19 performance of the subcontract in such a fashion and/or under such terms and conditions that
20 the prime contractor enjoys the financial benefits of the subcontract. Such agreements or
21 other arrangements include, but are not limited to, situations in which either a prime contractor

11 credited towards LBE participation goals. When the City requires and seeks products which
12 are, by industry practice, stocked in warehouse inventory and are in fact, regularly stocked by
13 the listed supplier or distributor, no more than sixty percent of the cost of the product shall be

8 Section 2. The San Francisco Administrative Code is hereby amended by amending
9 Section 14B.7, to read as follows:

10 **SECTION 14B.7. PRIME CONTRACTS**

11 A) Good Faith Efforts to Obtain LBE Bids on Contracts Subject to this Ordinance.
12 Contract awarding authorities shall use good-faith efforts for all contracts subject to the
13 discount provisions of this Ordinance to solicit and to obtain bids from the broadest possible
14 range of LBEs and to ensure that neither MBEs nor WBEs nor OBEs are arbitrarily excluded
15 from participation. Good faith efforts shall include the following.

16 (1) Arranging contracts by size and type of work to maximize the opportunities for
17 LBEs to participate. This includes dividing projects into smaller parts.

18 (a) As soon as practical before soliciting bids or proposals, contract awarding
19 authorities shall submit large contract proposals to the Director for review. The Director shall
20 determine whether the proposed contract can be divided into smaller contracts so as to
21 enhance the opportunity for participation by LBEs. For purposes of this paragraph, "large
22 project" means any public works/construction contract estimated to cost more than
23 \$5,000,000, any professional services contract estimated to cost more than \$100,000, and
24 any multiple year commodities contract with a term greater than one year, including any
25 options to renew or extend.

1 (b) If the Director determines, after consulting with the contract awarding authority,
2 that the contract can be divided into smaller contracts, then the Director and the contract
3 awarding authority shall confer regarding all of the costs and benefits of soliciting the contract
4 as a single contract or dividing it into smaller contracts, including but not limited to the
5 potential for enhanced opportunities for LBE participation as prime contractors, the potential
6 for LBE participation as subcontractors, relative costs, administrative issues, and any other
7 matters relevant to the accomplishment of the purpose of the subject contract or contracts. If,
8 after exchanging information and conferring regarding these issues, the contract awarding
9 authority and the Director are unable to agree on whether or how the contract divided into
10 smaller contracts, or on the size and number of contracts, the Mayor or the Mayor's designee
11 shall resolve the matter.

12 (2) Encouraging LBEs to attend prebid meetings that are held to inform potential
13 bidders of contracting opportunities.

14 (3) Advertising in general circulation media, trade association publications and local
15 business media, and posting the contracting opportunity on the Department's website or other
16 centralized City website.

17 (4) Notifying LBEs that are certified to perform the work contemplated in a contract
18 and soliciting their interest in the contract.

19 (5) Providing LBEs with adequate information about the plans, specifications and
20 requirements of the contract.

21 (6) When allowed by local laws governing City contracting, negotiating with LBEs in
22 good faith.

23 (7) Using the services of community and contractors' groups to assist in the
24 recruitment of LBEs.

1 (8) For professional services, general services, architectural/engineering and
2 commodities contracts, the estimated cost of which exceeds \$10,000 but is less than the
3 minimum competitive amount or for public works/construction contracts, the estimated cost of
4 which exceeds \$10,000 but is less than the threshold amount, contract awarding authorities
5 are not required to undertake the good faith efforts steps set forth in Sections 14B.7(A)(3)
6 when it is impracticable to do so.

7 (B) Best Efforts on Contracts Not Otherwise Subject to this Ordinance. In the award of
8 leases, franchises, concessions, and other contracts not subject to the discount provisions of
9 this Ordinance, contract awarding authorities shall utilize the good faith efforts steps unless
10 impracticable to do so. At a minimum, contract awarding authorities should notify LBEs that
11 are certified to perform the work contemplated in a contract and solicit their interest in the
12 contract.

13 (C) Non-Discrimination in Prime Contracting. Contract awarding authorities shall
14 ensure that all aspects of the contracting process are free from discrimination against any
15 person on any basis prohibited by law, and ensure broad contracting opportunities for all
16 categories of LBEs. Contract awarding authorities shall maintain such documentation of their
17 selection process as required by the Director to monitor and ensure compliance with this
18 provision.

19 (D) Contracts Subject to Prime Bidding Discounts. Unless otherwise provided in this
20 Ordinance, contract awarding authorities shall apply discounts to all contracts the estimated
21 cost of which exceeds \$10,000.

22 (E) Amount of Discount. Unless otherwise provided in this Ordinance, contract
23 awarding authorities shall apply a 10% discount to any bid from a Small - LBE or Micro - LBE.
24 Contract awarding authorities shall apply these discounts to each stage of the selection
25 process, including qualifications, proposals and interviews.

1 If after the application of the discounts provided for in this Subsection 14B.7(E) or
2 Subsection 14B.7 (F) to any bid or proposal from a Small or Micro-LBE, the apparent low
3 bidder or highest ranking proposer is not a Small or Micro-LBE, contract awarding authorities
4 shall apply a 2% bid discount to any bid or proposal from an SBA-LBE. Contract awarding
5 authorities shall apply this 2% discount to each stage of the selection process, including
6 qualifications, proposals and interviews, except that the 2% discount for SBA-LBEs shall not
7 be applied at any stage if it would adversely affect a Small or Micro-LBE. For contracts
8 estimated by the contract awarding authority to cost in excess of \$10,000,000 but less than
9 \$20,000,000, contract awarding authorities shall apply a 2% discount to any bid or proposal
10 from an SBA-LBE.

11 (F) Joint Ventures For Professional Services, ~~and such as~~ Architecture/ Engineering
12 services, and Public Works/Construction Contracts. Unless otherwise provided in this Ordinance,
13 contract awarding authorities shall extend the following bid/rating discount to all bids,
14 proposals and contracts from Small and Micro-LBEs on professional services services, ~~and~~
15 such as architecture/engineering services and public works/construction prime contracts: (1)
16 five percent to a joint venture with Small and/or Micro-LBE prime contractor participation that
17 equals or exceeds 35 percent but is under 40 percent; (2) seven and one-half percent to a
18 joint venture with Small and/or Micro-LBE prime contractor participation that equals or
19 exceeds 40 percent; (3) ten percent to a Small and/or Micro-LBE prime contractor or a joint
20 venture among Small and/or Micro-LBEs prime contractors. Contract awarding authorities
21 shall apply the bid/rating discount to each stage of the selection process, including
22 qualifications, proposals and interviews.

23 For qualifying public works/construction prime contracts administered under Chapter
24 6.68 the contract awarding authorities shall extend the following bid/rating discount to all bids,
25 proposals and contracts from Small and Micro-LBEs as follows: (1) two percent to a joint

1 venture with Small and/or Micro-LBE prime contractor participation that equals or exceeds 20
2 percent but is under 30 percent; (2) three percent to a joint venture with Small and/or Micro-
3 LBE prime contractor participation that equals or exceeds 30 percent but is under 40 percent;
4 (3) four percent to a joint venture with Small and/or Micro-LBE prime contractor participation
5 that equals or exceeds 40 percent but is under 50 percent; (4) five percent to a joint venture
6 with Small and/or Micro-LBE prime contractor participation that equals or exceeds 50 percent
7 but is under 100 percent; and (5)) ten percent to a Small and/or Micro-LBE prime contractor or
8 a joint venture among Small and/or Micro-LBEs prime contractors. Joint venture partners
9 requesting a bid/rating discount on qualifying public works/construction contracts administered
10 under Chapter 6.68 will only be eligible for the bid/ratings discount if they perform at least 25%
11 of the contract work. Contract awarding authorities shall apply the bid/rating discount to each
12 stage of the selection process, including qualifications, proposals and interviews.

13 The contract awarding authority shall apply the joint venture bid/ratings discount only to
14 professional services, ~~and such as~~ architecture/engineering contracts, ~~and public~~
15 ~~works/construction contracts~~ and qualifying public works/construction contracts administered
16 under Chapter 6.68, and only to a joint venture (1) that meets the requirements contained in
17 this Ordinance, and (2) when the Small and/or Micro LBE is an active partner in the joint
18 venture, performs work, manages the job and takes financial risks in proportion to the required
19 level of participation stated in the bid documents, is responsible for a clearly defined portion of
20 the work to be performed, and shares proportionately in the ownership, control, management
21 responsibilities, risks, and profits of the joint venture. The portion of the Small and/or Micro LBE
22 joint venture partner's work shall be set forth in detail separately from the work to be performed
23 by the non-LBE joint venture partner. The Small and/or Micro LBE joint venture partner's portion
24 of the contract must be assigned a commercially reasonable dollar value.

1 (G) Affidavit. Each bidder, proposer and contractor shall be required to sign an
2 affidavit declaring under penalty of perjury its intention to comply fully with the provisions of
3 this Ordinance and attesting to the truth and accuracy of all information provided regarding
4 such compliance.

5 (H) Additional Requirements and Required Contract Terms. Contract awarding
6 authorities shall include in all contracts with their contractors, and all contractors shall include
7 in their contracts with subcontractors the following requirements, in addition to other
8 requirements set forth in the Municipal Code. For the purposes of this Section, "contractor"
9 includes all subcontractors.

10 (1) Each contract shall incorporate this Ordinance by reference, shall require
11 contractors to comply with its provisions in awarding and administering such contracts, and
12 shall provide that the willful failure of any bidder or contractor to comply with the requirements
13 of this Ordinance or rules and regulations implementing this Ordinance shall be deemed a
14 material breach of contract.

15 (2) Contracts shall provide that in the event that the Director finds that any bidder,
16 subcontractor or contractor willfully fails to comply with any of the provisions of this Ordinance,
17 rules and regulations implementing the Ordinance, or contract provisions pertaining to LBE,
18 MBE, WBE, OBE or Micro-LBE participation, outreach, or non-discrimination, the bidder,
19 subcontractor or contractor shall be liable for liquidated damages for each contract in an
20 amount equal to the bidder's or contractor's net profit on the contract, 10 percent of the total
21 amount of the contract or \$1,000, whichever is greatest, as determined by the Director. All
22 contracts shall also contain a provision in which the bidder, subcontractor or contractor
23 acknowledges and agrees that the liquidated damages assessed shall be payable to the City
24 upon demand and may be set off against any monies due to the bidder, subcontractor or
25 contractor from any contract with the City.

1 (3) Contracts shall require all contractors to maintain records, including such
2 information requested by the Director or Commission, necessary for monitoring their
3 compliance with this Ordinance. Contracts shall require prime contractors to include in any
4 subcontract with a LBE a provision requiring the subcontractor to maintain the same records.
5 Contracts shall require contractors and subcontractors to maintain such records for three
6 years following completion of the project and shall permit the Director, Commission and
7 Controller to inspect and audit such records.

8 (4) Contracts shall require prime contractors, during the term of the contract, to fulfill
9 the LBE participation commitments submitted with their bids. Willful failure to comply with the
10 level of LBE subcontractor participation specified in the contract shall be deemed a material
11 breach of contract.

12 (5) Contracts shall require, and shall require prime contractors to include in any
13 subcontract with a LBE a provision requiring, the prime contractor to compensate any LBE
14 subcontractor for damages for breach of contract or liquidated damages equal to 5% of the
15 subcontract amount, whichever is greater, if the prime contractor willfully fails to comply with
16 its commitment to use the LBE subcontractor as specified in the bid/proposal unless the
17 Director and the contract awarding authority both give advance approval to the prime
18 contractor to substitute subcontractors or otherwise modify the commitments in the
19 bid/proposal documents. This provision shall also state that it is enforceable in a court of
20 competent jurisdiction.

21 (6) Contracts shall require prime contractors, whenever amendments, modifications,
22 supplements, or change orders cumulatively increase the total dollar value of the contract by
23 more than 10 percent, to comply with those provisions of this Ordinance that applied to the
24 original contract with respect to the amendment, modification, supplement or change order.
25

1 (7) Contracts shall require prime contractors to submit to the Director for approval all
2 contract amendments, modifications, supplements, and change orders that cumulatively
3 increase by more than 20 percent the total dollar value of all contracts originally valued at
4 \$50,000 or more. The Director shall review the proposed amendment, modification,
5 supplement or change order to correct any contracting practices that exclude any category of
6 LBEs from new contracting opportunities.

7 (8) Contracts in which subcontracting is used shall prohibit back contracting to the
8 prime contractor or lower-tier subcontracting for any purpose inconsistent with the provisions
9 of this Ordinance, rules and regulations adopted pursuant to this Ordinance, or contract
10 provisions pertaining to LBE utilization.

11 (9) Contracts in which subcontracting is used shall require the prime contractor to pay
12 its subcontractors within three working days after receiving payment from the City unless the
13 prime contractor notifies the Director in writing within 10 working days prior to receiving
14 payment from the City that there is a bona fide dispute between the prime contractor and the
15 subcontractor, in which case the prime contractor may withhold the disputed amount but shall
16 pay the undisputed amount. The Director may, upon making a determination that a bona fide
17 dispute exists between the prime contractor and subcontractor, waive this three-day payment
18 requirement. In making the determination as to whether a bona fide dispute exists, the
19 Director shall not consider the merits of the dispute. Contracts in which subcontracting is used
20 shall also require the contractor, within 10 working days following receipt of payment from the
21 City, to file an affidavit, under penalty of perjury, that he or she has paid all subcontractors.
22 The affidavit shall provide the names and address of all subcontractors and the amount paid
23 to each.

24 (I) Exceptions.
25

1 (1) The bid discount provisions of this Ordinance for Small and Micro-LBEs are not
2 applicable to any contract estimated by the contract awarding authority to cost in excess of
3 \$10,000,000, and the bid discount provisions of this Ordinance for SBA-LBEs are not
4 applicable to any contract estimated by the contract awarding authority to cost less than
5 \$400,000 and in excess of \$20,000,000.

6 (2) Notwithstanding any other provision of this Section, contract awarding authorities
7 shall not apply a discount where to do so would result in a contract being awarded to a
8 business without the capacity to perform it. The Commission may adopt rules and regulations
9 setting standards for determining that an LBE has sufficient skill, experience, and financial
10 capacity to perform the contract.

11 (J) Waivers. The Director shall waive the LBE bid discounts, and report the waiver to
12 the Commission, if:

13 (1) The Director finds, with the advice of the contract awarding authority and the
14 Office of Contract Administration, that needed goods or services are available from a sole
15 source that is qualified to do business with the City;

16 (2) The contract awarding authority certifies in writing to the Director, prior to the
17 Controller's contract certification, that the contract is being awarded under the emergency
18 provisions of Administrative Code Section 6.60 or Administrative Code Section 21.15 and that
19 there is either (i) no time to apply bid discounts or establish subcontracting goals, or (ii) no
20 immediately available LBEs that are capable of performing the emergency work; or

21 (3) For contracts in excess of \$5,000,000, a contract awarding authority establishes
22 that sufficient qualified LBEs capable of providing the needed goods and services required by
23 the contract are not available, or the application of the LBE discount will result in significant
24 additional costs to the City if the waiver of the bid discount is not granted.

25 (K) Micro-LBE Set-Aside Program.

1 (1) Each fiscal year, the contract awarding departments in consultation with the
2 Director shall set aside for award to Micro - LBEs not less than 50% of the public
3 work/construction contracts where the estimated contract amount is equal to or less than
4 \$400,000.

5 In order to satisfy the requirement to set aside not less than 50% of the contracts that
6 fall within this category, contract awarding departments may count Job Order Contracts,
7 without limitation as to dollar value, that the department has set aside for Micro - LBEs under
8 Administrative Code Section 6.62(C).

9 (2) Other contracts. Each fiscal year, the contract awarding departments in
10 consultation with the Director shall set aside for competitive award to Micro - LBEs contracts
11 other than public work/construction contracts where the estimated contract amount is equal to
12 or less than \$100,000. The contract awarding departments shall have a goal of setting aside
13 in each fiscal year 25% of all contracts that fall within this category, but 120 days from the
14 effective date of this Subsection, the 25% goal shall become a requirement.

15 (3) The competitive award requirements of the Municipal Code shall otherwise apply to
16 contracts in the set-aside program, except that if (a) fewer than two Micro - LBEs submit bids,
17 or (b) the contract awarding authority determines that the contract would not be awarded at a
18 fair market price, then the contract awarding authority may reject all bids and remove the
19 contract from the set-aside program.

20 (4) In the year 2010, contract awarding departments must make the following
21 disclosures to the Board of Supervisors each quarter. Thereafter, beginning in 2011, contract
22 awarding departments must make the following disclosures to the Board of Supervisors every
23 year when the contract awarding department makes its annual budget submission to the
24 Board of Supervisors. These disclosures shall include: (1) the number of contracts and the
25 amount of each contract awarded under the Micro – LBE set-aside program; and (2) all public

1 work/construction contracts equaling \$400,000 or less not awarded under this program, and
2 all other contracts equaling \$100,000 or less not awarded under this program, accompanied
3 by an explanation as to why the contract was not set-aside for award under this program, or, if
4 set aside, whether it was subsequently not awarded or awarded under any other procedure.

5 (5) Contracts that are set-aside for award to Micro - LBEs shall not be subject to
6 subcontracting goals under Section 14B.8. Micro - LBEs that subcontract any portion of a set-
7 aside contract should subcontract to businesses certified as Micro - LBEs, to the maximum
8 extent possible. Micro - LBEs that subcontract any portion of a set-aside contract must serve
9 a commercially useful function based on the contract's scope of work, and must perform at
10 least 25% of the contract work.
