Notwithstanding the foregoing, no property or applicant subject to any of the prohibition on conversions set forth in Section 1396.2, in particular a property with the eviction(s) set forth in Section 1396.2 (b), is eligible for the Expedited Conversion program under this Section 1396.4. Eligible buildings as set forth in this Section (b) may exercise their option to participate in this program according to the following requirements:

(8) For applications for conversion pursuant to Subsections (3)-(7) only, a unit that is "occupied continuously" shall be defined as a unit occupied continuously by an owner of record for the six year period without an interruption of occupancy and so long as the applicant owner(s) occupied the subject unit as his/her principal place of residence for no less than one year prior to the time of application. (A) Notwithstanding the occupancy requirements set forth above, each building may have one unit where there is an interruption in occupancy for no more than a three month period that is incident to the sale or transfer to a subsequent owner of record who occupied the same unit. For any unit with an interruption of occupancy, the applicant shall provide evidence to establish to the satisfaction of the Department that the period did not exceed three months. (B) Notwithstanding the occupancy requirements set forth above, each building may have one unit where there is an interruption in occupancy for no more than a one year period if the sale or transfer to a subsequent owner of record who occupied the same unit was delayed during the term of a bank foreclosure against the former

(j) **Waiver or reduction of fee based on absence of reasonable relationship or deferred payment based upon limited means.**

(1) A project applicant of any project subject to the requirements in this Section may
appeal to the Board of Supervisors for a reduction, adjustment, or waiver of the requirements
based upon the absence of any reasonable relationship or nexus between the impact of
development and the amount of the fee charged or for the reasons set forth in Subsection (2)
below, a project applicant may request a waiver from the Board of Supervisors.

(2) Any appeal of requests under this clause shall be made in writing and filed with the
Clerk of the Board no later than 15 days after the date the sponsor is required to pay and has
paid to the Treasurer the fee as required in this Section. The appeal shall set forth in detail the
factual and legal basis for the claim of waiver, reduction, or adjustment. **Upon receipt of the
appeal, the Clerk of the Board of Supervisors shall review the appeal in consultation with the City
Attorney. If the Clerk of the Board determines that the appeal on its face challenges, on a factual or
legal basis, the relationship or nexus between the impact of development and the amount of the fee
charged, then the Clerk of the Board shall schedule a hearing under Subsection (3). If the Clerk of the
Board in consultation with the City Attorney determines that the appeal on its face does not challenge,
on a factual or legal basis, the relationship or nexus, then the Clerk of the Board shall notify the
members of the Board of Supervisors within three business days of the Clerk’s receipt of the appeal. If
any one member of the Board of Supervisors requests within three business days of the Clerk’s
notification that the Clerk schedule a hearing on the appeal, then the Clerk shall schedule a hearing
under Subsection (3). If no member of the Board requests that the Clerk schedule a hearing, then the
Clerk shall inform the appellant and the Department of Public Works, within ten business days from the date of the filing, that the filing does not allege a proper basis for appeal, and shall reject the appeal on behalf of the Board of Supervisors.

(3) If the Clerk of the Board schedules a hearing under this Section, the Board of Supervisors shall consider the appeal at the hearing within 60 days after the filing of the appeal. The appellant shall bear the burden of presenting substantial evidence to support the appeal, including comparable technical information to support appellant's position. If a reduction, adjustment, or waiver is granted, any change of use or scope of the project shall invalidate the waiver, adjustment or reduction of the fee. If the Board grants a reduction, adjustment or waiver, the Clerk of the Board shall promptly transmit the nature and extent of the reduction, adjustment or waiver to the Treasurer and Department of Public Works.

(k) Deferred payment based upon limited means. (3) A project applicant may apply to the Department of Public Works for a deferral of payment of the fee applied to a specific unit as described in Subsection (e) for the period that beginning when the Department completes its review and until the application for expedited conversion is approved receives a complete application until six (6) months after recordation of the final parcel or subdivision map, provided that for the twelve months prior to the date of application, the applicant resided in his or her unit in the subject property as his or her principle place of residence and the applicant's household income was less than 120% of median income of the City and County of San Francisco as determined by the Mayor's Office of Housing. Prior to the final approval of a parcel or subdivision map for any building where an applicant(s) has obtained a fee deferral, the Department shall cause the recordation of a notice of restrictions or other similar document against the title of all owners of the subject property that guarantees payment of the deferred fee at the time set forth in this Subsection.
Buildings that convert pursuant to this Section shall have no effect on the terms and conditions of Section 1341A, 1385A, or 1396 of this Code.

Section 3. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

Section 4. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the ordinance.
