Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. The Board of Supervisors hereby finds and determines as follows:

(a) Program History: The City of San Francisco created the Below Market Rate Condominium Conversion Program ("Condominium Conversion Program" or "Program") to require, in part, that certain units converted to condominiums be restricted as below-market rate units ("BMR Units"). The Condominium Conversion Program was adopted as part of the San Francisco Subdivision Code in the late 1970s 1979 under sections 1341, 1344B and 1385. The Program was intended to comply with the City's Residence Element of the Master Plan, which called for expanding opportunities for homeownership while preserving and expanding the supply of low- and moderate-income housing. The Program allowed apartment
buildings to be converted to condominiums only if 10% or greater of the converted units were
set aside as affordable units for households earning less than 80% or 120% of Area Median
Income ("AMI"), as determined by the Planning Commission. Renters in the units were given
the right of first refusal to purchase the unit and seniors who chose not to purchase were
given lifetime leases.

(b) Number of BMR Units, Income Levels and Unit Mix: As of March 3 July, 2008, the Condominium Conversion Program includes a total of 599550 BMR units. Of these BMR Units, 4516% are designated low-income units with maximum prices, rents and incomes set at
80% AMI and 5584% are designated moderate-income units with maximum prices, rents and
incomes set at 120% AMI. Overall, BMR Unit sizes are small with 24% being studios, 6859%
1-bedrooms, 16% 2-bedrooms and less than 21% being 3-bedrooms or larger. Furthermore, approximately 3426% of all BMR Units were mapped for condominium use and have been
maintained as rentals by the original subdivider.

(c) Suspension of Program: The Subdivision Code was amended in 1988 to suspend further conversion of BMR Units under this program and to restrict the number of
conversions through a lottery method that capped the number of conversions at 200 per year.
All BMR Units that were designated as BMR units under the Condominium Conversion
Program have remained so, except for a certain number of units that were released by the
City under Subdivision Code Section 1385 because the owner demonstrated that a low- or
moderate-income buyer could not be found for the unit. No new units are being produced
through this Program. The 1988 amendments also clarified household requirements, resale
procedures and appointed the Mayor’s Office of Housing ("MOH") as the City department
responsible for monitoring the program.
(d) Current Issues with Program: The provisions of the Condominium Conversion Program have become out-of-date by today's standards of effectively implementing and monitoring a BMR program. It would benefit the City and the owners of BMR units to have clearly defined policies and procedures. While some issues are unique to the Condominium Conversion Program, for new owners, there is an opportunity to align it with the Inclusionary Housing Program’s Procedures Manual, which was discussed widely and at length in 2007 and subsequently adopted by the Board of Supervisors. While this legislation adopts new regulations for owners who purchase on or after the effective date of the legislation, the Board of Supervisors intends only to clarify the existing rules that apply to owners who purchased before the effective date. The rules for these owners are the same as, or more favorable to the owners, than existing rules as applied by the Mayor’s Office of Housing.

(e) In enacting Section 1341(e), the Board of Supervisors provided that the BMR Ownership Units "shall remain within the low or moderate income housing stock pursuant to the recapture provision[s provided herein]." This provision, and all provisions of Section 1341 and 1385 of the Subdivision Code, are referenced on all Subdivision Maps of projects that include BMR Units in the Program. These maps are recorded. In addition to the note recorded on the Subdivision Map, since approximately December 1, 1992, MOH has requested that purchasers of BMR Ownership Units sign affidavits stating that they understand some of the key terms of the Program, including a "permanent" restriction on the resale price. Many owners have testified in hearings on this legislation that they were unaware of the permanent nature of the resale restriction on BMR Units. The Board finds as a policy matter that, regardless of the fact that all BMR Unit owners were given notice of the restrictions on their Units through the recorded Subdivision Map, owners who purchased on or after December 1, 1992 were given additional, specific notice of the permanency of the

restrictions and those who purchased "pre-affidavit" were not given this additional notice. For those who were not given additional notice, the Board finds as a matter of policy and equity, that these "pre-affidavit owners" should be given the option to permanently exit the Program under a shared equity model. The City's share of the equity will be used to create new affordable housing opportunities. To this end, any funds collected under this ordinance shall be deposited in the Mayor's Home Ownership Assistance Loan Fund. While any funds collected will not be sufficient for the creation of newly constructed one-to-one replacement housing, funds should be sufficient to expand home ownership opportunities for first-time homebuyers. The Board finds, however, that the "post-affidavit" owners were or should have been aware of the permanence of the resale restrictions and that, given the goal of the Program to retain the BMR Units in the City's affordable housing stock, it would not be appropriate to extend this option to "post-affidavit" owners.

The Planning Department has completed environmental review of this ordinance pursuant to the California Environmental Quality Act ("CEQA"), the CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code. Documentation of that review is on file with the Clerk of the Board of Supervisors in File No. 080520.

Section 2. The San Francisco Subdivision Code is hereby amended by adding Section 1344, to read as follows:

Sec. 1344. BELOW MARKET RATE CONDOMINIUM CONVERSION PROGRAM.

As described below, this Section is intended to supersede, to the extent described in subsection (a) below, the provisions of Sections 1341, 1341B and 1385 relating to the regulation of units subject to those provisions ("Condominium Conversion BMR Units" or "BMR Units").

(a) Application.
(1) BMR Units purchased or acquired on or after the effective date of this ordinance. Unless a Section specifically applies only to BMR Units purchased before the effective date of this ordinance, every part of this Section 1344 applies to BMR Units purchased on or after the effective date of this ordinance. For these BMR Units, this Section 1344 replaces and supersedes all provisions of Sections 1341, 1341B, and 1385.

(2) BMR Units purchased or acquired before the effective date of this ordinance.

(A) This ordinance applies to all BMR Units purchased or acquired before the effective date of this ordinance as specified in each subsection and supersedes Sections 1341, 1341B and 1385 only as provided herein.

(B) Alternatives To Compliance With This Section. At the election of any Pre-Legislation Owner who qualifies, he or she may enter into a contract with the City to exercise one of the alternatives to compliance with this Section listed in Section 1344(i) below. At the owner’s option, the owner may sign an agreement with the City to make his or her BMR Unit subject to all of the provisions of this Section as if the BMR Unit was purchased or acquired on or after the effective date of this ordinance. The owner must agree to be governed by the totality of the regulations including, but not limited to, the provisions related to sale price, capital improvements, and rental procedures.

determining the Appraised Value, the Borrower shall select and pay for an appraiser who is an

the Society of Real Estate Appraisers (or any such equivalent designations). The City has the
option, at City's sole expense, to select an appraiser to conduct an additional appraisal of the

(2) BMR Units purchased or acquired before the effective date of this ordinance and BMR Units purchased or acquired before the effective date of this ordinance and BMR Units that have not been sold by the original subdivider shall have the sale price as provided in Section 1341(c).

(3) Notwithstanding the provisions of subsection (2), the Board of Supervisors ratifies the decision by the Mayor's Office of Housing to set the sale price for certain BMR Units purchased or acquired before the effective date of this legislation at 45 Ora Way through 95 Ora Way equal to 2.5 times the annual median income for low or moderate income households, depending on how the BMR Unit is designated, and as adjusted for household size as indicated above in subsection (1).

(d) Capital improvements.

(1) BMR Units purchased or acquired on or after the effective date of this ordinance. The Capital Improvements Policy for this Program is contained in the Procedures Manual, on file...
with the Clerk of the Board in File No. 080520 and available on MOH's website. As part of this policy, MOH may establish a per unit cap to allowable capital improvements in order to maintain affordability. The Capital Improvements Policy shall be a part of the Procedures Manual.

(2) BMR Units purchased or acquired before the effective date of this ordinance. MOH shall continue to use the 1993 Capital Improvements Policy, on file with the Clerk of the Board in File No. 080520 and available on the Mayor's Office of Housing website, to implement the requirements of Section 1341(c) and shall publish the Policy on its website.

(e) Sale Procedures. Unless specifically provided otherwise, these procedures apply to all BMR Units, regardless of when purchased or acquired.

(1) Purchasers. MOH shall insure that all BMR Units conveyed under this Program are sold or transferred to households that qualify as both (A) low- or moderate-income households, depending on how the BMR Unit is designated, as defined; and (B) a First Time Homebuyer household. MOH shall give preference as provided in Subsection (5) below and shall follow the procedures set forth in the Procedures Manual.

(2) Duration and Monitoring of Affordability. As provided by Sections 1341 and 1385 BMR Units restricted under this Program are to remain affordable for the life of the BMR Unit. MOH shall insure the BMR Units remain affordable through the following mechanisms. Nothing in this legislation shall preclude the Mayor's Office of Housing from instituting additional mechanisms to insure affordability through the Procedures Manual.
(A) For BMR Units purchased or acquired on or after the effective date of this legislation, MOH shall require all BMR Units subject to this Program to record a Notice of Special Restrictions with the Recorder of the City and County of San Francisco. The Notice of Special Restrictions must incorporate the resale procedures for resale or transfer, affordability restrictions, and other requirements of this Program and provide that the owner or tenant shall adhere to the marketing, monitoring, and enforcement procedures outlined in the Procedures Manual, as amended from time to time, in effect at the time of sale. MOH shall maintain records of the applicable Procedures Manual for each BMR Unit transferred or resold under this Program. The Procedures Manual will be referenced in the Notice of Special Restrictions for each BMR Unit.

(B) For BMR Units purchased or acquired before the effective date of this legislation, the Mayor's Office of Housing has a right of first refusal. MOH shall exercise this right of first refusal at sale consistent with the provisions of Section 1341 and 1341B. In addition, for some BMR Units, a Notice of Special Restrictions (NSR) was recorded against the BMR Unit. For those BMR Units, the provisions in subsection (A) apply. For some BMR Units, the conditions of approval for the project require that an NSR be recorded, but no NSR has yet been recorded. For these BMR Units, the Planning Department and the Mayor's Office of Housing shall work with the owner to insure that the owner records an NSR and thereafter, the provisions in subsection (A) shall apply. For those BMR Units, the provisions in subsection (A) apply.

(3) Marketing the BMR Units. The Mayor's Office of Housing shall be responsible for overseeing and monitoring the marketing of BMR Units under this Section. In general, the marketing requirements and procedures shall encourage an open public marketing strategy and will be contained in the Procedures Manual, as amended from time to time. The Mayor's Office of Housing may develop occupancy standards for BMR Units of different bedroom sizes in the Procedures Manual in order to promote an efficient allocation of affordable units. The Mayor's Office of Housing may require in the

Mayor Gavin Newsom

MAYOR
Procedures Manual that prospective purchasers complete homebuyer education training or fulfill other requirements to adequately prepare the buyer for homeownership.

(4) Lottery: MOH shall require a general public lottery for all BMR units available for salepurchase.

(A) BMR Units purchased or acquired on or after the effective date of this legislation. The specific procedures for passing a BMR Unit through inheritance are contained in the Procedures Manual. All transfers through inheritance must be reported to and approved by MOH and in all cases, the heir must acknowledge and agree to the provisions of the BMR Program. The following households may inherit the right to occupy a BMR Unit: (i) a spouse or registered domestic partner, regardless of income; (ii) a child of the owner if it qualifies as a low- or moderate-income household depending on the designation of the Unit. Consistent with the provisions herein related to owners who acquire BMR Units after the effective date of this legislation, any heir must owner occupy the Unit. If the heir chooses not to occupy the Unit, the heir may market and sell the Unit at the BMR Price through a public lottery process. The heir will retain the proceeds of the sale.

(B) For BMR Units purchased or acquired before the effective date of this ordinance, An owner may pass on the right to occupy a Unit through inheritance to a specific household as long as that household meets the income qualifications for the Program, agrees to owner-occupy the BMR Unit, and is a First Time Homebuyer. If the household chooses not to owner-occupy the Unit, it may sell the Unit at its restricted price consistent with the provisions of this legislation and receive the proceeds of the sale. All transfers through inheritance must be reported to and approved by MOH and in all cases, the heir must acknowledge and agree to the provisions of the BMR Program. For BMR Units purchased or acquired on or after the effective date of
this ordinance, MOH shall be authorized to implement regulations in the Procedures Manual limiting if and to what extent a BMR unit may be passed on through inheritance.

(5) Preferences. The Mayor's Office of Housing shall give first priority to an existing tenant of a BMR Unit at the time of sale if that tenant qualifies as a low or moderate income household, depending on how the BMR Unit is designated. If there is no existing qualifying tenant who wishes to purchase the BMR Unit, the Mayor's Office of Housing shall use a lottery system that gives preference to households who live or work in San Francisco and meet all other homebuyer requirements. Otherwise, it is the policy of the Board of Supervisors to treat all households equally in allocating affordable BMR Units under this Program.

(f) Rental Procedures.

(1) BMR Units purchased or acquired on or after the effective date of this ordinance. All owners purchasing or acquiring BMR Units on or after the effective date of this legislation must owner-occupy the BMR Unit. No rental of such BMR Units shall be permitted without the express written consent of MOH and under the circumstances outlined in the Procedures Manual.

(2) BMR Units purchased or acquired before the effective date of this ordinance, but on or after June 1, 1988. The Board of Supervisors reiterates and readopts the requirement that it legislated effective June 1, 1988 that BMR Units in this Program must be owner occupied. The Board instructs MOH to enforce this requirement. To this end, for BMR Units purchased or acquired by individuals before the effective date of this legislation but on or after June 1, 1988, the homeowner may continue to rent to an income-qualified tenant at an affordable rent, as defined, for a period of no longer than 24 months after the effective date of this legislation. At the end of the 24-month period, the owner must occupy the BMR Unit or sell it.

(3) For BMR Units purchased or acquired by individuals before June 1, 1988 or owned by the original Subdivider or its successor in interest, renting is permitted under the
The owner may continue to rent the BMR Unit to an income qualified tenant at an affordable rent, as defined. The owner may continue to rent to the current tenant at the current rent level until the tenant vacates, at which time the owner must notify MOH of their intent to re-rent the Unit. The owner and MOH shall follow the rental procedures as set forth in the Procedures Manual. Additionally, the owner must submit a monitoring report to the Mayor’s Office of Housing (MOH), at a timeframe determined by MOH, to verify current tenant information and rent levels. For current owners only, the Board hereby supercedes the requirement of Section 1341B effective June 1, 1998 that BMR Units in this Program be owner-occupied.

(g) Other regulations: This Section 1344 sets forth the current requirements and procedures for the Condominium Conversion Below Market Rate Program ("Program"). To implement this Section, the Department of City Planning and the Mayor’s Office of Housing shall periodically publish a Procedures Manual containing procedures for monitoring and enforcement of the policies and procedures for implementation of this Program. The Procedures Manual must be made available upon request and on the Mayor’s Office of Housing website. The Procedures Manual shall not be amended, except for an annual update of the affordability housing guidelines, which reflect updated income limits, prices, and rents, without approval of the Planning Commission or as otherwise specified herein.

The Procedures Manual in effect at the time of the most recent owner’s purchase or initial purchase or initial rental of a BMR Unit shall govern the regulation of that BMR Unit until it is transferred or sold, or re-rented unless an owner or current tenant chooses to be governed by all of the more up-to-date provisions of the then-current Procedures Manual. Any future amendments to the Procedures Manual will not be retroactive and will only apply to new owners of BMR Units, unless the owner chooses an alternative that provides otherwise under Section 1344(i). In that case, the owner or tenant must agree to be governed by the totality
of the new regulations—an owner or tenant may not pick some provisions from the Procedures Manual in effect at the time of initial purchase or initial rental and some in effect in the then-current Procedures Manual. If the owner or tenant chooses to be governed by the then-current Procedures Manual he or she shall sign an agreement with the City to that effect, and the Planning Department and Mayor's Office of Housing shall apply all of the rules and regulations in the then-current Procedures Manual to the BMR Unit.

(h) **Original Subdividers.** The following provisions shall apply only to Original Subdividers as defined herein.

(1) The Mayor's Office of Housing shall release any BMR rental units if an Original Subdivider can demonstrate a 20-year rental history at the affordable rate for the unit size and income designation of the Unit to qualifying tenants. A release of the restrictions under the Program will be recorded against the property. The standards used to determine rental history at the affordable rate for the unit size and income designation of the Unit to a qualifying tenant are found on file with the Clerk of the Board in File No. 080520 and on the Mayor's Office of Housing website.

(2) If an Original Subdivider cannot demonstrate 20 years of rental at the affordable rate for the unit size and income designation of the Unit to qualifying tenants, the Original Subdivider may:

(A) Continue to rent the Units until a 20-year rental history at the affordable rate for the unit size and income designation of the Unit to qualifying tenants can be demonstrated. The Units shall be governed by the rules in Section 1344(f)(2). The standards used to determine rental history at the affordable rate for the unit size and income designation of the Unit to a qualifying tenant are found on file with the Clerk of the Board in File No. 080520 and on the Mayor's Office of Housing website.
(B) Enter into an agreement with the City, acting through the Mayor's Office of Housing, to pay a housing replacement fee adjusted for income level and number of bedrooms as provided in the table below, or 50% of the difference between the BMR Resale Price and the Fair Market Value at the time of payment, as defined herein, whichever is less. The fee may be paid immediately upon execution of the Agreement or as a City lien, recorded through a note and deed of trust in favor of the City against the property, with a simple interest of 3%. Interest will not start accruing until the date which is 24 months from the effective date of this ordinance. Fifty percent (50%) of the difference between the BMR Resale Price and the Fair Market Value will be established at the time of repayment. Upon payment of the fee or recording of a lien in favor of the City, a release of the restrictions under the Program will be recorded against the property. As part of any Agreement under this subsection, the Original Subdivider must waive all claims against the City for damages or other alleged injury arising from the Subdivider's participation in the Program. The fee shall be as follows: Enter into a contract with the City, acting through the Mayor's Office of Housing, to agree to pay a replacement housing fee in exchange for immediate release of the Units from the program, as detailed in the fee table below. Upon payment of the fee, a release of the restrictions under the Program will be recorded against the property.

SEC. 1341. LOW AND MODERATE INCOME OCCUPANCY.

The provisions of this Section and its application to certain properties may be affected by amendments creating Section 1344. Please consult Section 1344 in addition to this Section for Units subject to the Below Market Rate Condominium Conversion Program.

(a) In all subdivisions involving 50 or more lots or units, except for condominium or cooperative conversion subdivisions, the subdivider shall make available 10 percent of the units for low and moderate income occupancy provided that the Department of City Planning finds that governmental subsidies for such occupancy are available to the subdivider. This requirement shall not limit the authority of the City otherwise to encourage the provision of low and moderate income housing, or of the subdivider to make available additional low and moderate income housing.

(b) In all condominium or cooperative conversion subdivisions with five or more lots or units, the subdivider shall make available 10 percent of the lots or units for rental or for purchase by households of low or moderate income. In the event that the total number
of units determined to be within the low or moderate income housing stocks pursuant to Section 1385 is greater that 10 percent of the total number of units in the subdivision, such greater number shall apply, and such number of units determined to be within the low or moderate income housing stock shall be made available for purchase as set forth in Section 1385, thereby precluding the application of the alternatives set forth in Section 1341 to such number of units. In the event the total number of units determined to be within the low or moderate income housing stock pursuant to Section 1385 is less than 10 percent of the total number of units in the subdivision, the difference between such number of units determined to be within the low or moderate income housing stock and the 10 percent required by Section 1341 may be satisfied by the alternatives set forth in this Section.

(c) If the units are to be made available for purchase, then the sales prices of such units shall not exceed 2.5 times the annual median income for low or moderate income households, as defined, and as adjusted for household size according to the relationship to the size of the dwelling, as set forth in Section 1309. Priority for purchase of these units shall be as set forth in Section 1385. Any low or moderate income household which purchases a dwelling pursuant to this Section shall grant a right-of-first-refusal, to the City and County of San Francisco, or to such other entity that at a future time may be designated by the City and County of San Francisco, to repurchase the dwelling from the initial purchaser at the original price plus the cost of any improvements paid for by the owner, plus an increase proportionate to the increases in the housing component of the "Bay Area Cost of Living Index, U.S. Dept. of Labor," over the intervening time period. The City and County of San Francisco, or
designated agent, shall reconvey such unit to other qualified purchasers if the right to purchase is exercised by the City or its designated agent.

(d) If the converted units are to be for rental, then the rent in such units shall not exceed the rent charged at the time of filing the application for conversion, or the maximum rent that would be allowed so as to keep the unit within moderate income housing stock, whichever rent level is lower. Once established, rent levels for any units remaining as rental pursuant to this Section may be increased annually consistent with any changes in the residential rent component of the "Bay Area Cost of Living Index, U.S. Dept. of Labor." In cases of hardship to the subdivider, or in cases where a rent increase authorized herein is considered by the tenant to be not consistent with increases in the residential rent component of the Bay Area Cost of Living Index, either a subdivider or a tenant may request relief under this Section from the Director or his or her designee. In considering the reasonableness of a rent increase, the Director shall consider whether the rental revenues are sufficient to adequately maintain the building in safe and sound condition, and in conformity with any applicable sections of the San Francisco Housing and Building Codes. The Director may allow rent increases greater than the proportionate increases in the residential rent component of the "Bay Area Cost of Living Index, U.S. Dept. of Labor," in order to allow the building to be maintained in safe and sound condition. The rental increase provisions of this Section shall apply only in the absence of other applicable rent increase or arbitration laws.

(e) Converted units made available for purchase by households of low or moderate income pursuant to this Section, or purchased or acquired by a tenant or qualified household subject to the price limitation of Section 1385, shall remain within the low or
moderate income housing stock pursuant to the recapture provision of Subsection (c) above. Units made available for rental pursuant to Subsection (d) above shall remain as rental units for no less than 20 years, provided, however, that such rental units may be sold by the original subdivider or any subsequent owner during such 20-year period at a price not exceeding the price at which the City and County of San Francisco would be entitled to repurchase the unit if exercising its right of first refusal under Subsection (c) above, and further provided that such maximum price shall not reflect the cost of any improvements made within two years after recording of the final or parcel map for the conversion.

(f) As an alternative to the provisions of Subsections (b) and (c) above, the subdivider shall make a bona fide agreement, satisfactory to the Department of City Planning, to construct or cause to be constructed within a period commencing 18 months prior to the date of filing the application for conversion and ending 18 months after filing of the final or parcel map, or to provide through other means, the same number of units and under the same conditions as would be required for low or moderate income occupancy under the provisions of Subsections (b), (c) and (d) above, in areas approved by the Department of City Planning as being non-impacted with assisted housing.

(g) As a further alternative to the provisions of Subsections (b), (c) and (f) above, the subdivider shall pay to the City and County of San Francisco an amount equal to 10 percent of the difference between the aggregated total of the proposed market rate sales prices, as indicated on the price list supplied with the application packet, and the aggregate total of the sales prices if the units were to be sold at moderate-income
sales prices, as determined by the sales price formula of Section 1385 and Subsection (c) above. This payment shall be made within two years of the recordation of the Final Map.

(h) Funds collected pursuant to Subsection (g) above, shall be deposited into the Housing Development Fund, which fund is to be used for persons and households of low or moderate income.

SEC. 1341B. REQUIREMENTS FOR RESALE OF CONVERTED UNITS ON OR AFTER JUNE 1, 1988.

The provisions of this Section and its application to certain properties may be affected by amendments creating Section 1344. Please consult Section 1344 in addition to this Section for Units subject to the Below Market Rate Condominium Conversion Program.

(1) This Section shall govern exclusively where the City and County of San Francisco, on or after June 1, 1988, exercises the right of first refusal under Section 1341(c) to repurchase converted units. This Section shall not apply, however, to any units which are the subject of an application for conversion filed on or after June 1, 1988.

(2) The following definitions shall apply:

(a) "Household" shall mean the person or persons who will permanently reside in the unit. Such persons shall include dependents as that term is defined in the Internal Revenue Code provided that said dependents permanently reside in the unit.

receivable, bank accounts, stocks and bonds does not exceed the maximum
allowable income for the household under Subsection (d) below at the time of
purchase of the unit.

(c) "Gross income" shall mean all income from whatever source derived as
provided in the Internal Revenue Code (26 USC § 61), whether or not exempt
from federal income tax. Such income includes, but is not limited to, the
following:

(1) Compensation for services, including fees, commissions, and similar
items;

(2) Gross income derived from business;

(3) Gains derived from dealings in property;

(4) Interest;

(5) Rents;

(6) Royalties;

(10) Income from life insurance and endowment contracts;

(11) Pensions;

(12) Income from discharge of indebtedness;
(13) Distributive share of partnership gross income;

(14) Income in respect of a decedent; and

(15) Income from an interest in an estate or trust.

(d) "Maximum allowable income" shall mean 120 percent of the San Francisco Standard Metropolitan Statistical Area Median Income as published annually by the U.S. Department of Housing and Urban Development. The resulting figures may be adjusted upwards as necessary, not to exceed 15 percent, by the Director the Mayor's Office of Housing in order to assure that eligible households qualify for financing by institutional lenders.

(e) "First-time buyer" shall mean a person who has not purchased or acquired any dwelling as a principal place of residence within the past three years as verified by federal tax returns for said three-year period.

(3) The Mayor's Office of Housing shall be responsible for administering the resale of and reconveyance of units converted to condominiums under Sections 1341 and 1385 of this Code, including the exercise of the City's right-of-first-refusal as to sales following the first sale of the unit referred to in Section 1341(c). The Mayor's Office of Housing shall, whenever possible, reconvey converted units to purchasers who qualify as eligible households. The Mayor's Office of Housing shall give preferential consideration to households with dependents and to first-time buyers. The Mayor's Office of Housing shall adopt a preferential rating system to accomplish this purpose.

(4) All purchasers must become owner occupants.

SEC. 1359. PARCEL MAP.

(a) The requirements of Subsection (c) of Section 1356 of this Code shall apply to Parcel Maps.

(b) The Parcel Map shall conform to the requirements of Chapter 2, Article 3 of SMA and to the Subdivision Regulations regarding detailed format and contents.

(c) In the case of Conversions where a Tentative Map is not required, the requirements of Section 1314 and the requirements of Article 9 on Conversions shall apply, provided that hearings as provided in Sections 1313 and 1332 shall not be required, and the 10 percent low and moderate income occupancy as provided in Section 1341 shall not be required; and provided further that Article 9 shall not be applied to two-unit buildings where both units are owner-occupied for one year prior to the application for Conversion. The Director of Planning, however, shall make the determination pursuant to Section 1385 concerning preservation of low and moderate income housing.

(d) In addition to the requirements of Subsection (c), the owners of record of a two-unit building conversion that qualify for the exemption from Article 9 must certify under penalty of perjury and the Department must verify with the Rent Stabilization and Arbitration Board, and with the Human Rights Commission as applicable, that since November 16, 2004, no eviction as defined in San Francisco Administrative Code Section 37.9(a)(8)--(14) of a senior, disabled person, or catastrophically ill tenant as
defined below has occurred, or if an eviction has taken place under Administrative Code Section 37.9(a)(11) or (14), that the original tenant reoccupied the unit after a temporary eviction. For purposes of this Subsection a "senior" shall be a person who is 60 years or older and has been residing in the unit for 10 years or more at the time of the lottery; a "disabled" tenant is defined for purposes of this Subsection as a person who is disabled within the meaning of Title 42 U.S.C. (e) If the owners of record cannot satisfy the requirements of Subsection (d), then the owners of record shall comply with Article 9, including its Section 1396.1(g)(3), prior to submitting an application for Conversion.

(f) If the Department determines that an applicant has knowingly provided false material information under Subsection (d) above, the Department shall immediately deny the application, or if the applicant has submitted an application for conversion, shall immediately deny the application for conversion. Moreover, the Department, the Director, or other authorized person or entity may also enforce the provisions of this Subsection under Section 1304 or any other applicable provision of law as warranted.

SEC. 1385. PRESERVATION OF LOW AND MODERATE INCOME HOUSING.

The provisions of this Section and its application to certain properties may be affected by amendments creating Section 1344. Please consult Section 1344 in addition to this Section for Units subject to the Below Market Rate Condominium Conversion Program.
The Department of City Planning shall determine whether any units to be converted are part of the City's low and moderate income housing stocks. If the Department of City Planning determines that any unit to be converted is part of the City's low or moderate income housing stocks, then the price of the unit upon conversion shall not be such as to remove it effectively from said low or moderate income housing stocks and shall be no greater than 2.5 times the highest income level for low and moderate income households as defined in Section 1309(e) and (f), and as adjusted for household size according to the size of the dwelling, as set forth in Sections 1309(l) and (m). The resulting sales prices established pursuant to this formula may be increased consistent with any increases in the housing component of the "Bay Area Cost of Living Index, U.S. Dept. of Labor," during the period between the most recent establishment of the above highest income levels and the date of commencement of sales. If the tenant does not exercise the contract right to purchase the unit which has been determined to be part of the low or moderate income housing stock, then the unit shall be made available exclusively for purchase by qualified households of low or moderate income on first-come, first-served basis for a period of not less than 12 months from the date of the decision by the tenant not to exercise the contract right to purchase or, if there is no tenant, from the date of issuance of the State Department of Real Estate Final Subdivision Public Report, at a price no greater than that allowed under the low and moderate income price guidelines set forth above. Priority, however, shall be given to low or moderate income households who can demonstrate that they had previously relocated from a dwelling in a building which has been approved for condominium conversion. The alternatives for low and moderate income occupancy set forth in Section 1341 shall not apply, except for those additional number of units which may be required pursuant to Section 1341(a) to be made available for rental or for purchase by households of low or moderate income. In cases where
no low or moderate income household has purchased or contracted to purchase such unit within this 12-month period, after good-faith efforts by the subdivider, the subdivider may offer the unit to the general public with no price limitation.
