FURTHER RESOLVED, The adoption of this Resolution shall not obligate (i) the City to provide financing to the Borrower for the acquisition, rehabilitation and development of the Project or to issue the Bonds for purposes of such financing; or (ii) the City, or any department of the City, to approve any application or request for, or take any other action in connection with, any environmental, General Plan, zoning or any other permit or other action necessary for the acquisition, rehabilitation, development or operation of the Project; and, be it
