

1 [Tracking SRO Availability]

2 URGING THE DEPARTMENT OF BUILDING INSPECTION TO CREATE A SYSTEM FOR
3 TRACKING ROOM AVAILABILITY AND OCCUPANCY IN ALL OF SAN FRANCISCO'S
4 RESIDENTIAL HOTELS.

5

6 WHEREAS, The 1990 Hotel Conversion Ordinance is limited in its ability to provide an
7 accurate picture of the availability and occupancy in San Francisco's residential hotels; and,

8 WHEREAS, The City and County of San Francisco is not able to gauge whether the
9 SRO housing stock can meet its short-term housing needs; and,

10 WHEREAS, Increasingly the City is relying on residential hotels as a housing resource
11 for its marginalized populations that do not have access to a stable housing source; and,

12 WHEREAS, The City seeks to link supportive services to housing in order to provide
13 substance abuse and mental health treatment and other transitional social services for those
14 formerly homeless; and,

15 WHEREAS, Fires, demolitions, conversions, and earthquake damage have
16 substantially decreased the number of residential hotel rooms available to lower-income San
17 Franciscans; and,

18 WHEREAS, San Francisco suffers from a less than a one percent vacancy in the
19 housing rental market, thus adequate knowledge of available SROs could assist in providing
20 housing for those who need it; and,

21 WHEREAS, It is essential that the City know its housing stock availability in order to
22 direct its resources properly; now, be it therefore,

23 RESOLVED, That the San Francisco Board of Supervisors urges the Department of
24 Building Inspection to create a database that regularly reports activity on all San Francisco

25

SRO hotels, especially occupancy rates, tenant make-up, and the physical condition of hotels occupied by homeless people.
