percent (60%) of all points granted in the selection of the successful operator. The authority
given to the Parking Authority to use the Bid/FP Process shall sunset on December 1, 2000,
unless the Board of Supervisors, by ordinance, continues this authorization. Prior to such
reauthorization by the Board of Supervisors, the Bid/RFP Process shall be reviewed by the
Parking Authority to determine if the utilization of the Bid/RFP Process has been in the best
interest of the public, and a report shall be submitted to the Board of Supervisors.

(b) [(If the Board approves the documents, it shall, by ordinance, authorize and urge
the Director of Property to advertise an invitation for bids for the leasing or the operation of the
parking facility. The Director of Property shall thereupon advertise the invitation for bids.
Within 30 days after the bid opening, or such additional time as the Board may allow, the
Director of Property and the Parking and Traffic Commission shall recommend to the Board
the acceptance of the highest responsive and responsible bid (in the case of a lease) or the
lowest responsive and responsible bid (in the case of an operating agreement) or, in the
alternative, shall recommend the rejection of all bids. The Board shall award or reject the
lease or operating agreement by resolution.)] The award of leases and management
agreements for parking facilities shall require the approval of the Board of Supervisors by
resolution. All leases and management agreements submitted to the Board of Supervisors for
its approval shall be in substantially final form and shall contain provisions designed to assure
that use of the parking facility in question will be in the public interest. Such leases and
management agreements shall, among other things, set forth the following:

facility;
(3) A schedule of the permitted rates and charges;
(4) A schedule of the minimally required hours and days of operation;

(5) A description of restrictions, if any, on all-day or monthly parking;

(c) Notwithstanding anything to the contrary elsewhere in this Chapter, when authorized and directed by a resolution of the Parking and Traffic Commission, a lease of or management agreement for a parking facility or a parking facility site may be awarded, without a competitive process, to a nonprofit association or corporation, for the purpose of facilitating financing of a facility, on such terms and conditions as are approved by the Board of Supervisors by resolution.

(((d) All documents submitted to the Board of Supervisors for its approval shall contain provisions designed to assure that use of the parking facility in question will be in the public interest and, among other things, shall set forth:

(5) Restrictions, if any, on all-day or monthly parking;
(6) That the lease or management agreement shall be subject to modification of the terms required by Paragraphs (2), (3), (4) and (5) of this Section, and otherwise in accordance with this Chapter.)) (Added by Ord. 223-96, App. 6/7/96)
