SECTION 1. GENERAL TERMS AND CONDITIONS OF EMPLOYMENT

A. All terms and conditions of employment not covered under this Ordinance shall continue to be subject to the City's direction and control. Unless specifically addressed herein, those terms and conditions of employment which are set forth in the Charter, Administrative Code, Civil Service Rules, policies and procedures, shall apply to employees covered by this ordinance.

B. Nothing in this Ordinance shall have application to changes of Civil Service rules and matters subject to the exclusive jurisdiction of the Civil Service Commission pursuant to Charter Section A8.409-3, unless specifically approved by the Civil Service Commission, except as such changes may affect compensation.

SECTION 2. WAGE RATES

A. Notwithstanding subsection (B) below, and except for the Mayoral Staff classifications (0881-0905) as provided in subsection (C), in recognition of the severe budget crisis facing the City, for fiscal year 2011-12, covered classifications shall contribute 4.62%, the value of twelve (12) furlough days, through the following concessions:

1. Continuing from fiscal year 2009-10 the deferral of the 2008-2009 general base wage increases for classifications covered herein (3.5% value); and

2. In addition, effective July 1, 2011 through March 30, 2012, wages shall be reduced by 1.25%.
But for these concessions, the base wage rates would be the same as in fiscal year 2009-10.

B. The 1283 – Director, Employee Relations Division Classification’s Pay Plan shall be the same rates of pay as the 0954 – Deputy Director IV Classification in effect July 1, 2008.

The 1282 – Manager, Employee Relations Division Classification’s Pay Plan shall be rates of pay as the 0932 – Manager IV Classification in effect July 1, 2008.

The 1281 – Senior Employee Relations Representative Classification’s Pay Plan shall be the same rates of pay as the 1824 – Principal Administrative Analyst Classification in effect July 1, 2008. There shall also be three additional five percent (5%) steps (Steps 6, 7 & 8) at the top of the range at which an employee may be placed upon the approval of the Employee Relations Director. Such placement is contingent upon the Employee Relations Director designation of the employee as the City’s principal lead representative for a major employee group.

The 1280 – Employee Relations Representative Classification’s Pay Plan shall be the same rates of pay as the 1244 – Senior Personnel Analyst Classification in effect as of July 1, 2008. There shall also be three additional five percent (5%) steps (Steps 1, 2 & 3) at the bottom of the range. Employees may be placed in Step 6, 7 or 8 by the approval of the Employee Relations Director. Such placement is contingent upon the Employee Relations Director’s designation of the employee as having lead responsibilities in employee-employer relations matters.

The 1293 – Human Resources Director Classification’s Pay Plan shall be the
same rates of pay as the 0964 – Department Head IV Classification in effect July 1, 2008.

C. The Mayoral Staff Classifications’ (0881-0905) rates of pay shall continue to be reduced. For fiscal year 2011-12, the rate of pay shall be reduced by 4.5062%. But for these concessions, the base wage rates would be the same as in fiscal year 2009-10.

D. EPMC “Swap” for Wages

Effective July 1, 2011, except for classifications 1280, 1281, 1282, 1283 and 1293 as noted in Section 2.B above, all remaining classifications covered by this Ordinance shall receive a base wage increase of 5.75% in exchange for paying their own employee retirement contribution. The base wage increase will be applied to the pre-concession wage rate; i.e., base wage rate in effect in fiscal year 2009-10.

All base wage calculations shall be rounded to the nearest salary schedule.

SECTION 3. INTERNAL ADJUSTMENT PROCESS

Upon request of an Appointing Officer, the Director of the Human Resources Department may approve internal salary adjustments, subject to approval of the Board of Supervisors, during the term of the Ordinance based upon the following:

1. Standards

The following shall be the standards for internal adjustments for the wage rates for a particular job code:

a) The salary for the job code is below the prevailing wage level in the relevant labor market as demonstrated by verifiable salary data; and/or

b) There is an ongoing and demonstrable recruitment and/or retention problem; and/or

c) Traditional salary relationships, which continue to be justified, have been substantially altered; and/or
d) The duties, responsibilities and/or minimum requirements for a job code have been altered significantly.

2. Internal Adjustment Cap
Internal adjustment costs shall not exceed an annualized cost of 0.3% of the total payroll cost for the employees covered by this Ordinance.

3. Notwithstanding the provisions of Section 3 above, all the internal adjustments process in fiscal year 2009-2010 shall be suspended for fiscal year 2011-12.

SECTION 4. ACTING ASSIGNMENT PAY
The Appointing Officer/designee assigns duties to employees covered by this Ordinance. Employees assigned by the Appointing Officer/designee to perform the full range of essential functions of a position in a higher job code shall receive compensation at a higher salary if all of the following conditions are met:

(1) The assignment shall be in writing with copies to the Department of Human Resources and Controller.
(2) The assignment shall conform to all Civil Service Commission Rules, policies and procedures.
(3) The position to which the employee is assigned must be a budgeted position.
(4) The employee is assigned to perform the duties of a higher job code for longer than eleven (11) consecutive working days; after which acting assignment pay shall be retroactive to the first day of the assignment.

a. If each of the above criteria are met, and upon written approval by the Department Head, an employee shall be paid one full salary step adjustment (approximately 5%) but which does not exceed the maximum step of the salary grade of the job code to which temporarily assigned. Premiums based on percent of salary shall be paid at a rate which
b. Requests for classification or reclassification review shall not be governed by this provision.

SECTION 5. SUPERVISORY DIFFERENTIAL ADJUSTMENT

The Appointing Officer may adjust the compensation of a supervisory employee whose compensation grade is set herein subject to the following conditions:

1. The supervisor, as part of the regular responsibilities of his/her job code, supervises, directs, is accountable for and is in responsible charge of the work of a subordinate or subordinates.

2. The supervisor must actually supervise the technical content of subordinate work and possess education and/or experience appropriate to the technical assignment.

3. The organization is a permanent one approved by the Appointing Officer, Board or Commission, where applicable, and is a matter of record based upon review and investigation by the Department of Human Resources.

4. The job codes of both the supervisor and the subordinate are appropriate to the organization and have a normal, logical relationship to each other in terms of their respective duties and levels of responsibility and accountability in the organization.

5. The compensation grade of the supervisor is less than one full step (approximately 5%) over the compensation grade, exclusive of extra pay, of the employee supervised. In determining the compensation grade of a job code being paid a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation grade the top step of which is closest to the flat rate so converted shall be deemed to be the compensation grade of the flat rate job code.
The adjustment of the compensation grade of the supervisor shall not exceed 5% over the compensation, exclusive of extra pay, of the employee supervised. If the application of this section adjusts the compensation grade of an employee in excess of his/her immediate supervisor, whose job code is also covered by this Ordinance the pay of such immediate supervisor shall be adjusted to an amount $1.00 bi-weekly in excess of the base rate of his/her highest paid subordinate, provided that the other applicable conditions of this section are also met.

In no event will the Appointing Officer approve a supervisory salary adjustment in excess of two (2) full steps (approximately 10%) over the supervisor's current basic compensation. If in the following fiscal year a salary inequity continues to exist, the Appointing Officer may again review the circumstances and may grant an additional salary adjustment not to exceed two (2) full steps (approximately 10%).

The compensation adjustment is retroactive to the date the employee became eligible, but not earlier than the beginning of the current fiscal year.

The Human Resources Department shall review any changes in the conditions or circumstances that were and are relevant to the request for salary adjustment under this section.

SECTION 6. SEVERANCE PAY (FOR MANAGEMENT UNREPRESENTED EMPLOYEES):

When an exempt employee covered by this Ordinance is involuntarily removed or released from employment, the Appointing Officer will endeavor to inform the employee at least thirty (30) calendar days before his/her final day of work. Where the Appointing Officer fails or declines to inform the employee a full thirty
(30) days in advance, the exempt employee shall receive pay in lieu of the number of days less than thirty (30) upon which s/he was informed.

(2) In addition to paragraph (1), when an exempt employee covered by this Ordinance is involuntarily removed or released from employment with ten (10) or more years of continuous City Service, the employee shall also receive one month’s severance pay in exchange for a release signed by the employee of any and all claims arising under this Ordinance that the employee may have against the City including any officer or employee thereof. This release shall also include a waiver of any rights the employee may have to return to City employment e.g., holdover roster. This release does not affect claims or rights an employee may have independent of this Ordinance such as those rights arising under state or federal law.

(3) In the event an exempt employee covered by this Ordinance is involuntarily returned to a permanent job code, that employee may elect to separate from City Service and shall receive one month’s severance pay in exchange for a release signed by the employee of any and all claims arising under this Ordinance that the employee may have against the City including any officer or employee thereof. This release shall also include a waiver of any rights the employee may have to return to City employment e.g., holdover roster. This release does not affect claims or rights an employee may have independent of this Agreement such as those rights arising under state or federal law.

SECTION 7. BILINGUAL PAY

A "designated bilingual position" is a position designated by the department subject to approval by the Human Resources Department, which requires translation services consisting of translating to and from a foreign language including, sign language for the
hearing impaired and Braille for the visually impaired.

An employee in a designated bilingual position who routinely and consistently provides more than forty (40) hours per pay period of translation services will receive a bilingual premium of sixty dollars ($60.00) per pay period.

An employee in a designated bilingual position who routinely and consistently provides more than ten (10) but less than forty (40) hours per pay period of translation services will receive a bilingual premium of forty dollars ($40.00) per pay period.

SECTION 8. PREMIUM PAY

All premiums and additional forms of compensation described in this ordinance shall be paid only for actual hours worked.

There shall be no pyramiding of premiums for purposes of compensation calculations. Each premium shall be calculated on the base wage rate exclusive of any and all premiums, benefits and other forms of additional compensation.

SECTION 9. APPOINTMENT AND ADVANCEMENT THROUGH SALARY STEPS

Appointing Officers may appoint employees to any step, at any time, in the salary grade which does not exceed the maximum of the salary grade. If there are no steps within the salary grade, the Appointing Officer may appoint employees to any place within the grade at any time, providing that the placement does not exceed the salary grade maximum.

Employees who enter below the salary grade maximum may advance one step following completion of the one year required service. Further increments may accrue following completion of the required service at this step and at each successive step.

An employee’s scheduled step increase may be denied if the employee’s performance has been unsatisfactory to the City. The denial of a step increase is subject to the grievance procedure; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
SECTION 10. METHODS OF CALCULATION

(1) Bi-Weekly. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for his/her position for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

(2) Per Diem or Hourly. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay grade. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

SECTION 11. WORK SCHEDULES

(1) REGULAR WORK SCHEDULES

a. Regular Work Day. Unless otherwise provided, a regular workday is a tour of duty of eight (8) hours of work completed within not more than twenty-four (24) hours.

b. Regular Work Week. The Appointing Officer shall determine the work schedule for employees in his/her department. A regular workweek is a tour of duty of five (5) worked days within a seven day period. However, employees who are moving from one shift or one work schedule to another may be required to work in excess of five working days in conjunction with changes in their work shifts or schedules.

Employees shall receive no compensation when properly notified (2-hour notice) that work applicable to the job code is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances.

Employees who are not properly notified and report to work and are informed no work
applicable to the job code is available shall be paid for a minimum of two (2) hours. Employees who have been designated by their department as emergency personnel must report to work as scheduled unless otherwise notified by the Appointing Officer or designee. Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of two (2) hours, and for hours actually worked beyond two (2) hours, computed to the nearest one-quarter hour.

(2) NIGHT DUTY

Employees, exclusive of employees in job codes which are exempt from the Fair Labor Standards Act, who, as part of their regularly scheduled work shift, are required to work any hours between (five) 5:00 p.m. and (seven) 7:00 a.m. shall receive a premium of $1.25 per hour in addition to their straight time hourly base rate of pay for any and all hours worked between (five) 5:00 p.m. and (seven) 7:00 a.m. Excluded from this provision are those employees who participate in an authorized flex-time program where the work shift includes hours to be worked between the hours of (five) 5:00 p.m. and (seven) 7:00 a.m. Day shift employees assigned to work during the night duty premium hours are not eligible for night duty premium. Payment of this premium shall be made for actual hours worked.

(3) ALTERNATE WORK SCHEDULES

The Appointing Officer may enter into cost equivalent alternate work schedules for some or all employees. Such alternate work schedules may include, but are not limited to, core hours flex-time; full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on five (5) day, forty (40) hour a week schedules.
1 (4) VOLUNTARY REDUCED WORK WEEK

Employees subject to the approval by the Appointing Officer may voluntarily elect to work a reduced work week for a specified period of time. Such reduced work week shall not be less than twenty (20) hours per week. Pay, vacation, holidays and sick pay shall be reduced in accordance with such reduced work week.

SECTION 12. STANDBY PAY AND PAGER PAY

Employees who, as part of the duties of their positions are required by the Appointing Officer to standby when normally off duty to be instantly available to be called in for immediate emergency service for the performance of their regular duties, shall be paid ten (10) percent of their regular straight time rate of pay for the period of such standby service when outfitted by the department with an electronic paging device and/or cell phone. When such employees are called to perform their regular duties in emergencies during the period of such standby service, they shall be paid while engaged in such emergency service the usual rate of pay for such service.

The provisions authorizing standby pay do not apply to job codes designated by a “Z” symbol.

SECTION 13. CALL BACK

Employees (except those at remote locations where City supplied housing has been offered, or who are otherwise being compensated) who are called back to their work locations following the completion of his/her work day and departure from his/her place of employment, shall be granted a minimum of four (4) hours pay at the applicable rate or shall be paid for all hours actually worked at the applicable rate, whichever is greater. This section shall not apply to employees who are called back to duty when on stand-by status. Notwithstanding the general provisions of this section, call back pay shall not be allowed in job codes designated by a "Z" symbol.
SECTION 14. OVERTIME COMPENSATION

(1) Subject to sub-paragraphs 2-4 below, the Appointing Officer may require employees to work longer than the regular work day or the regular work week. Any time worked by an employee with proper authorization, exclusive of part-time employees, in excess of forty (40) hours actually worked during a regular work week shall be designated as overtime and shall be compensated at one-and-one-half times the base hourly rate. For the purposes of calculating overtime compensation, an employee’s base hourly rate may include certain premiums for those hours actually worked at the premium rate.

(2) Employees working in job codes that are designated as having a regular work week of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified regular hours until they exceed forty (40) hours per week. Overtime shall be calculated and paid on the basis of the total number of straight time hours actually worked in a week. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.

(3) Employees in non "Z" designated job codes who are required to work overtime shall be paid at a rate of one and one-half times their regular base rate. An employee may elect to accrue Compensatory Time Off (CTO) in lieu of overtime, provided that the Appointing Officer approves of such election. In no instance may an employee accrue more than two hundred forty (240) hours of CTO.

(4) Employees in job codes designated by a "Z" symbol shall not be paid for overtime worked but may earn CTO at the rate of one hour for each hour worked in excess of 40 hour/week. The maximum amount of CTO that may be accrued is two hundred forty (240) hours. In lieu of accruing CTO during the fiscal year,
unrepresented department heads, the 1283 Director of Employee Relations and employees in AB44 Confidential Chief Attorney II shall have the same executive leave benefit applicable to employees in job codes assigned to the EM Unit. In lieu of accruing CTO during the fiscal year, employees in the 1282 Manager Employee Relations classification shall have the same administrative leave benefit applicable to employees in job codes assigned to the M Unit.

SECTION 15. FAIR LABOR STANDARDS ACT

To the extent that this Ordinance fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, this Ordinance authorizes and directs all City Departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act Benefits.

SECTION 16. HOLIDAYS

Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

January 1 (New Year's Day)
the third Monday in January (Martin Luther King, Jr.'s Birthday)
the third Monday in February (President's Day)
the last Monday in May (Memorial Day)
July 4 (Independence Day)
the first Monday in September (Labor Day)
the second Monday in October (Columbus Day)
November 11 (Veteran's Day)
Thanksgiving Day
the day after Thanksgiving
December 25 (Christmas Day)
Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.

In addition, included shall be any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.

The City shall accommodate religious belief or observance of employees as required by law.

Employees are entitled to four (4) floating holidays totaling thirty-two (32) hours (prorated for eligible part-time employees), in each fiscal year to be taken on days selected by the employee subject to prior scheduling approval of the Appointing Officer. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, intermittent or seasonal basis shall not receive the additional floating holidays. Floating holidays may be taken in hourly increments up to and including the number of hours contained in the employee’s regular shift. Floating holidays may be carried forward from one fiscal year to the next. The number of floating holidays carried forward to a succeeding fiscal year may not exceed the total number of floating holidays received in the previous fiscal year. No compensation of any kind shall be earned or granted for floating holidays not taken.

Employees who have established initial eligibility for floating holidays and subsequently separate from City employment, may at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken off. In addition, in lieu of base wage increases reflecting the wage concessions described in Section 2, employees shall receive a one-time additional twelve (12) floating holidays. However, these twelve (12) floating holidays will be awarded on a quarterly basis (i.e., floating holidays will be allotted in first full pay period beginning July 1st, October 2nd,
January 8th, and April 16th of the fiscal year). The parties agree that employees may be
required to take no more than five of the floating holidays for the four working days between
December 25, 2011 and January 1, 2012, and one day for the day prior to Thanksgiving
2011, if and when the City implements Minimum Staffing Days for a covered employee’s
work location. Notwithstanding other limitations in this section, any unused floating holidays
accrued from July 1, 2010 through June 30, 2012 may be carried over to be used in fiscal
year 2012.

During fiscal year 2011-2012, floating holidays must be used before vacation days are
taken; provided however that this limitation (i.e., use of floating holidays before vacation) will
not apply in cases in which use of the floating holiday will cause a loss of vacation due to the
accrual maximums. Except for days taken during Minimum Staffing days, floating holidays
are to be scheduled per mutual agreement, based on operational needs of the department.

For those employees assigned to a work week of Monday through Friday, and in the
event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday;
provided, however, that except where the Governor declares that such preceding Friday
shall be a legal holiday, each department head shall make provision for the staffing of public
offices under his/her jurisdiction on such preceding Friday so that said public offices may
serve the public as provided in the Administrative Code (Section 16.4). Those employees
who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday
shall be allowed a day off in lieu thereof as scheduled by the Appointing Officer in the
current fiscal year. The City shall provide one week’s advance notice to employees
scheduled to work on the observed holiday, except in cases of unforeseen operational
needs.

SECTION 17. HOLIDAY COMPENSATION FOR TIME WORKED

Employees required by their respective Appointing Officer to work on any of the above-
specified or to substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours pay for eight (8) hours worked or a proportionate amount if less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the Appointing Officer, an employee may be granted compensatory time off in lieu of paid overtime.

Employees occupying positions which are exempt from the FLSA (Executive, Administrative and Professional) shall not receive extra compensation for holiday work but may be granted time off at the discretion of the Appointing Officer.

SECTION 18. HOLIDAYS FOR EMPLOYEES ON WORK SCHEDULES OTHER THAN MONDAY THROUGH FRIDAY

(1) Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off.

(2) Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

(3) Employees required to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day. Holiday compensation shall not then be additionally paid for work on the Friday preceding a Saturday holiday, nor on the Monday following a Sunday holiday.

(4) Sections (2) and (3) above shall apply to part-time employees on a pro-rata basis. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The
designation of such days off shall be by mutual agreement of the employee and
the appropriate employer representative. Such days off must be taken within
the fiscal year. In no event shall the provisions of this section result in such
employee receiving more or less holidays than an employee on a Monday
through Friday work schedule.

SECTION 19. HOLIDAY PAY FOR EMPLOYEES LAID OFF

An employee who is laid off at the close of business the day before a holiday who has
worked not less than five (5) previous consecutive workdays shall be paid for the holiday at
their normal rate of compensation.

SECTION 20. EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION

Persons employed for holiday work only, or persons employed on a part-time work
schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons
employed on an intermittent part-time work schedule (not regularly scheduled), or persons
employed on as-needed, seasonal or project basis for less than six (6) months continuous
service, or persons on leave without pay status both immediately preceding and immediately
following the legal holiday shall not receive holiday pay.

SECTION 21. PART-TIME EMPLOYEES ELIGIBLE FOR HOLIDAYS

Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly
pay period shall be entitled to holiday pay on a proportionate basis.

Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in
a bi-weekly pay period, therefore, part-time employees, as defined in the immediately
preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours
regularly worked in a bi-weekly pay period. Holiday time off shall be determined by
calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period
immediately preceding the pay period in which the holiday falls. The computation of holiday
time off shall be rounded to the nearest hour.

   The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

SECTION 22. IN-LIEU HOLIDAYS

(1) Requests for in-lieu holidays shall be made to the appropriate management representative within thirty (30) days after the holiday is earned and must be taken within the fiscal year.

(2) In-lieu holidays will be assigned by the Appointing Officer or designee if not scheduled in accordance with the procedures described herein.

(3) An in-lieu holiday can be carried over into the next fiscal year only with the written approval of the Appointing Officer.

SECTION 23. PROBATIONARY PERIODS

Probationary periods shall be defined and administered by the Civil Service Commission. All permanent appointees shall serve a minimum of 2,080 hours probationary period.

   A probationary period may be extended by mutual written agreement between the employee and the Appointing Officer.

SECTION 24. HEALTH AND WELFARE AND DENTAL COVERAGE

1. EMPLOYEE HEALTH CARE COVERAGE

   The City’s contribution to employee health care coverage will be set in accordance with the requirements of Charter Sections A8.423 and A8.428.

2. MEDICALLY SINGLE EMPLOYEES

   (For Informational Purposes Only)

   Effective July 1, 2011 For fiscal year 2011-12 and thereafter, for employees enrolled in the
City Plan in the medically-single/Employee-Only category, the City’s contribution will be capped at an amount equivalent to the cost of the second-highest cost plan for medically-single/Employee-Only enrollees. Employees who elect to enroll in the City Plan in this category must pay the difference between the capped amount of the City Plan described above and the cost of City Plan coverage in the medically-single/Employee-Only category.

3. DEPENDENT HEALTH CARE COVERAGE

(A) The City’s contribution for dependent health care coverage for Miscellaneous Unrepresented employees shall be $225.00 per covered employee per month. In the event that the cost of dependent care increases, the City will adjust contribute its pick-up level up to 75% of the cost of the City’s least expensive medical plan’s dependent health care medical costs charged to the employee for the employee plus two or more dependents category. For “medically single” employees, i.e., benefited employees not receiving the contribution paid by the City for dependent health care benefits, the City shall contribute all of the premium for the employee’s own health care benefit coverage.

(B) The City’s contribution for Management Unrepresented employees to the Flexible Benefits Plan shall be the greater amount of $225.00 per covered employee per month or 75% per covered employee per month of the dependent rate charged to employees for Kaiser coverage at the dependent plus two or more level. ordinance.

5. NOTICE OF EXPECTED CHANGE IN RATES FOR DEPENDENT MEDICAL COVERAGE AND DENTAL COVERAGE DURING FISCAL YEAR 2012-2013

In light of the City's financial condition, the City expects to advance legislation in fiscal year 2012-13 to reduce the City's dependent health care and dental coverage costs. The City will notify employees subject to this Ordinance of the terms of such expected legislation in or before May 2012. The expected legislation may include one or more of the following, or other, changes:

a) Convert the "75% of Kaiser" number to a flat-rate amount;

b) Create a separate "75% of Kaiser" number for the employee-plus-one dependent care category;

c) Modify dental coverage such that employees who enroll in the Delta Dental PPO plan will make a bi-weekly premium contribution as follows:

   $2.31 bi-weekly: employee only
   $4.62 bi-weekly: employee + 1 dependent
   $6.92 bi-weekly: employee + 2 or more dependents

d) Replace all references to "75% of Kaiser" to "75% of the City's least expensive medical plan's dependent health care medical costs."

Except for classifications 1280-1283, inclusive, and classification 1293, for the duration of this Ordinance, the City shall pick-up the full amount of the employees' portion of their retirement contribution at the current rate.

The parties acknowledge that the San Francisco Charter establishes the levels, terms
and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that the Ordinance does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.

Any City pick-up of an employee's retirement contribution, shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

SECTION 26. PRE-RETIREMENT PLANNING SEMINAR

Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

All such seminars must be located within the Bay Area.

This section shall not be subject to the grievance procedure.

SECTION 27. WORKER'S COMPENSATION AND RETURN TO WORK

The City will make a good faith effort to return employees who have sustained an occupational injury or illness to temporary modified duty within the employee's medical restriction. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's job code. Where appropriate modified duty is not available within the employee's job code, on
the employee's regular shift, and in the employee's department, the employee may be
temporarily assigned pursuant to this section to work in another job code, on a different shift,
and/or in another department, subject to the approval of the Appointing Officer or designee.
The decision to provide modified duty and/or the impact of such decisions shall not be
subject to grievance or arbitration. Modified duty assignments may not exceed three (3)
months. An employee assigned to a modified duty assignment shall receive their regular
base rate of pay and shall not be eligible for any other additional compensation (premiums)
and/or out of job code assignment pay as may be provided under this Ordinance.

Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability
Insurance, may request that the amount of disability indemnity payment be supplemented
with salary to be charged against the employee's accumulated unused sick leave with pay
credit balance at the time of disability, compensatory time off, or vacation, so as to equal the
normal salary the employee would have earned for the regular work schedule. Use of
compensatory time requires the employee's Appointing Officer's approval.

An employee who wishes not to supplement, or who wishes to supplement with
compensatory time or vacation, must submit a written request to the Appointing Officer or
designee within seven (7) calendar days following the first date of absence. Disability
indemnity payments will be automatically supplemented with sick pay credits (if the
employee has sick pay credits and is eligible to use them) to provide up to the employee's
normal salary unless the employee makes an alternative election as provided in this section.

Employee supplementation of workers compensation payment to equal the full salary
the employee would have earned for the regular work schedule in effect at the
commencement of the workers compensation leave shall be drawn only from an employee's
paid leave credits including vacation, sick leave balance, or other paid leave as available.
An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.

Salary may be paid on regular time-rolls and charged against the employee’s sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

This section clarifies and supersedes any conflicting provisions of the Civil Service Commission Rules which are within the Charter authority of the Board of Supervisors.

SECTION 28. STATE DISABILITY INSURANCE (SDI) COVERAGE
