

[Western SoMa Citizens Planning Task Force]

Resolution establishing a 22 member Western SoMa Citizens Planning Task Force.

WHEREAS, The San Francisco Planning Commission removed the area of the City referred to as western South of Market “western SoMa” from the Eastern Neighborhoods rezoning process and declared that the zoning of western SoMa would not be considered again until the area had undergone a comprehensive community-based planning process; and,

WHEREAS, The community has repeatedly expressed a desire to use the existing zoning as the starting point for such a planning process; and,

WHEREAS, There is a consensus that immediate attention be devoted to the preservation of existing housing, particularly in the alleys of western SoMa, where affordable housing currently serves the working class, families, longtime residents, elderly, artists, musicians and others; and,
