15 291.7, 291.13, 291.14, and 293.3 to read as follows:

16 **SEC. 291.7. PAYMENT BY DEPARTMENT OF PUBLIC HEALTH LIEN.**

17 (a) Following the receipt of the complaint filed in accordance with Section 291.5, the The
18 Director shall, regardless of any sale or other transfer of property, following the date of receipt of
19 such complaint process the complaint for payment to the Collector for 1) nonpayment of a
20 residential refuse collection charge, or 2) nonpayment of a commercial refuse collection charge
21 incurred after an order from the Director requiring commercial refuse collection service. The Director
22 shall process these payments from a continuing appropriation account so provided herein under
23 Section 291.14, and the Owner shall be liable to the City for fees paid. The payment by the

1 expenses of \$87 for residential liens and \$127 for commercial liens, \$50 or 10 percent of the
2 amount owed, whichever is higher, plus any applicable recording fees, and interest at a
3 rate of 1½ percent per full month compounded monthly from the date of the recordation of the
4 lien on all fees and charges due. The Owner shall be notified by the Director that the fees and
5 charges are due to the City. In addition, the Owner shall be notified that if the fees and
6 charges remain unpaid, subsequent proceedings may be taken to make said fees and
7 charges a special assessment on the real property to which said refuse collection service was
8 rendered.

9 (b) Beginning with fiscal year 2010-2011, fees set forth in this Section may be adjusted each
10 year, without further action by the Board of Supervisors, as set forth in this Section.

11 Not later than April 1, the Director shall report to the Controller the revenues generated by the
12 fees for the prior fiscal year and the prior fiscal year's costs of operation, as well as any other
13 information that the Controller determines appropriate to the performance of the duties set forth in this
14 Section.

15 Not later than May 15, the Controller shall determine whether the current fees have produced
16 or are projected to produce revenues sufficient to support the costs of providing the services for which
17 the fees are assessed and that the fees will not produce revenue that is significantly more than the costs
18 of providing the services for which the fees are assessed.

19 The Controller shall, if necessary, adjust the fees upward or downward for the upcoming fiscal
20 year as appropriate to ensure that the program recovers the costs of operation without producing
21 revenue which is significantly more than such costs. The adjusted rates shall become operative on July
22 1.

1 **SEC. 291.13. COLLECTION OF ASSESSMENT.**

2 Upon confirmation of the report by the Director~~Board of Supervisors~~, the delinquent
3 charges contained therein shall constitute a special assessment against the property to which
4 the services were rendered. Thereafter, said assessment may be collected at the same time
5 and in the same manner as ordinary municipal taxes are collected and shall be subject to the
6 same penalties and same procedure of sale as provided for delinquent, ordinary municipal
7 taxes.

8 The assessments shall be subordinate to all existing special assessment liens
9 previously imposed upon the property and paramount to all other liens except those for state,
10 county and municipal taxes with which it shall be upon parity. The lien shall continue until the
11 assessment and all interest and penalties due and payable thereon are paid. All laws
12 applicable to the levy, collection and enforcement of municipal taxes shall be applicable to
13 said special assessments.

14
15 **SEC. 291.14. CONTINUING APPROPRIATION ACCOUNT.**

16 There is hereby created in the general fund a continuing appropriation account entitled
17 "Payment of Property Owners' Delinquencies for Refuse Collection Service." This account
18 shall be credited with such sums as may be appropriated by the Board of Supervisors,
19 delinquencies collected by the Director of Public Health, assessments collected by the Tax
20 Collector, and sums received in consideration of release of liens. Expenditures from said
21 sums shall be made to Collectors for Owner delinquent accounts. *In the event that the*
22 *unexpended balance in said account shall exceed \$160,000, such excess shall be transferred to the*
23 *unappropriated balance of the general fund.*
