Ordinance amending the San Francisco Administrative Code by adding Section 16.17 to allow the City and County of San Francisco to use time-limited paid administrative leave for its employees under certain circumstances.

Be it ordained by the People of the City and County of San Francisco:

The San Francisco Administrative Code is hereby amended by adding Section 16.17 to read as follows:

SEC. 16.17. PAID ADMINISTRATIVE LEAVE.

(a) Appointing Officers, as defined in Administrative Code Section 2A.30, in the City and County of San Francisco are authorized, but not required, to place any City employee in their department on paid administrative leave under the following circumstances:

(1) When the City has initiated an investigation relating to an employee's conduct, and the Appointing Officer determines that the employee should be placed on leave during some or all of the investigation in order to protect the legitimate interests of the City, including but not limited to, potential interference with the effectiveness of the investigation, or potential harm to employees, to the public interest or to the operation of the City, for a period of time beginning not earlier than the start of the investigation and ending not later than the date the investigation is completed, subject to a maximum of thirty (30) calendar days:

(2) When the City requires an employee to submit to drug and/or alcohol testing pursuant to the terms of a City or departmental policy, a Memorandum of Understanding between the City and a recognized employee organization, or local, state or federal law, for the period of time...
between the date the City directs the employee to submit to such testing until the employee refuses such testing or the testing is completed and the City is advised of the results of the testing, subject to a maximum of thirty (30) calendar days;

(3) When the City medically removes an employee pursuant to standards set forth by the California Occupational Safety and Health Administration in Title 8 of the California Code of Regulations;

(4) When the City requires an employee to undergo a fitness for duty examination pursuant to Civil Service Rules 116, 216, 316, 416, or any similar successor rules, for up to the period of time from the date the City directs the employee to undergo a fitness for duty examination until: (i) the date the examination is completed and the City is notified by the examining physician whether the employee is fit for duty; or (ii) the date the employee refuses examination. Paid administrative leave under this subsection is subject to a maximum of thirty (30) calendar days. In the event that the examining physician does not notify the City that the employee is fit for duty on the day of the examination, the Appointing Officer shall place the employee on compulsory sick leave pursuant to the Civil Service Rules starting on the business day following the examination. Should the examining physician thereafter declare the employee fit for duty, the City shall restore any sick leave deducted between the date of the examination and the date the City is so notified or, in the event the employee has no accrued sick leave, any lost compensation for the same period.

(b) While an employee is on paid administrative leave the employee shall receive the compensation he or she would have earned if the employee had worked during the same period, without the inclusion of overtime earnings or special pay.

(c) The Appointing Officer shall have the discretion to remove an employee from paid administrative leave at any time during the period of paid administrative leave.

(d) Subject to the prior written approval of the Director of the Department of Human Resources, the Appointing Officer may extend paid administrative leave one (1) time consistent with
this Section for no more than an additional thirty (30) calendar days. For Service Critical Employees
employed by the Municipal Transportation Agency, the Director of the Municipal Transportation
Agency may extend paid administrative leave one (1) time consistent with this Section for no more than
an additional thirty (30) calendar days. Under no circumstances may an employee be on paid
administrative leave for more than sixty (60) calendar days relating to the same incident.

(e) The City's ability to place employees on paid administrative leave under this section is in
addition to, not in lieu of, its right to place employees on unpaid administrative leave under Charter
Section A8.341, or any similar successor Charter Section. The City may elect to place an employee on
paid or unpaid administrative leave as permitted under this Section or under Charter Section A8.341.
Further, the City may place an employee on paid administrative leave either before or after the
employee is placed on unpaid administrative leave.

(f) Nothing herein shall limit or prohibit compliance with the regulations of the California
Occupational Safety and Health Administration in Title 8 of the California Code of Regulations.
