13 WHEREAS, House Judiciary Chairman John Conyers, Jr. has issued a pointed  
14 statement regarding the DEA's ratcheting up its draconian tactic of threatening City and  
15 County of San Francisco property owners with asset forfeiture and imprisonment for  
16 leasing to lawfully operating MCDs that provide medical cannabis to patients qualified  
17 under laws of the State of California; and,

18 WHEREAS, the City and County of San Francisco has incorporated many  
19 safeguards against profiteering and patient exploitation into its medical cannabis  
20 regulations and policies and on November 6, 2007 passed a resolution endorsing  
21 compassionate care for non- and low-income patients; and,

22 WHEREAS, in 1997 the Board of Supervisors authorized the City and County of  
23 San Francisco to pay for defending physicians in federal criminal and administrative  
24 proceedings after recommending the use medical cannabis to qualified patients; and,

*Ammiano, Peskin*

1           WHEREAS, the DEA has repeatedly subverted and undermined California's, and  
2 many other states', laws governing medical cannabis by increasingly acting on its  
3 irrational policy and hysteria regarding medical cannabis specifically, and the so-called  
4 War on Drugs in general; and,

5           WHEREAS, this DEA heightened activity and policy directly violates the will of  
6 the vast majority of the State of California on a matter directly related to health and  
7 safety, an issue whose discretion is left to the State under the Constitution of the United  
8 States; and,

9           WHEREAS, the State of California's Board of Equalization collects sales tax  
10 from permitted MCDs; now, therefore be it

11           RESOLVED, That Board of Supervisors condemns the DEA's misguided and  
12 sensationally threatening harassment of property owners by issuing letters to property  
13 owners threatening asset forfeiture and imprisonment for leasing to lawfully operating  
14 MCDs; and, be it

15           FURTHER RESOLVED, That Board of Supervisors should employ every  
16 reasonable measure to secure and reaffirm the City and County of San Francisco's status  
17 as a medical cannabis sanctuary status by supporting lawfully operating MCDs, and  
18 property owners who lease to them, if and when the DEA acts on their threats; and, be it

19           FURTHER RESOLVED, That Board of Supervisors signs onto Chairman John  
20 Conyers, Jr.'s statement condemning the DEA's threatening letters to property owners  
21 and we fully support his convening of hearings into the DEA's alarming tactics to  
22 undermine California state law; and, be it

23           FURTHER RESOLVED, That property owners who lease to lawfully operating  
24 MCDs, and the MCDs themselves, should be supported by the City Attorney in any  
25 criminal prosecution or property forfeiture action not unlike in 1997 when the City

1 authorized assistance in defending physicians recommending medical cannabis to  
2 qualified patients from possible zealous DEA prosecution; and be it

3 FURTHER RESOLVED, That the San Francisco Board of Supervisors call on  
4 Congress to investigate the DEA's conduct and to amend federal law to respect the  
5 power of state to legalize medical cannabis, and, be it

6 FUTHER RESOLVED, That the Board of Supervisors requests that Mayor Gavin  
7 Newsom, San Francisco's State legislators, Attorney General Jerry Brown, and  
8 Governor Arnold Schwarzenegger join with Oakland Mayor and former Congressman  
9 Ron Dellums in denouncing the DEA tactics surrounding property right of landlords  
10 who rent to MCDs.
