10 Be it ordained by the People of the City and County of San Francisco:

11  
12 **Section 1. Finding of Emergency Under Charter Section 2.107.**

13 Section 2.107 of the San Francisco Charter authorizes the City to pass emergency  
14 ordinances to address public emergencies threatening life, health, or property, or to provide  
15 for the uninterrupted operation of any City department required to comply with time limitations  
16 established by law.

17 The Board of Supervisors hereby finds that an actual emergency exists that requires  
18 the passage of this emergency ordinance, based on the following:

19 1. The fiscal crisis impacting the nation and the state has affected San Francisco as  
20 well. The City has been hit by a sudden and precipitous drop in local revenues—revenues  
21 from the real estate transfer tax alone are expected to drop almost 50 percent below the  
22 adopted budget levels.

23 2. As a result of these conditions, and the City's structural budget deficit, the Mayor's  
24 Office has projected a General Fund deficit of \$575.6 million for Fiscal Year 2009-10, a loss of  
25 roughly half of the City's discretionary spending as compared to funds available for

1 discretionary spending in Fiscal Year 2008-09. This deficit would severely harm public health  
2 and human service programs in particular, since the departments delivering those programs  
3 are among those most dependent on the General Fund. Unless the City can replace this  
4 funding, the health, safety, and welfare of the vulnerable segments of the population will be  
5 put at risk.

6 3. The City has already made significant cuts in government spending, including the  
7 elimination or postponement of programs, lay-offs of nearly 400 City employees, and  
8 elimination of over 300 vacant positions. But adoption of most new revenue sources, such as  
9 taxes, requires voter approval.

10 4. The next regularly-scheduled City election is not until November 2009, nearly  
11 halfway through the next fiscal year and too late to address the projected deficit.

12 5. In response to this situation, the Board of Supervisors intends to call a special  
13 election for June 2, 2009, to submit a number of proposed revenue measures to the voters, so  
14 that the Board and the Mayor will know before the commencement of Fiscal Year 2009-10  
15 whether the voters have approved the revenue measures. But in order to conduct an election  
16 on such shortened notice, the City must modify certain election procedures and deadlines as  
17 set forth in this ordinance.

18 6. State law provides that the last day a charter amendment may be submitted for a  
19 June 2, 2009 election is March 6, 2009. The Director of Elections has determined that the  
20 Department of Elections could conduct a special election on June 2, 2009, without having to  
21 alter or waive the deadlines and requirements set forth in section 500, et seq., of the  
22 Municipal Elections Code, if the Board submitted all of the measures to be considered at that  
23 election no later than the close of business March 6, 2009.

1           7 6. The Board of Supervisors therefore finds that an emergency exists for purposes of  
2 Charter Section 2.107. This emergency ordinance will ensure that the City is able to submit  
3 and the voters are able to consider revenues measures designed to avoid the impending  
4 deficit threatening the public health, safety, and welfare.

5  
6           Section 2. **Measures Covered by the Modified Election Procedures.**

7           The election procedures modified in Section 3 of this ordinance shall apply to any or all  
8 of the following measures, or substantially similar measures, submitted by the full Board of  
9 Supervisors to the voters at a special election on June 2, 2009:

10           1. A possible increase in the sales tax, the increase not to exceed 0.5% for a total tax  
11 rate of 9%, and including a possible dedication of the proceeds of the tax increase to  
12 emergency health and human services and to public protection;

13           2. A possible increase in the payroll tax, the increase not to exceed 0.2% for a total tax  
14 rate of 1.7%, and including a possible dedication of the proceeds of the tax increase to

15 projected; and,

16          744. A possible new charter amendment that would cap all set-asides at their Fiscal  
17 Year 2008-2009 levels, allow the City to reduce its contributions during budgetary shortfalls,  
18 and provide that year-end surpluses be returned to the General Fund.

19

13 requirements of the Brown Act and the Sunshine Ordinance.

14           ~~(c) Deadlines for Submission of Official Arguments.~~ Notwithstanding the provisions of  
15 Municipal Elections Code Sections 535 et seq., the Director of Elections may modify the
