NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the City and County of San Francisco, as follows:

Section 1. Recitals. All of the recitals herein are true and correct.

Section 2. Conditions Precedent. All conditions, things and acts required by law to exist, to happen and to be performed precedent to and in the issuance of the Series 2010A Bonds and the Series 2010C Bonds exist, have happened and have been performed in due time, form and manner in accordance with applicable law, and the City is now authorized pursuant to the Charter and applicable law to incur indebtedness in the manner and form provided in this Resolution.

Section 3. Documents. The documents presented to the Board and on file with the Clerk of the Board of Supervisors or his or her designee (the "Clerk of the Board of Supervisors") are contained in File No. 10024.

Section 4. Issuance and Sale of Series 2010A Bonds and Series 2010C Bonds. The Board hereby authorizes the issuance and sale of not to exceed $305,000,000 in aggregate principal amount of bonds to be issued in not more than two series, on a parity basis, and to be designated as "City and County of San Francisco General Obligation Bonds (San Francisco General Hospital Improvement Bonds, 2008), Series 2010A," and "City and
County of San Francisco General Obligation Bonds (San Francisco General Hospital Improvement Bonds, 2008), Series 2010C (Federally Taxable Build America Bonds)," for the purposes set forth in the Bond Ordinance and Proposition A approved by the voters on November 4, 2008. Notwithstanding the foregoing, nothing herein shall require that the Series 2010C Bonds be issued if the Series 2010A Bonds are issued, and vice versa.

The Director of Public Finance of the City or his or her designee (the "Director of Public Finance") is hereby authorized to determine, for each Series of 2010 Bonds, the sale date, the interest rates, the definitive principal amount thereof (which principal amount for each Series of 2010 Bonds may be $-0- or any greater principal amount; provided that the aggregate principal amount for both Series of 2010 Bonds shall not exceed $305,000,000), the maturity dates and the redemption dates, if any, and the terms of any optional or mandatory redemption thereof, subject to the other specific provisions of this Resolution, including the following terms and conditions: (i) the Series 2010A Bonds shall not have a true interest cost in excess of 12% (as such term is defined in the applicable Official Notice of Sale (as defined in Section 13 hereof)); (ii) the Series 2010C Bonds shall not have a net effective rate (after application of Interest Subsidy Payments (as defined below) received from the United States Treasury) in excess of 12%; (iii) the Series 2010A Bonds shall not have a final maturity date after June 15, 2040; and (iv) the Series 2010C Bonds shall not have a final maturity date after June 15, 2040. The Director of Public Finance is further authorized to give each Series of 2010 Bonds such additional or other series designation, or to modify such series designation, as may be necessary or appropriate to distinguish each such Series of 2010 Bonds from every other series of Bonds and from other bonds issued by the City.

The Board hereby irrevocably elects to apply the provisions of Section 54AA(d) of the Internal Revenue Code of 1986, as amended (the "Code"), to the Series 2010C Bonds and
intends that the Series 2010C Bonds, if, as and when issued, be treated as "build America bonds" within the meaning of Section 54AA(d) of the Code. The Board further irrevocably elects to apply the provisions of Section 54AA(g) of the Code to the Series 2010C Bonds and intends that the Series 2010C Bonds be treated as "qualified bonds" within the meaning of Section 54AA(g) of the Code, such that the Series 2010C Bonds will bear interest that is not excluded from the gross income of the owners thereof for purposes of federal income taxation and the Series 2010C Bonds will be eligible to receive Interest Subsidy Payments from the United States Department of the Treasury to the City or the City's authorized designated recipient of the credit provided for in Sections 54AA(b) and 6431 of the Code; provided that the City or the City's authorized designated recipient has filed the required Internal Revenue Service forms. “Interest Subsidy Payment” means, with respect to the Series 2010C Bonds, each payment received by the City or the City's authorized designated recipient directly from the United States Department of the Treasury in an amount equal to 35% of the corresponding interest payable on such Series 2010C Bonds, as provided for in Sections 54AA(b) and 6431 of the Code.

Section 5. Execution, Authentication and Registration of the Series 2010A Bonds and the Series 2010C Bonds. Each Series of 2010 Bonds shall be in fully registered form without coupons in denominations of $5,000 or any integral multiple thereof. The officers of the City are hereby directed to cause each Series of 2010 Bonds to be prepared in sufficient quantity for delivery to or for the account of the purchaser thereof and the Clerk of the Board of Supervisors is hereby directed to cause the blanks therein to be completed in accordance with the Authorizing Resolution, to procure their execution by the proper officers of the City (including by facsimile signature if necessary or convenient), and to deliver each Series of 2010 Bonds when so executed to said purchaser in exchange for the purchase price thereof, all in accordance with the Authorizing Resolution.
The Series 2010A Bonds and the certificate of authentication and registration, manually executed by the Treasurer of the City or his or her designee (the "City Treasurer") and the form of assignment to appear thereon shall be substantially in the form attached hereto as Exhibit A (a copy of which is on file with the Clerk of the Board of Supervisors and which is hereby declared to be a part of this Resolution as if fully set forth herein), with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution.

The Series 2010C Bonds and the certificate of authentication and registration, manually executed by the City Treasurer and the form of assignment to appear thereon shall be substantially in the form attached hereto as Exhibit B (a copy of which is on file with the Clerk of the Board of Supervisors and which is hereby declared to be a part of this Resolution as if fully set forth herein), with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution.

Only such of each Series of 2010 Bonds as shall bear thereon a certificate of authentication and registration in the form herein recited, executed by the City Treasurer, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the City Treasurer, executed as herein provided, shall be conclusive evidence that the Series of 2010 Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

The City Treasurer shall assign a distinctive letter, or number, or letter and number to each Series of 2010 Bond authenticated and registered by him or her and shall maintain a record thereof which shall be available for inspection.

Section 6. Registration Books. The City Treasurer shall keep or cause to be kept, at the office of the City Treasurer, or at the designated office of any registrar appointed by the City Treasurer, separate and sufficient books for the registration and transfer of each Series
of 2010 Bonds, which books shall at all times be open to inspection, and upon presentation
for such purpose, the City Treasurer shall, under such reasonable regulations as he or she
may prescribe, register or transfer or cause to be registered or transferred, on said books,
Series 2010A Bonds and Series 2010C Bonds as herein provided. The City and the City
Treasurer may treat the registered owners of each Series of 2010 Bonds as the absolute
owners thereof for all purposes, and the City and the City Treasurer shall not be affected by
any notice to the contrary.

Section 7. Transfer or Exchange of Series 2010A Bonds and Series 2010C Bonds.
Any Series of 2010 Bond may, in accordance with its terms, be transferred upon the books
required to be kept pursuant to the provisions of Section 6 hereof, by the person in whose
name it is registered, in person or by the duly authorized attorney of such person in writing,
upon surrender of such Series of 2010 Bond for cancellation, accompanied by delivery of a
duly executed written instrument of transfer in a form approved by the City Treasurer.
Any Series of 2010 Bonds may be exchanged at the office of the City Treasurer for a
like aggregate principal amount of other authorized denominations of the same series,
interest rate and maturity.
Whenever any Series of 2010 Bond shall be surrendered for transfer or exchange,
the designated City officials shall execute (as provided in Section 5 hereof) and the City
Treasurer shall authenticate and deliver a new Series of 2010 Bond of the same series,
interest rate and maturity in a like aggregate principal amount. The City Treasurer shall
require the payment by any bond owner requesting any such transfer of any tax or other
governmental charge required to be paid with respect to such transfer or exchange.

No transfer or exchange of Series of 2010 Bonds shall be required to be made by the
City Treasurer during the period from the Record Date (as defined in Section 8 hereof) next
preceeding each interest payment date to such interest payment date or after a notice of
redemption shall have been mailed with respect to such Series of 2010 Bond.

Section 8. Terms of the Series 2010A Bonds and Series 2010C Bonds; General
Redemption Provisions. Each Series of 2010 Bonds shall be dated the date of their delivery
or such other date (the "Dated Date") as specified in the applicable Bond Award (as defined
in Section 13 hereof). Each Series of 2010 Bonds shall bear interest at rates to be
determined upon the sale of such Series of 2010 Bonds, calculated on the basis of a 360-
day year comprised of twelve 30-day months, payable on June 15, 2010 (or such other date
as may be designated in the applicable Bond Award), and semiannually thereafter on
June 15 and December 15 of each year.

The principal of each Series of 2010 Bonds shall be payable in lawful money of the
United States of America to the owner thereof, upon the surrender thereof at maturity or
earlier redemption at the office of the City Treasurer. The interest on each Series of 2010
Bonds shall be payable in like lawful money to the person whose name appears on the
applicable bond registration books of the City Treasurer as the owner thereof as of the close
of business on the last day of the month immediately preceding an interest payment date
(the "Record Date"), whether or not such day is a Business Day (as defined below).

Each Series of 2010 Bond shall bear interest from the interest payment date next
preceeding the date of authentication thereof unless it is authenticated as of a day during the
period from the Record Date next preceding any interest payment date to the interest
payment date, inclusive, in which event it shall bear interest from such interest payment
date, or unless it is authenticated on or before the first Record Date, in which event it shall
bear interest from the Dated Date; provided, however, that if, at the time of authentication of
any Series of 2010 Bond, interest is in default on such Series of 2010 Bonds, such Series of
2010 Bond shall bear interest from the interest payment date to which interest has
previously been paid or made available for payment on such Series of 2010 Bonds or from
the Dated Date if the first interest payment is not made. Except as may be otherwise
provided in connection with any book-entry only system applicable to a Series of 2010
Bonds, payment of the interest on any Series of 2010 Bond shall be made by check mailed
on the interest payment date to such owner at such owner's address as it appears on the
applicable registration books as of the Record Date; provided, however, if any interest
payment date occurs on a day that banks in California or New York are closed for business
or the New York Stock Exchange is closed for business, then such payment shall be made
on the next succeeding day that banks in both California and New York are open for
business and the New York Stock Exchange is open for business (each, a "Business
Day"); and provided, further, that the registered owner of an aggregate principal amount of
at least $1,000,000 of a Series of 2010 Bonds may submit a written request to the City
Treasurer on or before a Record Date preceding an interest payment date for payment of
interest by wire transfer to a commercial bank located within the United States of America.
For so long as any Series of 2010 Bonds are held in book-entry form by a securities
depository selected by the City pursuant to Section 11 hereof, payment shall be made to the
registered owner of the Series of 2010 Bonds designated by such securities depository by
wire transfer of immediately available funds.

The Series 2010A Bonds shall be subject to optional redemption prior to maturity as
provided in the applicable Official Notice of Sale or the applicable Bond Award. The Series
2010C Bonds shall be subject to optional redemption and special optional redemption prior
to maturity as provided in the applicable Official Notice of Sale or the applicable Bond Award
for such Series of 2010 Bonds.

Each Series of 2010 Bonds shall be subject to mandatory redemption at par, by lot, in
any year for which the purchaser thereof has designated that the principal amount payable
with respect to that year shall constitute a mandatory sinking fund payment as permitted by
the applicable Official Notice of Sale. Any Series of 2010 Bonds subject to mandatory
redemption shall be designated as such in the applicable Official Notice of Sale or the
applicable Bond Award for such Series of 2010 Bonds.

The principal of and interest on the Series 2010A Bonds subject to mandatory
redemption shall be paid from the Series 2010A Bond Account (as defined in Section 9
hereof), pursuant to Section 9 hereof. In lieu of any such mandatory redemption for the
Series 2010A Bonds, at any time prior to the selection of the Series 2010A Bonds for
mandatory redemption, the City may apply such amounts on deposit in the Series 2010A
Bond Account to make such payment to the purchase of Series 2010A Bonds subject to
such redemption at public or private sale, as and when and at such prices not in excess of
the principal amount thereof (including sales commission and other charges but excluding
accrued interest), as the City may determine.

The principal of and interest on the Series 2010C Bonds subject to mandatory
redemption shall be paid from the Series 2010C Bond Account (as defined in Section 9
hereof), pursuant to Section 9 hereof. In lieu of any such mandatory redemption for the
Series 2010C Bonds, at any time prior to the selection of the Series 2010C Bonds for
mandatory redemption, the City may apply such amounts on deposit in the Series 2010C
Bond Account to make such payment to the purchase of Series 2010C Bonds subject to
such redemption at public or private sale, as and when and at such prices not in excess of
the principal amount thereof (including sales commission and other charges but excluding
accrued interest), as the City may determine.

Whenever less than all of the outstanding bonds of a Series of 2010 Bonds maturing
on any one date are called for redemption on any one date, the City Treasurer will select the
Series of 2010 Bonds or portions thereof, in denominations of $5,000 or any integral multiple
thereof, to be redeemed from the outstanding bonds of such Series of 2010 Bonds maturing on such date not previously selected for redemption, by lot, in any manner which the City Treasurer deems fair. The date on which the bonds of a Series of 2010 Bonds that are called for redemption are to be presented for redemption is herein called the "Redemption Date." The City Treasurer shall mail, or cause to be mailed, notice of any redemption of each Series of 2010 Bonds, postage prepaid, to the respective registered owners thereof at the addresses appearing on the applicable bond registration books not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date. The notice of redemption shall (a) state the Redemption Date; (b) state the redemption price; (c) state the maturity dates of the Series of 2010 Bonds and, if less than all of any such maturity is called for redemption, the distinctive numbers of the Series of 2010 Bonds of such maturity to be redeemed, and in the case of any Series of 2010 Bonds redeemed in part only, the respective portions of the principal amount thereof to be redeemed; (d) state the CUSIP number, if any, of each Series of 2010 Bond to be redeemed; (e) require that such Series of 2010 Bonds be surrendered by the owners at the office of the City Treasurer or his or her agent; and (f) give notice that interest on such Series of 2010 Bonds will cease to accrue after the designated Redemption Date. Such notice of redemption may be conditional upon receipt of funds or other event specified in the notice of redemption.

The actual receipt by the owner of any Series of 2010 Bond of notice of such redemption shall not be a condition precedent to redemption, and failure to receive such notice, or any defect in such notice so mailed, shall not affect the validity of the proceedings for the redemption of such Series of 2010 Bonds or the cessation of accrual of interest on such Series of 2010 Bonds on the Redemption Date.

Notice of such redemption also shall be given, or caused to be given, by the City Treasurer, by (i) registered or certified mail, postage prepaid, (ii) confirmed facsimile
transmission or (iii) overnight delivery service, to (a) all organizations registered with the
Securities and Exchange Commission as securities depositories and (b) such other
services or organizations as may be required in accordance with the Continuing
Disclosure Certificate described in Section 18 hereof.

The notice or notices required for redemption shall be given by the City Treasurer, or
any agent appointed by the City. A certificate of the City Treasurer or such other appointed
agent of the City that notice of redemption has been given to the owner of any Series of
2010 Bond in accordance with this Resolution shall be conclusive against all parties.

At the time the City Treasurer or the Controller of the City or his or her designee (the
“Controller”) determines to optionally call and redeem any of the Series 2010A Bonds, the
City Treasurer or his or her agent shall establish a redemption account to be described or
known as the “General Obligation Bonds (San Francisco General Hospital Improvement
Bonds, 2008), Series 2010A Redemption Account” (the “Series 2010A Redemption
Account”), and prior to or on the Redemption Date there must be set aside in the Series
2010A Redemption Account moneys available for the purpose and sufficient to redeem as
provided in this Resolution, the Series 2010A Bonds designated in said notice of
redemption, subject to rescission as hereinafter provided. Said moneys must be set aside in
the Series 2010A Redemption Account solely for the purpose of, and shall be applied on or
after the Redemption Date to, payment of the redemption price of the Series 2010A Bonds
to be redeemed upon presentation and surrender of such Series 2010A Bonds. Any interest
due on or prior to the Redemption Date may be paid from the Series 2010A Bond Account
as provided in Section 9 hereof or from the Series 2010A Redemption Account. Moneys
held from time to time in the Series 2010A Redemption Account shall be invested by the
City Treasurer pursuant to the City’s policies and guidelines for investment of moneys in the
General Fund of the City. If, after all of the Series 2010A Bonds have been redeemed and
canceled or paid and canceled, there are moneys remaining in said Series 2010A
Redemption Account, said moneys shall be transferred to the General Fund of the City or to
such other fund or account as required by applicable law; provided, however, that if said
moneys are part of the proceeds of refunding bonds, said moneys shall be transferred
pursuant to the resolution authorizing such refunding bonds.

When notice of optional redemption has been given, substantially as provided herein,
and when the amount necessary for the redemption of the Series 2010A Bonds called for
redemption (principal, premium, if any, and accrued interest to such Redemption Date) is set
aside for that purpose in said Series 2010A Redemption Account, as provided herein, the
Series 2010A Bonds designated for redemption shall become due and payable on the
Redemption Date therefor, and upon presentation and surrender of said Series 2010A
Bonds at the place specified in the notice of redemption, such Series 2010A Bonds shall be
redeemed and paid at said redemption price out of said Series 2010A Redemption Account.
No interest will accrue on such Series 2010A Bonds called for redemption after the
Redemption Date and the registered owners of such Series 2010A Bonds shall look for
payment of such Series 2010A Bonds only to said Series 2010A Redemption Account. All
Series 2010A Bonds redeemed shall be canceled forthwith by the City Treasurer and shall
not be reissued.

At the time the City Treasurer or the Controller determines to optionally call and
redeem any of the Series 2010C Bonds, the City Treasurer or his or her agent shall
establish a redemption account to be described or known as the “General Obligation Bonds
(San Francisco General Hospital Improvement Bonds, 2008), Series 2010C Redemption
Account” (the “Series 2010C Redemption Account”), and prior to or on the Redemption Date
there must be set aside in the Series 2010C Redemption Account moneys available for the
purpose and sufficient to redeem as provided in this Resolution, the Series 2010C Bonds
designated in said notice of redemption, subject to rescission as hereinafter provided. Said moneys must be set aside in the Series 2010C Redemption Account solely for the purpose of, and shall be applied on or after the Redemption Date to, payment of the redemption price of the Series 2010C Bonds to be redeemed upon presentation and surrender of such Series 2010C Bonds. Any interest due on or prior to the Redemption Date may be paid from the Series 2010C Bond Account as provided in Section 9 hereof or from the Series 2010C Redemption Account. Moneys held from time to time in the Series 2010C Redemption Account shall be invested by the City Treasurer pursuant to the City's policies and guidelines for investment of moneys in the General Fund of the City. If, after all of the Series 2010C Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Series 2010C Redemption Account, said moneys shall be transferred to the General Fund of the City or to such other fund or account as required by applicable law, provided, however, that if said moneys are part of the proceeds of refunding bonds, said moneys shall be transferred pursuant to the resolution authorizing such refunding bonds.

When notice of optional redemption has been given, substantially as provided herein, and when the amount necessary for the redemption of the Series 2010C Bonds called for redemption (principal, premium, if any, and accrued interest to such Redemption Date) is set aside for that purpose in said Series 2010C Redemption Account, as provided herein, the Series 2010C Bonds designated for redemption shall become due and payable on the Redemption Date therefor, and upon presentation and surrender of said Series 2010C Bonds at the place specified in the notice of redemption, such Series 2010C Bonds shall be redeemed and paid at said redemption price out of said Series 2010C Redemption Account. No interest will accrue on such Series 2010C Bonds called for redemption after the Redemption Date and the registered owners of such Series 2010C Bonds shall look for payment of such Series 2010C Bonds only to said Series 2010C Redemption Account. All
Series 2010C Bonds redeemed shall be canceled forthwith by the City Treasurer and shall not be reissued.

The City may rescind any optional redemption and notice thereof for any reason on any date prior to any Redemption Date by causing written notice of the rescission to be given to the owners of all Series of 2010 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the Redemption Date funds are not or will not be available in the Series 2010A Redemption Account or the Series 2010C Redemption Account, as applicable, in an amount sufficient to pay in full on said date the principal of, interest, and premium, if any, due with respect to the applicable Series of 2010 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner notice of redemption was originally given. The actual receipt by the owner of any Series of 2010 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice so mailed shall not affect the validity of the rescission.

Section 9. Series 2010A Bond Account. There is hereby established with the City Treasurer a special subaccount in the General Obligation Bonds (San Francisco General Hospital Improvement Bonds, 2008) Bond Account (the “Bond Account”) created pursuant to the Authorizing Resolution to be designated the “General Obligation Bonds (San Francisco General Hospital Improvement Bonds, 2008), Series 2010A Bond Account” (the “Series 2010A Bond Account”), to be held separate and apart from all other accounts of the City. All interest earned on amounts on deposit in the Series 2010A Bond Account shall be retained in the Series 2010A Bond Account.

On or prior to the date on which any payment of principal of or interest on the Series 2010A Bonds is due, including any Series 2010A Bonds subject to mandatory redemption on said date, the City Treasurer shall allocate to and deposit in the Series
2010A Bond Account, from amounts held in the Bond Account, an amount which, when
added to any available moneys contained in the Series 2010A Bond Account, is sufficient
to pay principal of and interest on the Series 2010A Bonds on such date.

On or prior to the date on which any Series 2010A Bonds are to be redeemed at
the option of the City pursuant to this Resolution, the City Treasurer may allocate to and
deposit in the Series 2010A Redemption Account, from amounts held in the Bond
Account pursuant to Section 8 of the Authorizing Resolution, an amount which, when
added to any available moneys contained in the Series 2010A Redemption Account, is
sufficient to pay principal, interest and premium, if any, with respect to such Series 2010A
Bonds on such date. The City Treasurer may make such other provision for the payment
of principal of and interest and any redemption premium on the Series 2010A Bonds as is
necessary or convenient to permit the optional redemption of the Series 2010A Bonds.

Amounts in the Series 2010A Bond Account may be invested in any investment of
the City in which moneys in the General Fund of the City are invested. The City
Treasurer may commingle any of the moneys held in the Series 2010A Bond Account
with other City moneys or deposit amounts credited to the Series 2010A Bond Account
into a separate fund or funds for investment purposes only; provided, however, that all of
the moneys held in the Series 2010A Bond Account hereunder shall be accounted for
separately notwithstanding any such commingling or separate deposit by the City
Treasurer. Any bid premium or accrued interest received upon the delivery of the Series
2010A Bonds shall be deposited into the Series 2010A Bond Account.

Series 2010C Bond Account. There is hereby established with the City Treasurer
a special subaccount in the Bond Account to be designated the “General Obligation
Bonds (San Francisco General Hospital Improvement Bonds, 2008), Series 2010C Bond
Account” (the “Series 2010C Bond Account”), to be held separate and apart from all other
accounts of the City. All interest earned on amounts on deposit in the Series 2010C Bond Account shall be retained in the Series 2010C Bond Account.

On or prior to the date on which any payment of principal of or interest on the Series 2010C Bonds is due, including any Series 2010C Bonds subject to mandatory redemption on said date, the City Treasurer shall allocate to and deposit in the Series 2010C Bond Account, from amounts held in the Bond Account, an amount which, when added to any available moneys contained in the Series 2010C Bond Account, is sufficient to pay principal of and interest on the Series 2010C Bonds on such date.

The City hereby covenants with the holders of the Series 2010A Bonds that, notwithstanding any other provisions of this Resolution, it shall not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of interest on the Series 2010A Bonds under Section 103 of the Code, and the regulations issued thereunder, as the same may be amended from time to time, and any successor provisions of law. Reference to a particular section of the Code shall be deemed to be a reference to any successor to any such section. BOARD OF SUPERVISORS
(b) **Use of Proceeds.** The City shall not take any action, or fail to take any action, if any such action or failure to take action would cause the Series 2010A Bonds or the Series 2010C Bonds to be “private activity bonds” within the meaning of Section 141 of the Code, and in furtherance thereof, shall not make any use of the proceeds of the Series 2010A Bonds or the Series 2010C Bonds or any of the property financed or refinanced with proceeds of the Series 2010A Bonds or the Series 2010C Bonds, or any portion thereof, or any other funds of the City, that would cause the Series 2010A Bonds or the Series 2010C Bonds to be “private activity bonds” within the meaning of Section 141 of the Code. To that end, so long as any Series 2010A Bonds or the Series 2010C Bonds are outstanding, the City, with respect to such proceeds and property and such other funds, will comply with applicable requirements of the Code and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1954, as amended (the “1954 Code”), to the extent such requirements are, at the time, applicable and in effect. The City shall establish reasonable procedures necessary to ensure continued compliance with Section 141 of the Code (or, if applicable, the 1954 Code) and the continued qualification of each the Series 2010A Bonds and the Series 2010C Bonds as “governmental bonds.” In addition, the City shall insure that none of the proceeds of the Series 2010C Bonds are used for any “private business use” within the meaning of Section 141 of the Code.
(c) **Arbitrage.** The City shall not, directly or indirectly, use or permit the use of any proceeds of any Series 2010A Bonds or Series 2010C Bonds, or of any property financed or refinanced thereby, or other funds of the City, or take or omit to take any action, that would cause the Series 2010A Bonds or the Series 2010C Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. To that end, the City shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent such requirements are, at the time, in effect and applicable to the Series 2010A Bonds or the Series 2010C Bonds.

(d) **Federal Guarantee.** The City shall not make any use of the proceeds of the Series 2010A Bonds or the Series 2010C Bonds or any other funds of the City, or take or omit to take any other action, that would cause the Series 2010A Bonds or the Series 2010C Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code. For this purpose, Interest Subsidy Payments shall not be treated as a federal guaranty.

(e) **Information Reporting.** The City shall take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code with respect to the Series 2010A Bonds and the Series 2010C Bonds.

(f) **Hedge Bonds.** The City shall not make any use of the proceeds of the Series 2010A Bonds or the Series 2010C Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Series 2010A Bonds or the Series 2010C Bonds to be considered "hedge bonds" within the meaning of Section 149(g) of the Code unless the City takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code.
(g) Compliance with Tax Certificates. In furtherance of the foregoing tax covenants of this Section 17, the City covenants that it will comply with the provisions of each Tax Certificate to be executed by the City with respect to each of the Series 2010A Bonds and the Series 2010C Bonds, respectively, dated the date of issuance of each Series of 2010 Bonds, as each such Tax Certificate may be amended from time to time. This covenant shall survive payment in full or defeasance of the Series 2010A Bonds or the Series 2010C Bonds, as applicable.

(h) Additional Tax Covenants applicable to Series 2010C Bonds. The following additional covenants shall apply to the Series 2010C Bonds:

(1) **Build America Bonds; Interest Subsidy Payments.** The City shall take all actions necessary to assure that the proceeds of the Series 2010C Bonds are expended and federal tax requirements are met so as to cause the Bonds to be treated as "build America bonds" eligible for the Interest Subsidy Payments, as described in Section 4 hereof.

(2) **Form 8038-CP.** The City or the City’s authorized designated recipient shall, within the forty-five (45) day period beginning on the day that is ninety (90) days prior to each interest payment date, file Form 8038-CP (or any successor form designated by the United States Department of the Treasury or the Internal Revenue Service) requesting payment of the Interest Subsidy Payment with respect to such interest payment date.

(3) **Series 2010C Project Account.** The City shall insure that all amounts in the Series 2010C Project Account are spent solely on capital expenditures with a reasonably expected economic life of one year or more.
Section 19. Modification to Documents. Any City official authorized by this Resolution to execute any document is hereby further authorized, in consultation with the City Attorney and co-bond counsel, to approve and make such changes, additions, amendments or modifications to the document or documents such official is authorized to execute as may be necessary or advisable (provided that such changes, additions, amendments or modifications shall not authorize an aggregate principal amount of Series 2010A Bonds and Series 2010C Bonds in excess of $305,000,000 or conflict with the proceeds of the Series 2010C Bonds, including the investment earnings thereon, in an amount in excess of two percent (2%) of the proceeds of the sale of the Series 2010C Bonds to be used to pay costs of issuance. If the fees of the original purchaser of the Series 2010C Bonds are retained as an underwriter’s discount on the purchase of the Series 2010C Bonds, such retention shall be deemed to be an expenditure of proceeds of the Series 2010C Bonds for such fees and shall be applied against such two percent (2%) costs of issuance limitation.

Section 18. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate (the “Continuing Disclosure Certificate”) to be signed by the City to permit the original purchasers of each Series of 2010 Bonds to comply with the Rule, submitted to the Board is hereby approved and adopted as the Continuing Disclosure Certificate, with such additions, corrections and revisions as may be determined to be necessary or desirable made in accordance with Section 19 hereof, including, without limitation, the use of a separate Continuing Disclosure Certificate for each Series of 2010 Bonds. The Controller is hereby authorized and directed to execute the Continuing Disclosure Certificate on behalf of the City and deliver the Continuing Disclosure Certificate to the original purchasers of each Series of 2010 Bonds.

Section 19. Modification to Documents. Any City official authorized by this Resolution to execute any document is hereby further authorized, in consultation with the City Attorney and co-bond counsel, to approve and make such changes, additions, amendments or modifications to the document or documents such official is authorized to execute as may be necessary or advisable (provided that such changes, additions, amendments or modifications shall not authorize an aggregate principal amount of Series 2010A Bonds and Series 2010C Bonds in excess of $305,000,000 or conflict with the proceeds of the Series 2010C Bonds, including the investment earnings thereon, in an amount in excess of two percent (2%) of the proceeds of the sale of the Series 2010C Bonds to be used to pay costs of issuance. If the fees of the original purchaser of the Series 2010C Bonds are retained as an underwriter’s discount on the purchase of the Series 2010C Bonds, such retention shall be deemed to be an expenditure of proceeds of the Series 2010C Bonds for such fees and shall be applied against such two percent (2%) costs of issuance limitation.
provisions of Section 4 hereof). The approval of any change, addition, amendment or modification to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.

Section 20. Ratification. All actions heretofore taken by officials, employees and agents of the City with respect to the sale and issuance of the Series 2010A Bonds and the Series 2010C Bonds are hereby approved, confirmed and ratified.

Section 21. Relationship to Authorizing Resolution. In the event of any conflict between this Resolution and the Authorizing Resolution, the terms of this Resolution shall control. Without limiting the foregoing and notwithstanding the provisions of the Authorizing Resolution, the City is not obligated to transfer money from the General Fund of the City to the Bond Account to pay the principal of or interest on any Series of 2010 Bonds.

Section 22. Reimbursement. The City hereby declares its official intent to reimburse prior expenditures of the City incurred prior to the issuance and sale of each Series of 2010 Bonds in connection with the Project or portions thereof to be financed by each Series of 2010 Bonds. The Board hereby declares the City's intent to reimburse the City with the proceeds of each Series of 2010 Bonds for the expenditures with respect to the Project (the "Expenditures" and each, an "Expenditure") made on and after that date that is no more than 60 days prior to adoption of this Resolution. The City reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of each Series of 2010 Bonds.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Series 2010A Bonds or the Series 2010C Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any
amount to or for the benefit of the City. The maximum aggregate principal amount of the Series 2010A Bonds and the Series 2010C Bonds expected to be issued for the Project is $305,000,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City's use of proceeds of the applicable Series of 2010 Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain de minimis amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 23. Accountability Reports. Each Series of 2010 Bonds is subject to accountability requirements under the City's Administrative Code and the Bond Ordinance. Accountability report(s) with respect to the Series 2010A Bonds and the Series 2010C Bonds shall be submitted at the time(s) and in the manner required by the Administrative Code and the Bond Ordinance.

Section 24. General Authority. The Clerk of the Board of Supervisors, the Mayor, the City Treasurer, the Director of Public Finance, the City Attorney and the Controller are each hereby authorized and directed in the name and on behalf of the City to take any and all steps and to issue, deliver or enter into any and all certificates, requisitions, agreements, notices, consents, and other documents as may be necessary to give effect to the provisions of this Resolution, including but not limited to letters of representations to any depository or depositories which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series 2010A Bonds or the Series 2010C Bonds.
