(1) The permittee has knowingly made any false, misleading or fraudulent statement of material fact in the application for a permit;

(2) The permittee has failed to pay any fee or charge required under this Article; or

(d) A revocation pursuant to Subsection (c) shall not prejudice the right of an applicant to apply for a new permit.

Section 87. The San Francisco Police Code is hereby amended by adding Sections 1070.17, 1070.17.1, 1070.17.2, and 1070.17.3, to read as follows:

SEC. 1070.17. SUSPENSION.

(3) The Director may issue an order of suspension for public safety as provided in Section 1070.17.3, which order is not appealable to the Entertainment Commission.

(4) The Entertainment Commission and the Director have independent authority to suspend permits; the action of one does not limit action by the other.

(b) Every Permittee shall request emergency medical services when any person who has been injured on the premises of the Business needs emergency medical services. The Entertainment Commission and Director may allow any circumstances involving the operation of the Business that relate to the injury as evidence supporting suspension of a permit, but may not allow the request itself as evidence to support suspension.

(c) When considering whether to grant a permit application or to suspend or revoke a permit under this Article, the Commission and the Director may consider any previous denial of a permit application or previous suspension or revocation of a permit, under this Article or Article 15.1, for the same permit applicant or Permittee when the circumstances warranting the previous action are relevant to the current determination.

(3) The Permittee or any agent or employee of the Permittee has failed to comply with an approved Security Plan as required by Section 1060.28 or a revised Security Plan as required by Section 1060.29.

(b) ISSUANCE OF ORDER; RIGHT TO APPEAL TO COMMISSION. On the day that the Director issues an order of limited suspension, the Director shall send the order to the Permittee and Manager by mail or electronically. The order shall state the date that the order issued and the date that it takes effect. (2) A Permittee may appeal an order of limited suspension to the Entertainment Commission by filing with the Commission Secretary a written request for review within five City business days of the date that the Director has issued the order. The filing of an appeal stays the order pending the Commission's decision. If a Permittee withdraws the appeal, the Director's order shall no

is later; provided, however, that the Director and the Permittee may agree in writing to an earlier
effective date.

(5) The Entertainment Commission may adopt a regulation establishing a procedure which
would allow the Director or the Commission, or both, to stay and vacate an order of limited suspension
if the Permittee submits and complies with a plan to address the problems that gave rise to the
suspension.

(c) The Director may initiate orders of limited suspension under this Section against
a Permittee for a Business at a single location no more than three times in any twelve-month
period. The Director shall initiate suspension proceedings before the Commission under

three times in any twelve-month period. For purposes of this Subsection (c), "suspended by
the Director" includes a suspension affirmed in whole or part or modified by the Commission if
appealed pursuant to Subsection (b)(2) but does not include a suspension overturned by the
Commission on appeal. This Subsection (c) shall not in any way preclude the Commission
from otherwise exercising its authority to suspend a Business under Section 1070.17.1, or
preclude the Director or Chief of Police or Chief's designee from initiating a suspension
proceeding under Section 1060.17.1.

(e) POLICE DEPARTMENT RECOMMENDATION OF SUSPENSION FOR PUBLIC SAFETY. The Chief of Police, or the Chief's designee, may recommend to the Director, orally...

Section 1070.26:

SEC. 1070.26. MORATORIUM ON THE GRANTING OF PERMITS.

Notwithstanding any provision of this Code, neither the Chief of Police, nor the Board of
Appeals on appeal, shall grant or issue to any person a permit to own, conduct, operate, maintain or to
participate therein, or to cause or permit to be conducted, operated or maintained, any extended-hours
premises in the Moratorium Area described below in Subsection (a).
(a) Moratorium Area Described. The "Moratorium Area" includes the area bounded by Bush Street to the North, O'Farrell Street to the South, Taylor Street to the East, and Van Ness Avenue to the West, including the properties fronting on each side of O'Farrell, Bush, and Taylor Streets, but not including the properties fronting Van Ness Avenue.

(b) Sunset Provision. The moratorium provided by this ordinance shall expire on December 31, 2000 unless repealed or further extended by ordinance.

Section 1716. The San Francisco Police Code is hereby amended by adding Sections 1070.28, 1070.29, 1070.30, 1070.31, 1070.32, and 1070.33, and 1070.34, 1070.35, and 1070.36, to read as follows:

SEC. 1070.28. APPROVAL REQUIRED FOR SECURITY PLANS.

(a) Every Extended-Hours Premises shall have a Security Plan, as defined in Section 1070(o), that has been approved by the Entertainment Commission or by the Director, as required by this Article.

(b) As of the effective date of this Section, the Entertainment Commission shall not approve any permit or other application relating to a Business unless the applicant has a Security Plan that has been approved by the Commission or the Director as provided in this Article or has submitted a proposed Security Plan with the application. The Security Plan shall meet the minimum requirements of Section 1070(o) and any implementing rules and regulations. The Commission shall disapprove any Security Plan that it determines does not adequately address the safety of persons and property and provide for the orderly dispersal of persons and traffic, notwithstanding the compliance of the proposed plan with the minimum requirements of Section 1070(o).

(c) Compliance with the Security Plan approved under this Article is a condition of the permit.

(d) Every Extended-Hours Premises that does not have a Security Plan approved by the Entertainment Commission on the effective date of this Section shall submit a proposed Security Plan to

Mayor, Supervisor Maxwell
BOARD OF SUPERVISORS
the Director. The Entertainment Commission, the Director and every Permittee shall follow the
procedures and standards set forth in Section 1060.31 of this Code for the approval of Security Plans
under this Article. The Entertainment Commission may suspend a permit for the Permittee's failure to
comply with the requirements of Section 1060.31 as required by this Subsection (d), including the
failure to submit a proposed Security Plan and the failure to comply with an approved Security Plan.

(e) For the purpose of calculating compliance with the component of a Security Plan
that requires a ratio of one Security Guard to a specific number of individuals, a Security
Guard may be counted toward the ratio for only one Place of Entertainment at any one time.
This calculation rule applies whether the required ratio of Security Guard to individuals is
based solely on the definition of Security Plan in Section 1060(o), is otherwise required by this
Article, or is a condition of the Place of Entertainment permit.

(f) Where the Chief of Police or the Chief's designee, with the concurrence of the
Director, determines that the public safety will not be advanced by enforcing on a particular
Business with an Extended Hours Premises Permit the requirement stated in Section 1070(o)
that on Thursday and Sunday evenings there be a Security Guard for every 100 individuals
authorized by the Occupancy Permit, the Chief or Chief's designee or the Director may notify
the Permittee in writing that that Security Guard ratio based on Occupancy Permit shall not be
required for that Business on Thursday and/or Sunday evenings. Such a determination may
be based on all relevant factors, including but not limited to the past operation of the Business
or related Businesses, but may not be based on the content of constitutionally protected
expression or entertainment. Such a determination creates no vested right on the part of the
affected Business to an exemption from the Thursday/Sunday requirement of one Security
Guard per 100 individuals authorized by the Occupancy Permit, and said determination may
be changed at any time by the Chief of Police or the Chief's designee, or by the Director, upon
written notice to the Permittee. For purposes of this subsection (f), the Captain for the district

Mayor, Supervisor Maxwell
BOARD OF SUPERVISORS
where the Business is located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

SEC. 1070.29. DIRECTOR MAY REQUIRE A PERMITTEE TO COMPLY WITH A REVISED SECURITY PLAN.

Notwithstanding a Security Plan's compliance with the minimum requirements of Section 1070(a) and prior approvals under this Article, after consulting with the San Francisco Police Department, the Director may issue an order directing a Permittee to comply with a revised Security Plan by directing such revisions as the Director reasonably determines will address safety and traffic concerns. The procedures and standards set forth in Section 1060.32 of this Code shall govern the issuance of orders directing a Permittee to comply with a revised Security Plan under this Article. The Entertainment Commission may suspend a permit for the Permittee's failure to comply with the requirements of Section 1060.32 as required by this Section.

SEC. 1070.30. COMPLIANCE WITH CONDITIONS; AMENDMENT OF PERMIT TO CHANGE CONDITIONS.

No Permittee shall operate a Business in any manner inconsistent with any condition imposed on the permit. A Permittee may request an amendment to a permit to remove or change a condition by filing a request with the Secretary of the Commission and paying the fee for an Amendment to a Permit required under Police Code Section 2.26. The Entertainment Commission shall conduct a hearing and determine whether to approve the application to amend the permit according to the procedures and standards governing the initial application for Extended-Hours Premises Permits.

SEC. 1070.31. PERMITTEES REQUIRED TO REPORT CERTAIN INFORMATION.

(a) Every Permittee shall provide written notice to the Entertainment Commission within 30 days after any of the following occurs:

(1) Criminal charges, complaints or indictments for the Permittee, the Manager, and each Person with authority or control over the Business occurring after the filing of the permit application to
the extent that they fall within the categories specified in Sections 1060.3(j), (k) and (l) of this Code as incorporated by Section 1070.3.

(b) Every Person holding a Extended-Hours Premises Permit, other than a publicly traded corporation, shall maintain a record of the name and address of every Person that directly or indirectly owns or controls 10% or more of the assets, ownership interests or voting interests in the Person holding the Permit, which shall be known as a "record of principal owners," and shall make the information available to the Entertainment Commission upon request. Every Person subject to this Subsection (b) shall report any change to the record of principal owners within 30 days of the transaction that effects the change. A "publicly traded" corporation is a company that has issued securities through an initial public offering which are traded on at least one stock exchange or over-the-counter market.

SEC. 1070.32. APPEALS TO BOARD OF APPEALS.

(a) The following actions taken under this Article may be appealed to the Board of Appeals:
The granting or denial of a permit, including a conditionally granted permit, or an amendment to a permit; the suspension or revocation of a permit; and the denial by the Entertainment Commission of an exception from the regulations under Section 1070.19. Any such appeal shall be filed within ten days from the date of the decision, as provided in Section 8 of the San Francisco Business and Tax Regulations Code.

(b) Notwithstanding the provisions of Subsection (a) of this Section, the Permittee or permit applicant may seek immediate judicial review of the actions described in Subsection (a) of this Section pursuant to California Code of Civil Procedure Section 1085 or Section 1094.8, as these provisions may be amended, including any successor provisions, or any other procedure provided by law. The Permittee or permit applicant is not required to exhaust his or her administrative remedies before the Entertainment Commission or before the Board of Appeals.

SEC. 1070.33 AUTHORITY OF SAN FRANCISCO POLICE DEPARTMENT.
Nothing in this Article is intended to restrict or alter in any way the authority vested in the San Francisco Police Department under Federal, State or local law to take action in response to conduct that arises in connection with the operation of a Business.

SEC. 1070.34. PROMOTION OF GENERAL WELFARE.

In undertaking the enforcement of this Article, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

SEC. 1070.35. REPORTS BY ENTERTAINMENT COMMISSION.

(a) The Director shall prepare regular quarterly and yearly reports pertaining to Extended-Hours Premises Permits and One Time Event Permits. The report for the January-March quarter shall be completed no later than April 20; for the April-June quarter, no later than July 20; for the July-September quarter, no later than October 20; for the October-December quarter, no later than January 30. The first quarterly report shall only cover that portion of the quarter that follows the effective date of Ordinance No. 238-09. The yearly report shall cover the calendar year and be completed no later than January 30. A One Time Event Permit covering the hours of 2:00 a.m. to 6:00 a.m. on January 1 shall be considered as part of the October-December quarter and as part of the year ending December 31.

(b) Quarterly and yearly reports shall be promptly submitted to the Clerk of the Board of Supervisors, the Mayor, the Chief of Police, and any City department that has requested such reports or that in the Director’s judgment would have an interest in such reports. These reports shall be promptly posted on the Entertainment Commission website and maintained on the website for at least seven years.

(c) Yearly reports shall include, for Extended-Hours Premises Permits, total number of existing permits; number of existing permits in each Police District; name and location of...
the Premises for each existing permit. Existing permits shall be measured as of December 31 immediately prior to submission of the yearly report.

(d) Yearly reports shall include, for One Time Event Permits, total number of permits granted during the prior calendar year or granted for events occurring during the prior calendar year; total number of those permits that included authorization for the event to go beyond 2:00 a.m.; number of permits in each Police District; number of permits that included authorization for the event to go beyond 2:00 a.m. in each Police District; name and location of the Premises for each event.

(e) Quarterly reports shall include, for Extended-Hours Premises Permits granted during the quarter that is the subject of the report, name and location (street address and Police District) of the Premises; a summary of the Security Plan; a summary of the business plan; and any conditions placed on the permit. In addition, quarterly reports shall include the number of applications for Extended-Hours Premises Permits denied by the Commission, suspended by the Commission or Director, or revoked by the Commission, during the quarter that is the subject of the report, and a summary of the grounds for the denial, suspension, or revocation.

(f) Quarterly reports shall include, for One Time Event Permits granted during the quarter that is the subject of the report or granted for events occurring during that quarter, name and location (street address and Police District) of the Premises; whether the permit authorizes the event to go beyond 2:00 a.m.; a summary of the Security Plan; a summary of the business plan; and any conditions placed on the permit. In addition, quarterly reports shall include the number of applications for One-Time Event Permits denied by the Commission, and a summary of the grounds for denial.

(g) Quarterly reports shall include a summary of every complaint, whether formal or informal, brought to the attention of the Entertainment Commission or its staff and/or the Mayor, Supervisor Maxwell

BOARD OF SUPERVISORS
Police Department pertaining to the operation of an Extended Hours Premises or an event for
which a One Time Event Permit had been issued. The report shall state the general nature of
the complaint (by way of example but not limitation, noise, overcrowding, altercation, criminal
activity); the general type of source of the complaint (by way of example but not limitation, a
patron, neighbor, or police officer), and the resolution of the complaint, if any.

(h) Notwithstanding the time frame for submission of yearly reports as stated in
subsection (a), the Entertainment Commission shall submit no later than 30 days after the
effective date of Ordinance No. 238-09 a report containing the information for Extended-
Hours Premises Permits required to be included in a yearly report as stated in subsection (c).
current as of the effective date of Ordinance No. 238-09 Further, this report shall contain the
information for One Time Event Permits required to be included in a yearly report as stated in
subsection (d), covering calendar year 2008 and that portion of calendar year 2009 up to the
effective date of Ordinance No. 238-09.

(i) The San Francisco Police Department and other City departments shall
cooperate with and assist the Director, at the Director's request, in providing information for all
reports that must be submitted under this Section.

SEC. 1070.36. PROSPECTIVE MORATORIUM ON GRANT OF EXTENDED-HOURS
PREMISES PERMITS AND PROSPECTIVE LIMIT ON ONE-TIME EVENT PERMITS GOING
BEYOND 2:00 A.M.

(a) Within two weeks on either side of the yearly anniversary of the effective date of
Ordinance No. 238-09, the Entertainment Commission shall hold an annual hearing to
determine whether there has been a substantial increase since the effective date of
Ordinance No. 238-09 in the number of Extended-Hours Premises Permits in existence
and/or in the granting of One-Time Event Permits with authorization for the event to go
beyond 2:00 a.m. To make this determination as to Extended-Hours Premises Permits at the
first annual hearing, the Commission shall compare the number of such permits in existence at the time of the hearing to the number of such permits in existence as indicated in the report submitted pursuant to Section 1070.35(h). To make this determination at subsequent annual hearings, the Commission shall compare the number of such permits in existence at the time of the hearing to the number of such permits in existence at the time of the last annual hearing.

To make this determination as to One Time Event Permits at the first annual hearing, the Commission shall compare the number of such permits with authorization for the event to go beyond 2:00 a.m. that were granted since the effective date of Ordinance No. [__________] with the number of such permits with authorization for the event to go beyond 2:00 a.m. as indicated in the report submitted pursuant to Section 1070.35(h). To make this determination at subsequent annual hearings, the Commission shall compare the number of such permits with authorization to go beyond 2:00 a.m. that were granted since the last annual hearing with the number of such permits with authorization to go beyond 2:00 a.m. that were granted for the period measured at the last annual hearing.

(b) If the calculation mandated by subsection (a) of this Section demonstrates an increase of 15% or more in any year in the number of Extended-Hours Premises Permits in existence and the number is at least 15% greater than the number of such permits in existence as indicated in the report submitted pursuant to Section 1070.35(h), there shall be a City-wide moratorium on the granting of additional Extended-Hours Premises permits. In lieu of a City-wide moratorium, the Entertainment Commission shall have discretion to impose a moratorium applicable only to certain geographic areas of the City in which there is a concentration of Extended-Hours Premises Permits. In this context, a "concentration of Extended-Hours Premises Permits" means geographic areas in the City that have the largest number of Extended-Hours Premises Permits and that cumulatively account for at least 70%
of the Extended-Hours Premises Permits in existence as of the hearing mandated by subsection (a) of this Section. In this context, the Commission may define "geographic areas" by reference to Police Districts, zoning provisions of the Planning Code, or other measures that are reasonable in light of other provisions in City law or commonly understood notions of the contours of various San Francisco neighborhoods. The Commission may exercise its discretion to impose the aforementioned moratorium applicable only to certain geographic areas if the Commission makes a finding on the record that considering all factors, including but not limited to economic and public safety concerns, such a moratorium is preferable to a City-wide moratorium.

(c) If the calculation mandated by subsection (a) of this Section demonstrates an increase of 15% or more in any year in the number of One Time Event Permits with authorization for the event to go beyond 2:00 a.m., there shall be a limit on the number of future One Time Event Permits that may be granted with authorization for the event to go beyond 2:00 a.m., as follows: The number of such permits to be issued per year shall correspond to the average number that were issued per year since the inception of the One Time Event Permit or the number that were issued for events occurring in calendar year 2008, whichever number is higher, and adding a factor of 10%. If this limitation is imposed, the Entertainment Commission shall by rule establish criteria for issuing One Time Event Permits with authorization for the event to go beyond 2:00 a.m. If this limitation is imposed but the Commission fails to establish such a rule, One Time Event Permits with authorization for the event to go beyond 2:00 a.m. shall be limited to One Time Events for designated days as established by the Commission pursuant to Section 1060.29.1 of this Code, if Ordinance No. _________ is enacted. In determining the criteria for issuing One Time Event Permits with authorization for the event to go beyond 2:00 a.m., the Commission may not consider the content of constitutionally-protected expression or entertainment that is part of the event.
(d)(c) If a moratorium on Extended-Hours Premises Permits is imposed pursuant to subsection (b) of this Section or a limit on the number of One-Time Event Permits with authorization for the event to go beyond 2:00 a.m. is imposed pursuant to subsection (c) of this Section, the Entertainment Commission or Director, in consultation with the Police Department, Planning Department, and such other departments as the Commission or Director shall designate, shall conduct a study of the effects of the moratorium and/or limitation, as well as the effects of the substantial increase in the number of Extended-Hours Premises Permits in existence and/or in the granting of One-Time Event Permits with authorization for the event to go beyond 2:00 a.m. that gave rise to the moratorium and/or limitation. The study shall be completed no earlier than six months and no later than eleven months after the moratorium and/or limitation is imposed. The Entertainment Commission shall hold a hearing on the subject of the study within one month of completion of the study and shall make a recommendation regarding continuing, modifying, or lifting the moratorium and/or limitation. The Police Department and Planning Department shall participate in the hearing and other interested departments may participate in the hearing. Within three months of the Entertainment Commission hearing, the Board of Supervisors or a committee thereof shall hold a hearing on the same subject.

Section 18. In undertaking the enforcement of this ordinance, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Section 4917. SEVERABILITY. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance or of Article 15.2 of the Police Code, or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the
remaining portions of this Ordinance or of Article 15.2. Cede or any part thereof. The Board of
Supervisors hereby declares that it would have passed each section, subsection, subdivision,
paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more
sections, subsections, subdivision paragraphs, sentences, clauses or phrases be declared
unconstitutional or invalid or ineffective.

Section 2018. The Board of Supervisors has adopted findings and a statement of
purpose regarding this Ordinance that are set forth in Ordinance No. 239-09.
