WHEREAS, In January, 1995, the Board of Supervisors ("Board") adopted the Bayview Hunters Point Survey Area ("Survey Area"), which is generally bounded by San Francisco Bay to the east, the City and County of San Francisco border to the south, US Highway 101 to the west, and Cesar Chavez Street to the north; and

WHEREAS, On February 10, 1997, the Board approved and certified the election of the Bayview Hunters Point Project Area Committee (the "PAC"); and,

WHEREAS, The PAC has produced a document entitled the "Bayview Hunters Point Community Revitalization Concept Plan," which, among other things, sets forth a vision and strategies for the revitalization and redevelopment of those portions of Third Street within the Survey Area as a neighborhood commercial area; and,

WHEREAS, The Board wishes to encourage the development of certain portions of Third Street as a neighborhood commercial area and to protect those portions of Third Street from the approval of development projects that are inconsistent with a neighborhood commercial area; and,
WHEREAS, The Board recently adopted a resolution urging the San Francisco Redevelopment Agency to amend the Redevelopment Plans for the India Basin, the Hunters Point Hill, and the Bayview Industrial Triangle redevelopment project areas to establish land use and development controls consistent with those of a neighborhood commercial district under the City Planning Code; and,

WHEREAS, The new Muni Third Street light rail line, currently projected to begin operations in the Bayview area by 2004, will establish a light rail transit line along the entire length of Third Street in Bayview, and neighborhood commercial uses along this new light rail line would be consistent with land uses adjacent to other light rail lines in the City; and,

WHEREAS, City Planning Code Section 306.7 authorizes the Board of Supervisors to impose interim zoning controls temporarily suspending the approval of permits and other land use authorizations in conflict with a contemplated zoning proposal which the Board, the Planning Commission, or the Department of Planning is considering or intends to study within a reasonable period of time; and,

WHEREAS, The Board finds that these interim controls are necessary in order to protect those portions of Third Street that are not within a redevelopment project or survey area from development which is inconsistent with its contemplated development as a neighborhood commercial area until such time as permanent controls for Third Street can be adopted; and,

WHEREAS, The Board finds that these interim controls enhance and are consistent with the purpose of the Planning Code as set forth in Section 101 and with the Priority Policies
of Planning Code Section 101.1 in that they will preserve and enhance opportunities for
neighborhood-serving retail uses and attendant resident employment and ownership of such
businesses (Policy 1); no other Priority Policy will be impacted; and,

WHEREAS, The Board is authorized by Planning Code Section 306.7(c) to initiate the
procedure for imposing interim controls by a resolution adopted by majority vote; now,
therefore, be it
