Section 1. This section is uncodified.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 130462 and is incorporated herein by reference.
Section 2. The San Francisco Business and Tax Regulations Code is hereby amended
by adding Article 15A, to read as follows:

ARTICLE 15A
PUBLIC REALM LANDSCAPING, IMPROVEMENT AND MAINTENANCE
ASSESSMENT DISTRICTS ("GREEN BENEFIT DISTRICTS")

SEC. 15A.1. PURPOSE.
(a) State law provides procedures to form property and business improvement districts and levy
assessments (California Streets and Highways Code Sections 36600 et seq.). This Article 15A provides
authority for the City to augment and modify those state law procedures to provide services,
improvements and activities, focused on landscaping, improvements and maintenance in Public Realm
areas, by authorizing the Board of Supervisors to do any of the following in conjunction:

(1) Reduce the percentage of petitions required from property owners in order to
initiate formation;

(2) Have the district encompass residential property, and to assess residential property,
including parcels zoned solely for residential use;

(3) Extend the term of the district to a maximum of 15 years, or such longer term as is
authorized by state law;

(4) Extend the term of the district to a maximum of 40 years, if all or a portion of the
assessments will be pledged or applied to pay any bond, financing lease (including certificates of
participation therein), or other similar obligations of the City;

(5) Recover through assessments the costs incurred in formation of the district; and,

(6) Dissolve a district upon a supermajority vote of the Board of Supervisors.
In addition, this Article augments and modifies state law by: requiring the Clerk of the Board of Supervisors to notify business owners in English, Cantonese and Spanish when a petition for district formation is received; and providing for representation by stakeholders who do not own property in the district (e.g., residents, business owners, neighborhood organizations) on the governing body of an owners' nonprofit association that administers, implements or provides the services, improvements and activities specified in the management district plan.

(b) Under this Article 15A, the Board of Supervisors may establish property and business improvement districts that focus on landscaping, improvements and maintenance in Public Realm areas, which may be financed through assessments apportioned among parcels of real property within such districts. It is the intent of this Article to provide a vehicle for financing services, activities and improvements that supplement and complement existing services and facilities. The Board of Supervisors may not establish any district or levy any assessment under this Article to replace or supplant existing City services. Nothing in this Article shall be construed as prohibiting the establishment of districts or levying of assessments to finance local capital improvements that are otherwise authorized under the City Charter, any other City ordinance, or state law.

SEC. 15A.2. AUGMENTATION AND MODIFICATION OF STATE LAW
REQUIREMENTS GOVERNING PROPERTY AND BUSINESS IMPROVEMENT DISTRICTS.

The Board of Supervisors may elect to use the procedures set forth in California Streets and Highways Code Sections 36600 et seq. as augmented and modified by this Article 15A, for the formation of property and business improvement districts and the levy of assessments on real property to fund services, improvements and activities that confer benefits on property, including parcels zoned solely for residential use, by focusing on landscaping, improvements and maintenance of Public Realm areas.

(b) Petitions. Notwithstanding California Streets and Highways Code Section 36621(a) or any other provision of state law to the contrary, the Board of Supervisors may initiate proceedings to establish a property and business improvement district upon receipt of a petition signed by property owners in the proposed district who will pay at least 30 percent of the assessments proposed to be levied.

The amount of assessments attributable to properties owned by the same owner that is in excess of 25 percent of all assessments proposed to be levied, shall not be included in determining whether the petition is signed by the property owners who will pay the requisite 30 percent or more of the total amount of assessments proposed to be levied.

(c) Term. Notwithstanding California Streets and Highways Code Section 36622(h) or any other provision of state law to the contrary, the Board of Supervisors may form a district and levy assessments:
(1) For a maximum term of up to 15 years, or such longer term as is authorized by state law; or.

(2) For a maximum term of up to 40 years, if all or a portion of the assessments will be pledged or applied to pay any bond, financing lease (including any certificates of participation therein), or other similar obligations of the City. Such assessments may be pledged or applied to pay such obligations commencing when the assessments are levied, or such later date as the Board of Supervisors shall determine.

(d) Property Zoned Solely Residential. Notwithstanding California Streets and Highways Code Section 36632(c) or any other provision of state law to the contrary, the Board of Supervisors may:

(1) Establish a district pursuant to this Article 15A that encompasses properties zoned solely for residential use;

(2) Levy assessments upon such properties; and

(3) Authorize utilization of the assessments to fund services, improvements and activities that benefit such properties.

(e) Under this Article 15A the Board of Supervisors may authorize:

Such services, improvements and activities may include, but are not limited to, involvement with ecological systems, water and energy systems, pedestrian and bicycle amenities, and recreational improvements.

(2) Use of assessment funds to purchase real property, in whole or in part, within or contiguous to the District, where that property will be a Public Realm area and the district will provide landscaping, improvements and/or maintenance of the area.
(f) Formation Cost Recovery. Notwithstanding any provision of state law to the contrary, the Board of Supervisors may authorize a district formed pursuant to this Article 15A to recover through assessments the costs incurred in forming the district, whether costs are generated by the City or by others, including but not limited to:

(1) The costs of preparation of the management district plan and engineer’s report required by state law;

(2) The costs of circulating and submitting the petition to the Board of Supervisors seeking establishment of the district;

(3) The costs of printing, advertising and the giving of published, posted or mailed notices;

(5) The costs of any ballot proceedings required by this Article 15A or other law for approval of a new or increased assessment.

To recover these costs, the management district plan required pursuant to California Streets and Highways Code Section 36622 shall specify the formation costs eligible for recovery through assessments, the schedule for recovery of those costs, and the basis for determining the amount of the additional assessment for recovery of such costs, including the maximum amount of the additional assessment, expressed either as a dollar amount, or as a percentage of the underlying assessment.

(g) Disestablishment by Board of Supervisors Supermajority. Notwithstanding California Streets and Highways Code Section 36670 or any other provision of state law to the contrary, the Board of Supervisors may, by a supermajority vote of eight or more of its 11 members, notice a hearing and initiate proceedings to disestablish a district for any reason. Where the Board of Supervisors seeks to disestablish a district in circumstances not authorized under California Streets
and Highways Code Section 36670, both the resolution of intention to disestablish the district and any
final resolution to disestablish the district shall require a supermajority vote of no fewer than eight of
its 11 members.

(h) Disestablishment Limitation. Notwithstanding Section 15A.2(g) of this Article, California
Streets and Highways Code Section 36670, or any other provision of law, the Board of Supervisors may
not disestablish a district where there are any outstanding bond, financing lease (including any
certificates of participation therein), or other similar obligations of the City, payable from or secured
by assessments levied within the district.

(i) Public Financing. Notwithstanding California Streets and Highways Code Section 36640 or
any other provision of state law to the contrary:

(1) The Board of Supervisors may, in the resolution to establish the district, determine
and declare that any bond, financing lease (including any certificates of participation therein), or other
similar obligations of the City, shall be issued to finance the estimated costs of some or all of the
proposed improvements or activities described in such resolution, pursuant to the City Charter, City
ordinances or state law, as the Board may determine; and

(2) The amount (including interest) of any City bond, financing lease (including any
certificates of participation therein) or other similar obligations, may not exceed the estimated total of
(A) revenues to be raised from the assessments over the term of the district, plus (B) such other monies,
if any, to be available for such purpose, in each case determined as of the date such obligations are
issued or incurred.

(j) Management of District.

(1) Management by Owners’ Nonprofit Corporation. If so provided by the
management district plan, the Board of Supervisors may contract with an existing or new owners’
nonprofit corporation (California Streets and Highways Code Section 36614.5) to administer or

management district plan, management may change during the term of the district from an
owners' nonprofit association to the City, or from the City to an owners' nonprofit association, by
