WHEREAS, On November 24, 2009, this Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted Resolution No. 464-09, entitled "Resolution of Intention to Establish Special Tax District" (the "Resolution of Intention"), stating its intention to form "City and County of San Francisco Special Tax District No. 2009-1 (San Francisco Sustainable Financing)" (the "Special Tax District"), pursuant to Chapter 43, Article X of the San Francisco Administrative Code (the "Code"), which Code incorporates the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"), for the purpose of financing and refinancing the acquisition, installation and improvement of energy efficiency, water conservation and renewable energy improvements to or on real property and in buildings, whether such real property or buildings are privately or publicly owned (the Facilities"); and

WHEREAS, In the Resolution of Intention, for the public purposes specified therein, which findings, declarations and determinations are incorporated herein by this reference, this Board of Supervisors stated its intention to undertake the proceedings to form the Special Tax District under the alternate procedures established by Section 43.10.17 of the Code, pursuant to which a special tax district may initially consist solely of territory proposed for annexation to the special tax district in the future, with the condition that a parcel or parcels within that
territory may be annexed to the special tax district and subjected to the special tax only with
the unanimous approval of the owner or owners of such parcel or parcels at the time that such
parcel or those parcels are annexed or in compliance with other procedures established by
the Code; and

WHEREAS, On November 24, 2009, this Board of Supervisors also adopted
Resolution No. 465-09, entitled "Resolution of Intention to Incur Bonded Indebtedness" (the
"Resolution of Intention to Incur Indebtedness"), stating its intention, for the public purposes
specified therein, to incur bonded indebtedness within the boundaries of the Special Tax
District for the purpose of financing the Facilities; and

WHEREAS, In the Resolution of Intention to Incur Indebtedness, this Board of
Supervisors stated its intention to undertake the proceedings to authorize the issuance of
bonded indebtedness for the Special Tax District under the alternate procedure established by
Section 43.10.18 of the Code, pursuant to which the proposition to authorize bonded
indebtedness may be approved by the owner or owners of a parcel or parcels of property at
the time that the parcel or parcels are annexed to the Special Tax District pursuant to the
unanimous approval described in 43.10.17 of the Code or in compliance with other
procedures established by the Code; and

WHEREAS, This Board of Supervisors held a noticed public hearing as required by the
Code about the determination to proceed with the formation of the Special Tax District, the
provision of the Facilities by the Special Tax District and the method of apportionment of the
special tax to be levied within the Special Tax District; and

WHEREAS, Subsequent to the public hearing, this Board of Supervisors adopted a
resolution entitled "Resolution of Formation to Establish Special Tax District No. 2009-1 (San
Francisco Sustainable Financing), establish boundaries of said special tax district, to describe
the facilities to be financed, to establish an appropriations limit and to provide for other
matters related thereto" (the “Resolution of Formation”); and

WHEREAS, This Board of Supervisors also held a noticed public hearing as required
by the Code related to the questions set forth in the Resolution of Intention to Incur
Indebtedness; and

WHEREAS, No written protests related to the questions set forth in the Resolution of
Intention to Incur Indebtedness have been filed with the Clerk of the Board of Supervisors;
now, therefore, be it

RESOLVED, That the foregoing recitals are true and correct; and, be it

FURTHER RESOLVED, That this Board of Supervisors deems it necessary to incur
bonded indebtedness in the maximum aggregate principal amount of $150,000,000 within the
boundaries of the Special Tax District for the purpose of financing the costs of the Facilities,
including, but not limited to, the costs of issuing and selling bonds to finance all or a portion of
the Facilities and the costs of the City in establishing and administering the Special Tax
District; and, be it

FURTHER RESOLVED, That except as set forth in the immediately succeeding
paragraph, the whole of the Special Tax District shall pay for the bonded indebtedness
through the levy of the special tax, and that the Special Tax District shall initially consist solely
of territory proposed for annexation to the Special Tax District in the future, with the condition
that a parcel or parcels within that territory may be annexed to the Special Tax District and
subjected to a special tax only with the unanimous approval (each, a “Unanimous Approval”)
of the owner or owners of such parcel or parcels at the time that such parcel or those parcels
are annexed or in compliance with other procedures established by the Code, and that the tax
is to be apportioned in accordance with the Method of Apportionment of Special Tax set forth
in Exhibit “B” to the Resolution of Formation. Pursuant to Section 7.98.160(a)(i), the rate or
rates of the Special Tax applicable to a parcel or parcels in the Special Tax District shall be specified in the Unanimous Approval or such other procedures established by the Code relating to such parcel or parcels; and, be it

FURTHER RESOLVED, That Bonds in the maximum amount of $150,000,000 are hereby authorized, subject to approval as described in the immediately succeeding paragraph below, and that the bonds may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Board of Supervisors or its designee shall determine, at the time or times of sale of such bonds; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and the bonds or any series thereof shall have a maximum term of not to exceed 40 years; and, be it

FURTHER RESOLVED, That pursuant to Section 43.10.17 of the Code, in lieu of the procedure set forth elsewhere in the Code and in Sections 53353.5, 53354 and 53355 of the Act, the proposition to authorize issuance of the Bonds for the Special Tax District shall be approved by the owner or owners of a parcel or parcels of property at the time that the parcel or parcels are annexed to the Special Tax District pursuant to the unanimous approval described in 43.10.17 or in compliance with other procedures established by the Code. No additional hearings or procedures are required, and such unanimous approval shall be deemed to constitute a unanimous vote in favor of such proposition; and, be it

FURTHER RESOLVED, That consistent with the Resolution of Intention to Incur Indebtedness, and pursuant to Section 43.10.19 of the Code, in connection with the annexation of a parcel or parcels to the Special Tax District pursuant to the alternate and independent procedure set forth in Section 43.10.17 of the Code and the conduct of an election on the proposition to authorize bonded indebtedness pursuant to the alternate and independent procedure set forth in Section 43.10.18 of the Code, the City may, without
additional hearings or procedures, designate a parcel or parcels as an improvement area within the Special Tax District. Each improvement area will be known as "Improvement Area No. _____ of City and County of San Francisco Special Tax District No. 2009-1 (San Francisco Sustainable Financing)," and after the designation of a parcel or parcels as an improvement area, all proceedings for approval of the appropriations limit, the rate, method of apportionment and manner of collection of special tax and the authorization to incur bonded indebtedness for such parcel or parcels shall apply only to the improvement area, and the City may incur indebtedness payable solely from special taxes levied on property in the improvement area; and, be it

FURTHER RESOLVED, That this Resolution shall take effect upon its adoption.
