FILE NO. 130302

RESOLUTION NO. 105-13

[Supporting Assembly Bills 218 and 870 - Expansion of California's Fair Hiring Policies to Cities, Counties, State Agencies, Special Districts, and Private Employers That Contract with State Agencies]

Resolution supporting Assembly Bill 218, which expands California's existing fair hiring policies for state and public employees to city and county workers statewide, and Assembly Bill 870, which expands California's existing fair hiring policies to private employers that contract with the State.

WHEREAS, Existing law requires the hiring practices and promotional practices of a local agency, as defined, to conform to the Federal Civil Rights Act of 1964 and prohibits any local agency from, as a part of its hiring practices or promotional practices, employing any educational prerequisites or testing or evaluation methods, which are not job related unless there is no adverse effect; and

WHEREAS, California Assembly Bill 218 (Dickinson), on file with the Clerk of the Board of Supervisors in File No. <u>130302</u>, which is hereby declared to be part of this resolution as if set forth fully herein, recently introduced in the California Assembly, would prohibit a local agency from inquiring into or considering the criminal history of an applicant and including any inquiry about criminal history on any initial employment application; and

WHEREAS, California Assembly Bill 218 would allow a local or state agency to consider an applicant's conviction history after the applicant's qualifications have been screened and the agency has determined the applicant meets the minimum employment requirements, as stated in any notice issued for the position; and

WHEREAS, California Assembly Bill 218 would not apply to a position for which a local agency is otherwise required by law to conduct a criminal history background check; and

WHEREAS, California Assembly Bill 218 would also express a legislative finding and declaration that reducing barriers to employment for people who have previously offended, and decreasing unemployment in communities with concentrated numbers of people who have previously offended, is a matter of statewide concern; and

WHEREAS, All cities, counties, state agencies, and special districts, including charter cities and counties would be subject to the provisions of California Assembly Bill 218; and

WHEREAS, California Assembly Bill 870 (Jones-Sawyer), on file with the Clerk of the Board of Supervisors in File No. <u>130302</u>, which is hereby declared to be part of this resolution as if set forth fully herein, recently introduced in the California Assembly, would prohibit the State from contracting with a person or entity that inquires into or considers the criminal history of a potential employee on an initial employment application; and

WHEREAS, California Assembly Bill 870 would authorize the State to contract with a person or entity that inquires into or considers an applicant's criminal history after the applicant's qualifications have been screened and the employer has determined the applicant meets the minimum employment requirements; and

WHEREAS, California Assembly Bill 870 would not apply to a position for which an employer is otherwise required by law to conduct a criminal history background check or to any contract position with a criminal justice agency; and

WHEREAS, California Assembly Bill 870 would also express a legislative finding and declaration that reducing barriers to employment for people who have previously offended, and decreasing unemployment in communities with concentrated numbers of people who have previously offended, is a matter of statewide concern; and

WHEREAS, In California and around the country, qualified job applicants often are plagued by old or minor convictions and are discouraged from submitting applications for

employment because a check box on job applications requires disclosure of criminal history information that often leads employers to dismiss applicants at the outset; and

WHEREAS, People of color are disproportionally impacted by criminal background checks in employment, which is why the U.S. Equal Employment Opportunity Commission (EEOC) requires employers to establish a strong nexus between an applicant's criminal history and the specific duties and responsibilities of a given position; and

WHEREAS, The City and County of San Francisco and over 45 other cities and counties in the United States removed the conviction history inquiry from initial employment applications in public employment and delayed the criminal background check until the later stages of the hiring process; and

WHEREAS, In 2010, California because the sixth state to do so when the State Personnel Board removed the question from employment applications for state level positions in public service; and

WHEREAS, Realignment of California's criminal justice system, as described in California Assembly Bill 109, seeks to produce budgetary savings by reducing recidivism and promoting rehabilitation; and

WHEREAS, Employment of eligible people with a conviction history is key to the success of the realignment strategy at a local level, as studies show that stable employment significantly lowers recidivism and promotes public safety; and

WHEREAS, In October 2005, the San Francisco Board of Supervisors unanimously adopted legislation that promoted the successful integration of individuals with criminal histories and initiated the removal of the request for conviction history information in the initial application process for public employment; and

WHEREAS, The Reentry Council of the City and County of San Francisco, in its Annual Report, identified arrest and conviction records as barriers to employment, and it

recommends that the City and County of San Francisco's policy on criminal background checks should be extended to other jurisdictions; and

WHEREAS, The City and County of San Francisco strongly supports California Assembly Bill 218 and California Assembly Bill 870 because they promote public safety by reducing unnecessary barriers to employment for nearly seven million adults in California with criminal records; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby supports California Assembly Bill 218 and California Assembly Bill 870 and authorizes the Clerk of the Board of Supervisors to communicate to the California State Legislature its support of California Assembly Bill 218 and California Assembly Bill 870; and

FURTHER RESOLVED, That the San Francisco Board of Supervisors hereby directs the Clerk of the Board to transmit copies to the members of the State Assembly from San Francisco and the members of the State Senate that represent San Francisco with a request to take all action necessary to achieve the objectives of this resolution.
