anticipation notes issued in anticipation of the issuance of such series of Bonds, stating that
the outstanding general obligation bond indebtedness of the City, including all series of the
Bonds issued and to be issued and outstanding on the date of delivery of such series, will not
exceed three percent of the assessed value of all taxable real and personal property located
within the City.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Supervisors of the City and
County of San Francisco, as follows:

Section 1. Recitals. All of the recitals herein are true and correct.

Section 2. Conditions Precedent. All conditions, things and acts required by law to
exist, to happen and to be performed precedent to the adoption of this Resolution authorizing
the issuance of the Bonds exist, have happened and have been performed in due time, form
and manner in accordance with applicable law, and the City is now authorized pursuant to the
Charter and applicable law to incur indebtedness in the manner and form provided in this
Resolution.
Section 3. **Issuance of the Bonds.** The Board hereby authorizes the issuance and sale of $412,300,000 aggregate principal amount of the Bonds for the following proposition:

"SAN FRANCISCO EARTHQUAKE SAFETY AND EMERGENCY RESPONSE BONDS, 2010. To improve fire, earthquake and emergency response and ensure firefighters a reliable water supply for fires and disasters, through projects including: improving deteriorating pipes, hydrants, reservoirs, water cisterns and pumps built after the 1906 earthquake; improving neighborhood fire stations; replacing the seismically-unsafe emergency command center with an earthquake-safe building; and to pay related costs, shall the City and County of San Francisco issue $412,300,000 in general obligation bonds, subject to citizen oversight and regular audits?"

The Bonds may be sold in one or more series, as the Board shall determine, and shall be sold in accordance with law, as such law may from time to time be amended, supplemented or revised, and on the terms and conditions approved by the Board in this Resolution, as supplemented by such other resolution or resolutions relating to such series of Bonds and as provided in the resolution of the Board authorizing and directing the sale of each series of the Bonds (each, a "Sale Resolution"). The offering and sale of the Bonds may be aggregated with the offering and sale of other general obligation bonds being issued by the City, as authorized from time to time by the Board.

Section 4. **Execution and Authentication.** The Sale Resolution authorizing the sale of any series of the Bonds shall set forth the form of such Bond, with such necessary or appropriate variations, omissions and insertions as may be permitted by such resolution. "CUSIP" identification numbers may be imprinted on Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of
and to pay for the Bonds. In addition, failure on the part of the City to use such CUSIP
numbers in any notice to owners of the Bonds shall not constitute an event of default or any
violation of the City's contract with such owners and shall not impair the effectiveness of any
such notice.

The Bonds shall be signed by the Mayor of the City and countersigned by the Clerk of
the Board. All signatures hereinbefore referred to may be facsimile or manual. The Treasurer
of the City (the "City Treasurer") shall authenticate the Bonds by manual signature, and when
so executed and authenticated, the Clerk of the Board shall deliver the Bonds to or for the
account of the purchasers in exchange for the purchase price thereof.

In case such officers whose signatures or countersignatures appear on a Bond shall
cease to be such officers before the delivery of such Bond to the purchaser, such signatures
or countersignatures shall nevertheless be valid and sufficient for all purposes as if they had
remained in office until the delivery of such Bond.

Section 5. Transfer or Exchange and Registration of Bonds. Any Bond may be
transferred or exchanged in accordance with its terms and the Sale Resolution authorizing its
sale. Each Bond shall be registered in accordance with the Sale Resolution authorizing its
sale.

Section 6. General Redemption Provisions. The terms of redemption (whether
optional redemption, special optional redemption, optional redemption including a make-whole
provision, or mandatory redemption), if any, of any series of Bonds and the manner
prescribed for notice of any redemption of such series of Bonds shall be set forth in the Sale
Resolution authorizing the sale of the Bonds to be redeemed.
The Sale Resolution authorizing the sale of each series of Bonds shall provide that the City Treasurer shall establish a Redemption Account for such series of Bonds and shall further provide for the deposit and application of moneys in such Redemption Account.

Section 7. Tax Levy. For the purpose of paying the principal of and interest on the Bonds, the Board at the time of fixing the general tax levy shall fix, and in the manner provided for such general tax levy, levy and collect annually until the Bonds are paid, or until there shall be a sum set apart for that purpose in the treasury of the City sufficient to meet all sums coming due for payment of principal of and interest on the Bonds, a tax sufficient to pay the annual interest on the Bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such interest or principal.

Said tax shall be in addition to all other taxes levied for City purposes, shall be collected at the time and in the same manner as other taxes of the City are collected, and shall be used only for the payment of the Bonds and the interest thereon.

All taxes collected pursuant to this Section 7 shall be deposited forthwith in a special account to be designated as the "General Obligation Bonds (Earthquake Safety and Emergency Response Bonds, 2010) Bond Account" (the "Bond Account") and each and every series of Bonds issued under this Resolution shall be equally and ratably secured by the taxes collected pursuant to this Section 7. The Bond Account shall be administered by the City Treasurer and kept separate and apart from all other accounts. Pursuant to the Sale Resolution authorizing the sale of any series of the Bonds, the City Treasurer may establish such additional accounts and subaccounts within the Bond Account or with any agent, including but not limited to any paying agent or fiscal agent, as may be necessary or convenient in connection with the administration of any series of the Bonds. The Sale
Resolution authorizing the sale of any series of the Bonds shall establish subaccounts within the Bond Account for each series of the Bonds to provide for the payment of principal and interest on such series of Bonds.

The City Treasurer shall also deposit in the Bond Account from the proceeds of sale of a series of the Bonds, any moneys received on account of original issue premium and interest accrued on the Bonds to the date of payment of the purchase price thereof, and such other moneys, if any, as may be specified in the Sale Resolution authorizing the sale of such series of Bonds. So long as any of the Bonds are outstanding, moneys in the Bond Account shall be used and applied by the City Treasurer solely for the purpose of paying the principal of and interest on the Bonds as such principal and interest shall become due and payable, or for purchase of Bonds if permitted by the Sale Resolution authorizing the sale of such series of Bonds; provided, however, that when all of the principal of and interest on the Bonds have been paid, any moneys then remaining in said Bond Account shall be transferred to the General Fund of the City. The Board shall take such actions annually as are necessary or appropriate to cause the debt service on the Bonds due in any fiscal year to be included in the budget for such fiscal year and to make the necessary appropriations therefor.

Section 8. Administration and Disbursements From Bond Account.

(a) Interest. On or before June 15 and December 15 in each year that any of the Bonds are outstanding, the City Treasurer shall set aside in the Bond Account and the appropriate subaccounts therein relating to each series of the Bonds an amount which, when added to the amount contained in the Bond Account and subaccounts therein on that date, if any, will be equal to the aggregate amount of the interest becoming due and payable on each series of the Bonds outstanding on such interest payment date.
(b) Principal. On or before June 15 in each year that any of the Bonds is outstanding, the
City Treasurer shall set aside in the Bond Account and the appropriate subaccounts therein
relating to each series of the Bonds an amount which will be equal to the principal on each series
of the Bonds outstanding that will become due and payable on said June 15, including those
Bonds subject to mandatory redemption on such date pursuant to the provisions of the Sale
Resolution authorizing the sale of such Bonds.

All moneys in the Bond Account shall be used and withdrawn by the City Treasurer solely
for the purpose of paying the principal of and interest on each series of the Bonds as the same
shall become due and payable. On June 15 and December 15 in each year that any Bond is
outstanding, the City Treasurer shall allocate, transfer and apply to the various subaccounts in
the Bond Account created pursuant to the Sale Resolution authorizing the sale of a series of
Bonds, on such date on which payment of principal or interest on any series of Bonds is due,
from moneys on deposit in the Bond Account, an amount equal to the amount of principal of,
premium, if any, or interest due on said date with respect to each series of the Bonds then
outstanding. Unless other provision shall have been made pursuant to this Resolution for the
payment of any Bond, all amounts held in the various subaccounts of the Bond Account created
pursuant to the Sale Resolutions authorizing the sale of any series of Bonds shall be used and
applied by the City Treasurer to pay principal of, premium, if any, and interest due on the series
of the Bonds to which such subaccount relates, as and when due.

Section 9. Appointment of Depositories and Other Agents. The City Treasurer is
hereby authorized and directed to appoint one or more depositories as he or she may deem
desirable and may authorize such depository to perform, under the supervision of the City
Treasurer, any of the City Treasurer's duties and responsibilities under this Resolution and
each Sale Resolution, to the extent permitted by applicable law.
The City Treasurer is hereby also authorized and directed to appoint one or more agents as he or she may deem necessary or desirable. To the extent permitted by applicable law and under the supervision of the City Treasurer, such agents may serve as paying agent, fiscal agent, escrow agent or registrar for the Bonds or may assist the City Treasurer in performing any or all of such functions and such other duties as the City Treasurer shall determine including such duties and responsibilities of the City Treasurer provided for in this Resolution. Such agents shall serve under such terms and conditions as the City Treasurer shall determine. The City Treasurer may remove or replace agents appointed pursuant to this paragraph at any time.

Section 10. Project Account. There is hereby established a project account to be designated as the "General Obligation Bonds (Earthquake Safety and Emergency Response Bonds, 2010) Project Account" (the "Project Account"). The Project Account shall be maintained by the City Treasurer, as a separate account, segregated and distinct from all other accounts. The City Treasurer may establish such accounts and subaccounts within the Project Account as may be necessary or convenient in connection with the administration of the Project or the Bonds.

All of the proceeds of the sale of the Bonds (excluding any premium and accrued interest received thereon, unless otherwise determined by the Director of Public Finance) shall be deposited by the City Treasurer to the credit of the Project Account and shall be applied exclusively to the objects and purposes specified in the proposition set forth in Section 3 hereof. When such objects and purposes have been accomplished, any moneys remaining in such account shall be transferred to the Bond Account established pursuant to Section 7 hereof and applied to the payment of the principal of and interest on any series of Bonds. Amounts in the Project Account may be applied to the payment of costs of issuance.
of the Bonds, including, without limitation, bond and financial printing expenses, mailing and
publication expenses, rating agency fees, and the fees and expenses of paying agents,
registrars, financial consultants and bond counsel.

Section 11. Defeasance Provisions. The Sale Resolution authorizing the sale of any
series of Bonds may provide for the defeasance of such series of Bonds. Any Bonds which
have been deemed paid in accordance with the defeasance provisions of the Sale Resolution
authorizing their sale shall no longer be deemed outstanding under this Resolution.

Section 12. Tax Covenants. The Bonds may be issued as bonds the interest on which
is excluded from gross income for federal or state income tax purposes or as bonds the
interest on which is included in gross income for federal or state income tax purposes. With
respect to any series of the Bonds the interest on which is excluded from gross income for
federal or state income tax purposes and any series of Bonds issued as Build America Bonds,
the City may make such covenants and representations as are necessary or convenient to
comply with applicable laws and regulations.

Section 13. Other Terms and Provisions Relating To the Bonds. The Sale Resolution
providing for the sale of any series of Bonds may provide for (a) the purchase of bond
insurance or other credit enhancement relating to such series of Bonds and to the
establishment of such additional terms and procedures as may be necessary to provide for
the application of such bond insurance or other credit enhancement for the benefit of such
Bondholders; (b) the investment of moneys held in any fund or account relating to such series
of the Bonds in specific categories or types of investments, so long as such investments are
legal investments for the City and in compliance with any policy or guideline of the City
applicable thereto; and (c) the adoption of any supplemental resolutions relating solely to such
series of Bonds.
Section 14. **Supplemental Resolutions.** For any one or more of the following purposes and at any time or from time to time, a supplemental resolution may be adopted by the Board, which, without the requirement of consent of the owners of the Bonds, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the City in this Resolution or any Sale Resolution authorizing the sale of any series of Bonds, other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Resolution or any Sale Resolution as then in effect;

(b) To add to the limitations and restrictions in this Resolution or any Sale Resolution authorizing the sale of any series of Bonds, other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Resolution or any Sale Resolution as then in effect;

(c) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution or any Sale Resolution as then in effect, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution or any Sale Resolution authorizing the sale of any series of Bonds;

(d) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution or any Sale Resolution as then in effect; or

(e) To make such additions, deletions or modifications as shall not, in the determination of the Board, be materially adverse to the owners of the Bonds.

In addition, any modification or amendment of this Resolution or any Sale Resolution authorizing the sale of any series of Bonds and of the rights and obligations of the City and of the owners of the Bonds, in any particular, may be made by a supplemental resolution, with the written consent of the owners of at least a majority in aggregate principal amount of the Bonds.
outstanding at the time such consent is given (except as provided in the succeeding paragraph).

No such modification or amendment shall permit a change in the terms or maturity of the principal of any outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall reduce the amount of moneys for the repayment of the Bonds, without the consent of all the owners of such affected Bonds.

Section 16. Reimbursement. The City hereby declares its official intent to reimburse prior expenditures of the City, incurred prior to the issuance and sale of each series of Bonds, related to the Project or portions thereof to be financed by each series of Bonds. The Board hereby declares the City’s intent to reimburse the City with the proceeds of each series of Bonds for the expenditures with respect to the Project (the “Expenditures” and each, an “Expenditure”) made on and after that date that is no more than 60 days prior to adoption of this Resolution. The City reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of each series of Bonds.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to a series of Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City. The maximum aggregate principal amount of the Bonds expected to be issued for the Project is $412,300,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City’s use of proceeds of the applicable series of Bonds to reimburse an
Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid.

The City recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 17. Citizens' Oversight Committee. The Bonds are subject to, and incorporate by reference, the applicable provisions of San Francisco Administrative Code Section 5.30 – 5.36 (the “Citizens’ General Obligation Bond Oversight Committee”). Under Section 5.31 of the Citizens’ General Obligation Bond Oversight Committee, to the extent permitted by law, one-tenth of one percent (0.1%) of the gross proceeds of each series of the Bonds shall be deposited in a fund established by the Controller’s Office and appropriated by the Board of Supervisors at the direction of the Citizens’ General Obligation Bond Oversight Committee to cover the costs of such Committee.

Section 18. CEQA Findings. The Board hereby adopts and incorporates by reference the findings required by the California Environmental Quality Act (“CEQA”), California Public Resources Code Sections 21000 et seq., the CEQA Guidelines, 15 Cal. Administrative Code Sections 15000 et seq., (“CEQA Guidelines”), and the San Francisco Administrative Code Chapter 31 (“Chapter 31”), all as set forth in Resolution 47-10, adopted February 9, 2010; provided however, except for planning and feasibility studies no bond proceeds shall be spent on projects of or relating to neighborhood fire stations, Awss cisterns or Awss pipe improvements, until such time as the Board has determined to proceed with such projects.
and the necessary CEQA findings and determinations have been made in accordance with law.

Section 19. Planning Code. The Board hereby adopts and incorporates by reference the findings and declarations relative to the conformance of the Bonds to (i) the priority policies of Section 101.1(b) of the San Francisco Planning Code, (ii) Section 4.105 of the San Francisco Charter and Section 2A.53(f) of the San Francisco Administrative Code, and (iii) consistency with the City's General Plan, all as more fully set forth in Resolution No.47-10, adopted by this Board on February 9, 2010.

Section 20. Ratification. All actions heretofore taken by officials, employees and agents of the City with respect to the sale and issuance of the Bonds are hereby approved, confirmed and ratified.

Section 21. General Authority. The Clerk of the Board, the Finance Committee of the Board, the Mayor, the City Treasurer, the City Administrator, the City Attorney, the Director of Public Finance of the City and the Controller are each hereby authorized and directed, in the name and on behalf of the City, to take any and all steps and to issue and deliver any and all certificates, requisitions, agreements, notices, consents, and other documents, including but not limited to, letters of representations to any securities depository or depositories, which
they or any of them might deem necessary or appropriate in order to consummate the lawful
issuance, sale and delivery of the Bonds and otherwise to give effect to this Resolution.
