Supervisor Duffy
BOARD OF SUPERVISORS
Each person filing an application for an initial Mobile Food Facility permit under Public Works Code Section 184.83 also shall pay the Health Department a plan check fee of $181 per hour. This fee is due and payable to the Health Department at the time the applicant requests said plan check from the Health Department. The Health Department may refund a portion of the fee payment or require additional payment if actual plan check time differs from the initial estimate. The Health Department may withhold plan check approval until payment of the plan check fees and the Department of Public Works’ Mobile Food Facility permit shall not be final and effective until the Health Department issue plan check approval. The Controller may adjust this fee annually as set forth in Section 249.1(c).

The application shall include all information related to the most recently issued permit for operation, including the approved Location(s) of service and food product, products, and services offered for sale. Failure so to do shall make continued operation of said place of business a violation of Public Works Code Section 184.97 and 184.98 as set forth in this Ordinance. The Director shall reissue new permits to all persons presently holding existing valid permits to operate Mobile Food Facilities at no cost, subject to the requirement for annual renewal of the permit from the date the reissuance of the permit and compliance with the terms and conditions of this Article.
