ARTICLE XII. PUBLICATION OF NOTICES.

SEC. 2.96. FINDINGS.

(a) San Francisco Charter Article XVII, defines “Notice” to mean publication (as defined by ordinance), and a contemporaneous filing with the Clerk of the Board of Supervisors or other appropriate office. 1 the Board of Supervisors intends to: (1) maximize use of electronic media as a cost effective means of
2 publishing notices; (2) provide uniform implementation of Charter Article XVII's "publication"
3 requirement to the extent that implementation of this Article XII does not conflict with notice or
4 publication requirements specifically imposed by federal or State law or by the San Francisco Charter
5 or applicable City ordinances; (3) provide City agencies with a standard notice and publication
6 procedure that future City legislation can incorporate; and (4) establish a mechanism to ensure that

16 (e) The publication requirements established in subsections (a), (b), and (c) above shall be
17 deemed satisfied if the City has substantially complied with the requirements, meaning the Notice has
18 been posted at the Main Branch of the Public Library, and on either the City's Official Website
19 Homepage or the Department's Website Homepage.

20 **SEC. 2.99. REVIEW OF PROPOSED ORDINANCES.**

21 The Clerk of the Board of Supervisors shall review all future proposed ordinances that have
22 been introduced that contain notice and publication requirements, and may recommend to the sponsor
23 of the legislation that the proposed ordinance incorporate the notice and publication requirements as
24 set forth in this Article XII, to the maximum extent consistent with federal and State law. The Clerk's

1 failure to perform this review on any ordinance shall not invalidate the ordinance, or form the basis for
2 any legal challenge to the ordinance.

3 **SEC. 2.100. REGULATIONS.**
