(Seismic Safety Loan Program, 1992), Series 2006A (the "Series 2006A Bonds"), in an amount not to exceed $35,000,000; and,

WHEREAS, There are issues specific to this transaction that are outside of the City's customary credit profile, including the City's inability to spend Series 2006A Bond proceeds unless and until applications submitted by private borrowers for such funds are approved; and,

WHEREAS, The Director of the Office of Public Finance has negotiated a private placement arrangement for the Series 2006A Bonds that will limit the outstanding general obligation bond debt to the amount necessary to fund approved private loans, thus avoiding significant costs associated with a more traditional competitive sale structure under this bond program; and,

WHEREAS, The adoption of this Resolution shall constitute authorization of the Series 2006A Bonds within the meaning of Section 864 of the California Code of Civil Procedure; now therefore, be it

Section 5. Approval of Credit Agreement. The form of the Credit Agreement (the "Credit Agreement") between the City and a purchaser to be determined by the Director of Public Finance ("Purchaser"), submitted to the Board of Supervisors is hereby approved and adopted, with such additions, corrections and revisions as may be determined to be necessary or desirable, made in accordance with Section 16 hereof. The Treasurer shall assign a distinctive letter, or number, or letter and number to each Series 2006A Bond authenticated and registered by him or her and shall maintain a record thereof which shall be available for inspection.

The City and the Treasurer may treat the registered owners of the Series 2006A Bonds as the absolute owners thereof for all purposes, and the City and the Treasurer shall not be affected by any notice to the contrary.

Series 8. Transfer or Exchange of Bonds. Any Series 2006A Bond may, in accordance with its terms, the terms of this Resolution and the terms of the Credit Agreement, be transferred upon the books required to be kept pursuant to the provisions of Section 6 hereof, by the person in whose name it is registered, in person or by the duly authorized attorney of such person in writing, upon surrender of such Series 2006A Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Treasurer and upon such other conditions as required by the Credit Agreement.

Any Series 2006A Bonds may be exchanged at the office of the Treasurer for a like aggregate principal amount of other authorized denominations of the same interest rate and maturity.
Whenever any Series 2006A Bond shall be surrendered for transfer or exchange in accordance with the terms of the Credit Agreement, the designated City officials shall execute (as provided in Section 6 hereof) and the Treasurer shall authenticate and deliver a new Series 2006A Bond(s) of the same interest rate or rates and maturity in a like aggregate principal amount. The Treasurer shall require the payment by any bond owner requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer or exchange.

Section 9. Terms of the Bonds; General Redemption Provisions. The Series 2006A Bonds shall each be dated the date such Series 2006A Bonds are purchased by the Purchaser under the Credit Agreement (the "Dated Date"). The Series 2006A Bonds shall bear interest from the Dated Date until the principal is paid in full at rates to be determined pursuant to the terms of the Credit Agreement, calculated on the basis of a 360-day year comprised of twelve 30-day months, payable December 15, 2007, and semiannually thereafter on June 15 and December 15 of each year (or such other dates as may be designated in the Credit Agreement).

The principal of and interest on the Series 2006A Bonds shall be payable in lawful money of the United States of America to the owner thereof in the manner provided in the Credit Agreement.

Each Series 2006A Bond shall bear interest which shall accrue and be payable in the manner provided in the Credit Agreement.

The Series 2006A Bonds shall be subject to optional and mandatory sinking fund redemption or prepayment prior to maturity under the terms and conditions and at the prices set forth in the Credit Agreement. The principal and interest on the Series 2006A Bonds
subject to redemption or prepayment shall be paid from the Series 2006A Bond Account, pursuant to Section 10 hereof.

At the time the Treasurer or the Controller or his or her designee determines to optionally redeem or prepay any of the Series 2006A Bonds in whole or in part, the Treasurer or his or her agent may establish a redemption account to be described or known as the "Taxable General Obligation Bonds (Seismic Safety Loan Program, 1992), Series 2006A Redemption Account" (the "Series 2006A Redemption Account") and prior to or on the redemption date there may be set aside in said Series 2006A Redemption Account moneys available for the purpose and sufficient to redeem or prepay the Series 2006A Bonds designated for redemption or prepayment. Said moneys set aside in the Series 2006A Redemption Account shall be used solely for the purpose of, and shall be applied on or after the redemption or prepayment date to, payment of the Series 2006A Bonds to be redeemed or prepaid. Any interest due on or prior to the redemption date may be paid from the Series 2006A Bond Account as provided in Section 10 hereof or from the Series 2006A Redemption Account. Moneys held from time to time in the Series 2006A Redemption Account shall be invested by the Treasurer pursuant to the City's policies and guidelines for investment of General Fund moneys. If, after all of the Series 2006A Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Series 2006A Redemption Account, said moneys shall be transferred to the General Fund of the City or to such other fund or account as required by applicable law; provided, however, that if said moneys are part of the proceeds of refunding bonds, said moneys shall be transferred pursuant to the resolution authorizing such refunding bonds.

Section 10. Series 2006A Bond Account. There is hereby established with the Treasurer a special account in the Taxable General Obligation Bonds (Seismic Safety Loan Program) Bond Fund (the "Bond Fund") created pursuant to Section 4 of the Authorizing
Resolution, to be designated the "Taxable General Obligation Bonds (Seismic Safety Loan Program, 1992), Series 2006A Bond Account" (the "Series 2006A Bond Account"), to be held separate and apart from all other accounts of the City. All interest earned on amounts on deposit in the Series 2006A Bond Account shall be retained in the Series 2006A Bond Account.

On or prior to the date on which any payment of principal or interest on the Series 2006A Bonds is due, including any Series 2006A Bonds subject to mandatory redemption or prepayment on said date, the Treasurer shall allocate to and deposit in the Series 2006A Bond Account, from amounts held in the Bond Fund pursuant to Section 4 of the Authorizing Resolution, an amount which, when added to any available moneys contained in the Series 2006A Bond Account, is sufficient to pay principal and interest on the Series 2006A Bonds on such date.

On or prior to the date on which any Series 2006A Bonds are to be redeemed or prepaid at the option of the City pursuant to this Resolution, the Treasurer may allocate to and deposit in the Series 2006A Redemption Account, from amounts held in the Bond Fund pursuant to Section 4 of the Authorizing Resolution, an amount which, when added to any available moneys contained in the Series 2006A Redemption Account, is sufficient to pay principal, interest and premium, if any, on such Series 2006A Bonds on such date. The Treasurer may make such other provision for the payment of principal and interest and any premium on the Series 2006A Bonds as is necessary or convenient to permit the optional redemption or prepayment of the Series 2006A Bonds.

Amounts in the Series 2006A Bond Account may be invested in any investment of the City in which moneys in the General Fund of the City are invested. The Treasurer may commingle any of the moneys held in the Series 2006A Bond Account with other City moneys

or deposit amounts credited to the Series 2006A Bond Account into a separate fund or funds for investment purposes only; provided, however, that all of the moneys held in the Series 2006A Bond Account hereunder shall be accounted for separately notwithstanding any such commingling or separate deposit by the Treasurer. Any premium or accrued interest received upon the sale of the Series 2006A Bonds shall be deposited into the Series 2006A Bond Account.

Section 11. Series 2006A Loan Repayment Account. There is hereby established with the Treasurer a special loan repayment account in the Taxable General Obligation Bonds (Seismic Safety Loan Program, 1992) Loan Repayment Fund (the "Loan Repayment Fund") created pursuant to Section 5 of the Authorizing Resolution, to be designated the "Taxable General Obligation Bonds (Seismic Safety Loan Program, 1992) Series 2006A Loan Repayment Account" (the "Series 2006A Loan Repayment Account") to be held separate and apart from all other accounts of the City. All regularly scheduled loan repayments received from loans the proceeds of which were derived from the Series 2006A Bonds (other than prepayments, which shall be deposited in the hereinafter defined Series 2006A Prepayment Account) shall be deposited upon receipt by the Treasurer in the Series 2006A Loan Repayment Account.

So long as any of the Bonds are outstanding or authorized but unissued, moneys in said account shall be used solely for the purpose of paying the principal of and interest on the Series 2006A Bonds as such principal and interest shall become due and payable or upon redemption; provided, however, that when the principal and interest due on all Bonds is paid and there is no remaining Bond authorization, any balance of money then remaining in said fund may be used for any lawful purpose, including, but not limited to, making additional loans for seismic strengthening of unreinforced masonry buildings and the payment of debt service.
or the redemption of other outstanding general obligation bonds of the City, as shall be
determined by the Director of Public Finance, in consultation with the City Attorney.

Section 12. **Series 2006A Loan Account and Series 2006A Costs of Issuance Account.**

There is hereby established with the Treasurer a special loan account in the Seismic Safety
Loan Fund (the "Loan Fund") created pursuant to Section 14 of the Authorizing Resolution, to
be designated the "Taxable General Obligation Bonds (Seismic Safety Loan Program, 1992),
Series 2006A Loan Account" (the "Series 2006A Loan Account") and a special costs of
issuance account to be designated as the "Taxable General Obligation Bonds (Seismic Safety
Loan Program, 1992), Series 2006A Costs of Issuance Account" (the "Series 2006A Cost of
Issuance Account"). Such Series 2006A Loan Account and Series 2006A Costs of Issuance
Account shall be kept separate and apart from all other funds and accounts. All proceeds
from the sale of the Series 2006A Bonds (except any premium and/or accrued interest on
such sale which shall be deposited in the Series 2006A Bond Account pursuant to Section 10
of this Resolution) shall be deposited by the Treasurer in the Series 2006A Loan Account and
Series 2006A Costs of Issuance Account as directed by the Director of Public Finance.

All moneys in the Series 2006A Loan Account shall be applied exclusively to the object
and purpose specified in the proposition set forth in Section 3 of the Authorizing Resolution.
All moneys in the Series 2006A Costs of Issuance Account shall be applied to the payment of
costs of issuance associated with the Series 2006A Bonds. Costs of issuance of the Series
2006A Bonds shall include, without limitation, mailing and publication expenses, the fees and
expenses of financial consultants and co-bond counsel, fees payable under the Credit
Agreement and the reimbursement of City departmental expenses in connection with the
issuance of the Series 2006A Bonds. Any moneys remaining in the Series 2006A Costs of
Issuance Account when all such costs have been paid shall be transferred to the Series
2006A Loan Account as directed by the Director of Public Finance. Any moneys remaining in
the Series 2006A Loan Account when the object and purpose set forth above have been
accomplished shall be transferred to the Series 2006A Bond Account or the Series 2006A
Redemption Account as the Director of Public Finance shall direct in writing.

Within the Series 2006A Loan Account there are hereby established two loan
subaccounts to be designated the "Series 2006A Market Rate Loan Subaccount" and the
"Series 2006A Below Market Rate Loan Subaccount." The Director of Public Finance, in
consultation with the Director of the Mayor's Office of Housing, shall direct the deposit of
available proceeds of the Series 2006A Bonds in the Series 2006A Loan Account to one of
the two subaccounts; provided, however, that no more than $20,000,000 of the proceeds of
the Series 2006A Bonds may be deposited into the Series 2006A Market Rate Loan
Subaccount and no more than $15,000,000 of the proceeds of the Series 2006A Bonds may
be deposited into the Series 2006A Below Market Rate Loan Subaccount. Amounts in each
respective subaccount shall be subject to the restrictions imposed under Proposition A for
such type of loan, the provisions of which are incorporated herein by reference.

Section 13. Prepayment Fund. There is hereby established with the Treasurer a
special account in the Taxable General Obligation Bonds (Seismic Safety Loan Program,
1992) Prepayment Fund (the "Prepayment Fund") created pursuant to Section 15 of the
Authorizing Resolution, to be designated as the "Taxable General Obligation Bonds (Seismic
Safety Loan Program, 1992), Series 2006A Prepayment Account" (the "Series 2006A
Prepayment Account"), to be held separate and apart from all other accounts of the City. All
loan prepayments received from loans the proceeds of which were derived from the Series
2006A Bonds shall be deposited upon receipt by the Treasurer in the Series 2006A
Prepayment Account. All interest earned on amounts on deposit in the Series 2006A
Prepayment Account shall be retained in the Series 2006A Prepayment Account. Amounts in
the Series 2006A Prepayment Account shall be used solely for the purpose of redeeming or
prepaying Series 2006A Bonds or for paying principal of or interest on the Series 2006A
Bonds as the same becomes due on or before their maturity date or prior redemption date, as
the Director of Public Finance may direct in writing.

When all of the principal and interest on the bonds authorized under Proposition A
have been paid, any balance of money then remaining in the Series 2006A Prepayment
Account may be used for any lawful purpose, including, but not limited to, making additional
loans for seismic strengthening of unreinforced masonry buildings and the payment of debt
service or the redemption of other outstanding general obligation bonds of the City, as shall
be determined by the Director of Public Finance, in consultation with the City Attorney.

Section 14. Appointment of Agents. The Treasurer is hereby authorized and directed to
appoint one or more agents as he or she may deem necessary or desirable. To the extent
permitted by applicable law and under the supervision of the Treasurer, such agents may serve
as paying agent, fiscal agent, rebate calculation agent or escrow agent or registrar for the Series
2006A Bonds or may assist the Treasurer in performing any or all of such functions and such
other duties as the Treasurer shall determine. Such agents shall serve under such terms and
conditions as the Treasurer shall determine. The Treasurer may remove or replace agents
appointed pursuant to this paragraph at any time.

Section 15. Defeasance Provisions. Payment of all or any portion of the Series 2006A
Bonds may be provided for prior to such Series 2006A Bonds’ respective stated maturities by
irrevocably depositing with the Treasurer (or any commercial bank or trust company designated
by the Treasurer to act as escrow agent with respect thereto):
2006A Bonds or a portion thereof, and all unpaid interest thereon to maturity, except that in the
case of Series 2006A Bonds which are to be redeemed prior to such Series 2006A Bonds'
respective stated maturities and in respect of which notice of such redemption shall have been
given as provided in Section 8 hereof or an irrevocable election to give such notice shall have
been made by the City, the amount to be deposited shall be the principal amount thereof, all
unpaid interest thereon to the redemption date, and any premium due on such redemption date;
or

(b) Defeasance Securities (as herein defined) not subject to call, except as
provided below in the definition thereof, maturing and paying interest at such times and in such
amounts, together with interest earnings and cash, if required, as will, without reinvestment, as
certified by an independent certified public accountant, be fully sufficient to pay the principal and
all unpaid interest to maturity, or to the redemption date, as the case may be, and any premium
due on the Series 2006A Bonds to be paid or redeemed, as such principal and interest come
due; provided, that, in the case of the Series 2006A Bonds which are to be redeemed prior to
maturity, notice of such redemption shall be given as provided in Section 8 hereof or an
irrevocable election to give such notice shall have been made by the City; then, all obligations of
the City with respect to said outstanding Series 2006A Bonds shall cease and terminate, except
only the obligation of the City to pay or cause to be paid from the funds deposited pursuant to
paragraphs (a) or (b) of this Section 15, to the owners of said Series 2006A Bonds all sums due
with respect thereto; provided, that the City shall have received an opinion of nationally
recognized bond counsel, that provision for the payment of said Series 2006A Bonds has been
made in accordance with this Section 15.
For purpose of this Section 15, "Defeasance Securities" shall mean any of the following which at the time are legal investments under the laws of the State of California for the moneys proposed to be invested therein:

(1) United States Obligations (as herein defined); and

For purposes of this Section 15, "United States Obligations" shall mean (i) direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including without limitation, the interest component of Resolution Funding Corporation (REFCORP) bonds which have been stripped by request to the Federal Reserve Bank of New York in book-entry form or (ii) any security issued by an agency or instrumentality of the United States of America which is selected by the Director of Public Finance that results in the escrow fund being the highest
ratings category by any two of the three Rating Agencies (as defined herein) at the time of the initial deposit to the escrow fund and upon any substitution or subsequent deposit to the escrow fund.

For purposes of this Section 15, "Rating Agencies" shall mean Moody's Investors Service, Inc. ("Moody's"), Fitch Ratings ("Fitch"), and Standard and Poor's Rating Services, a division of The McGraw-Hill Companies, Inc. ("S&P"), or any other nationally-recognized bond rating agency which is the successor to any of the foregoing rating agencies.

Section 16. Modification to Documents. Any City official authorized by this Resolution to execute any document is hereby further authorized, in consultation with the City Attorney, to approve and make such changes, additions, amendments or modifications to the document or documents such official is authorized to execute as may be necessary or advisable (provided that such changes, additions, amendments or modifications shall not authorize an aggregate principal amount of Series 2006A Bonds in excess of $35,000,000 or conflict with the terms of Proposition A or the provisions of Section 4 hereof). The approval of any change, addition, amendment or modification to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.

Section 17. Ratification. All actions heretofore taken by officials, employees and agents of the City with respect to the sale and issuance of the Series 2006A Bonds are hereby approved, confirmed and ratified.

Section 18. Relationship to Authorizing Resolution. In the event of any conflict between this Resolution and the Authorizing Resolution, the terms of this Resolution shall control.
