Such determination shall be prima facie evidence of the taxpayer's liability in any subsequent administrative or judicial proceeding.

Any persons, including taxpayers, alleged taxpayers, witnesses, or custodians of records, who fail to respond to the Tax Collector's written request for financial information shall be subject to any penalties and sanctions provided by law, including but not limited to the penalties and sanctions provided in Section 6.17-3.

SEC. 6.6-1. CERTIFICATE OF AUTHORITY FOR THIRD-PARTY TAXES.

(a) These additional provisions shall apply to operators under the transient hotel occupancy tax (Article 7), the parking space occupancy tax (Article 9), the utility users tax (Article 10) and the access line tax (Article 10B) emergency response fee (Article 10A).

(b) Every operator engaging in or about to engage in business within the City who is required to collect or remit any third-party tax must possess a valid certificate of authority and shall immediately apply to the Tax Collector for a certificate of authority issued on a form provided by the Tax Collector.

(c) The application for a certificate of authority shall be on a form provided by the Tax Collector and shall set forth the name under which the person transacts or intends to transact business, the location of each of the person's places of business in the City, and such other information as the Tax Collector may require. The application shall be signed by the owner if a sole proprietor, by a member or partner, in the case of an association, or by an executive officer or some person specifically authorized by the corporation to sign the application; in the case of a corporation. No person shall operate a business for which a certificate of authority is required under subsection (b) unless and until the Tax Collector has issued that person a certificate of authority. The holder of a certificate of authority must promptly notify the Tax Collector of any changes to the information stated in the certificate of authority application.
(d) Except as provided in subsections (f), (g), and (h), and (i) below, the Tax Collector, within 45 days after the application is complete, shall issue without charge a separate certificate of authority to the operator to collect third-party taxes from customers for each location at which the operator is required to collect such taxes. The certificate will expire on a date certain set by the Tax Collector. The operator must apply for renewal of the certificate, before it expires, if the operator intends to continue to engage in business in the City. Except as provided in subsections (f), (g), (h) and (i), the Tax Collector may issue successive, one-year renewals of an operator's certificate. Each certificate shall state the location of the place of business to which it applies and shall be prominently displayed at such location in plain view of all customers. Certificates of authority may not be assigned or transferred. The operator shall immediately surrender to the Tax Collector the certificate for that location upon the operator's cessation of business at that location or upon the sale or transfer of the business.

(e) The holder of a certificate of authority to collect parking taxes under Article 9 shall remain presumptively liable for the collection of parking taxes at the location named in the certificate, and for the reporting and remittance of such taxes to the Tax Collector, unless and until the holder of the certificate both (i) notifies the Tax Collector in writing that the holder has ceased to conduct a parking business at such location, and (ii) surrenders the certificate for that location to the Tax Collector.

(f) The Tax Collector may refuse to issue the certificate where, within the 45-day period referred to in subsection (d) above, the Tax Collector determines that the operator, or any signatory to the application, or any person holding a 10 percent or greater legal or beneficial interest in said operator ("10% owner") is not in compliance with any provision of Articles 6, 7, 9, 10, 10A, 12, or 22, including but not limited to any failure to timely collect, report, pay, or remit any tax imposed by this Code, or where any such person is not in
compliance with any provision of Sections 1216 through 1223 inclusive of Article 17 of the Police Code.

Solely for purposes of determining under this Section whether any such operator, signatory or 10% owner is not in compliance with such Articles, the Tax Collector may disregard any corporation or association owned or controlled, directly or indirectly, by any such operator, signatory or 10% owner and consider such corporation or association's operations and liabilities as conducted by or as owned by any one or more of such corporation or association's officers, directors, partners, members or owners. For purposes of this Section, (i) the term "owned" means ownership of 50 percent or more of the outstanding ownership interests in such corporation or association, and (ii) the term "controlled" includes any kind of control, whether direct or indirect, whether legally enforceable, and however exercisable or exercised over such corporation or association. A presumption of control arises if the operator, signatory or 10% owner is (or was) an officer, director, partner or member of such corporation or association.

(g) Further, if any person subject to this Section violates any provision of Articles 6, 7, 9, 10, 10B+A, 12, 12A or 22, or a rule or regulation promulgated by the Tax Collector, including but not limited to any failure to timely collect, report, pay, or remit any tax imposed by this Code, failure failing to maintain accurate registration information, failure to sign any return or pay any tax when due, or failure to timely respond to any request for information, order for records or subpoena, or for any person subject to Article 9 for failure to comply with the requirements of Article 22 of the Business and Tax Regulations Code, Article 49 of the Police Code, or violates any provision of Sections 1216 through 1223 inclusive of Article 17 of the Police Code, the Tax Collector may, after serving the person with written notice of his or her determination in the manner provided in Section 6.11-2 and an opportunity to be heard pursuant to the notice and review provisions of Section 6.13-1 et seq., revoke or suspend that person's

certificate of authority. The Tax Collector may refuse to issue that person a new certificate of
authority or to withdraw the suspension of an existing certificate until the person, signatory to
the application for the certificate revoked or suspended, signatory to the application for a new
certificate or withdrawal of the suspension, and all 10% owners have complied with the
provisions of Articles 6, 7, 9, 10, 10B+04, 12, e-12-A, and 22 and corrected the original
violation to the satisfaction of the Tax Collector.

(h) Before any certificate of authority shall be issued to any applicant to engage in the
business of renting parking space in a parking station in this City, such applicant shall file with
the Tax Collector a bond naming the City as exclusive beneficiary; at all times the applicant
engages in such business. For any parking station with annual gross receipts less than $100,000,
such bond shall be in the following amounts: amount of $5,000.

For any parking station with annual gross receipts of $100,000 or more, such bond shall be in the
amount of $25,000. This bond requirement does not apply to an applicant that is a governmental entity.

The Tax Collector may, in his or her discretion, independently establish the annual gross
receipts for a parking station and set the bond amount pursuant to the schedule above, based on that

determination. If, at the end of any calendar year, the gross receipts for a parking station have increased such that a larger bond amount would be required under the above schedule, the operator shall obtain a new bond in the increased amount by the following April 1. If at the end of any calendar year the gross receipts for the parking station have decreased, the operator may apply to the Tax Collector for a reduction of the bond amount.

(i) Such bond shall be executed by the applicant as principal, and by a corporation or association which is licensed by the Insurance Commissioner of this State to transact the business of fidelity and surety insurance, as surety. The applicant shall keep the bond in full force and effect for the duration of the certificate of authority and all renewals thereof issued to such applicant. If the bond provides that the term thereof shall be continuous until cancelled, the applicant shall provide the Tax Collector with certification from the surety of the renewal or continuation of the bond: at the same time that the applicant files its annual renewal of its Business Registration Certificate, and (i) when applying for renewal of an existing certificate of authority, (ii) when requesting the withdrawal of a suspension of an existing certificate of authority, or (iii) upon written request of the Tax Collector.

(ii) The bond shall contain conditions that require the applicant to comply fully with all the provisions of the Business and Tax Regulations Code concerning the collection of third-party taxes from occupants of parking stations and the remittance of such taxes to the Tax Collector. The bond shall be payable to the City in the amount of all unpaid parking taxes on amounts of taxable rents collected by the applicant, together with all administrative collection costs, interest, penalties, and other costs and charges applicable thereto; provided, however, that the aggregate liability of the surety for any and all claims which may arise under such bond shall in no event exceed the face amount of such bond regardless of the amount due and owing to the City. The City may bring an action upon the bond for the recovery of any unpaid parking taxes, administrative collection costs, interest, penalties and other costs and
charges at any time prior to the expiration of the period of limitations applicable to the
collection of such unpaid taxes by the Tax Collector.

(k) When there is a deficiency determination or jeopardy determination against an operator
for third-party taxes, the Tax Collector shall issue the deficiency determination or jeopardy
determination against the operator and the operator's surety. The liability of the surety shall not
exceed the face value of the bond(s). The Tax Collector shall provide notice of such deficiency
determination or jeopardy determination to the operator and the bond surety. An operator's petition
for redetermination shall be construed by the Tax Collector as a petition on behalf of both the operator
and the surety, and The surety may request a hearing before the Tax Collector pursuant to Section
6.13-2. The taxpayer and surety hearing may be consolidated at the discretion of the Tax Collector.
The surety may file a separate petition for redetermination. Upon the finality of such determination or
decision on petition for redetermination, the operator and the surety shall be liable to the Tax Collector
in the amount of the determination or decision on petition for redetermination. The surety's liability
shall not exceed the face value of the bond(s). The surety shall be subject to the same requirements as
the operator with regard to payment of the tax liability and exhaustion of administrative remedies prior
to seeking judicial relief. The Tax Collector may exercise all remedies against the surety that are
available to the Tax Collector as to an operator or any other person determined to be liable for a tax.

(l) Before any certificate of authority shall be issued to any applicant to engage in the business
of renting parking space in a parking station in this City, the applicant shall comply with Article 22.
The applicant shall reimburse the Tax Collector's costs to inspect the parking station to confirm it
complies with Article 22.

SEC. 6.7-1. COLLECTION OF THIRD-PARTY TAXES.

(a) Every operator receiving payment of charges from a customer shall collect the
amount of the third-party tax from the customer. All amounts of third-party tax so collected

Supervisors Mirkarimi, Duffy
BOARD OF SUPERVISORS
shall be held considered to be a special fund in trust for the City. For purposes of this Section, a person who otherwise qualifies as an operator under Section 6.2-146.2-13 shall not, by reason of the fact that the person is exempt from the tax, be exempted from the other obligations of an operator, including without limitation the obligation to collect and remit to the City all third-party taxes collected from non-exempt customers. *An exemption from a third-party tax is enjoyed by the customer, not by the operator responsible for collecting and remitting such taxes. The operator may not exclude from taxation charges claimed to be exempt unless the operator has records of each transaction, which demonstrate: (1) the basis for the claim of exemption, and (2) that an amount was not in fact collected from the exempt customer as a tax.*

Where an operator is exempt from the tax but its tenant is not exempt, the tenant shall be deemed to be an operator and shall be liable for the tax—Where a customer is not the end user of a good or service subject to such tax, the customer shall be deemed an operator. The existence of such deemed operator shall not relieve any other operator of obligations under the Business and Tax Regulations Code, including without limitation the obligation to collect and remit the tax to the City. The liability of such deemed operator and any other operator for the tax, including applicable interest and penalties accrued through the date of payment, shall be joint and several; provided, the City shall be limited to only one satisfaction thereof.

(b) Third-party taxes shall be collected, *insofar as to the extent* practicable, at the same time as and along with the collection of charges made in accordance with the regular billing practice of the operator. If the amount paid by a customer is less than the full amount of the charges and tax which has accrued for the billing period, a proportionate share of both the charges and the tax shall be deemed to have been paid.

(c) Where a customer receives more than one billing, one or more being for different periods than another, the duty to collect shall arise separately for each billing period. In all cases of transactions upon credit or deferred payment, the payment of tax to the Tax Collector...
may be deferred in accordance therewith, and the operator shall be liable therefor at the time
and to the extent that such credits are paid or deferred payments are made in accordance
with the rate of tax owing on the amount thereof.

(d) Any third-party tax imposed upon customers shall be deemed a debt owed by the
 customer to the City. Any such tax required to be collected from customers which has not
 been remitted to the Tax Collector shall be deemed a debt owed to the City by the person
 required to collect and remit such tax to the City.

(e) The Tax Collector shall have the power to adopt rules and regulations prescribing
 methods and schedules for the collection and payment of third-party taxes and such methods
 and schedules shall provide that the fractional part of one cent shall be disregarded unless it
 amounts to one-half of one cent or more, in which case the amount (determined
 without regard to the fractional part of one cent) shall be increased by one cent.

(f) The Tax Collector may, in the exercise of his or her discretion, require an operator under
 this Section to maintain trust accounts for deposit of third-party taxes collected from customers. The
 Tax Collector may direct an operator regarding how such trust accounts shall be created and
 maintained, and may prescribe the terms of such accounts. An operator’s refusal to comply with the
 Tax Collector’s direction regarding a trust account shall be grounds for revocation of a certificate of
 authority and/or of any license or permit to do business in San Francisco. The Tax Collector may
 require operators under this Section to maintain separate trust accounts for taxes collected from
 customers. The Tax Collector shall adopt rules and regulations prescribing, among other things, when
 such accounts shall be required and how such accounts shall be maintained.

(g) When third-party taxes are not paid when due, or when there is any deficiency
determination or jeopardy determination against an operator for third-party taxes, the Tax
Collector may collect said liabilities, including interest and penalties accrued through the date
of payment, from any person or persons the Tax Collector determines was responsible for
performing the acts of collecting, accounting for, and remitting third-party taxes to the City and
failed to do so, or who had. For purposes of this Section, a person shall be considered to be
responsible for performing the acts of collecting, accounting for, and remitting third-party taxes to the
City if and to the extent such person has the power to control the financial decision-making
process by which the operator allocates funds to creditors in preference to the operator's
obligation to remit third-party taxes to the City. When the person or persons responsible for the
acts of collecting, accounting for, and remitting third-party taxes to the City cannot otherwise
be determined, the Tax Collector may presume the President, Chief Executive Officer, and/or Chief
Financial Officer of a corporation or any managing partner or member of an association to be a
person responsible for performing such acts. The Tax Collector is authorized to name all such persons
potentially responsible for performing such acts in a notice of deficiency determination or jeopardy
determination and, in such case, the Tax Collector shall identify the person or persons responsible for
such acts in the final decision. The final decision shall be based on the information available to the
Tax Collector or based on the above presumption there shall be a rebuttable presumption that the
President and Chief Financial Officer of a corporation or any managing partner or member of an
association is the person responsible for performing such acts. The liability of such persons shall
be joint and several with each other and with the operator, and shall be established in the
manner provided for under this Article for other determinations.

SEC. 6.7-2. REPORTING AND REMITTING THIRD-PARTY TAXES AND STADIUM
OPERATOR ADMISSION TAX.

(a) All amounts of utility users taxes under Article 10 are due and payable to the Tax
Collector for each month on or before the last day of the month immediately following each
respective monthly period. All amounts of stadium operator admission taxes under Article 11
are due and payable to the Tax Collector within five days after the event, subject to the
provisions of Section 804 of Article 11. All amounts of third-party taxes other than the utility users taxes are due and payable to the Tax Collector for each calendar quarter on or before the last day of the month immediately following each respective quarterly period.

(b) On or before the last day of the month immediately following each respective period, every operator except the stadium operator shall file a return for the preceding period with the Tax Collector, on such forms as the Tax Collector may prescribe. Stadium Operators shall file a return within the time periods set forth in Section 804 of Article 11. Filing a return that the Tax Collector determines to be incomplete in any material respect may be deemed failure to file a return in violation of this Section.

(c) Returns shall show the amount of tax required to be collected for the subject period, separately, for each location at which the operator conducts business, and such other information as the Tax Collector requires. The Tax Collector may require returns to show the total number of transactions upon which tax was required to be collected and the amount of tax due on each such transaction, and for each location at which the operator conducts business. The Tax Collector may inspect, examine, and copy records for or each such location separately, and may issue deficiency and jeopardy determinations pursuant to this Article for each such location separately, or in combination with one or more other locations at which the operator conducts business. The operator shall file the return, together with remittance of the amount of tax due, with the Tax Collector, at the Tax Collector's Office, on or before the date provided in this Section. Returns and remittances are due immediately upon cessation of business for any reason.

(d) When a return is filed without full remittance of the amount reported to be due, the amount remaining unpaid, together with any nonpayment penalties, is are immediately due and payable and may be collected by the Tax Collector forthwith.
SEC. 6.8-1. CITY, PUBLIC ENTITY AND CONSTITUTIONAL EXEMPTIONS.

(1) The City;
(2) The State of California, or any county, municipal corporation, district or other political subdivision of the State, except where any constitutional or statutory immunity from taxation is waived or is not applicable;
(3) The United States of America, or any of its agencies or subdivisions, except where any constitutional or statutory immunity from taxation is waived or is not applicable; or
(4) Any person exempted from the particular tax by the Constitution or statutes of the United States or the Constitution or statutes of the State of California.

The foregoing exemption from taxation does not relieve an exempt party from its duty to collect, report, and remit third-party taxes.

SEC. 6.9-1. DETERMINATIONS, RETURNS AND PAYMENTS; DUE DATE OF TAXES.

Except for jeopardy determinations under Section 6.12-2, and subject to prepayments required under Section 6.9-2, all amounts of taxes and fees imposed by Articles 6, 7, 9, 10, 10B10A, 11, and 12-A are due and payable, and shall be delinquent if not paid to the Tax Collector on or before the following dates:

(a) For the transient hotel occupancy tax (Article 7) and the parking space occupancy tax (Article 9), for each calendar quarter, on or before the last day of the month following each respective quarterly period;
(b) For the payroll expense tax (Article 12-A), on or before the last day of February of each year;
(c) For the utility users taxes (Article 10) and the *access line tax (Article 10B) emergency response fee (Article 10A)*, for each monthly period, on or before the last day of the following month; and

SEC. 6.9-2. DETERMINATIONS, RETURNS AND PAYMENTS; RETURNS.

(a) Except as provided in *subsection paragraph (b) below*, on or before the due date, or in the event of a cessation of business *within 15 days of such cessation*, each taxpayer shall file a return for the subject period on a form provided by the Tax Collector, regardless of whether there is a tax liability owing. A person subject to any tax or required to remit any third-party tax who has not received a return form or forms from the Tax Collector is responsible for obtaining such form(s) and filing a return or returns on or before the due date, or upon the cessation of business. Returns shall show the amount of tax and any third-party tax paid or otherwise due for the related period and such other information as the Tax Collector may require. Each person subject to any tax or required to remit any third-party tax and required to file the return shall transmit the return, together with the remittance of the amount of tax or third-party tax due, to the Tax Collector at the Tax Collector's office on or before the due date specified in Section 6.9-1.

(b) With respect to each tax year, the Tax Collector may exempt from the annual tax return filing requirement those taxpayers whose liability under the Payroll Expense Tax Ordinance, computed without regard to the small business exemption set forth in Section 905-A of Article 12-A, is less than the Minimum Filing Amount for such tax year. For purposes of this Section, the Minimum Filing Amount shall be an amount of tax liability, computed without regard to such small business exemption, between zero and

$1,000–$2,250 (one thousand dollars ($1,000)). The Tax Collector shall specify the Minimum Filing Amount prior to the beginning of each tax year. If the Tax Collector fails to specify a Minimum Filing Amount prior to the start of a new tax year, the Minimum Filing Amount for such tax year shall be the Minimum Filing Amount for the preceding tax year.

SEC. 6.9-3. DETERMINATIONS, RETURNS AND PAYMENTS; PREPAYMENTS.

(a) Prepayments and Remittances. Notwithstanding the due dates otherwise provided in Section 6.9-1, taxpayers shall make prepayments and remittances of taxes and third-party taxes ("tax-prepayments") to the Tax Collector as follows:

(1) Hotel and Parking Taxes. The Hotel Tax (Article 7) and the Parking Tax (Article 9) shall be paid monthly. Such monthly installments shall be due and payable to the Tax Collector on or before the last day of the month immediately following the month for which the payment is due. Taxes paid in the first two monthly installments of any quarterly period shall be a credit against the total liability for such third-party taxes for the quarterly period. Estimated tax-prepayments shall be computed based on the estimated tax accrued during the month in question, but in no instance shall a prepayment be equal to a sum less than 30 percent of the tax collected in the immediately preceding quarterly period. If the taxpayer can establish by clear and convincing evidence that the amount of any prepayment will exceed the total tax liability for the quarterly period for which the tax prepayment becomes due, the Tax Collector may, in writing, adjust the amount of the tax prepayment. The third monthly installment of any quarterly period shall be in an amount equal to the total tax liability for the quarterly period, less the amount of any tax-prepayments monthly remittance for such quarter actually paid.

(2) Payroll Expense Tax. The Payroll Expense Tax (Article 12-A) shall be paid in biannual or quarterly installments as follows:
(A) **Small Firm Prepayments.** Every person liable for payment of a total Payroll Expense Tax in excess of $3,750 but less than or equal to $50,000 for any tax year shall pay such tax for the following tax year in two installments. The first installment shall be due and payable, and shall be delinquent if not paid on or before, August 1st. The first installment shall be a credit against the person’s total Payroll Expense Tax for the tax year in which the first installment is due. The first installment shall be in an amount equal to one-half ($1/2) of the person’s estimated Payroll Expense Tax for such tax year. The estimated liability shall be computed by using 52 percent of the person’s taxable payroll expense (as defined in Section 902.1 of Article 12-A) for the preceding tax year, and the rate of tax applicable to the tax year in which the first installment is due. The second installment shall be reported and paid on or before the last day of February of the following year. The second installment shall be in an amount equal to the person’s total Payroll Expense Tax for the subject tax year, less the amount of the first installment and other tax prepayments for such tax year, if any, actually paid.

(B) **Large Firm Prepayments.** Every person liable for payment of a total Payroll Expense Tax in excess of $50,000 for any tax year shall pay such tax for the following tax year in four quarterly installments. The first, second and third quarterly installments shall be due and payable, and shall be delinquent if not paid on or before, May 1st, August 1st and November 1st, respectively. The first, second and third quarterly installments shall be a credit against the person’s total Payroll Expense Tax for the tax year in which such first, second and third quarterly installments are due. Such quarterly installments each shall be in an amount equal to one-quarter ($1/4) of the person’s estimated Payroll Expense Tax liability for such tax year. The estimated liability for such tax year shall be computed by using 104 percent of the person’s taxable payroll expense (as defined in Section 902.1 of Article 12-A) for the preceding tax year, and the rate of tax applicable to the tax year in which the first, second and
third quarterly installments are due. The fourth installment shall be reported and paid on or before the last day of February of the following year. The fourth quarterly installment shall be in an amount equal to the person's total Payroll Expense Tax liability for the subject tax year, less the amount of the first, second and third quarterly installments and other tax prepayments, if any, actually paid.

(b) **Tax Prepayment Penalties.** Every person who fails to pay any tax prepayment required under this Section before the relevant delinquency date shall pay a penalty in the amount of five percent (5%) of the amount of the delinquent tax prepayment per month, or fraction thereof, up to twenty percent (20%) in the aggregate, and shall also pay interest on the amount of the delinquent tax prepayment and penalties from the date of delinquency at the rate of one percent (1%) per month, or fraction thereof, for each month the prepayment is delinquent, until paid.

(c) **Hotel and Parking Taxes.** Upon commencing business, an operator subject to the Hotel Tax (Article 7) or the Parking Tax (Article 9) shall have the option of making prepayments in the amount of the actual tax owed, or making an estimate of the prepayment for the month based on the estimated tax accrued during the month in question. Once the operator has selected an option, the operator must continue to follow that procedure unless prior written permission to use the alternative procedure has been obtained from the Tax Collector.

In no instance shall an estimated prepayment of hotel or parking taxes be less than thirty percent (30%) of such tax collected in the immediately preceding quarterly period. If such estimated prepayment is less than thirty percent (30%) of the tax collected in such preceding quarterly period, the operator shall be subject to penalties and interest for the deficiency pursuant to Section 6.7. If a prepayment based on actual tax owed is less than ninety percent (90%) of the actual liability for the month, the operator shall be subject to penalties and interest for the deficiency pursuant to Section 6.7.
(d) **Forms and Adjustments.** Tax prepayments required under this Section shall be accompanied by a tax prepayment form prepared by the Tax Collector, but failure of the Tax Collector to furnish the taxpayer with a tax prepayment form shall not relieve the taxpayer from any tax prepayment obligation. The Tax Collector may, in writing, adjust the amount of a tax prepayment if the taxpayer can establish *in writing* by clear and convincing evidence that the first installment of biannual tax prepayments, or first, second or third monthly installment of a quarterly tax prepayment, will amount to more than one-half or one-quarter, respectively, of the person's total tax liability for the tax year in which the installment is due.

**SEC. 6.9-4. DETERMINATIONS, RETURNS AND PAYMENTS; EXTENSION OF TIME FOR FILING A RETURN AND PAYING TAX.**

(a) For good cause, the Tax Collector, in his or her discretion, may extend, for a period not to exceed 60 days, the time for filing any return pursuant to this Article or regulations prescribed by the Tax Collector. For prepayments of taxes or for taxes required to be deposited monthly, the Tax Collector may only extend the time for filing a return for a period not to exceed 30 days. As a condition of such extension, the person seeking the extension shall make a payment of not less than 90 percent of such person's estimated liability *for such period.* For purposes of determining the amount of the conditional payment, the Tax Collector may independently establish the taxpayer's estimated tax liability.

(b) Failure to make the required estimated prepayment will result in the taxpayer being subject to penalties and interest under Section 6.17-1.

(c) Notwithstanding *subsection* (a) of this Section, the Tax Collector may extend any time for filing any return or payment of tax or excuse penalties for any late filing or late payment *by a period not to exceed 60 days* if billing or other administrative duties of the Tax Collector cannot be performed in a timely manner.

SEC. 6.9-5. DETERMINATIONS, RETURNS AND PAYMENTS; CREDITS AND EXEMPTIONS.

The credits and exemptions set forth in Articles 6, 7, 9, 10, 10B, 11, 12, and 12-A, and 12-C are provided on the assumption that the City has the power to offer such credits and exemptions. If a credit or exemption is invalidated by a court of competent jurisdiction, the taxpayer must pay any additional amount that the taxpayer would have owed but for such invalid credit or exemption. Amounts owed as a result of the invalidation of a credit or exemption that are paid within three years after the decision of the court becomes final shall not be subject to interest or penalties.

SEC. 6.10-1. COLLECTION OF TAX; SECURITY.

The Tax Collector, whenever he or she deems it necessary to ensure compliance with the Business and Tax Regulations Code, may require any person subject thereto to deposit with the Tax Collector such security as the Tax Collector may determine. The amount of the security shall be fixed by the Tax Collector, but shall not be greater than twice the person’s estimated average liability for the period for which said person files returns, determined in such manner as the Tax Collector deems proper. The amount of the security may be increased or decreased by the Tax Collector subject to the limitations herein provided. The Tax Collector may sell the security at public auction if it becomes necessary to do so in order to recover any tax or any amount required to be collected and remitted to the City, including any interest, or penalty due. Notice of the sale shall be served upon the person who deposited the security and upon the taxpayer, if different, personally or by mail; if by mail, service shall be made in the manner prescribed for service of a notice of a deficiency determination as set out in Section 6.11-2 herein, and shall be addressed to the person at said person’s address as it appears in the records of the Tax Collector. Upon any sale, any

surplus above the amounts due shall be returned to the person who deposited the security.

The return of a cash security shall include interest at a rate equal to the annual fiscal year interest rate earned by the City and County of San Francisco's "Pooled Interest Account" invested and managed by the Treasurer.

SEC. 6.10-2. COLLECTION OF TAX FROM THIRD PARTY.

If any person is delinquent in the payment of the amount required to be paid by said person, or in the event a determination has been made against any person which remains unpaid, the Tax Collector may, not later than three years after the payment became delinquent, give notice thereof by mail or by personal service to any persons in the State of California having in their possession or under their control any credits or other personal property belonging to the delinquent person, or owing any debts to the delinquent person. After receiving such notice, the persons so notified shall, within 5 days of the receipt of the notice, advise the Tax Collector by sworn writing of all such credits, personal property, or debts. Further, the persons so notified shall neither transfer nor make any other disposition of the credits, other personal property, or debts in their possession or under their control at the time they receive the notice until the Tax Collector consents to a transfer or disposition or until 30 days elapse after the person has advised the Tax Collector in a sworn writing of all such credits, personal property, or debts, receipt of the notice. All persons so notified shall, within five days after receipt of the notice, advise the Tax Collector of all such credits, other personal property, or debts in their possession, under their control, or owing by them. Unless otherwise required by law, if persons so notified transfer such assets in violation of the provisions of this Section, they shall become indebted to the Tax Collector for the value of the property transferred, or the amount owed to the City by the delinquent, whichever is less.
SEC. 6.10-3. COLLECTION OF TAX; LEGAL ACTIONS.

(a) The Tax Collector may bring an action in the courts of this State, or any other state, or of the District of Columbia, or of the United States and its territories or possessions, or any other forum where permitted by law to recover in the name of the City any amount of taxes due and payable under the Business and Tax Regulations Code and remaining unpaid, together with penalties, interest, and costs, including reasonable attorneys' fees.

In any action filed pursuant to this subdivision, the Complaint shall attach a certificate executed by the Tax Collector or his representative that contains the following information: (1) the name of the operator, taxpayer or other person determined to be liable for the tax; (2) the description of the operator's, taxpayer's or other person's business against which the tax has been assessed; (3) the location and/or address of the business; (4) the amount of the tax, penalty and interest remaining unpaid as of the last day of the month prior to the month in which the Complaint is filed; and (5) the fact that the City has complied with all provisions of the Business and Tax Regulations Code in the computation and the levy of the tax, penalty or interest.

In prosecuting such actions, the Tax Collector shall be entitled to all of the provisional remedies provided by law. Any such action shall be commenced within three years from the date any amount of taxes became due and payable, or from the date the return is required to be filed or actually filed, whichever period expires later; except in the case of any deficiency determination pursuant to Sections 6.12-1 et seq. or 6.13-1 et seq., in which case any such action shall be commenced within three years after such determination became final.

However, there shall be no limitation on the time in which such actions may be commenced in cases of fraud, intent to evade the Business and Tax Regulations Code, or failure to file a return.

(b) When the amount of any tax, penalty or interest which has become due and payable remains unpaid for 15 days, the Tax Collector may record a tax lien with the
Assessor-Recorder, thereby creating a tax lien on all of the assessees's property and rights to
property, including realty, personalty, or intangibles. The Tax Collector may record or file such
tax lien in the office of the Recorder of any California county, with the California Secretary of State,
and with any other California public entity that is otherwise authorized by law to record liens. The Tax
Collector may record or file such tax liens in any other office of any other jurisdiction as permitted by
law any other office of any other jurisdiction as permitted by law. The tax lien shall identify the Tax
Collector as the lienor, the property subject to the lien, and the amount of the lien.
Simultaneously with the recording, a copy of the tax lien shall be mailed to or personally
served upon the taxpayer or other person determined to be liable for the tax at said person's
last known address based upon the information, contained in the Tax Collector records. The
tax lien after recordation has the force, effect and priority of a judgment lien and continues for
10 years from the date of recording, unless sooner released or otherwise discharged. This
remedy and any other remedies for collection of any taxes, together with all administrative
collection costs, interest, penalties and other costs and charges, including reasonable
attorneys' fees, are cumulative and may be pursued alternatively and consecutively as the
Tax Collector determines.

SEC. 6.11-1. DEFICIENCY DETERMINATIONS; RECOMPUTATION; INTEREST.
If the Tax Collector determines that a taxpayer has failed to pay or has underpaid a tax, that
an operator has failed to collect and remit all of a third-party tax, or there is a deficiency with the
return or returns of the tax or the amount of any tax required to be paid to the City by any person, or
the Tax Collector determines that a person other than the taxpayer is jointly and severally liable
for any unpaid or underpaid tax, including third-party taxes, the Tax Collector may compute and
determine any tax deficiency the amount required to be paid upon the basis of the facts contained in
the return or returns or upon the basis of any other information within the Tax Collector's
possession or that may come into the Tax Collector's possession. One or more deficiency
determinations may be made of the amount due for one or for more than one period.

The amount of the determination, inclusive of penalties, shall bear interest at the rate of
one percent per month, or fraction thereof, from the fifteenth day after the close of the
month or the quarterly period for third-party taxes, or from the last day of February following
the close of the annual period, for which the amount or any portion thereof should have been
returned until the date of payment, or, in the case of stadium operator admission taxes, from
the due dates of said tax as set forth in Article 11, Section 804.

In making a determination, the Tax Collector may offset overpayments for a period or
periods together with interest on the overpayments, against underpayments for another period
or periods, against penalties, and against the interest on the underpayments. The interest on
underpayments and overpayments shall be computed in the manner set forth in Section
6.17-1 for underpayments and in Section 6.15-2 for overpayments.

SEC. 6.11-2. DEFICIENCY DETERMINATIONS; REVOCATION AND SUSPENSION
DETERMINATIONS; NOTICE AND SERVICE.

Upon making a determination pursuant to Section 6.11-1, or upon making a
determination pursuant to Section 6.6-1 that a certificate shall not be issued or to suspend or
revoke a registration, the Tax Collector shall give to the taxpayer or other person determined to
be liable for the tax affected written notice of the Tax Collector's determination. Except in the
case of fraud, intent to evade the Business and Tax Regulations Code or rules and
regulations issued or promulgated by the Tax Collector, or failure to file a return, in which case
there is no statute of limitations, every notice of a deficiency determination shall be served
within three years after the date that a return was due for a tax for the reporting period or 3 years
after the return was actually filed for that reporting period, whichever is later. This limitations period...
shall apply only to tax periods commencing after December 31, 2007. The notice requirements
specified in Board of Supervisors Ordinance No. 26-04 shall continue to apply to obligations arising in
prior tax periods. The fifteenth day of the calendar month following the month or the quarterly period
for which the amount is proposed to be determined for third-party taxes, or within three years after the
last day of February following the period for which a return is required to be filed, whichever period
expires later. The Taxpayer may agree in writing to extend the period for service of a notice of
a deficiency determination otherwise provided in this paragraph.

The notice of any determination under this Section may be served upon the taxpayer or other
affected person determined to be liable for the tax personally or by mail; if by mail, service
shall be (1) to the last known address that appears or is shown in the Tax Collector's records,
provided there is such an address in the Tax Collector's record, or (2) to an address that the Tax
Collector concludes in his discretion is the last known address of the person(s). by mail to the last
known address as indicated in the Tax Collector's records.

In case of service by mail of any notice required by this Article to be served upon the
taxpayer or other person, the service is complete at the time of deposit with the United States
Postal Service Post Office.

SEC. 6.11-3. DETERMINATION IF NO RETURN MADE; ESTIMATE OF LIABILITY,
PEELALTIES AND INTEREST.

If any taxpayer or person responsible for paying a tax or remitting a third-party tax fails
to make a timely return or estimated tax prepayment, the Tax Collector may make a
determination based upon an estimate of the amount of the total tax liability of the taxpayer.
The estimate shall be made for the period or periods in respect to which the person failed to
timely make a return, failed to timely make a prepayment or failed to timely remit a tax, and
may be based upon any information which is in the Tax Collector's possession or may come
into his or her possession. Upon the basis of this estimate, the Tax Collector shall compute and determine the amount required to be paid to the City, adding to the sum thus computed a penalty equal to 20 percent thereof. One or more determinations may be made for one or more than one period. Any such determination shall be prima facie evidence of the person’s liability in any subsequent administrative or judicial proceeding.

In making a determination, the Tax Collector may offset overpayments for a period or periods, together with interest on the overpayments, against underpayments for another period or periods, against penalties, and against the interest on the underpayments. The interest on underpayments and overpayments shall be computed in the manner set forth in Sections 6.17-1 and 6.15-2, respectively. The amount of the determinations, including exclusive of penalties, shall bear interest at the rate of one percent per month, or fraction thereof, from the date of delinquency until the date of payment.

The Tax Collector shall serve the person or persons determined to be liable for the tax as determined under Section 6.11-3 with written notice of the determination and penalty. The Tax Collector shall serve the notice upon such person(s) personally or by mail. Service by mail shall be (1) to the last known address as indicated in the Tax Collector’s records, provided there is such an address in the Tax Collector’s record, or (2) to an address that the Tax Collector concludes in his discretion is the last known address of the person(s).

SEC. 6.11-4. DETERMINATION IF NO RETURN MADE; NOTICE AND SERVICE.

The Tax Collector shall serve the person or persons determined to be liable for the tax as determined under Section 6.11-3 with written notice of the determination and penalty. The Tax Collector shall serve the notice upon such person(s) personally or by mail.
SEC. 6.12-2. JEOPARDY DETERMINATIONS; WHEN DUE AND PAYABLE; STAY OF COLLECTION; PETITION FOR REDETERMINATION; TIME OF HEARING.

(a) A jeopardy determination of tax, interest or penalty is immediately due and payable upon the service of the notice of jeopardy determination on the taxpayer or other person determined to be liable therefor. A lien for the amount due in the notice of jeopardy determination may be recorded immediately notwithstanding the provisions of Section 6.10-1 et seq., summary judgment pursuant to Section 6.18-1 et seq. may be sought at once, and judicial proceedings for collection may be commenced at once. Prior to service of such notice, the Tax Collector may, notwithstanding the provisions of Section 6.10-1 et seq., record a lien in the amount due as set forth in the notice of jeopardy determination. Immediately upon service of such notice, the Tax Collector may, notwithstanding the provisions of Section 6.10-1 et seq., seek summary judgment pursuant to Section 6.18 et seq., and may commence a collection action in any court having jurisdiction over the matter.

(b) The taxpayer may stay the enforcement of a jeopardy assessment or collection of the whole or any amount of a jeopardy determination may be stayed by filing with the Tax Collector: (i) a bond in an amount equal to the amount of the assessment (together with interest thereon to the date of payment) payable on the Tax Collector's certification of the amount of the assessment after the Tax Collector makes a final determination of the taxpayer's petition as to which the stay is desired, conditioned upon the payment of the amount, the collection of which is stayed by the bond, upon notice and demand by the Tax Collector after a final determination is reached on the appeal, or (ii) other security of a value in such amount as the Tax Collector deems necessary, but not exceeding double the amount of the assessment (together with interest thereon to the date of payment) together with a security agreement that authorizes the Tax Collector to use or dispose of the security to satisfy the amount of the assessment after the Tax Collector makes a final determination of the taxpayer's petition as to which the stay is desired. The taxpayer must also agree to pay the

assessment, upon notice and demand by the Tax Collector, after the Tax Collector makes a final
determination of the petition. If the penal amount of the bond is less than the assessment, the Tax
Collector may collect the part of the assessment that exceeds that penal amount. If the value of other
security is less than twice the assessment, the Tax Collector may collect the assessment until the unpaid
balance is reduced to twice the value of the security. Any stay pursuant to this subsection shall be
effective only against the person on whose behalf the bond or other security is provided.

(c) Upon filing of the bond or other security, the collection of so much of the jeopardy
determination amount as is covered by the bond or other security shall be stayed pending the
exercise by the taxpayer or other person determined to be liable for the tax of his or her
appeal rights. The person on whose behalf the bond or other security is submitted, shall have
the right to waive such stay at any time in respect of the whole or any part of the amount
covered by the bond or other security, and if as a result of such waiver any part of the amount
covered by the bond or other security is paid, then the bond or other security shall, at the
request of said person, be proportionately reduced. If any portion of the jeopardy
determination is abated, the bond or other security shall be proportionately reduced, at the
request of the person on whose behalf the bond or other security was provided.

(d) Where collection of the whole or any amount of a jeopardy determination has been
stayed under this Section, the period of limitation on any action to collect from the person on
whose behalf the bond or other security has been provided shall be tolled during the period of
such stay.

SEC. 6.12-5. JEOPARDY DETERMINATIONS; PETITION FOR REDETERMINATION.

Any person against whom a jeopardy determination is made may petition for the
redetermination thereof pursuant to Section 6.13-1 et seq. of this Article. The taxpayer shall,
however, file the petition for redetermination with the Tax Collector within 15 days after the
service of notice of determination. If a petition for redetermination of a jeopardy determination
is not filed within the foregoing 15-day period, the determination becomes final at the
expiration of that period.

The filing of a petition for redetermination of a jeopardy determination shall not operate
to stay collection. Collection may be stayed only as provided in Section 6.12-2 above.

If a timely petition for redetermination of a jeopardy determination is filed, the Tax
Collector shall review the matters raised in the petition including, if requested, whether the
issuance of the jeopardy determination was warranted under the circumstances. In making
this determination, the Tax Collector shall grant the taxpayer or other person determined to be
liable for the tax or such taxpayer or person's authorized representative an oral hearing if
requested in the petition.

If, in the review process, the Tax Collector determines that the determination of
jeopardy was improper or unwarranted, any collection action taken shall be withdrawn,
pending the ultimate administrative determination of the amount of the deficiency due from the
taxpayer or other person claimed to be liable for the tax claimed to be due in the jeopardy
determination notice. Neither the validity of the determination of tax, nor the burden of proof,
shall be affected by the Tax Collector's determination that the determination of jeopardy was
improper or unwarranted.

The taxpayer or other person determined to be liable for the tax has the right to an oral
hearing and determination by the Tax Collector upon the matters raised in the petition within
45 days from the date of the filing of the petition for redetermination, as scheduled by the Tax
Collector, unless the taxpayer waives said time period. The 45-day period shall be tolled
during the period between the date the Tax Collector serves of service of a written notification
under authorized by Section 6.13-1(b) that the Tax Collector requires of the additional information of
records necessary for the Tax Collector to evaluate and decide the petition, and the date the Tax Collector receives that receipt of all such information and those records by the Tax Collector.

SEC. 6.13-1. REDETERMINATIONS; PETITION; TIME FOR FILING; INCOMPLETE PETITIONS.

(a) Any person against whom a determination is made under the Business and Tax Regulations Code may petition the Tax Collector for a redetermination within 30 days after service of the notice thereof, except for a petition for redetermination of a jeopardy determination, which the person may file within 15 days after service of the notice as provided in Section 6.12-5. If a petition for redetermination is not filed within the applicable period, the determination becomes final at the expiration of the period. The final determination may be enforced or collected by any method authorized by law, including but not limited to lien, levy, and judicial enforcement, including provisional remedies and injunctive relief.

(b) Every petition for redetermination shall be verified by the person against whom the Tax Collector made the determination, stating under penalty of perjury the specific grounds upon which the petition is founded, with specificity sufficient to enable the Tax Collector to understand and evaluate the petition, and verifying the information and authenticating the records upon which the petitioner relies in support of the petition. Any ground for redetermination that is not specified in the petition for redetermination shall be deemed waived by the petitioner in any later judicial proceeding to collect the tax specified in the notice of determination.

If the Tax Collector determines that the petition fails to state specific grounds for redetermination, lacks sufficient specificity to understand and evaluate the petition, or is not accompanied by information and records in support of the petition the Tax Collector reasonably deems necessary to evaluate and decide the petition, the Tax Collector in his or
her discretion may either deny the petition as incomplete or may require the petitioner in
writing to supplement the petition with additional information or records the Tax Collector
deems reasonably necessary to decide the petition. The petitioner shall submit such
information and records in support of the petition to the Tax Collector within 30 days of service
of the Tax Collector's written request, which shall be served in the manner prescribed in
Section 6.11-2. If mailed, service of the notice is complete at the time of deposit within the
United States Postal Service. Failure of the petitioner to provide all of the information
and records set forth in the written request within the 30-day period shall be sufficient ground
for the Tax Collector to deny the petition, and the petitioner shall be subject to the penalties
and sanctions provided in Section 6.17-3.

SEC. 6.13-3. REDETERMINATIONS; ALTERATION OF DETERMINATION.

The Tax Collector may decrease or increase the amount of the determination, including
the amount of the tax, penalties or interest, before it becomes final. The amount may be
increased only if a claim for the increase is asserted by the Tax Collector, and the Tax
Collector provides written notice thereof to the person against whom the Tax Collector issued
the determination at least five days before the hearing. If the Tax Collector increases the amount
before the hearing described in Section 6.13-2, such written notice shall be served at least 15 days
before the hearing and the person receiving such notice shall file a supplemental petition for
redetermination addressing the increased deficiency amount at least 5 days before the hearing date.
The Tax Collector may reschedule the hearing for purposes of allowing the requisite notice of increase.
If the Tax Collector increases the amount after the hearing described in Section 6.13-2, the Tax
Collector shall serve notice of such increase before issuing a final decision. Within 15 days of service
of such notice, the person against whom a claim for increase is asserted by the Tax Collector may serve
a supplemental petition for redetermination contesting the increased deficiency amount. The Tax

Supervisors Mirkarimi, Duffy

Collector shall hold an additional oral hearing on the increased amount upon the request of the petitioner. A supplemental petition for redetermination filed pursuant to this Section shall state any additional specific grounds for redetermination applicable to the increased deficiency amount. Any specific ground for redetermination that is not specified in either the initial petition for redetermination or the supplemental petition for redetermination shall be deemed waived by the petitioner in any later judicial proceeding to collect the tax specified in the notice of determination. Nothing in this Section shall preclude a new audit or determination by the Tax Collector of a new or supplemental deficiency. The burden of proof in any proceeding for redetermination or appeal thereof shall be on the taxpayer, who shall have the burden of proving that the Tax Collector's determination is incorrect.

SEC. 6.13-5. EXHAUSTION OF ADMINISTRATIVE REMEDIES.

Prior to seeking judicial relief, persons against whom a jeopardy determination or deficiency determination is made must exhaust their administrative remedies by: (i) petitioning to the Tax Collector for redetermination and including all specific grounds supporting the petition for redetermination; and (ii) paying the full amount owed as set forth in the final determination; and (iii) presenting a claim for refund to the Controller under Section 6.15-1 et seq., which the City Attorney has denied or which the claimant has deemed denied under Section 6.15-1(d).

SEC. 6.13-6. EFFECT OF TAX COLLECTOR’S NOTICE OF DEFICIENCY EXAMINATION OF RECORDS.

The Tax Collector’s issuance of a notice of deficiency or failure to issue such a notice for any period may not be treated as precedent for any particular method or manner of reporting or treating any item included or excluded on any return for purposes of any other or

SEC. 6.15-1. REFUNDS.

(a) Except as otherwise provided in subdivision (c) below, the Controller shall refund or cause to be refunded the amount of any tax, interest or penalty that has been overpaid or paid more than once, or has been erroneously or illegally collected or received by the City, provided the person that paid such amount files with the Controller, within the later of one year of payment of such amount or when the return accompanying such payment was due, a verified claim in writing therefor, stating under penalty of perjury: (i) the specific amount claimed to have overpaid or paid more than once, or erroneously or illegally collected or received by the City, (ii) the tax periods at issue, and (iii) the grounds upon which the claim is founded, with specificity sufficient to enable the Tax Collector and other responsible City officials to understand and evaluate the claim. The Controller shall enter the claim in the claim register, and shall forthwith forward it to the City Attorney. If the City Attorney determines the claim is insufficient, the City Attorney shall give the claimant written notice of how the claim is insufficient, stating with particularity the defects or omissions therein. The City Attorney shall send the claimant that notice within 20 days after the claimant presents the claim. The City Attorney shall review the claim for compliance with this section and other laws as may be applicable thereto. Within 20 days after the claim is presented the City Attorney shall give written notice of its insufficiency, stating with particularity the defects or omissions therein. and settlement of claims under this Section in excess of $25,000 shall require the written approval of the City Attorney and approval of the Board of Supervisors by resolution. The City Attorney may allow or compromise and settle such claims if the amount is $25,000 or less. No claim may be paid until the Controller certifies that monies are available from the proper funds or appropriations to pay the claim as allowed or as compromised and settled. For purposes of this Section 6.15-1, a claim shall be deemed to accrue on the later of the date the return was due or the tax was paid.

(b) The claim shall be on a form furnished by the Controller. A claim may be returned to the person if it was not presented using the form. amount of tax, interest or penalty has been overpaid or paid more than once, or has been
erroneously or illegally collected or received by the City, and (ii) all other conditions precedent
to the payment of a refund to the taxpayer have been satisfied.

(d) The City Attorney shall allow, reject or otherwise act upon a claim for refund in a
manner specified in Government Code Section 912.6 within 45 days after it is presented to
the Controller. If the claim is amended, the City Attorney shall act on the amended claim
within 45 days after the amended claim is presented. The claimant may agree in writing to
extend the period within which the City Attorney must act on the claim for refund prior to
expiration of the original 45-day period. The claimant may deem the claim for refund denied
and seek judicial relief if the City Attorney does not act upon the claim within the 45-day
period, or such extended period to which the claimant has agreed.

(e) The Tax Collector may authorize the Controller to refund tax payments, without a refund
claim having been filed, without the need for a refund claim, and without review by the City Attorney, if
the Tax Collector determines:

(i) the tax was paid more than once; or

**SEC. 6.19-4. VIOLATIONS.**

(a) **Separate and Continuing Violations; Penalties Paid Do Not Cure Violations.**

Each and every day that a violation exists constitutes a separate and distinct offense. Each section violated constitutes a separate violation for any day at issue. If the person or persons responsible for a violation fail to correct the violation, subsequent administrative citations may be issued for the same violation(s). *The enforcement officer may issue such subsequent administrative citations for uncorrected violations(s) pursuant to this Section without issuing a new notice as otherwise required by Section 6.19-5.* Payment of the penalty shall not excuse the failure to correct the violation nor shall it bar any further enforcement action by the City. If penalties and costs are the subject of administrative appeal or judicial review, then the accrual of such penalties and costs shall be stayed until the determination of such appeal or review is final.

(b) **Payments to City; Due Date; Late Payment Penalty.** All penalties assessed shall be payable to the City and County. Administrative penalties and costs assessed by means of an administrative citation shall be due within thirty (30) days from the date of the citation. The failure of any person to pay an administrative penalty and costs within that time shall result in the assessment of an additional late fee. The amount of the late fee shall be ten (10) percent of the total amount of the administrative penalty assessed for each month the penalty and any already accrued late payment penalty remains unpaid.
(c) **Collection of Penalties; Special Assessments.** The failure of any person to pay a penalty assessed by administrative citation within the time specified on the citation constitutes a debt to the City. The City may file a civil action, create and impose liens as set forth below, or pursue any other legal remedy to collect such money.

(d) **Liens.** The City may create and impose liens against any property owned or operated by a person who fails to pay a penalty assessed by administrative citation. The procedures provided for in Section 6.10-3 Article XX Chapter 10 of the San Francisco Administrative Code shall govern the imposition and collection of such liens.

**SEC. 6.19-5. ADMINISTRATIVE CITATION; ISSUANCE NOTICE OF VIOLATION.**

(a) **Notice and Opportunity to Cure.** The enforcement officer shall notify any person in violation of the Code provisions identified in Section 6.19-3(b) of such violation prior to the issuance of an administrative citation. The enforcement officer may post the notice of violation by affixing the notice to a surface in a conspicuous place on the property regardless of the manner of service of the notice under Section 6.19-6. The notice of violation shall specify the action required to correct or otherwise remedy the violation(s). The person or persons responsible for the violation shall be allowed not less than ten (10) days from the date of the notice of violation to correct or otherwise remedy the violation; provided, however, that the enforcement officer may, in his or her discretion, assign a longer period, not to exceed twenty-one (21) days, within which to correct or otherwise remedy each violation. The enforcement officer may consider the cost of correction and the time needed to obtain information, documents, data and records for correction in assigning a specific period of time within which to correct or otherwise remedy each violation.

(b) **Issuance of Citation.** If the person or persons responsible for the violation fail to comply with any portion of a notice of violation within the time provided, the enforcement officer may issue an administrative citation to any person who violates the Code provisions identified in Section...
6.19-3(b)the violator. The administrative citation shall be issued on a form prescribed by the
Tax Collector.

SEC. 6.19-6. ADMINISTRATIVE CITATION AND NOTICE OF VIOLATION; SERVICE.

Service of a notice of violation and an administrative citation may be accomplished as
follows:

(a) The enforcement officer may obtain the signature of the person responsible for the
violation to establish personal service of the citation; or

(b) (1) The enforcement officer shall post the citation by affixing the citation to a
surface in a conspicuous place on the property. Conspicuous posting of the citation is not
required when personal service is accomplished or when conspicuous posting poses a
hardship or is excessively expensive; and

If the buyer purchases or acquires an interest in a business owing any taxes, interest or penalties imposed under Articles 7, 9 or 12-A, the buyer shall withhold from the purchase price and pay to the Tax Collector a sufficient amount to satisfy said taxes, interest and penalties.

If the buyer purchases or acquires an interest in a business in violation of this Section, the buyer shall become personally liable for the amount of taxes, interest and penalties owed on the business.

(a) Each person engaging in business within the City shall apply to the Tax Collector, on a form prescribed by the Tax Collector, for a registration certificate. The application shall be accompanied by the person's registration fee as determined under this Article. To ease administrative burdens on taxpayers (by consolidating the deadlines to file annual tax returns and apply for renewal of registration certificates), the term of registration certificates shall be changed from the calendar year basis to a fiscal year basis. The purpose of Subsections subsections (b) through (e) of this Section is to facilitate such change and shall be interpreted in accordance with this purpose.

(b) A registration certificate issued for a calendar year commencing on or before January 1, 2002, shall be valid until December 31 of such calendar year. All persons engaging in business within the City during any such calendar year shall, before the last business day in
October, apply to the Tax Collector for a registration certificate for the succeeding calendar year. The application for renewal of the annual registration certificate shall become delinquent if the registration fee is not paid on or before the last business day in October.

(c) To accomplish the change from the calendar year registration period to a fiscal year registration period, there shall be a Registration Transition Period commencing January 1, 2003, and ending June 30, 2003. A registration certificate issued for the Registration Transition Period shall be valid through June 30, 2003. Except as provided in Subsection (f) of this Section, any person engaging in business within the City during the calendar year preceding the Registration Transition Period shall, before October 31, 2002, apply to the Tax Collector for a registration certificate covering the Registration Transition Period. The application for renewal of such certificate shall become delinquent if not paid on or before February 28, 2003.

(e) A registration certificate issued for any registration year after the Registration Transition Period shall be valid through June 30 of such registration year. Except as provided in Subsection (f) of this Section, for any registration year commencing on or after July 1, 2003, any person engaging in business within the City shall, between January 1 and the last day of February/May, apply to the Tax Collector for a registration certificate for the
succeeding registration year. The application for renewal of the annual registration certificate shall become delinquent if the registration fee is not paid on or before the last day of May.

(f) A person shall have 15 days after commencing business within the City to apply for a registration certificate. The registration fee for newly-established businesses shall be prorated as follows:

(1) For tax years ending on or before December 31, 2001, the fee for obtaining a registration certificate for a newly established business shall be determined in accordance with Sections 1007, 1007.1 and 1007.2 of Article 12-B of the Business Tax and Regulations Code as it read on December 31, 1999, or the predecessor provisions governing the registration fee for the relevant tax year.

(2) For the tax year ending on December 31, 2002, the fee for obtaining a registration certificate for a newly established business shall be determined pursuant to Section 855 of this Article using the estimated Payroll Expense Tax liability for such tax year. The registration fee for any person who commences business operations within the City during such tax year shall be prorated as follows: For persons commencing business between January 1st and March 31st, the registration fee shall be 100 percent of the annual fee; for persons commencing business between April 1st and June 30th, the registration fee shall be 75 percent of the annual fee; for persons commencing business between July 1st and September 30th, the registration fee shall be 50 percent of the annual fee; and for persons commencing business between October 1st and December 31st, the registration fee shall be 25 percent of the annual fee. Where a registration certificate is issued for a period other than for a calendar year, the Tax Collector shall have discretion to prorate the registration fee in accordance with the formula set forth in this paragraph.
(3) For the Registration Transition Period, the fee for obtaining a registration certificate for a newly established business shall be determined pursuant to Section 855 of this Article using the applicant's estimated tax liability under Article 12-A (Payroll Expense Tax Ordinance) for the 2003 tax year. For any person who commences business operations within the City on or after January 1, 2003, and before April 1, 2003, the registration fee shall be as set forth in subsection (c) of this Section. For any person who commences business operations within the City on or after April 1, 2003, and before July 1, 2003, the registration fee shall be 25 percent of the amount of the annual registration fee otherwise applicable under Section 855(a) of this Article.

(4) For registration years commencing on or after July 1, 2003, the fee for obtaining a registration certificate for a newly established business shall be determined pursuant to Section 855 of this Article using the applicant's estimated tax liability under Article 12-A (Payroll Expense Tax Ordinance) for the tax year in which the person commences such business within the City. The registration fee for persons who commence business operations after the Registration Transition Period shall be prorated as follows: For persons commencing business between January 1st and March 31st, the registration fee shall be 50 percent of the annual fee; for persons commencing business between April 1st and June 30th, the registration fee shall be 25 percent of the annual fee; for persons commencing business between July 1st and September 30th, the registration fee shall be 100 percent of the annual fee; and for persons commencing business between October 1st and December 31st, the registration fee shall be 75 percent the annual fee. Where a registration certificate is issued for a period other than for a registration year, the Tax Collector shall have discretion to prorate the registration fee in accordance with this model.

(5) Notwithstanding any other provision of this Article, no person obtaining a registration certificate for a newly established business that qualifies for the $25 minimum
registration fee set forth in Section 855 of this Article shall be entitled to prorate the
registration fee under this Section, but instead shall pay the $25 minimum registration fee.

(g) All applications for renewal of registration certificates shall be accompanied by the
full amount of the applicant's annual registration fee for the period covered by the registration
certificate.

(h) Promptly after receiving a properly completed application and registration fee from
any person, the Tax Collector shall determine whether the applicant has paid all outstanding:
(1) Payroll Expense Taxes; (2) costs and/or charges assessed pursuant to Section 174.2 of
Article 5.1 of the Public Works Code, as amended from time to time, for failure to abate a
nuisance regarding the cleanliness of an abutting public sidewalk or right-of-way, and
(3) other taxes and license fees due to the City. In addition, the Tax Collector may investigate
whether the applicant has paid other amounts owing to the City as a result of fines,
penalties, interest, assessments, or any other financial obligations imposed by law, regulation
or contract. If the Tax Collector determines that all liabilities have been paid, the Tax Collector
shall issue a registration certificate to the applicant for each place of business maintained by
the applicant.

(i) If a person submits a timely application under this Section and the Tax Collector
determines that the applicant has satisfied all the requirements of this Article, including the
payment of all outstanding liabilities owed to the City, then the Tax Collector shall issue a
registration certificate to the applicant within 30 days after the Tax Collector makes such
determination.

(j) Each registration certificate shall be non-assignable and nontransferable. The
holder of the registration certificate shall surrender the certificate to the Tax Collector
immediately upon the sale or transfer of the business for which the Tax Collector issued the
registration certificate. The holder of the registration certificate shall also surrender the
certificate to the Tax Collector when such holder ceases to conduct business at the location
designated in the certificate.

(k) If the Tax Collector determines that any liabilities enumerated in
Subsection (h) of this Section remain unpaid as of the date an application is received, the Tax Collector shall give written notification of that fact to the applicant. The written notification shall set forth the amount owed, the liabilities enumerated in Subsection (h) of this Section for which the amount(s) are owed, the dates the liabilities were incurred and any other information the Tax Collector deems necessary to apprise the applicant of what specific liabilities are owed to the City. The Tax Collector shall not issue a registration certificate unless and until the applicant has paid all amounts owing to the City, including but not limited to, taxes, license fees, and costs or charges assessed for failure to abate a nuisance condition on a public right-of-way under Section 174.2 of Article 5.1 of the Public Works Code, as amended from time to time, for which the applicant is liable; provided, that if a good faith dispute exists regarding the amount of the outstanding liability or liabilities owed by the applicant to the City and the dispute is pending before a City agency or court of competent jurisdiction, then the Tax Collector shall not refuse to issue a registration certificate solely for non-payment of the amount in dispute.

(I) Each registration certificate, and each duplicate thereof, shall set forth the name under which the person transacts or intends to transact business, the location of the registrant's place of business and such other information as the Tax Collector may require, and be prominently displayed therein. In the case of a sole proprietorship, the registration certificate shall be signed by the sole proprietor; in the case of a partnership, the registration certificate shall be signed by a general partner; in the case of a limited liability company, the registration certificate shall be signed by the managing member; and in the case of a

(m) Each person liable for payment of a registration fee pursuant to this Article shall
only pay one registration fee; however, the Tax Collector shall issue a separate registration
certificate for each location within the City where the person engages in business.

SEC. 859. BUSINESS TAX REGISTRATION TAG REQUIRED ON CERTAIN VEHICLES.

(a) The Tax Collector shall require persons engaged in the businesses listed in
subsection (b) to display prominently upon each vehicle which is registered as a
commercial vehicle with the California Department of Motor Vehicles, and which is used by
the person in the conduct of his or her business, a registration tag in such form and color and
containing such information as the Tax Collector shall determine. An employee's personally
owned vehicles are exempt from this requirement. The Tax Collector shall charge an annual
fee of $30 for each tag issued to cover the cost of issuing the tag. The registration tag shall
be valid for the year of issuance, or 1 year, whichever ends later one year concurrent with the business
tax registration certificate.

It is unlawful for any person, required to display a registration tag pursuant to this
Section, to use or cause to be used any company vehicle which is registered as a commercial
vehicle with the California Department of Motor Vehicles in the conduct of the person's
business within the City and County that does not have a business tax registration tag
attached thereto or to remove or deface or cover up the registration tag, or to place such
registration tag upon any vehicle other than a vehicle used by the person in his or her
business, or to use or cause to be used any such vehicle more than 30 days after the
expiration of the period for which the registration tag was issued. An employee's personally
owned vehicles are exempt from this requirement.
Each person required to display a registration tag on vehicles used in conduct of his or her business shall keep the registration tag(s) issued by the Tax Collector firmly affixed upon each vehicle for which a registration tag was issued at such location upon the vehicle as is designated by the Tax Collector.

Subsequent to the issuance of any business tax registration certificate and prior to the expiration date, any person seeking to use any company vehicle which is registered as a commercial vehicle with the California Department of Motor Vehicles in his or her business, for which a tag has not been issued, shall procure a tag for such vehicle from the Tax Collector. Upon the payment of a fee for such tag, the Tax Collector shall deliver the tag to the person, which tag shall be securely affixed to the vehicle upon the location designated by the Tax Collector.
