RESOLVED, That the Board of Supervisors declares as follows:

Section 1. Pursuant to Section 36621(a) of the 1994 Act and Article 15, the Board of Supervisors declares its intention to form a property and business improvement district to be designated as the "Civic Center Community Benefit District" (the "District") for a period of ten (10) years, and to levy and collect assessments against all identified parcels of real property in the District for a period of ten (10) years, commencing with fiscal year 2011-2012, subject to approval by a majority of the property owners in the District who cast assessment ballots, which ballots shall be weighted according to the proportional financial obligations of the affected properties. No bonds will be issued. District operations will commence on or about July 1, 2011, following collection of the assessments for fiscal year 2011-2012 and
disbursement of the assessment proceeds to the nonprofit owners' association that will
administer the property-related services, activities and improvements in the District pursuant
to Section 36651 of the 1994 Act and a written agreement with the City.

Section 2. The Board of Supervisors hereby approves the Management District Plan
and District Assessment Engineer's Report, as each amended October 27, 2010, including
the estimates of the costs of the property-related services, activities and improvements set
forth in the plan, and the assessment of said costs on the properties that will specially benefit
from such services, activities and improvements. A copy of the Management District Plan as
amended and the District Assessment Engineer's Report as amended, are on file with the
Clerk of the Board of Supervisors in File No. 101318. The Clerk of the Board shall make the
Management District Plan, District Assessment Engineer's Report and other documents
related to the District and included in the record before the Board of Supervisors available to
the public for review during normal business hours, Monday through Friday 8:00 a.m. through
5:00 p.m., excluding legal holidays.

Section 3. The Board of Supervisors hereby approves the Proposed Boundaries
Map showing the exterior boundaries of the District, which is on file with the Clerk of the Board
of Supervisors in File No. 101318 and incorporated herein by reference. The proposed
District contains approximately 654 identified parcels, located on approximately 35 whole or
partial blocks in the City Hall and Civic Center Plaza Street area, including the adjacent
portion of Market Street. The District is generally bounded: on the North by Turk Street; on
the East by a varying boundary along Hyde, Larkin and Ninth Streets; on the South by and
including the South side of Market Street; and on the West by the West side of Franklin
Street. It also includes both sides of Grove, Ivy and Hayes Streets westward to Gough Street.

Within the Civic Center CBD there are three separate benefit zones, established to
reflect different levels of service provided.
Zone 1 generally encompasses the North side of McAllister Street to the South side of Turk Street, from Larkin Street in the East (where it adjoins the Tenderloin Community Benefit District) to the properties on the West side of Franklin Street, and extending South to include the Ballet building midway in the block between Fulton and Grove Streets.

Zone 2 generally encompasses the Civic Center Plaza, the Asian Art Museum, the Main Library, Bill Graham Auditorium, Symphony Hall, the Opera House, the War Memorial Building, the Performing Arts Garage, plus properties along Grove, Ivy and Hayes Streets West to Gough Street, and properties on both sides of Van Ness Avenue extending South to Market Street.

Zone 3 generally encompasses Polk Street South of Lech Walesa Street, Fox Plaza, Fell Street, Hickory Street, Oak Street West to Franklin Street, and both sides of Market Street from Ninth Street to Franklin Street.

Reference should be made to the detailed maps and the lists of parcels identified by Assessor Parcel Number that are contained in the Management District Plan, in order to determine which specific parcels are included in the Civic Center Community Benefit District, and in each zone.

Section 4. A public hearing on the establishment of the District, and the levy and collection of assessments starting with fiscal year 2011-2012 and continuing through fiscal year 2020-2021, shall be conducted before the Board of Supervisors on January 4, 2011 at 3:00 p.m., or as soon thereafter as the matter may be heard in the Board’s Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this public hearing, the Board of Supervisors will hear public testimony regarding the proposed formation of the District, assessments, boundaries of the District, including testimony from all interested persons for or against establishment of the District, the extent of the District, the levy of the assessments, the furnishing of specific types of property-
related services, improvements and activities, and other matters related to the District. The
Board of Supervisors may waive any irregularity in the form or content of any written protest,
and at the public hearing may correct minor defects in the proceedings. All protests submitted
by affected property owners and received prior to the conclusion of the public testimony
portion of the public hearing shall be tabulated to determine whether a majority protest exists.

Section 5. The Board of Supervisors hereby approves the form of the Notice of
Public Hearing and Assessment Ballot which are on file with the Clerk of the Board of
Supervisors in File No. 101318.

Section 6. The proposed property-related services, improvements or activities for
the District include several programs. Programs will be refined by the CBD management
corporation board based on evaluation of need and effectiveness, and availability of additional
resources.

I. Programs common to all three Zones are as follows:

A. Safety Program -- Daytime Community Service Ambassadors: Four uniformed
Community Service Ambassadors (CSAs) will serve throughout all three Zones five
days per week during daytime, with overlapping shifts. The CSAs are currently
scheduled to operate from 7:30 a.m. to 7:30 p.m.

B. Advocacy: For all three Zones, multi-faceted Advocacy will be provided by the
Executive Director. The Executive Director will coordinate a process for regular
exchange of information among Civic Center stakeholders, develop a website, and
produce a regular newsletter directed towards District merchants, organizations,
property owners, and members of the media. Advocacy will also include participating
in community meetings, coordinating information between City agencies and Civic
Center stakeholders related to events and issues affecting the area, speaking at
hearings, and raising additional resources and investments.
C. Beautification: For all three Zones, capital improvements such as wayfinding signage, sidewalk lighting and other streetscape improvements will be provided. Flower baskets/other greening throughout the District will be provided, using both assessment and non-assessment funds.

D. Daily Cleaning and Maintenance: For all three Zones, Daily Cleaning and Maintenance will be provided by on call maintenance services for graffiti removal, washing down sidewalks, and similar services, for a total of 20 hours per week.

E. Administration: The District will have an Executive Director, and provide dispatch and related administrative functions.

II. Programs for Zone 2, in addition to those listed under 6.1. above, are:

F. Safety Program -- Evening Community Service Ambassadors: Four uniformed Community Service Ambassadors will serve Zone 2 during evening hours, for 200 evenings per year or an equivalent. The evening CSA shifts are currently scheduled for 6:30 p.m. – 11:30 p.m.

G. Public Space and Sidewalk Activation: Public Space and Sidewalk Activation will be provided in Civic Center Plaza, Fulton Mall, and on sidewalks throughout Zone 2, through activities such as free music performances or performing arts.

III. Programs for Zone 3, in addition to those listed under 6.1. above, are:

H. Daily Cleaning and Maintenance: Daily Cleaning and Maintenance will be provided by one maintenance worker to sweep sidewalks and remove graffiti; the shift is currently scheduled for 7:30 a.m. – 4:00 p.m. daily. (This is in addition to the 20 hours per week on call maintenance services for tasks such as graffiti removal and washing down sidewalks, provided throughout the three Zones.)

Section 7. Within the area encompassed by the proposed District, the City currently provides services at the same level provided to other similar areas of the City. It is the intent
of the Board of Supervisors to continue to provide the area encompassed by the District with
the same level of services provided to these other similar areas of the City. The
establishment of the District will not affect the City's policy to continue to provide the same
level of service to the areas encompassed by the District as it provides to other similar areas
of the City during the duration of the District.

Section 8. The annual assessment proposed to be levied and collected for the first
year of the District (fiscal year 2011-2012) is estimated to be $729,482. The amount of the
annual assessment to be levied and collected for years two through ten (fiscal years 2012-
2013 through 2020-2021) may be increased from one year to the next by a percentage that
does not exceed either the change in the Consumer Price Index for All Urban Consumers in
the San Francisco-Oakland-San Jose Consolidated Metropolitan Statistical Area, or three
percent (3%), whichever is less.

Section 9. Environmental Findings. The Planning Department shall determine
whether the actions contemplated in this Resolution are in compliance with the California
Environmental Quality Act (California Public Resources Code sections 21000 et seq.), and
respond in writing to the Clerk of the Board of Supervisors.

Section 10. The Clerk of the Board is directed to give notice of the public hearing as
provided in California Streets and Highways Code Section 36623, California Government
Code Section 53753, California Constitution Article XIIIID Section 4, San Francisco Charter
Section 16.112, and San Francisco Administrative Code Section 67.7-1.
