16 Any such entity shall hold the funds it receives from the City and County of San Francisco
17 ("City") in trust for the improvements, services and activities set forth in Section 7. Any such
18 entity that holds funds in trust for purposes related to the contract shall deliver, at no expense
19 to the City, a balance sheet and the related statement of income and cash flows for each
20 fiscal year, all in reasonable detail acceptable to City, reviewed by a Certified Public
21 Accountant (CPA); this review shall include a statement of negative assurance from the CPA.
22 In addition, or alternatively, the Controller in his or her discretion or the Office of Economic
23 and Workforce Development in its discretion, may require the private entity to deliver, at no
24 expense to the City, an annual independent audit report by a Certified Public Accountant of all
25 such funds. The CPA review and/or audit may be funded from assessment proceeds as part

1 of the general administration of the District. At all times the Board of Supervisors shall

16 County Assessment Roll opposite each lot or parcel of land the amount of the assessment
17 and such assessment shall be collected in the same manner as the County property taxes are
18 collected.

19 **Section 12. BASELINE SERVICES.** To ensure that assessment revenues from the
20 District are used to enhance the current level of services provided by the City within the
21 District, the establishment of the District will not affect the City's policy to continue to provide
22 the same level of service to the areas encompassed by the District as it provides to other
23 similar areas of the City for the duration of the District, provided, however, that in the event of
24 a significant downturn in citywide revenues, the Board of Supervisors may reduce the level of
25 municipal services citywide, including within the District.
