perform is a form sexist injustice which devalues women and the important work they do and
this often causes women to be segregated into low paying unskilled and service jobs; and
WHEREAS, Among the world’s industrialized countries, the United States has the
highest proportion of women living in poverty in which 60% of the US population living below
poverty line are women with dependent children; and
WHEREAS, White women's average full-time weekly earnings are 73% of white men's,
for African-American women it is 63% of white men's wages, for Latinas, it is 53% and the
lowest figures are found amongst women with disabilities; and
WHEREAS, According to leading economists and labor experts, “welfare reform” has
widened the gap and the global market has lowered wages internationally; and
WHEREAS, After retirement, women with pensions receive 53% of what men receive
while some women have no pension; and
WHEREAS, Social and economic discrimination causes women to be more prone than
men to suffer from depression, low self-esteem and other psychological and physiological
ailments and diseases; and
WHEREAS, $700 billion annually is spent on military budgets worldwide while less than
$20 billion is spend on essentials of life important to women and their families such as access
to clean water, health, sanitation and basic education; and
WHEREAS, Women have a right to pay and job equity, affordable housing and accessible transportation, recognition for caring work within and outside of the family, affordable healthcare including alternative and traditional healthcare options, low-cost organic food which is not genetically modified, protection against all violence at home, in the workplace and on the streets; now therefore be it
