Ordinance amending the San Francisco Public Works Code by adding Article 25, Sections 1500 through 1505, to: declare the illegal dumping of debris and waste construction materials or industrial materials, or of more than 100 pounds of any other waste, refuse, or debris, on public property to be a public nuisance; authorize enforcement by the City Attorney in a civil action; and permit the City and County of San Francisco to collect civil penalties, costs of abatement and investigation, and attorneys' fees against the individuals or entities responsible for the dumping; and making environmental findings.

NOTE: Additions are single-underline italics Times New Roman; deletions are strike-through italics Times New Roman. Board amendment additions are double-underlined; Board amendment deletions are strikethrough normal.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Public Works Code is hereby amended by adding Article 25, Sections 1500 through 1505, to read as follows:

ARTICLE 25: ILLEGAL DUMPING

SEC. 1500. TITLE.

This Article shall be known as the "Illegal Dumping Ordinance."

SEC. 1501. PURPOSE AND INTENT.

The Board of Supervisors finds and declares that:
(a) Dumping on streets, sidewalks, public rights-of-way, and other public properties within the City and County of San Francisco is detrimental to the health, safety, and welfare of the community and is hereby declared to be a public nuisance. Dumping in public spaces creates urban blight and not only impedes the paths of travel for pedestrian and vehicular traffic and is detrimental to businesses and personal pursuits, but pollutes public spaces with potentially harmful and toxic substances, degrades neighborhoods, and encourages others to unlawfully dispose of other waste and debris, all fostering a disrespect of public property and of the community.

(b) Cleaning up and abating unlawfully dumped material on public properties costs the City and County of San Francisco tens of thousands of dollars a year. The City is rarely able to recoup those costs from the individuals and entities who commit the illegal dumps.

(c) Because dumping on public properties and rights-of-way is hereby deemed a nuisance, immediate and effective abatement against the parties responsible for the unlawful dumping is essential to deter these illegal acts and may be accomplished through the judicial procedures outlined herein.

(d) The City is enacting this legislation pursuant to and in accordance with California Government Code Section 38771, and California Civil Code Sections 3479 and 3480.

(e) Nothing in this Article shall be construed to in any way limit the City's right to enforce any other provision of the Municipal Code or state law, or to create a duty or obligation on the part of the City to enforce this Article.

SEC. 1502. DEFINITIONS.

Unless the context requires otherwise, the following definitions shall govern the construction of this Article:

(a) "City" means the City and County of San Francisco.

(b) "Debris and Waste Construction Material" includes any wood, brick, plaster, glass, cement, roofing material, composite, sheet rock, sheet metal, wire, pipe and other materials related to the
remodeling, construction or repair of, or the partial or total demolition of, houses, buildings or other structures.

(c) "Director" means the Director of the Department of Public Works or his or her designee.

(d) "Person" means and includes companies, corporations, limited liability companies, estates, associations, partnerships, trusts, unincorporated associations and one or more individual human beings.

(e) "Prevailing Party" has the same meaning as set forth in California Code of Civil Procedure Sec. 1032, or any successor provision. "Prevailing Party" includes the City in actions where the City obtains an injunction and/or civil penalties or other monies under this Article or State law.

(f) "Public Property" includes any portion of a street, road, right-of-way, sidewalk, park, lot, or public or other land owned, operated, leased, or maintained by the City and County of San Francisco.

(g) "Responsible Party" includes any Person who causes or allows or contributes to or participates in actions which constitute a nuisance under this Article.

SEC. 1503. PROHIBITED DUMPING ACTIVITY.

(a) It shall be prohibited for any Person to deposit, leave, place, keep, maintain, or abandon, Debris and Waste Construction Materials, industrial materials, or more than 100 pounds total of any other waste, refuse, or debris on any Public Property without the lawful and express written permission of the City and County of San Francisco.

(b) Any activity or action that violates this Article shall be, and is hereby declared, a public nuisance.

(c) Nothing in this Article shall be construed to authorize or allow any Person to deposit, leave, place, keep, maintain, or abandon, any other property or materials, in any amount, on any Public Property without the lawful and express written permission of the City and County of San Francisco, other than to deposit trash in an appropriate designated receptacle.
SEC. 1504. ABATEMENT.

(a) The Director may require or take any necessary abatement or enforcement action to clean up or contain any material dumped on Public Property, including ordering the Responsible Party to remove and appropriately dispose of the material. The Director may ask any other City department or necessary state agency for assistance in abating any nuisance pursuant to this Article.

(b) Any costs or monies expended by the Department of Public Works or any other department of the City and County of San Francisco to abate a nuisance under this Article may be recovered in a civil action as described in Section 1505.

SEC. 1505. ENFORCEMENT – INJUNCTIVE RELIEF, CIVIL PENALTIES, COSTS, AND ATTORNEYS’ FEES.

(a) The City Attorney may enforce the provisions of this Article through a civil action in any court of competent jurisdiction.

(b) The City Attorney may apply to any court of competent jurisdiction for an order seeking injunctive relief to abate or remove any nuisance described in this Article, to restrain any Responsible Party from taking any action contrary to the provisions of this Article or to require any Responsible Party to take action to comply with the provisions of this Article or an order by the Director to remove and appropriately dispose of material illegally dumped on Public Property.

(c) In any civil court action brought by the City Attorney to enforce this Article in which the City succeeds in obtaining any order from the Court, the City shall be entitled to recover from any and all Responsible Parties all of its costs of investigation, enforcement, abatement, and litigation.

   (1) The City shall be entitled to recover civil penalties from each and every Responsible Party in an amount that is not less than twice the amount it cost the City to abate the nuisance. Costs
to the City to abate the nuisance shall include any personnel, equipment, and other charges incurred by
the City related to the investigation, abatement, clean-up, and/or containment of Debris and Waste
Construction Materials, industrial materials, or more than 100 pounds of any other waste, refuse, or
debris dumped on Public Property. This civil penalties provision is designed to compensate the City
for any costs it incurred to investigate and abate the unlawful acts of any Responsible Party and for the
ancillary health hazards and inconveniences caused to the City and its residents, rights of way blocked,
traffic delays or detours, and any personal or business difficulties suffered from the maintenance of
illegally dumped materials on Public Property.

(2) The Prevailing Party in any court action to abate a nuisance pursuant to this Article
shall be entitled to reasonable attorneys' fees.

(d) Nothing in this Article shall be interpreted as restricting or otherwise limiting the
enforcement authority conferred upon other City employees, City agencies, or state agencies by other
provisions of the Municipal Code or state law.

(e) Nothing in this Article shall be interpreted as restricting, precluding or otherwise
limiting a separate or concurrent criminal prosecution under the Municipal Code or state law.
Jeopardy shall not attach as a result of any court action to abate a nuisance pursuant to this
Article.

Section 2. Additional Provisions.

(a) Environmental Findings. The Planning Department has determined that the
actions contemplated in this ordinance are in compliance with the California Environmental
Quality Act (Cal. Pub. Res. Code §§ 21000 et seq.). Said determination is on file with the
Clerk of the Board of Supervisors in File No. 110222 and is incorporated herein by
reference.

(b) Conflict with State or Federal Law or Municipal Code. This ordinance shall be
construed so as not to conflict with applicable federal or State laws, rules or regulations or
with other provisions of the Municipal Code. Nothing in this ordinance shall authorize any City
agency or department to impose any duties or obligations in conflict with limitations on
municipal authority established by State or federal law at the time such agency or department
action is taken.

c) Disclaimer. In adopting and implementing this ordinance, the City and County of
San Francisco is assuming an undertaking only to promote the general welfare. It is not
assuming, nor is it imposing on its officers and employees, an obligation for breach of which it
is liable in money damages to any person who claims that such breach proximately caused
injury.

d) Severability. If any of the provisions of this ordinance or the application thereof to
any person or circumstance is held invalid, the remainder of those provisions, including the
application of such part or provisions to persons or circumstances other than those to which it
is held invalid, shall not be affected thereby and shall continue in full force and effect. To this
end, the provisions of this Article are severable.
