions of this Chapter, the City should have authority to award Contracts to the bidder or proposer that is most compliant with this Chapter. If, in response to a solicitation for bids or a request for proposals, the City receives no bids or proposals that are fully compliant with the provisions of this Chapter, the Director is authorized to enter into a Contract with a noncompliant bidder or proposer, according to the following principles.

(b) Notwithstanding the determination of low bid or highest ranked proposal, the Director shall have authority to determine which bidder or proposer most substantially complies with this Chapter, and shall award the Contract to that bidder or proposer.

(c) No Contract awarded pursuant to subsection (b) may exceed two years in term unless the Director determines, no later than six months prior to the expiration of the original term of the
Contract, that the Contractor has achieved an additional level or levels of compliance with the provisions of this Chapter that warrants exercise of an option to extend the Contract for up to an additional year.

(d) Any Contract awarded pursuant to subsection (b) shall be terminated by the Director during the original term of the Contract or any extension of the original term if the Director determines that the Contractor (i) is not making a good faith effort to achieve an additional level or levels of compliance with the provisions of this Chapter or (ii) has not corrected within a reasonable time, as defined by the Director, a specific violation of this Chapter that the City discovers after award of the Contract. In addition, the Director shall include in any Contract awarded pursuant to subsection (b) a compliance plan that identifies deficiencies in the bid or proposal and specifies a condition or conditions and related timetables designed to achieve an additional level or levels of compliance with the provisions of this Chapter no later than six months prior to the expiration of the original term of the Contract; including requirements for specific compliance plans, and failure of the Contractor to satisfy said compliance plan condition or conditions may serve as the basis for the Director to terminate the Contract.

(e) Standards for determining most substantial compliance under subsection (b) and additional level or levels of compliance under subsections (c) and (d) shall be adopted by the Director following consultation with the Office of Labor Standards Enforcement and the Sweatfree Procurement Advisory Group, and a public hearing. Such standards shall give due consideration to the City's need to receive information from bidders and Contractors to enable the City to monitor compliance with this Chapter; the degree to which a particular requirement of the Ordinance is not being complied with by a bidder or Contractor; the number of requirements of the Ordinance that are not being complied with by a bidder or Contractor; practical difficulties faced by bidders and/or Contractors generally in complying with a particular requirement of the Ordinance; the relative importance, if ascertainable, of
the different labor standards set forth in Section 12U.3; and such other factors as may be relevant to achieving maximum compliance with this Chapter.

Such standards shall become operative on the effective date of this Section if they are adopted by the Director before then. Such standards shall become operative on the date they are adopted by the Director if that occurs after the effective date of this Section.

In addition, the Director has authority to adopt rules and procedures that implement this Section.

(f) The Director shall not award a Contract pursuant to subsection (b) where the cost of that contract would exceed the low bid or highest ranked proposal by more than 15 percent.

(g) The Director shall submit quarterly reports to the Board of Supervisors regarding the implementation of this Section and contracts issued to otherwise noncompliant bidders or proposers under this Section.

(h) Neither subsection (b) nor any other provision in this Section shall override the Director's authority to reject all bids or proposals or take other action within his or her legal authority.
