BOARD OF SUPERVISORS
WHEREAS, The India Basin Redevelopment Plan and the Bayview Industrial Triangle Redevelopment Plan each currently allow for possible development on Third Street of projects that are inconsistent with a neighborhood commercial area; and,

WHEREAS, The new Muni Third Street light rail line, currently projected to begin operations in the Bayview area by 2004, will establish a light rail transit line along the entire length of Third Street in Bayview, and neighborhood commercial uses along this new rail line would be consistent with land uses adjacent to other light rail lines in the City; and,

WHEREAS, The Board of Supervisors will be considering legislation to create NC-3 interim zoning along Third Street between Islais Creek and Paul Avenue in advance of the Redevelopment Agency's redevelopment plan for Bayview-Hunters Point; and,

RESOLVED, That the Board of Supervisors hereby urges the San Francisco Redevelopment Agency to amend the redevelopment plans for the India Basin, the Hunters Point Hill, and the Bayview Industrial Triangle redevelopment project areas to establish land use and development controls consistent with those of a neighborhood commercial district under the City Planning Code for those lots that adjoin Third Street; and, be it

FURTHER RESOLVED, That the Clerk of the Board is hereby authorized and directed to forward a copy of this Resolution to the Executive Director of the San Francisco Redevelopment Agency and to each member of the Agency Commission.
