[First in Solar Week]

Resolution declaring October 18 –22, 2004 as “San Francisco – First in Solar Week” in the City and County of San Francisco.

WHEREAS, The San Francisco Public Utilities Commission (SFPUC) will host the Solar Power 2004 conference and trade show which is the largest business-to-business and business-to-consume solar event in the United States; and

WHEREAS, THE SFPUC and San Francisco’s Moscone Center recently received the prestigious Green Power Leadership Award from the U.S. Department of Energy and the Environmental Protection Agency, recognizing the City for the installation of a 675-kilowatt solar power system at the Center; and

WHEREAS, The SFPUC will soon sign a contract to install a 225-kilowatt solar power system at the Southeast Water Pollution Control Plant is planning the installation of the large-scale power systems on municipal buildings; and

WHEREAS, The SFPUC is embarking on a program to install ten solar power systems on neighborhood schools, libraries and clinics; and

WHEREAS, The SFPUC has reached an agreement with the Lennar Corporation to provide solar power and energy efficiency measures in the 1600-home development that Lennar will be constructing at the former Hunter’s Point Naval Shipyard; and

WHEREAS, The SFPUC and San Francisco’s Department of the Environment have jointly organized and implemented a program to facilitate the installation of 100 solar power systems on San Francisco residences and small businesses by the end of 2005; and

WHEREAS, The SFPUC and the San Francisco Unified School District have entered into a historic “Solar Schools” agreement, a landmark renewable energy agreement for City schools; and
