5 WHEREAS, Eureka Valley Recreation Center in the heart of San Francisco's Castro  
6 neighborhood is one of the city's most beloved and well-utilized parks; and,

7 WHEREAS, EVRC's programs serve seniors, children, sports enthusiasts, and lesbian,

14 WHEREAS, Several important improvements will not be covered by this allocation and  
15 could be appropriately supplemented by state funds; and,

16 WHEREAS, One improvement is a new children's play area, which would make the  
17 facility more inviting and safe for children, costing \$340,000; and,

18 WHEREAS, Another improvement is decorative sound fencing so the EVRC plaza  
19 area could be closed off at night, discouraging individuals from loitering and creating  
20 disturbances in the neighborhood; costing \$60,000; and,

21 WHEREAS, For every dollar the City is requesting from the state, it would be putting  
22 forth \$6, which constitutes an excellent local match and demonstrates the City's commitment  
23 to the project; and,

24 WHEREAS, These much needed improvements will make the park a safer, more  
25 enjoyable space for residents and visitors alike; now, therefore be it,
