11
12 Section 1. Findings.

13 (a) The Planning Department is able to recover the cost of long range planning
14 through its building permit review, CEQA (California Environmental Quality Act, California
15 Public Resources Code Sections 21000 et seq.) review, and land use entitlement fees.

16 (b) The current fee structure is set to recover a portion of long range planning cost
17 through said fees, but the cost of long range planning, which includes historic preservation
18 survey and designation work, is increasing beyond the annual cost of living adjustment.

19 (c) It is in the public interest for the private project sponsor to reimburse the City for
20 the benefit he or she derives as a consequence of public supported planning.

21 (d) Environmental Finding. The Planning Department has determined that the
22 proposed fee adjustments are statutorily excluded from CEQA under the CEQA Guidelines
23 Section 15273(a), which exempts rates, tolls, fares and charges such as those proposed here.
24 Said determination is on file with the Clerk of the Board of Supervisors in File No. 110706 and
25 is incorporated herein by reference.
