10 WHEREAS, The City and County of San Francisco ("City"), acting by and through its
11 San Francisco Public Utilities Commission ("SFPUC") and the East Bay Municipal Utility
12 District ("EBMUD") propose to jointly construct, own, operate, repair and maintain a pumping
13 station/intertie system ("Intertie Facility") in the City of Hayward to connect their respective
14 water supply systems and to enable the SFPUC and EBMUD to supply water to each other's
15 systems during times of emergency or during times of extended system shutdowns; and,

16 WHEREAS, The SFPUC and EBMUD propose to jointly lease the premises consisting
17 of approximately 24,974 square feet of land (the "Premises") commonly known as 22488
18 Skywest Drive at the Hayward Executive Airport, in the City of Hayward, under a ground lease
19 ("Lease") with the City of Hayward ("Hayward") as Lessor and the SFPUC and EBMUD as co-
20 Lessees. A copy of the proposed Lease is on file with the Clerk of the Board of Supervisors in
21 File No. 041532, which is hereby declared to be a part of this resolution as if set forth
22 fully herein; and,

23 WHEREAS, The SFPUC, EBMUD and Hayward have entered into a Joint Exercise of
24 Powers Agreement dated as of April 8, 2003 for the design and construction of the Intertie
25 Facility, as amended by a first amendment dated as of October 18, 2004 ("Construction JPA"),

1 and a Joint Exercise of Powers Agreement dated as of April 8, 2003 for the operation and
2 maintenance of the Intertie Facility ("Operations JPA"), which agreements are attached to the
3 Lease as Exhibits B and C; and,

4 WHEREAS, The SFPUC will receive easement rights for water pipelines into and out of
5 the pumping station, with an easement granted to SFPUC and EBMUD at no cost by Hayward
6 ("Hayward Pipeline Easement"), and an easement granted to SFPUC, EBMUD and Hayward,
7 at a cost of \$6,100 to SFPUC by Brenkwitz Family Interests (R.E.B. & J. M. B. Family
8 Properties, LLC, Lomik Properties, LLC, a California Limited Liability Company, and Bartom
9 Properties, LLC, a California Limited Liability Company ("Brenkwitz Family Pipeline
10 Easement") (collectively, "Easements"); and

11 WHEREAS, The Director of Property has determined that the payment by SFPUC in
12 the amount of \$6,100 for SFPUC's interest in the Brenkwitz Family Pipeline Easement and the
13 initial rental amount of \$2,672 per year under the Lease, are fair market values; and,

14 WHEREAS, An Initial Study/Mitigated Negative Declaration ("IS/MND") has been
15 prepared by Hayward in accordance with the California Environmental Quality Act ("CEQA"), a
16 copy of which is on file with the Clerk of the Board of Supervisors in File No. 041532,
17 and it has been determined that said Intertie Facility project would not have a significant
18 adverse impact on the environment after implementation of the mitigation measures; and

19 WHEREAS, Pursuant to resolution no. 04-0164 adopted by the SFPUC at its meeting
20 of September 28, 2004, SFPUC approved the terms and conditions of the Lease, and subject
21 to the approval of the Board of Supervisors, authorized the execution of the Lease and any
22 other documents or memorandum related thereto by the General Manager. A copy of such
23 resolution is on file with the Clerk of the Board of Supervisors in File No. 041532;

24 and, now, therefore, be it

1 RESOLVED, That the Board of Supervisors has reviewed and considered the IS/MND,
2 and based on the prior determination, the Board of Supervisors finds that said Intertie Facility
3 project would not have a significant adverse impact on the environment after implementation
4 of the mitigation measures which have been adopted by the appropriate agency, the SFPUC
5 is not responsible for implementation of any mitigation measures, and the SFPUC shall
6 monitor with Hayward implementation of mitigation measures as provided in the IS/MND; and

8 respect to this Lease or the easements is hereby ratified and affirmed; and, be it,

9 FURTHER RESOLVED, That the General Manager of Public Utilities and the Director
10 of Property shall be authorized to enter into any additional amendments or modifications to
11 the Lease, including without limitation, exhibits or improvement specifications, and any

16 and are in compliance with all applicable laws, including City's Charter; and, be it

17 FURTHER RESOLVED, That the City shall have the right to use the Premises in
