Be it ordained by the People of the City and County of San Francisco:

Section 1. **Finding of Emergency Under Charter Section 2.107.**

Section 2.107 of the San Francisco Charter authorizes the City to pass emergency ordinances to address public emergencies threatening life, health, or property, or to provide for the uninterrupted operation of any City department required to comply with time limitations established by law.

The Board of Supervisors hereby finds that an actual emergency exists that requires the passage of this emergency ordinance, based on the following:

1. The fiscal crisis impacting the nation and the state has affected San Francisco as well. The City has been hit by a sudden and precipitous drop in local revenues—revenues from the real estate transfer tax alone are expected to drop almost 50 percent below the adopted budget levels.

2. As a result of these conditions, and the City's structural budget deficit, the Mayor's Office has projected a General Fund deficit of $575.6 million for Fiscal Year 2009-10, a loss of roughly half of the City's discretionary spending as compared to funds available for
discretionary spending in Fiscal Year 2008-09. This deficit would severely harm public health and human service programs in particular, since the departments delivering those programs are among those most dependent on the General Fund. Unless the City can replace this funding, the health, safety, and welfare of the vulnerable segments of the population will be put at risk.

3. The City has already made significant cuts in government spending, including the elimination or postponement of programs, lay-offs of nearly 400 City employees, and elimination of over 300 vacant positions. But adoption of most new revenue sources, such as taxes, requires voter approval.

4. The next regularly-scheduled City election is not until November 2009, nearly halfway through the next fiscal year and too late to address the projected deficit.

5. In response to this situation, the Board of Supervisors intends to call a special election for June 2, 2009, to submit a number of proposed revenue measures to the voters, so that the Board and the Mayor will know before the commencement of Fiscal Year 2009-10 whether the voters have approved the revenue measures. But in order to conduct an election on such shortened notice, the City must modify certain election procedures and deadlines as set forth in this ordinance.

6. State law provides that the last day a charter amendment may be submitted for a June 2, 2009 election is March 6, 2009. The Director of Elections has determined that the Department of Elections could conduct a special election on June 2, 2009, without having to alter or waive the deadlines and requirements set forth in section 500, et seq., of the Municipal Elections Code, if the Board submitted all of the measures to be considered at that election no later than the close of business March 6, 2009.
The Board of Supervisors therefore finds that an emergency exists for purposes of Charter Section 2.107. This emergency ordinance will ensure that the City is able to submit and the voters are able to consider revenues measures designed to avoid the impending deficit threatening the public health, safety, and welfare.

Section 2. Measures Covered by the Modified Election Procedures.

The election procedures modified in Section 3 of this ordinance shall apply to any or all of the following measures, or substantially similar measures, submitted by the full Board of Supervisors to the voters at a special election on June 2, 2009:

1. A possible increase in the sales tax, the increase not to exceed 0.5% for a total tax rate of 9%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

2. A possible increase in the payroll tax, the increase not to exceed 0.2% for a total tax rate of 1.7%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

3. A possible new residential utilities users tax, not to exceed 7.5%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

4. A possible increase in the commercial utilities users tax, the increase not to exceed 2.5% for a total tax rate of 10%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

5. A possible new parcel tax, not to exceed $300 for a residential parcel and $1,000 for other parcels;
6. A possible new gross receipts tax on residential rental income, not to exceed 0.127%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

47. A possible new gross receipts tax on commercial rental income, not to exceed 0.127%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

58. A possible new gross receipts tax on all commercial transactions, not to exceed 0.1%, and including a possible dedication of the proceeds of the tax increase to emergency health and human services and to public protection;

9. A possible new surcharge on the parking tax, the surcharge not to exceed 5% for a total tax rate of 30%, the proceeds of the surcharge going to the General Fund;

640. A possible amendment to Charter Section 9.113.5, allowing the City to appropriate up to 100% of the current balance in the Rainy Day Reserve, not to exceed 20% of the projected deficit, in years in which a budgetary deficit of $250 million or more is projected; and,

744. A possible new charter amendment that would cap all set-asides at their Fiscal Year 2008-2009 levels, allow the City to reduce its contributions during budgetary shortfalls, and provide that year-end surpluses be returned to the General Fund.

Section 3. Modifications to Election Procedures.

(a) Deadline for Submission of Measures. Notwithstanding the provisions of Municipal Elections Code Section 300, subds. (a) and (b), any measure identified in Section 2 of this ordinance may be submitted by the Board of Supervisors to the Director of Elections no later than the close of business March 6, 2009 for a June 2, 2009 special election.
(b) (a) Thirty-Day Hold. (c) (b) Additional Hearings on All Amendments. Notwithstanding the provisions of Municipal Elections Code Section 305(a)(3), the Board committee hearing a measure identified in Section 2 of this ordinance is not required to notice any and all amendments to the proposed measure for an additional public hearing, and shall only be required to notice substantive changes for an additional hearing as provided by the notice and agenda requirements of the Brown Act and the Sunshine Ordinance.

(e) Deadlines for Submission of Official Arguments. Notwithstanding the provisions of Municipal Elections Code Sections 535 et seq., the Director of Elections may modify the deadlines for submission of proponent, opponent, and rebuttal ballot arguments for or against the measures identified in Section 2, and any related deadlines, as the Director deems necessary to allow for the timely and orderly preparation and distribution of the voter information pamphlet for the June 2, 2009 election.

the voter information pamphlet for the June 2, 2009 election, provided that the Director
provides for the full 10-day inspection period for all such materials required under California
Elections Code Sections 9295 and 13313.

(f) Elimination of Paid Arguments. Notwithstanding the provisions of Municipal
Elections Code Sections 535(c) and 560, the Director of Elections shall not accept paid
arguments for or against the measures identified in Section 2 or include such paid arguments
in the voter information pamphlet for those measures. "Paid arguments" shall, for purposes of
this Section, include ballot arguments submitted pursuant to Municipal Elections Code
Sections 565 and 570 with in-lieu signatures rather than payment of the printing fee.

(g) Notice of Submission of Ballot Arguments. Notwithstanding the provisions of
Municipal Elections Code Sections 525(a), the Director of Elections may waive, in whole or in
part, or otherwise modify the requirement that the Director publish notice in the official
newspaper on three separate occasions that ballot arguments may be submitted for or against
the measures identified in Section 2, as the Director deems necessary to allow for the timely
