Resolution opposing California Assembly Bill 934 (AB 934), which would fundamentally change existing appeal procedures by, in effect, vacating assessment appeals board valuation decisions regarding local property tax assessments that are appealed by a taxpayer and providing for a trial de novo (a new trial) in Superior Court, instead of continuing with the current procedure which provides for Superior Court review of the administrative record of the quasi-judicial assessment appeals board valuation hearing and decision where the court reviews the administrative record only for arbitrariness, abuse of discretion, or failure to follow standards prescribed by the legislature, including review of whether the assessment appeals board's findings are supported by substantial credible evidence in the administrative record; Joining in the California State Association of Counties (CSAC) opposition to AB 934; Instructing the City's lobbyists in Sacramento to oppose AB 934; And urging the City's state legislative delegation to oppose AB 934.

WHEREAS, Assembly Bill 934 (AB 934), introduced February 23, 2001, is pending in the California State Assembly; and

WHEREAS, AB 934 would fundamentally change the procedure for taxpayer appeals of local property tax valuation decisions by County assessment appeals boards, by amending California Revenue and Taxation Code §5170 to provide that the Superior Court will hear such cases by conducting a trial de novo (i.e., a new trial, as if the assessment appeals board hearing and decision on valuation had not occurred) instead of following the current procedure.
where the Superior Court reviews such cases only for arbitrariness, abuse of discretion, or failure to follow standards prescribed by the legislature, including review of whether the assessment appeals board’s findings are supported by substantial credible evidence in the administrative record; and,

WHEREAS, a copy of AB 934 as introduced February 23, 2001 is on file with the Clerk of the Board of Supervisors in File No. 010553, which is hereby declared to be a part of this Resolution as if set forth fully herein; and,

WHEREAS, under current state law county assessors are charged with determining the value of properties for local property tax purposes (see, California Constitution Articles XI and XIII; and, California Revenue and Taxation Code §§1 et seq.); and,

WHEREAS, under current state law a taxpayer disputing the assessor’s valuation may file an application for hearing and decision by the county’s assessment appeals board (see, California Revenue and Taxation Code §§1601 et seq.); and,

WHEREAS, under current state law the county’s assessment appeals board is a quasi-judicial body that hears disputed assessments by conducting an evidentiary hearing in which oral and documentary evidence is received from both the taxpayer and the assessor, where witnesses testify under oath and are cross-examined, and where a decision is issued according to due process provisions of the California Revenue and Taxation Code and related regulations promulgated by the California State Board of Equalization (see, California Constitution Articles XI Section 16; California Revenue and Taxation Code §§1601 et seq.; and, Title 18, California Code of Regulations, Property Tax Rules, Rules 1 et seq.); and,

WHEREAS, under current state law a county assessment appeals board’s valuation decision may be appealed to the Superior Court where the administrative record of the assessment appeals board hearing is reviewed only for arbitrariness, abuse of discretion, or failure to follow the standards prescribed by the legislature, including review of whether the
assessments appealing board's findings are supported by substantial credible evidence in the
administrative record (see, California Revenue Code §5140 et seq.); and,

WHEREAS, if AB 934 is enacted, any county assessment appeals board decision
would in effect be vacated by a taxpayer appeal to the Superior Court and the Court would
then hear the case de novo (i.e., as a new trial), so that both the taxpayer and the Assessor
would then present oral and documentary evidence to the Court as if no assessment appeals
board evidentiary hearing and decision on valuation had previously occurred; and,

WHEREAS, in most cases in the City and County of San Francisco the Assessor
presents its evidence to the assessment appeals board using the Assessor's own professional
staff without the necessity of its legal counsel being present; and,

WHEREAS, if AB 934 is enacted the Assessor's professional staff together with its
legal counsel would be required to present a second complete evidentiary hearing before the
court whenever a taxpayer appeals an assessment appeals board valuation decision, which
would be a tremendous drain on the limited resources of the Assessor, and which would
undoubtedly require increased appropriations from the Board of Supervisors; and,

WHEREAS, if AB 934 is enacted it would impose additional burdens on an already
over-burdened court system; and,

WHEREAS, in addition, AB 934 appears to be in conflict with California Constitution
Article XIII Section 16, which provides that county assessment appeals boards (also called
County Boards of Equalization) "shall equalize the values of all property on the local
assessment roll by adjusting individual assessments," and which has been consistently
interpreted by California courts to mean that County Boards of Equalization and not the courts
are the proper tribunals for exercising judgment on valuation questions concerning individual
assessments on the local roll and on equalization of local assessments (see, e.g., Plaza
Hollister Limited Partnership v. San Benito County (1999) 72 Cal.App.4th 1; Mission Housing
Development Company v. City and County of San Francisco (1997) 59 Cal.App.4th 55;
Sunrise Retirement Villa v. Dear (1997) 58 Cal.App.4th 948; and, Universal Consolidated Oil
Company v. Byram (1944) 25 Cal.2d 353); now, therefore, be it

RESOLVED, That this Board of Supervisors opposes AB 934; and, be it

FURTHER RESOLVED, That this Board of Supervisors joins in the California State

AB 934; and, be it

Francisco directs the Clerk of the Board of Supervisors to forward copies of this Resolution to
the California State Association of Counties (CSAC), the City's lobbyists in Sacramento, and

necessary to achieve the objectives of this Resolution, and that they each keep this Board
through its Clerk advised of their progress in this regard.
