RESOLVED, By the Board of Supervisors as follows:

Section 1. Purposes of Bonds. This Board of Supervisors proposes issuing one or more series of bonds (Bonds) payable from and secured by a pledge of available tax increment allocated to the IFD with respect to Sub-Project Area G-1 and other sources identified by this Board of Supervisors for the purpose of financing the costs of the facilities specified in Appendix G-1 (Facilities), including acquisition and improvement costs and all
costs incidental to or connected with the accomplishment of said purposes and of the
financing thereof. The Bonds may be issued by this Board of Supervisors for and on behalf of
the IFD with respect to Sub-Project Area G-1 and they may be issued by this Board of
Supervisors for and on behalf of a community facilities district related to the territory in Sub-
Project Area G-1, as determined by this Board of Supervisors in connection with its approval
of the issuance of a series of Bonds.

This Board of Supervisors hereby declares that it reasonably expects (i) to pay certain
costs of the Facilities prior to the date of issuance of the Bonds and (ii) to use a portion of the
proceeds of the Bonds for reimbursement of expenditures for the Facilities that are paid
before the date of issuance of the Bonds.

Section 2. Estimated Cost. This Board of Supervisors hereby estimates that the cost
of the Facilities will be approximately $18.26 million (2015 dollars) and that the estimated
costs of preparing and issuing each series of the Bonds (not including underwriter’s discount)
will be equal to approximately 2% of the principal amount of such series of Bonds. Prior to the
issuance of any Bonds authorized hereby, this Board of Supervisors will approve the payment
of the actual costs of preparing and issuing each series of Bonds, including the underwriter’s
discount.

Section 3. Terms of Bonds. This Board of Supervisors intends to authorize the
issuance and sale of the Bonds in one or more series in the maximum aggregate principal
amount of not to exceed $25,100,000; provided however, the maximum aggregate principal
amount does not include the principal amount of (i) any bonds issued for the sole purpose of
refinancing the Bonds, funding a reserve fund for such refunding bonds and paying related
costs of issuance and (ii) any bonds issued for the sole purpose of refunding such refunding
bonds, funding a reserve fund and paying related costs of issuance. The Bonds will bear
interest payable semi-annually or in such other manner as this Board of Supervisors shall
determine, at a rate not to exceed the maximum rate of interest as may be authorized by applicable law at the time of sale of the Bonds. The maximum underwriter’s discount of the Bonds (excluding original issue discount) shall be 2%. As permitted by Section 53397.71 of the IFD Law, this Board of Supervisors may increase the maximum aggregate principal amount described above by adopting a resolution and complying with the publication requirements specified in the IFD Law.

Section 4. Available Tax Revenues. This Board of Supervisors estimates, based on the analysis set forth in Appendix G-1, that the incremental property tax revenues that will be available to the IFD from Sub-Project Area G-1 are approximately $49.2 million. This Board of Supervisors hereby finds that the amount necessary to pay principal of and interest on the Bonds is less than or equal to the incremental property tax revenues that will be available to the IFD to pay principal of and interest on the Bonds.

Section 5. Election. Pursuant to Section 53397.71 of the IFD Law, no election is required prior to issuance of the Bonds.

Section 6. Debt. This Board of Supervisors also proposes to incur debt (as defined in the IFD Law) other than the Bonds as set forth in Appendix G-1, as Appendix G-1 may be amended from time to time. The limitations on Bonds set forth in this Resolution, including, but not limited to, the maximum aggregate principal amount specified in Section 3, shall apply only to the Bonds and not to other debt (as defined in the IFD Law) payable from available tax increment allocated to the IFD with respect to Sub-Project Area G-1 pursuant to Appendix G-1.

Section 7. No Obligation. This Resolution shall in no way obligate this Board of Supervisors to issue Bonds for the IFD with respect to Sub-Project Area G-1. Issuance of the Bonds shall be subject to the approval of this Board of Supervisors.
Section 8. California Environmental Quality Act. This Board of Supervisors hereby finds that, pursuant to Title 14, California Code of Regulations, Sections 15378 and 15060(c)(2), adoption of this Resolution is not a "project" under the California Environmental Quality Act because it does not result in a physical change in the environment.
