Said series of Bonds shall be designated as the "City and County of San Francisco General Obligation Bonds (Neighborhood Recreation and Park Facilities Improvement Bonds, 2000), Series 2000C" (the "Series 2000C Bonds"). The resolution of the Board of Supervisors authorizing and directing the issuance and sale of any series of the Bonds shall set forth the form of such bond, with such necessary or appropriate variations, omissions and insertions as may be permitted by such resolution. "CUSIP" identification numbers may be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the City to use such CUSIP numbers in any notice to Owners of the Bonds shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice.

The Bonds shall be signed by the Mayor of the City and the Treasurer of the City (the "City Treasurer"), and countersigned by the Clerk of the Board of Supervisors whose signature shall be countersigned by a Deputy Clerk of the Board of Supervisors pursuant to Section 2.40 of the San Francisco Administrative Code. Each Bond shall be registered in accordance with the resolution of the Board of Supervisors authorizing and directing its sale.

Section 7. General Redemption Provisions. The terms of redemption (whether optional redemption or mandatory redemption), if any, of any series of Bonds and the manner prescribed for notice of any redemption of such series of Bonds shall be set forth in the resolution of the Board authorizing and directing the sale of the Bonds to be redeemed.

The resolution of the Board authorizing and directing the sale of each series of Bonds shall provide that the City Treasurer shall establish a Redemption Account for such series of Bonds and shall further provide for the deposit and application of moneys in such Redemption Account.

Section 8. Tax Levy. For the purpose of paying the principal of and interest on the Bonds, the Board of Supervisors at the time of fixing the general tax levy shall fix, and in the manner provided for such general tax levy, levy and collect annually until the Bonds are paid, or until there shall be a sum set apart for that purpose in the treasury of the City sufficient to meet all sums coming due for payment of principal of and interest on the Bonds, a tax
sufficient to pay the annual interest on the Bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such interest or principal.

Said tax shall be in addition to all other taxes levied for City purposes, shall be collected at the same time and in the same manner as other taxes of the City are collected, and shall be used only for the payment of the Bonds and the interest thereon.

All taxes collected pursuant to this Section 8 shall be deposited forthwith in a special account to be designated as the "General Obligation Bonds (Neighborhood Recreation and Park Facilities Improvement Bonds, 2000) Bond Account" (the "Bond Account") and each and every series of Bonds issued under this Resolution shall be equally and ratably secured by the taxes collected pursuant to this Section. Such account shall be administered by the City Treasurer and kept separate and apart from all other accounts. Pursuant to the resolution of the Board of Supervisors authorizing and directing the issuance and sale of any series of the Bonds, the City Treasurer may establish such additional accounts and subaccounts within the Bond Account or with any agent, including but not limited to any paying agent or fiscal agent, as may be necessary or convenient in connection with the administration of any series of the Bonds. The resolution of the Board of Supervisors authorizing and directing the issuance and sale of any series of the Bonds shall establish subaccounts within the Bond Account for each series of the Bonds to provide for the payment of principal and interest on such series of Bonds.

The City Treasurer shall also deposit in the Bond Account from the proceeds of sale of the Bonds, any moneys received on account of interest accrued on the Bonds to the date of payment of the purchase price thereof, and such other moneys, if any, as may be specified in the resolution of the Board authorizing and directing the sale of each series of Bonds. So
long as any of the Bonds are outstanding, moneys in the Bond Account shall be used and
applied by the City Treasurer solely for the purpose of paying the principal of and interest on
the Bonds as such principal and interest shall become due and payable, or for purchase of
Bonds if permitted by the Resolution providing for the sale of such series of Bonds; provided,
however, that when all of the principal of and interest on the Bonds have been paid, any
moneys then remaining in said account shall be transferred to the General Fund of the City.
The Board of Supervisors shall take such actions annually as are necessary or appropriate to
cause the debt service on the Bonds due in any fiscal year to be included in the budget for
such fiscal year and to make the necessary appropriations therefor.

Section 9. Administration and Disbursements From Bond Account.

the Bonds is outstanding, commencing December 15, 2000, the City Treasurer shall transfer
from the General Fund and set aside in the Bond Account and the appropriate subaccounts
therein relating to each series of the Bonds an amount which, when added to the amount
