Resolution establishing the Presidio and City and County of San Francisco Transportation Work Group.

WHEREAS, The Presidio Trust has begun the process of changing the Presidio Trust Management Plan (PTMP), last adopted in May of 2002; and,

WHEREAS, The Presidio Trust is anticipated to release the draft Supplemental Environmental Impact Statement (SEIS) containing an analysis of the environmental impacts, including traffic impacts, of developments proposed at the Presidio in early June 2008; and,

WHEREAS, The proposed development in the Presidio could have a tremendous impact upon the City’s infrastructure and the demand for City services; and,

WHEREAS, The development of the Presidio could have a tremendous impact upon the neighborhoods surrounding the Presidio, especially with regard to traffic, transit, congestion, parking and the impacts directly outside all of the Presidio gates; and,

WHEREAS, The Presidio and Golden Gate National Recreation Area provides benefits to the City and County of San Francisco by protecting and managing the parklands which provide open space for recreation, education, and the enjoyment of wildlife at no cost to residents of the City and their visitors; and, now, therefore, be it

RESOLVED, That the Board of Supervisors does hereby establish the Presidio and City and County of San Francisco Transportation Work Group, which shall be subject to the mandates of the Sunshine Ordinance; and, be it

FURTHER RESOLVED, That the Work Group shall examine ways of improving transportation resources to the Presidio, taking into account our transit first policy; and, be it
FURTHER RESOLVED, That the Work Group shall explore the possibility of a Cultural Arts Transit System and suggest transportation mitigations and implementation strategies therefor, including, but not limited to, an alternative transportation system; and, be it

FURTHER RESOLVED, That the Presidio and City and County of San Francisco Transportation Work Group shall include the following representatives and alternate representatives designated by the following groups:

- one representative from the Presidio Trust with a background in traffic engineering and/or transportation planning,
- one representative from the Municipal Transportation Agency with a background in traffic engineering/public transit operations and/or transportation planning,
