(12%) per annum. The approval of any modification, addition or change to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.

Section 11. Low Income Housing Findings. This Board hereby finds and determines that this Resolution constitutes final approval of a proposal that may result in housing assistance benefiting persons of low income within the meaning of Section 36005 of the California Health and Safety Code (the "Health and Safety Code"). This Board also finds that the units of housing for persons of low income to be provided by the Project are being financed in significant part with Proposition A (Affordable Housing Bonds) proceeds approved by the voters in November, 1996, such that to the extent required under Article XXXIV of the California Constitution, the Project has been approved by the voters of the City. Furthermore, this Board finds and determines that the City's support of the Project does not constitute an activity to "develop, construct, or acquire" a low rent housing project, in that the City's activities are limited to those described in Section 37001.5(e) of the Health and Safety Code, including the provision of assistance to the Project and monitoring compliance with the conditions of such assistance.

Section 12. Ratification. All actions heretofore taken by the officers and agents of the City with respect to the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and the proper officers of the City are hereby authorized and directed, for and in the name and on behalf of the City, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and other documents, including but not limited to those documents described in the Indenture and the other documents herein approved, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds and to effectuate the purposes thereof and of the documents herein approved in accordance with this Resolution.
