(PLANNING CODE) BY AMENDING SECTIONS 186.1, 719.40, 719.41, 719.42, 719.43, 719.44, AND 710.40, AND BY ADDING SECTION 781.9, TO CREATE THE HAIGHT STREET ALCOHOL RESTRICTED USE SUBDISTRICT (RUSD), PROHIBITING NEW ESTABLISHMENTS SELLING ALCOHOLIC BEVERAGES IN THE HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT AND IN NC-1 DISTRICTS WITHIN ¼ MILE OF THE HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT; AND ADDING LANGUAGE TO THE NC-1 AND HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT USE CHARTS ANNOUNCING THIS RESTRICTED USE SUBDISTRICT AS A SPECIAL PROVISION FOR THIS NEIGHBORHOOD COMMERCIAL DISTRICT; AND MAKING A DETERMINATION OF CONSISTENCY WITH THE PRIORITY POLICIES OF PLANNING CODE SECTION 101.1.

Note: Additions are underlined; deletions are in ((double parentheses)).

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. There is an unusually large number of establishments dispensing alcoholic beverages, including beer and wine, for both on-site and off-site consumption in the Haight Ashbury neighborhood. A concentration of alcoholic beverage establishments in a neighborhood disrupts the desired mix of land uses that contribute to a livable neighborhood and discourages more desirable and needed commercial uses in these areas. A concentration of establishments selling alcoholic beverages in an area may therefore contribute to the deterioration of the neighborhood and to the concomitant devaluation of property and destruction of community values and quality of life. These effects contribute to peace, health, safety and general welfare problems in these areas, including loitering, littering, public drunkenness, driving while intoxicated, defacement and damaging of structures,
pedestrian obstructions, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots. The existence of such problems creates serious impacts on the health, safety and welfare of residents of nearby single- and multiple-family areas. These impacts include fear for the safety of children, elderly residents and visitors to the area.

Section 2. Part II, Chapter II of the San Francisco Municipal Code is hereby amended by amending Section 186.1, to read as follows:

SEC. 186.1. -- EXEMPTION OF NONCONFORMING USES IN NEIGHBORHOOD COMMERCIAL DISTRICTS. The purpose of this Section is to provide for the further continuance in NC Districts of nonconforming uses created by adoption of Ordinance No. 69-87, as herein described, and subsequent ordinances that change the uses allowed in NC Districts, which are beneficial to, or can be accommodated within the neighborhood commercial areas in which they are located.

It is hereby found and declared that certain uses which traditionally have been permitted to locate in neighborhood commercial areas can be beneficial to a neighborhood commercial area in small or limited numbers, but which if allowed to proliferate, can disrupt the balanced mix of neighborhood-serving retail stores and services. It is further found and declared that in order to prevent undesirable overconcentrations of such uses, the establishment of additional such uses shall be prohibited pursuant to controls ((adopted by Ordinance No. 69-87)) governing uses in NC Districts. At the same time, however, it is desirable to provide for the further continuance, expansion, enlargement, alteration, changes, discontinuance, and relocation of such existing uses, which are nonconforming as a result of zoning controls ((established by Ordinance No. 69-87, as described herein)) governing uses in NC Districts.
The following provisions shall govern with respect to nonconforming uses and features located in Neighborhood Commercial Districts to the extent that there is a conflict between the provisions of this Section and other Sections contained in this Article 1.7.

(a) Expansion. A nonconforming use may expand in floor area as provided in Subsection (b) below, but may not expand beyond the lot which it occupies, nor may the boundaries of such lot be expanded for purposes of expanding the use; nor may the use expand upward above the story or stories which it lawfully occupies, except as provided in Section 186.2 below.

(b) Enlargements or Alteration. A nonconforming use may not be significantly altered, enlarged or intensified, except upon approval of a conditional use application pursuant to the provisions of Article 3 of this Code, provided that the use not have or result in a greater height, bulk or floor area ratio, less required rear yard or open space, or less required off-street parking space or loading space than permissible under the limitations set forth in this Code for the district or districts in which such use is located.

No existing use or structure which fails to meet the requirements of this Code in any manner as described above in this Subsection (b) shall be constructed, reconstructed, enlarged, altered or relocated so as to increase the discrepancy, or to create a new discrepancy, at any level of the structure, between existing conditions on the lot and the required standards for new construction set forth in this Code.

(c) Changes in Use. A nonconforming use may be changed to another use or feature as described below.

(1) A nonconforming use may be changed to a use listed in Article 7 of this Code as a principal use for the district in which the property is located, and the new use may thereafter be continued as a permitted principal use.
(2) A nonconforming use may be changed to a use listed in Article 7 of this Code as a conditional use for the district in which the use is located, subject to the provisions of Article 3 of this Code, and the new use may thereafter be continued as a permitted conditional use, subject to the provisions of Section 178 of this Code.

(3) A nonconforming use may be changed to a use which is not permitted in that Neighborhood Commercial District as described below, only upon approval of a conditional use application, pursuant to the provisions of Article 3 of this Code:

(A) Any use described in zoning categories .41, .42, .43 or .44, as defined in Sections 790.22, 790.92, 790.90 and 790.91, respectively, may change to another use described in zoning categories .41, .42, or .44, even though such other use is not permitted in that Neighborhood Commercial District, unless such other use is located in an Alcohol Restricted Use Subdistrict and is prohibited by the provisions governing that Alcohol Restricted Use Subdistrict.

(B) Any use described in zoning categories .51, .52 or .53, as defined in Sections 790.114, 790.116 and 790.108 respectively, may change to another use described in zoning categories .51, .52 or .53, even though such other use is not permitted in that Neighborhood Commercial District.

(C) Any use described in zoning categories .57, .58 or .59, as defined in Sections 790.14, 790.17 and 790.15 respectively, may be demolished and reconstructed as the same use or may change to another use described in zoning categories .57, .58 or .59, even though such other use is not permitted in that Neighborhood Commercial District.

The new use shall still be classified as a nonconforming use.

The changes in use described in this Paragraph 3 shall include remodeling activities involving the demolition and replacement of structures which result in a change of use.
(d)((4))) Discontinuance. A nonconforming use which is discontinued for a period of three years, or otherwise abandoned or changed to another use which is listed in Article 7 of this Code as a principal or conditional use for the district in which the use is located shall not be reestablished.

(e)((5))) Relocation. A nonconforming use in a Neighborhood Commercial District may be reestablished at another location within that Neighborhood Commercial District only upon approval of a new conditional use application pursuant to the provisions of Article 3 of this Code, provided that the following conditions are met:

(1)((A))) The original premises shall not be occupied by an establishment of the same type of use as the relocating use unless by another establishment that is relocating from within the district; and

(2)((B))) No final permits to operate the relocated use at the new premises are granted prior to the issuance of a certificate of final completion of any work to the original premises which is required as conditions attached to the approval of the conditional use application; and

(3)((C))) Deed restrictions are recorded for the original premises in the Official Records of the City and County of San Francisco, which restrictions prohibit for the duration of the Code sections prohibiting the use for the district in which the use is located, the establishment and operation of a new use of the same type of use as the relocated use, unless such new use is relocating from within the district.

Section 3. Part II, Chapter II of the San Francisco Municipal Code (Planning Code) is hereby amended by adding new Section 781.9 to read as follows:

SEC. 781.9 HAIGHT STREET ALCOHOL RESTRICTED USE SUBDISTRICT. There is an unusually large number of establishments dispensing alcoholic beverages, including
beer and wine, for both on-site and off-site consumption in the Haight-Ashbury neighborhood. A concentration of alcoholic beverage establishments in a neighborhood disrupts the desired mix of land uses that contribute to a livable neighborhood and discourages more desirable and needed commercial uses in the area. A concentration of establishments selling alcoholic beverages in an area may therefore contribute to the deterioration of the neighborhood and to the concomitant devaluation of property and destruction of community values and quality of life. These effects contribute to peace, health, safety and general welfare problems in these areas, including loitering, littering, public drunkenness, driving while intoxicated, defacement and damaging of structures, pedestrian obstructions, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots, and other nuisance activities. The existence of such problems creates serious impacts on the health, safety and welfare of residents of nearby single- and multiple-family areas. These impact include fear for the safety of children, elderly residents and visitors to the area.

(1) Except as provided by Subsection (B) below, the premises shall retain the same type of retail liquor license within a license classification; and

(2) Except as provided by Subsection (B) below, the licensed premises shall be operated continuously, without substantial change in mode or character of operation.

(B) A break in continuous operation shall not be interpreted to include the following, provided that the location of the establishment does not change, the square footage used for the sale of alcoholic beverages does not increase, and the type of California Department of
