For purposes of this Section, where a Contractor fails to pay at least the Prevailing Rate of Wages to individuals performing Janitorial Services under a Contract for Janitorial Services, the Contractor shall have "cured the violation" once the Contractor reimburses such individuals by paying each individual the balance of what he or she should have earned in accordance with the requirements of this Section. (c) Transition Employment Period. All Leases, Management Agreements, or Other Contractual
Arrangements covered by this Section shall impose the following obligations on the Contractor for
Employees who work at least 15 hours per week

(1) Where the Contracting Officer has given notice that a Lease, Management Agreement, or
Other Contractual Arrangement has been terminated or ended, or where a Contractor has given notice
of such termination, upon giving or receiving such notice, as the case may be, the terminated or ending
Contractor shall, within ten days thereafter, provide to the successor Contractor, the name, date of
hire, and employment-occupation classification of each Employee who work at least 15 hours per-week
employed at the site or sites covered by the prospective Contractor at the time of the Lease;
Management Agreement, or Other Contractual Arrangement termination. This provision shall also apply to the subcontractors of the terminated Contractor.

If the terminated Contractor has not learned the identity of the successor Contractor, if any, by the time that notice was given of the Lease, Management Agreement, or Other Contractual Arrangement termination, the terminated Contractor shall obtain such information from the Contracting Officer. If a successor Contractor has not been awarded by the end of the 10-day period, the employment information referred to earlier in this subsection shall be provided to the Contracting officer at such time. Where a subcontractor has been terminated prior to the termination of the Contract, the terminated Subcontractor shall for the purposes of this Section be deemed a terminated Contractor.

(2) A successor Contractor shall retain, for a 90-day transition employment period, Employees who have worked at least 15 hours per week and have been employed by the terminated Contractor or its subcontractors, if any, for the preceding twelve months or longer at the site or sites covered by the Lease, Management Agreement, or Other Contractual Arrangement, providing that just cause does not exist to terminate such Employee. The predecessor contractor's Employees who worked at least 15 hours per week shall be employed in order of their seniority with the predecessor. This requirement shall be stated by the City in all initial bid packages involving Leases, Management Agreements, or Other Contractual Arrangements governed by this section.

(3) If at any time a successor Contractor determines that fewer Employees are required to perform the new Contract than were required by the terminated Contractor (and subcontractors, if any), the successor Contractor shall retain Employees by seniority within job classification.

(4) During such 90-day period the successor Contractor (or subcontractor, where applicable) shall maintain a preferential hiring list of eligible covered Employees not retained by the successor Contractor (or subcontractor) from which the successor Contractor (or subcontractor) shall hire additional Employees.
(5) Except as provided in Subsection (3) of above, during such 90-day period, the successor Contractor (or subcontractor, where applicable) shall not discharge without cause an Employee retained pursuant to this Section. "Cause," for this purpose, shall include, but not be limited to, the Employee's conduct while in the employ of the terminated Contractor or subcontractor that contributed to any decision to terminate the Contract or subcontract for fraud or poor performance, excluding permissible union-related activity.

(6) At the end of such 90-day period, a successor Contractor (or subcontractor, where applicable) shall perform a written performance evaluation for each Employee retained pursuant to this Section. If the Employee's performance during such 90-day period is satisfactory, the successor Contractor (or subcontractor) shall offer the Employee continued employment under the terms and conditions established by the successor Contractor (or subcontractor) or as required by law.

(i) The average regular rate of pay received by the Employee during the last three years of the Employee's employment in the same occupation classification; or

(ii) The final regular rate received by the Employee;

(2) If the Employee is the prevailing party in any such legal action, the Court shall award reasonable attorney's fees and costs as part of the costs recoverable.
(3) This Section is not intended to create a private right of action against the City and County of San Francisco.

(4) Successor's Prior Employees. Notwithstanding the provisions of Subsection (e) above, a successor Contractor or subcontractor may replace an Employee otherwise entitled to be retained pursuant to this Section with a person employed by the Contractor or subcontractor continuously for twelve months prior to the commencement of the successor Contract or subcontract in a capacity similar to that proposed under the successor Contract or subcontract. This Section shall apply only where the existing Employee of the successor Contractor or subcontractor would otherwise be laid off work as a result of the award of the successor contract.

(e) Nonecompliance with Wage Provisions; Termination; Penalty. Where the Contracting Officer determines that a Contractor for the operation of a public off-street parking lot, garage, or automobile storage facility may have violated the prevailing wage requirements of this Section, the Contracting Officer shall send written notice to the Contractor of the possible violation (a "violation notice"). In addition to and without prejudice to any other remedy available, the Contracting Officer may terminate the Lease, Management Agreement, or Other Contractual Arrangement, in which case the Contractor shall not be entitled to any additional payment thereon unless within 30 days of receipt of the violation notice the Contractor has either (i) cured the violation or (ii) has established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a Contractor fails to pay at least the Prevailing Rate of Wages to Employees working in public off-street parking lots or garages, the Contractor shall have "cured the violation" once the Contractor reimburses such Employees by paying each individual the balance of what he or she should have earned in accordance with the requirements of this Section. In addition to, or instead of terminating the Lease, Management Agreement, or Other Contractual Arrangement, where the Contracting Officer finds that the Contractor has willfully violated the requirements of this Section, the
Contracting Officer shall assess a penalty (a "willful violation penalty") in the sum of $50 per day for each Employee for each day the Contractor or Subcontractor fails to pay the Prevailing Rate of Wages, such sums to be deposited in the fund out of which the Lease, Management Agreement, or Other Contractual Arrangement is awarded. The Contracting Officer shall impose such willful violation penalty regardless of whether the Contractor has cured the violation.

(f) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this Section, if a Lease, Management Agreement, or Other Contractual Arrangement conflicts with an existing collective bargaining agreement to which a Contractor is a party, the collective bargaining agreement shall prevail. However, the Contractor will be obligated to make good faith efforts to comply with the requirements of its Lease, Management Agreement, or Other Contractual Arrangement that do not conflict with the collective bargaining agreement:

(g) (c) Preemption. Nothing in this Section shall be interpreted or applied so as to create any power or duty in conflict with any federal or state law.

(h) (d) Effective Date and Application. This Section shall become effective 30 days after it is enacted, is intended to have, prospective effect only, and shall not be interpreted to impair the obligations of any pre-existing Lease, Management Agreement, or Other Contractual Arrangement to which the City and County of San Francisco is a party, unless such pre-existing Lease, Management Agreement, or Other Contractual Arrangement has been amended after the effective date of this Section.

(i) (e) Public Entities with Coterminous Boundaries with the City and County of San Francisco. (4) "Contractor" shall mean any Person who submits a bid and/or enters into a Contract with the City for the hauling of solid waste generated by the City in the course of City operations.

(5) "Employee" shall mean any individual engaged in the hauling of solid waste generated by the City in the course of City operations, for a Contractor or Subcontractor. For purposes of this Section, "Employee" shall not include a Person who (a) is a managerial, supervisory, or confidential employee, including those employees who would be so defined under the Fair Labor Standards Act; or (b) does not possess or has not maintained a required occupational license.

(6) (2) "Hauling" of solid waste shall mean collection and transport of solid waste generated by the City in the course of City operations. For purposes of this Section, "hauling"
shall not include "solid waste disposal" or "disposal" as defined in Section 40192 of the California Public Resources Code.

(7) "Person" shall mean any individual, proprietorship, partnership, joint venture, corporation, limited liability company, trust, association, or other entity that may employ individuals or enter into contracts, or any combination thereof.

(8) (3) "Prevailing Rate of Wages" shall mean that rate of compensation as determined in Section 21C.7, including fringe benefits or the matching equivalents thereof, being paid to a majority of workers engaged in the hauling of solid waste, if a majority of such workers are paid at a single rate; if there is no single rate being paid to a majority, then the prevailing rate shall be that single rate being paid to the greatest number of workers.

(9) (4) "Solid Waste" shall mean "solid waste" as defined in Section 40191 of the California Public Resources Code and includes material collected for "recycling" as defined in Section 40180 of the California Public Resources Code.

(10) "Subcontract" shall mean any agreement under or subordinate to a prime Contract.

(11) "Subcontractor" shall mean any Person who enters into a Subcontract with a Contractor.

(b) Prevailing Wage Rate Requirements:

(1) Basic Prevailing Wage Rate Requirement.—Every Contract awarded by the City for the hauling of solid waste generated by the City in the course of City operations must require that any Employee engaged in the hauling of solid waste be paid not less than the Prevailing Rate of Wages, including fringe benefits or the matching equivalents thereof, paid in private employment for similar work in the area in which the Contract is being performed.

(2) Contractual Provision Concerning Prevailing Wage Rate Requirement.—All Contracts subject to this Section shall include a provision in which the Contractor agrees to comply.
with, and to require Subcontractors to comply with, the prevailing wage rate requirement imposed by this Section.

(3) Determination of Prevailing Rate of Wages. It shall be the duty of the Board of Supervisors, from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate of Wages paid in private employment in the City for individuals engaged in the hauling of solid waste, including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages shall be fixed and determined as follows:

The Civil Service Commission shall furnish to the Board of Supervisors, within 15 days after the effective date of this Section, and on or before the first Monday in November of each year, data as to the Prevailing Rate of Wages for individuals engaged in the hauling of solid waste, including such rate of wages paid for overtime and holiday work, and the Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing Rate of Wages for individuals engaged in the hauling of solid waste, including such rate of wages paid for overtime and holiday work, as paid for similar work in the City in private employment. Such Prevailing Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force and shall be deemed to be the Prevailing Rate of Wages paid in private employment for similar work, until the same is changed by the Board of Supervisors.

In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission, but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper and thereupon base its determination upon any or all of the data or evidence considered:

(4) Enforcement of Prevailing Wage Rate Requirements. Where the Contracting Officer determines that a Contractor for the hauling of solid waste, or a Subcontractor, may have violated the prevailing wage requirements of this Section, the Contracting Officer shall send written notice to the Contractor of the possible violation (a "violation notice"). In addition to and without prejudice to any
other remedy available, the Contracting Officer may terminate the Contract, in which case the Contractor shall not be entitled to any additional payment thereon unless within 30 days of receipt of the violation notice the Contractor has either (i) cured the violation or (ii) established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to Employees as required by this Section, the Contractor shall have “cured the violation” once the Contractor or Subcontractor reimburses such individuals by paying each individual the balance of what he or she should have earned in accordance with the requirements of this Section. In addition to, or instead of terminating the Contract, where the Contracting Officer finds that the Contractor has willfully violated the requirements of this Section, the Contracting Officer or the Labor Standards Enforcement Officer may assess a penalty (a “willful violation penalty”) of not more than 10 percent of the dollar amount of the Contract, such sums to be deposited in the fund out of which the Contract is awarded or, if none exists, the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose such willful violation penalty regardless of whether the Contractor has cured the violation.

(c) Worker Retention Requirements.

(1) Purpose. The City has an important proprietary interest in maintaining the stability of the workforce engaged by a Contractor in the hauling of solid waste generated by the City in the course of City operations. Turnover of experienced workers resulting from a change in the City’s Contractor jeopardizes the quality, efficiency, and cost-effectiveness of service provided to the City under the successor Contract.

(2) Worker Retention Requirements. All Contracts covered by this Section shall impose the following obligations on the Contractor for Employees who work at least 15 hours per week under the Contract.
(i) Where the Contracting Officer has given notice that a Contract has been terminated or ended, or where a Contractor has given notice of such termination, upon giving or receiving such notice, as the case may be, the terminated or ending Contractor shall, within ten days thereafter, provide to the successor Contractor, the name, date of hire, and employment-occupation-classification of each Employee who works at least 15 hours per week under the Contract. This provision shall also apply to the Subcontractors of the terminated Contractor.

If the terminated Contractor has not learned the identity of the successor Contractor, if any, by the time that notice was given of the Contract termination, the terminated Contractor shall obtain such information from the Contracting Officer. If a successor Contractor has not been awarded by the end of the 10-day period, the employment information referred to in subsection (c)(2)(i) shall be provided to the Contracting Officer at such time. Where a Subcontractor has been terminated prior to the termination of the Contract, the terminated Subcontractor shall for the purposes of this provision be deemed a terminated Contractor.

(ii) A successor Contractor shall retain, for a 90-day transition employment period, Employees who have worked at least 15 hours per week and been employed by the terminated Contractor or its Subcontractors, if any, for the preceding twelve months or longer under the Contract, providing that just cause does not exist to terminate such Employee. The predecessor Contractor's Employees who worked at least 15 hours per week shall be employed in order of their seniority with the predecessor. This requirement shall be stated by the City in all initial bid packages, Requests for Proposals, and Requests for Qualifications involving Contracts governed by this Section.

(iii) If at any time a successor Contractor determines that fewer Employees are required to perform the new Contract than were required by the terminated Contractor (and Subcontractors, if any), the successor Contractor shall retain Employees by seniority within the job classification.

(iv) During such 90-day period the successor Contractor (or Subcontractor, where applicable) shall maintain a preferential hiring list of eligible covered Employees not retained by the successor Contractor.
Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall hire additional Employees.

(v) — Except as provided in subsection (c)(2)(iii), during such 90-day period, the successor Contractor (or Subcontractor, where applicable) shall not discharge without cause an Employee retained pursuant to this Section. "Cause," for this purpose, shall include, but not be limited to, the Employee's conduct while in the employ of the terminated Contractor or Subcontractor that contributed to any decision to terminate the Contract or Subcontract for fraud or poor performance, excluding permissible union-related activity.

(vi) At the end of such 90-day period, a successor Contractor (or Subcontractor, where applicable) shall perform a written performance evaluation for each Employee retained pursuant to this Section. If the Employee's performance during such 90-day period is satisfactory, the successor Contractor (or Subcontractor) shall offer the Employee continued employment under the terms and conditions established by the successor Contractor (or Subcontractor) or as required by law.

(3) Contractual Provision Concerning Worker Retention Requirements. All Contracts subject to this Section shall include a provision in which the Contractor agrees to comply with, and to require Subcontractors to comply with, the obligations imposed by this Section.

(4) Enforcement of Worker Retention Requirements. An Employee who has not been hired or has been discharged in violation of this Section by a successor Contractor or its Subcontractor may bring an action in the Superior Court of the State of California, as appropriate, against the successor Contractor and, where applicable, its Subcontractor, and shall be awarded back pay, including the value of benefits for each day during which the violation continues, which shall be calculated at a rate of compensation not less than the higher of (i) the average regular rate of pay received by the Employee during the last three years of the Employee's employment in the same occupation classification or (ii) the final regular rate received by the Employee. If the Employee is the prevailing
party in any such legal action, the Court shall award reasonable attorney’s fees and costs as part of the

costs recoverable.

(5) Successor’s Prior Employees. Notwithstanding the provisions of subsection (e), a
successor Contractor or Subcontractor may replace an Employee otherwise entitled to be retained
pursuant to this Section with a person employed by the Contractor or Subcontractor continuously for
twelve months prior to the commencement of the successor Contract or Subcontract in a capacity
similar to that proposed under the successor Contract or Subcontract. This Section shall apply only
where the existing Employee of the successor Contractor or Subcontractor would otherwise be laid off
work as a result of the award of the successor Contract.

(d) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this
Section, if a Contract conflicts with an existing collective bargaining agreement to which a Contractor
or Subcontractor is a party, the collective bargaining agreement shall prevail. However, the
Contractor or Subcontractor will be obligated to make good faith efforts to comply with the
requirements of its Contract that do not conflict with the collective bargaining agreement.

(e) Preemption. Nothing in this Section shall be interpreted or applied so as to
create any power or duty in conflict with any federal or state law.

(f) No Cause of Action Against City. This Section is not intended to create a private right of
action against the City.

(g) Prospective Application. This Section is intended to have prospective effect
only, and shall not be interpreted to impair the obligations of any pre-existing Contract entered
into by the City. This Section shall only apply to Contracts entered into on or after the
effective date of this Section.

(h) Severability. If any part or provision of this Section, or the application thereof
to any Person or circumstance, is held invalid, the remainder of this Section, including the
application of such part or provisions to other Persons or circumstances, shall not be affected.
thereby and shall continue in full force and effect. To this end, the provisions of this Section are severable.

SEC. 21C.6. PREVAILING RATE OF WAGES REQUIRED IN CONTRACTS FOR MOVING SERVICES; NONPROFIT ORGANIZATIONS EXCLUSION.

(a) Prevailing Wage Requirement. Every Contract issued by the City and County of San Francisco for Moving Services to be performed at any facility owned or leased by the City and County of San Francisco, where such work is to be done directly under the contract awarded (a "prime contract") must require that any Individual Employee performing Moving Services thereunder be paid not less than the Prevailing Rate of Wages, including fringe benefits or the matching equivalents thereof, paid in private employment for similar work in the area in which the Contract is being performed.

(b) Exclusions. This Section shall not apply to the following:

(1) Non-profits. This Section shall not apply to a Contract where the Moving Services are to be performed by a non-profit organization that provides job training and work experience for disadvantaged individuals in need of such training.

(2) Prior Agreements. This Section shall not apply to agreements entered into before the effective date of this Section.

(3) Contracts for $1000 or less. This Section shall not apply to contracts for $1000 or less per moving service provider. Contracts may not be split for purposes of evading the requirements of this Section.

(c) Definitions. For purposes of this Section, the following definitions shall apply to the terms used herein:

(1) "Contract" shall mean an agreement for Moving Services to be performed at the expense of the City and County of San Francisco or to be paid out of moneys deposited in
the treasury or out of trust moneys under the control or collected by the City and County of
San Francisco.

(2) "Contracting Officer" shall mean any officer or employee of the City and County of
San Francisco authorized to enter into a Contract on behalf of the City and County of San Francisco.

(3) "Contractor" shall mean any Person who submits a bid and/or enters into a
Contract with the City and County of San Francisco.

(4) "Employee" shall mean any individual performing moving services as defined
herein. "Employee" does not include a person who is (a) a managerial, supervisory, or confidential
employee, including those employees who would be so defined under the Fair Labor Standards Act.

(5) "Moving Services" shall mean moving or handling of goods being
relocated under a contract for commercial moving services to relocate City offices, facilities
and institutions.

(6) "Non-profit" shall mean a non-profit corporation, duly organized, validly
existing and in good standing under the laws of the jurisdiction of its incorporation and (if a
foreign corporation) in good standing under the laws of the State of California, which
corporation has established and maintains a valid non-profit status under Section 501(c)(3) of
the United States Internal Revenue Code of 1986, as amended, and all rules and regulations
promulgated under such Section.

(6) "Person" shall include any individual, firm, proprietorship, partnership,
corporation or combination thereof.

(7) "Prevailing Rate of Wages" shall mean that rate of compensation as
determined in Section 2C.7, including fringe benefits or the matching equivalents thereof, being paid
to a majority of workers performing moving services, if a majority of such workers be paid at a single
rate; if there be no single rate being paid to a majority then the prevailing rate shall be that single rate
being paid the greatest number of workers.
(e) Determination of Prevailing Rate of Wage. It shall be the duty of the Board of Supervisors, from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate of Wages paid in private employment in the City and County of San Francisco for Moving Services, including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages shall be fixed and determined as follows:

The Civil Service Commission shall furnish to the Board of Supervisors, on or before the first Monday in November of each year, data as to the Prevailing Rate of Wages for Moving Services as paid in private employment in the City and County of San Francisco, including wages for overtime and holiday work. The Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing Rate of Wages for Moving Services, including such rate of wages for overtime and holiday work, as paid for similar work in the City and County of San Francisco in private employment. Such Prevailing Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force and shall be deemed to be the Prevailing Rate of Wages paid in private employment for similar work, until the same is changed by the Board of Supervisors.

In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission, but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper and thereupon base its determination upon any or all of the data or evidence considered.

(d) Noncompliance with Wage Provisions; Termination; Penalty. Where the Contracting Officer of the City's Labor Standards Enforcement Officer determines that a Contractor for Moving Services may have violated the prevailing wage requirements of this Section, the Contracting Officer or the City's Labor Standards Enforcement Officer shall send written notice to the Contractor of the possible violation (a "violation notice"). In addition to and without prejudice to any other remedy available, the Contracting Officer may terminate the contract, in which case the Contractor shall not be entitled to any additional payment thereon unless within 30 days of receipt of the violation notice the
Contractor has either (i) cured the violation or (ii) has established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a Contractor fails to pay at least the Prevailing Rate of Wages to individuals performing Moving Services under a Contract for Moving Services, the Contractor shall have "cured the violation" once the Contractor reimburses such individuals by paying each individual the balance of what he or she should have earned in accordance with the requirements of this Section. In addition to, or instead of terminating the Contract for Moving Services, where the Contracting Officer or the Office of Labor Standards Enforcement finds that the Contractor has willfully violated the requirements of this Section, the Contracting Officer or the City's Labor Standards Enforcement Officer shall assess a penalty (a "willful violation penalty") in the sum of $50 per day for each Employee for each day the Contractor or Subcontractor fails to pay the Prevailing Rate of Wages, such sums to be deposited in the fund out of which Contract is awarded. The Contracting Officer or the City's Labor Standards Enforcement Officer shall impose such willful violation penalty regardless of whether the Contractor has cured the violation.

(e) Verification. The Contractor must provide verification of compliance with the provisions of this Ordinance upon request by the Contracting Officer or the City's Labor Standards Enforcement Officer.

(f) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this Section, if a Contract conflicts with an existing collective bargaining agreement to which a Contractor is a party, the collective bargaining agreement shall prevail. However, the Contractor will be obligated to make good faith efforts to comply with the requirements of its Contract that do not conflict with the collective bargaining agreement.

(g) (d) Preemption. Nothing in this Section shall be interpreted or applied so as to create any power or duty in conflict with any federal or state law.
(e) **Effective Date and Application.** This Section shall become effective 30 days after it is enacted. This Section is intended to have prospective effect only, and shall not be interpreted to impair the obligations of any pre-existing agreement to which the City is a party, unless such pre-existing agreement has been amended after the effective date of this Section.

(f) **Severability.** If any part or provision of this Section, or the application thereof to any Person or circumstance, is held invalid, the remainder of this Section, including the application of such part or provisions to other Persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Section are severable.

Section 2. The San Francisco Administrative Code is hereby amended by adding Section 21C.7, to read as follows.

**SEC. 21C.7. STANDARD PROVISIONS GOVERNING THE PREVAILING RATE OF WAGES, WORKER RETENTION, AND USE OF EMPLOYEES FOR WORK UNDER CITY CONTRACTS FOR CERTAIN SERVICES.**

(a) **Prevailing Wage Requirement.** Every Covered Contract issued by the City and County of San Francisco must require that any Individual performing services thereunder be paid not less than the Prevailing Rate of Wages.

(b) **Definitions.** For purposes of this Section, the following definitions shall apply to the terms used herein.

1. “City” shall mean the City and County of San Francisco.

2. “Contracting Officer” shall mean any officer or employee of the City authorized to enter into a Covered Contract on behalf of the City.

3. “Contractor” shall mean any Person who submits a bid or proposal and/or enters into a Covered Contract.
(4) "Covered Contract" shall mean an agreement between the City and a Contractor for the following services:

(i) "Motor Bus Services" as defined in Section 21C.1, subject to the provisions of Section 21C.1;

(ii) "Janitorial Services" as defined in Section 21C.2;

(iii) "Public Off-Street Parking Lots, Garages, or Storage Facilities for Automobiles" as defined in Section 21C.3;

(iv) "Theatrical Services" as defined in Section 21C.4;

(v) "Solid Waste Generated By The City In Course of City Operations" as defined in Section 21C.5; and

(vi) "Moving Services" as defined in Section 21C.6.

(5) "Individual" shall mean any person who performs work under a Covered Contract.

(6) "Person" shall mean any individual, proprietorship, partnership, joint venture, corporation, limited liability company, trust, association, or other entity that may employ or hire individuals or enter into contracts.

(7) "Prevailing Rate of Wages" shall mean that rate of compensation, including fringe benefits or the matching equivalents thereof, being paid to a majority of workers engaged in the services for which a Covered Contract is entered into by the City and County of San Francisco, if a majority of such workers are paid at a single rate; if there is no single rate being paid to a majority, then the prevailing rate shall be that single rate being paid to the greatest number of workers.

(8) "Subcontract" shall mean any agreement under or subordinate to a prime Contract.

(9) "Subcontractor" shall mean any Person who enters into a Subcontract with a Contractor.

(c) Prevailing Wage Rate Requirements.
(1) **Determination of Prevailing Rate of Wages.** It shall be the duty of the Board of Supervisors, from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate of Wages paid in private employment in the City for Individuals engaged in services under Covered Contracts including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages shall be fixed and determined as follows:

The Civil Service Commission shall furnish to the Board of Supervisors on or before the first Monday in November of each year, data as to the Prevailing Rate of Wages for Individuals engaged in services under Covered Contracts including such rate of wages paid for overtime and holiday work, and the Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing Rate of overtime and holiday work, as paid for similar work in the City in private employment. Such Prevailing Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force and shall be deemed to be the Prevailing Rate of Wages paid in private employment for similar work, until the same is changed by the Board of Supervisors.

In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission, but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper and thereupon base its determination upon any or all of the data or evidence considered.

For purposes of this Section, the Civil Service Commission shall provide data on and the Board shall certify two components for each craft, classification, and type of work, which together shall be deemed the “Prevailing Rate of Wages”: (1) the basic hourly wage rate and (2) the hourly rate of each fringe benefit, which together equal the hourly prevailing rate of wages. The Civil Service Commission shall provide this data to the Board of Supervisors within 90 days of the effective date of this Section.

(2) **Contracting Officers.** Each bid or proposal for a Contract shall include, on a form provided by the Contracting Officer, the (a) basic hourly rate of wages to be paid by the Contractor...
and Subcontractor, if any, for each craft, classification, or type of work to be performed by Employees under the Contract, and (b) for each required fringe benefit, the hourly cost of each fringe benefit, or cash equivalent, the Contractor and Subcontractor, if any, intend to provide. In meeting the Prevailing Rate of Wages, no amount of fringe benefit credit shall be used to reduce the obligation to pay the basic hourly straight time or overtime wage rate. The Contracting Officer shall reject any bid or proposal that does not include payment of the Prevailing Rate of Wages as defined in this Section. This provision shall become operative after the Board of Supervisors adopts a “Prevailing Rate of Wages” under Subsection (c)(1) that includes a wage rate and the hourly rate of each fringe benefit.

(3) Contractual Provision Concerning Prevailing Wage Rate Requirement. All Contracts subject to this Section shall include a provision in which the Contractor agrees to comply with, and to require Subcontractors to comply with, the prevailing wage rate requirement imposed by this Section.

(4) Enforcement of Prevailing Wage Rate Requirements. Where the Contracting Officer or the Labor Standards Enforcement Officer determines that a Contractor or a Subcontractor may have violated the prevailing wage rate requirements of this Section, the Contracting Officer or Labor Standards Enforcement Officer shall send written notice to the Contractor of the possible violation (a “violation notice”). In addition to and without prejudice to any other remedy available, the Contracting Officer may terminate the Contract, in which case the Contractor shall not be entitled to any additional payment thereon unless within thirty (30) days of receipt of the violation notice the Contractor has either (i) cured the violation or (ii) established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to Individuals as required by this Section, the Contractor shall have “cured the violation” once the Contractor or Subcontractor reimburses such Individuals by paying each individual the balance of what he or she should have
earned in accordance with the requirements of this Section, plus an annualized rate of interest of ten percent (10%). In addition to, or instead of terminating the Contract, if the Contracting Officer or the Labor Standards Enforcement Officer finds that the Contractor has willfully violated the requirements of this Section, the Contracting Officer or the Labor Standards Enforcement Officer, shall assess a penalty (a “willful violation penalty”) of not more than ten (10%) percent of the dollar amount of the Contract, such sums to be deposited in the fund out of which the Contract is awarded or, if none exists, the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose such willful violation penalty regardless of whether the Contractor has cured the violation.

(d) Transition Employment Requirements. The City has an important proprietary interest in maintaining the stability of the workforce engaged by a Contractor or Subcontractor under a Covered Contract. Turnover of experienced workers resulting from a change in the City’s Contractor jeopardizes the quality, efficiency, and cost-effectiveness of service provided to the City under the successor Contract. All Covered Contracts shall impose the following obligations on the Contractor and Subcontractor.

(1) Where the Contracting Officer has given notice that a Covered Contract has been terminated or ended will be bid, or where a Contractor has given notice of such termination, upon giving or receiving such notice, as the case may be, the Contractor (“ending Contractor”) shall, within ten days thereafter, provide to the Contracting Officer and the Purchaser successor Contractor, for each Employee who worked at least 15 hours per week for the ending Contractor, the name, date of hire, number of hours and months worked in total for the employer, wage rate, and employment occupation classification, of each Employee who worked at least 15 hours per week. This provision shall also apply to the subcontractors of the ending Contractor.

If the ending Contractor has not learned the identity of the successor Contractor, if any, by the time that notice was given of the Contract termination or ending, the ending
Contractor shall obtain such information from the Contracting Officer. If a successor
Contractor has not been awarded by the end of the 10-day period, the employment
information referred to earlier in this subsection shall be provided to the Contracting Officer at
such time. Where a Subcontractor has been terminated prior to the termination or ending of the
Contract, the Subcontractor shall for the purposes of this Section be deemed an ending Contractor.

All requests for bids for Covered Contracts shall include the information listed
above for Employees and shall notify prospective bidders about the Transition Employment
requirements of this Section.

(2) A successor Contractor shall retain, for a six-month transition employment period,
Employees who have worked at least 15 hours per week and have been employed by the ending
Contractor or its Subcontractors, if any, for the preceding twelve months under the Covered Contract,
providing that just cause does not exist to terminate such Employee. The ending Contractor’s
Employees who worked at least 15 hours per week shall be employed in order of their seniority with the
predecessor within job classification and shall be paid the Prevailing Rate of Wages to which they were
entitled when employed by the ending Contractor. This requirement shall be stated by the City in all
initial bid packages involving a Covered Contract.

(3) If at any time a successor Contractor determines that fewer Employees are required
to perform the new Contract than were required by the ending Contractor (and Subcontractors, if any),
the successor Contractor shall retain Employees by seniority within job classification.

(4) During such six-month period the successor Contractor (or Subcontractor, where
applicable) shall maintain a preferential hiring list of eligible covered Employees not retained by the
successor Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall
hire additional Employees.

(5) During the six-month period, the successor Contractor (or Subcontractor, where
applicable) shall not discharge without cause an Employee retained pursuant to this Subsection.
"Cause," for this purpose, shall include, but not be limited to, the Employee's conduct while in the employ of the ending Contractor or Subcontractor that contributed to any decision to terminate the Contract or Subcontract for fraud or poor performance, excluding permissible union-related activity.

(6) At the end of the six-month period, a successor Contractor (or Subcontractor, where applicable) shall perform a written performance evaluation for each Employee retained pursuant to this Subsection. If the Employee's performance during such six-month period is satisfactory, the successor Contractor (or Subcontractor) shall offer the Employee continued employment under the terms and conditions established by the successor Contractor (or Subcontractor) or as required by law.

(7) All Covered Contracts subject to this Section shall include a provision in which the Contractor agrees to require any Subcontractor to comply with the obligation imposed by this Subsection (d).

(8) Successor's Prior Employees. Notwithstanding the provisions of this Subsection (d), a successor Contractor or Subcontractor may replace an Employee otherwise entitled to be retained with a person employed by the Contractor or Subcontractor continuously for twelve months prior to the commencement of the successor Contract or Subcontract in a capacity similar to that proposed under the successor Contract or Subcontract. This provision shall apply only where the existing Employee of the successor Contractor or Subcontractor would otherwise be laid off work as a result of the award of the successor Contract.

(9) The retention requirements of this Subsection (d) shall not apply where there is no successor Contractor or Subcontractor. For example, where a Contract is for services over a single day, week, or month for a discrete nonrepeating event there is no successor and the retention requirements described herein are inapplicable.

(10) For the purposes of this Subsection (d) on Transition Employment Requirements only, the term "Employee" shall include any person who performs work under a Covered Contract but
shall not include an individual who serves in a managerial, supervisory, or confidential capacity, including those individuals who would be defined as such under the Fair Labor Standards Act.

(11) **Enforcement.** An Employee who has not been hired or has been discharged in violation of this Section by a successor Contractor or its Subcontractor may bring an action in the Superior Court of the State of California, as appropriate, against the successor Contractor and, where applicable, its Subcontractor, and shall be awarded back pay, including the value of benefits for each day during which the violation continues, which shall be calculated at a rate of compensation not less than the higher of:

(i) The average regular rate of pay received by the Employee during the last three years of the Employee's employment in the same occupation classification; or

(ii) The final regular rate received by the Employee.

If the Employee is the prevailing party in any such legal action, the Court shall award reasonable attorney's fees and costs as part of the costs recoverable.

(12) This Section is not intended to create a private right of action against the City and County of San Francisco.

(13) If during the term of a Covered Contract, a Contractor (or Subcontractor engaged by said Contractor) violates the worker transition requirements of this Subsection (d), the Contractor or Subcontractor shall be subject to the enforcement remedies as set forth in Subsection (c)(4), including termination of the Contract or Subcontract and penalties for willful violation.

(e) **Requirement of Employer-Employee Relationship.**

(1) The City has an important proprietary interest in maintaining the stability of the workforce engaged by a Contractor for a Covered Contract by ensuring that individuals working pursuant to City contracts have the protections afforded by state and municipal laws governing employment. In order for the City to maintain the integrity of its contracting process, the city's prevailing wage laws ensure contractors a level playing field on which to bid for contracts. When
contractors are allowed to classify workers as independent owner operators, contractors can appear to pay the prevailing wage when in reality, after the owner operator's operating costs are taken into account, the owner operator receives less than the prevailing wage for his or her labor. This outcome contradicts one of the goals of the prevailing wage law, which is to provide for fair competition among contractors, all of whom must pay workers, at a minimum, the same prevailing rate of wages and benefits. The City's proprietary interest is such that employment of Employees in an Employer-Employee relationship shall be required for all work done under any Covered Contract.

(2) Every Covered Contract shall require the Contractor (and Subcontractors, if any) to perform said Contract, with Individuals employed by said Contractor or Subcontractor in an Employer-Employee relationship as defined by California law.

(3) No Covered Contract shall be awarded by the City to a Contractor and/or Subcontractor who proposes to perform the Contract with self-employed persons or independent contractors.

(4) If during the term of a Covered Contract, a Contractor (or Subcontractor engaged by said Contractor) engages any self-employed persons or independent contractors to perform the Contract for a period of three (3) days or more, the Contractor or Subcontractor shall be subject to the enforcement remedies as set forth in Subsection (c)(4), including termination of the Contract or Subcontract and penalties for willful violation.

(5) Contractors shall be fully responsible for the compliance of Subcontractors with this provision. Contractors shall be jointly and severally liable for any penalties assessed against their Subcontractors in the event that the Subcontractor is unable or unwilling to pay a penalty.

(f) Preemption. Nothing in this Section shall be interpreted or applied so as to create any power or duty in conflict with any federal or state law.

(g) No Cause of Action Against City. This Section is not intended to create a private right of action against the City.
(h) **Prospective Application.** This Section is intended to have prospective effect only, and shall not be interpreted to impair the obligations of any pre-existing Contract entered into by the City. This Section shall only apply to Contracts entered into on or after the effective date of this Section.

(i) **Severability.** If any part or provision of this Section, or the application thereof to any Person or circumstance, is held invalid, the remainder of this Section, including the application of such part or provisions to other Persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Section are severable.

Section 3. The San Francisco Police Code is hereby amended by amending Section 3300C.1, to read as follows:

SEC. 3300C.1. DEFINITIONS.

The following definitions shall apply throughout this Article:

(a) "Awarding authority" means any person that awards or otherwise enters into contracts for security and janitorial or building maintenance services performed within the City and County of San Francisco, except that the City and County of San Francisco is not an "awarding authority" under this Section with respect to City contracts for janitorial services as defined in Administrative Code Section 21C.2, because the worker retention prevailing wage requirements for those City contracts are governed by Section 21C.2 and 21C.7 of the Administrative Code.

(b) "Contractor" means any person that enters into a service contract with the awarding authority and who employs 25 or more persons.

(c) "Employee" means any person employed as a service employee of a contractor or subcontractor who works at least 15 hours per week and whose primary place of employment is in the City and County of San Francisco under a contract to provide security services, janitorial services, or building maintenance services for the awarding authority. "Employee" does not include a person who is (1) a managerial, supervisory, or confidential employee,
including those employees who would be so defined under the Fair Labor Standards Act; or
(2) does not possess or has not maintained a required occupational license; or (3) is
employed less than 15 hours per week.
   (d) "Person" means any individual, proprietorship, partnership, joint venture,
corporation, limited liability company, trust, association, or other entity that may employ
individuals or enter into contracts.
   (e) "Public sector contractor" means any person or persons, firm, partnership,
corporation, or combination thereof, who enters into a contract with officers or employees
empowered by law to enter into contracts for the City and County of San Francisco for the
services governed by this Article.
   (f) "Service contract" means a contract let to a contractor by the awarding authority for
the furnishing of service (as opposed to the purchase of goods or other property) and that
involves an expenditure or receipt in excess of $25,000 per contract and a contract term of at
least three months.
   (g) "Subcontractor" means any person not an employee who enters into a contract
with the contractor to assist the contractor in performing a service contract and that employs
employees for such person.
   (h) "Successor service contract" means a service contract with the awarding authority
where the services to be performed have previously been rendered to the awarding authority
as part of the same program or at the same facility under another substantially similar service
contract that recently has been terminated or has ended.

Section 4. Effective Date. This ordinance shall become effective 30 days from the
date of passage.
Section 5. This section is uncodified. In enacting this Ordinance, the Board intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation, charts, diagrams, or any other constituent part of the Name of Code here Code that are explicitly shown in this legislation as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the legislation.
