10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. The San Francisco Administrative Code is hereby amended by adding
12 Section 1.57-1 through 1.57-5, to read as follows:

13 **SEC. 157-1. FINDINGS AND PURPOSE.**

14 (a) The Board of Supervisors finds and declares that a large, untapped reservoir of talent exists
15 among the residents of the City and County of San Francisco, and that many San Franciscans are
16 unaware of the opportunities to participate in, and serve on, city boards, commissions, taskforces and
17 committees. The vast diversity of backgrounds, experiences, and perspectives among the citizenry of
18 San Francisco would contribute significantly to the development and administration of local
19 government.

20 (b) The Board further finds and declares that the general public of San Francisco has
21 traditionally been denied access to specific and current information regarding vacancies on such
22 boards, commissions, task forces and committees. As a result, the City is denying many residents and
23 interest groups the opportunity to be considered by the Appointing Authorities. Further, the respective
24 Appointive Authorities have not been able to take advantage of a largely untapped talent resource. It is
25

1 therefore the intent of the Board of Supervisors that this Section shall apply to all appointments made
2 by all Appointing Authorities in the City and County of San Francisco.

3 (c) The Board further finds and declares that all citizens of the City and County should have
4 equal access to specific and current information about the many opportunities for appointment to city
5 boards, commissions, taskforces and committees. An online database, publicly accessible via a
6 universally accessible website, can provide the greatest level of access to up-to-date information to the
7 most citizens of the City and County of San Francisco. Therefore, this Section shall provide for the
8 establishment and maintenance of a centralized and publicly accessible online database of information
9 concerning all appointments to all City and County of San Francisco boards, commissions, task forces,
10 or committees by any Appointing Authority.

11 **SEC. 1.572. DEFINITIONS.**

12 For the purposes of this Section, certain terms are defined as follows:

13 (a) "Appointing Authority" means the Mayor, the Board of Supervisors, the District Attorney,
14 the Public Defender, and any other city officer authorized to make appointments to any city boards,
15 commissions, task forces or committees, other than passive meeting bodies.

16 (b) "Advisory Body" means all City and County of San Francisco boards, commissions, task
17 forces and committees with one or more appointed seats.

18 (c) "Appointments" means all appointments to advisory bodies made by an Appointing
19 Authority.

20 (d) "Centralized" means a single database containing all required information.

21 (e) "Publicly accessible" means universally accessible and open for use by the general public.

22 (f) "Online database" means a catalogue of all appointments information, stored online, and
23 publicly accessible via a website. The website must be hyperlinked from the front page of the City's
24 official website. It must be universally accessible, easily searchable, and provide a user friendly
25 interface with hyperlinks, to enable the public to access and search the database without difficulty.

1 (g) "Administrator" means the Office of the City Administrator.

2 (h) "Deliver to the Administrator quarterly" means to provide the required information to the
3 Administrator in-person, or by certified U.S. mail, e-mail, or fax on or before January 1, April 1,
4 July 1, and October 1 of each year.

5 **SEC. 1.57-3. ONLINE DATABASE OF APPOINTMENTS.**

6 (a) General Information. Not later than January 1, 2011, the Administrator shall establish a
7 centralized and publicly accessible online database of information regarding all appointments. The
8 Appointing Authority shall provide the Administrator with the following information and shall reside on
9 the online database: (1) a description of each advisory body, with reference to the authorizing
10 legislation or Charter provision; (2) the total number of appointed positions on the advisory body; (3)
11 the appointing authority for each position; (4) the necessary qualifications for each position, (5)
12 information regarding how to apply for a position, if applicable; and, (6) identification of the
13 department liaison for the advisory body.

14 (b) Quarterly information. The Appointing Authorities shall provide the following appointment
15 information to the Administrator: (1) the name of the appointee currently holding the appointment, or
16 clear identification of an open seat; (2) the start date of the appointment; (3) the date the appointment
17 expires; and, (4) the term limits of the seat, if applicable. Further, all Appointing Authorities shall
18 notify the Administrator should the status of an appointment change before the required reporting date
19 within 30 days of such change. The Administrator shall publish this information on the website
20 quarterly, and upon notification that the status of an appointment has changed, so that upcoming
21 vacancies are searchable immediately by the public.

22 (c) Duties of the Administrator. The Administrator shall be responsible for maintaining the
23 database and website, and updating all required information quarterly, or upon notification from an
24 Appointing Authority that any of the information contained in subsection (a) or (b) of this Section has
25 changed.

1 **SEC. 1.57-4. ANNUAL AUDIT.**

2 At the end of each fiscal year, each advisory body's secretary, or staff designee, shall submit a
3 written report to the Administrator detailing all changes concerning appointments throughout the year.

4 **SEC. 1.57-5. ENFORCEMENT.**

5 The Administrator shall publish quarterly on the website any failure by the Appointing
6 Authority to comply with this ordinance.
